### WAIVER:
- The FCPS COVID-19 Waiver form must be completed by a representative of the organization requesting usage of an FCPS facility and emailed to facilities.uof@fcps.org.
- This signed form must be received at least 2-days prior to your first event date or your date/s will be cancelled until it is received. The Waiver form is found on www.fcps.org.uof.
- The form will be good for all use of facility activities during the selected fiscal year (each July 1-June 30).

### INDOOR USERS:
- A face covering will be required by all occupants at all times while inside an FCPS facility (100% of the time from entering the building to exiting the building)
- See [CDC Mask Guidelines](https://www.cdc.gov). Wearing of a mask on the chin is not acceptable. The nose and mouth must be fully covered.
- It is recommended that participants/spectators remain physically distant to the extent possible.
- For athletic activities:
  - Coaches, spectators, and others must be masked 100% of the time while inside an FCPS building.
  - Athletes, officials, and game management staff must wear a face covering while inside an FCPS facility.
  - **EXCEPTION:**
    - The face covering may be removed by athletes while actively engaged in the sports activity. Sitting on the bench, waiting to go into a game or practice, does not constitute active participation and a mask must be worn.
    - Officials may remove face covering during the actual competition.
- For those playing musical instruments, the mask may be removed only while engaged in playing of the instrument.
- For those presenting, a mask may be temporarily removed while speaking, being mindful of social distancing while mask is off (ex. a preacher during a church service, stage presentations, etc.)
- Your group should keep a supply of disposable masks on hand for those who may have forgotten one. If there are no masks available, you must direct those without a mask to immediately leave the building.
- Heated discussions with or derogatory comments to FCPS staff regarding compliance of the indoor mask requirements will not be tolerated.
- It is your responsibility to communicate and enforce the mask requirements with all who attend your group’s events.
- Failure to comply with mask requirements will result in revocation of your group’s privilege to use FCPS facilities.
- The UOF Coordinator will make random site visits to confirm compliance.

### OUTDOOR USERS:
- A face covering is highly recommended when physical distancing cannot be maintained, but it is not required while utilizing FCPS outdoor property.
- It is recommended that participants/spectators remain physically distant to the extent possible.
