Virtual Instruction Plan
For more information about the FCPS Virtual Instruction Plan and COVID-19 response, scan the QR code below.

* Adequacy of staff coverage is dependent on resources available at individual school buildings and centrally deployed staff.

FCPS uses a multiple measures approach in guiding decisions for its responses to COVID-19.

Depending on the specific case information and adequate staff coverage, the Central Review Team can choose to move an individual classroom, multiple classrooms, grade levels or entire school to virtual instruction.
