

Paid professionals not actual patients.

Laser vision correction is one of the most popular elective procedures on the market today.

UnitedHealthcare Vision members have access to The Laser Vision Network of America, offering the following added values features:

Access to Providers

The Laser Vision Network of America is one of the largest networks in the U.S. and is comprised of over 500 locations for superior access to providers.

Quality

All surgeons are credentialed to NCOA (National Committee for Quality Assurance) recommended standards, helping to ensure high quality in patient care.

Member Value

Members are entitled to discounts not available to the public and a free initial consultation with all in-network providers.

Discount

All providers extend the following discounts to members
15% off standard prices – or – 5% off promotional pricing

Call 1-888-563-4497 or www.uhclasik.com

*Nearsighted better than -2 with astigmatism better than -1 and other restrictions may apply.
