

# Financial Services

**In need of financial services? Your EAP can help.** Financial services are an additional benefit provided by your employer at *no cost to you*. Upon calling BHS, you will be linked to a Care Coordinator who will conduct a needs assessment and connect you to BHS' team of highly-trained financial counselors to provide unlimited telephonic consultation and resources about your specific financial issue. If you determine you need ongoing assistance with your financial situation, BHS can then provide local referrals at a discounted rate.

## **BHS offers a wide variety of financial resources and services, including:**

- Debt management and consolidation
- College funding
- Tax planning and preparation
- Retirement funding
- Credit counseling
- Budgeting

## **Unlimited telephonic financial consultation:**

- You and your household members can access unlimited telephonic financial counseling, information and education from BHS' team of highly-trained financial counselors.
- You may contact a financial advisor as many times as needed about the same issue for up to one year.

### **Confidentiality**

Our team of Care Coordinators serve as your advocate and confidant. When you speak with us, you can trust that your conversations and information will be kept completely confidential.

### **Program Cost**

Financial services are a *free* benefit provided and paid for by your employer at *no cost to you*.

**For more information about financial services, call  
our toll free number or visit us online.**
