

**High School
SECONDARY REPORT CARD (GRADE 9-12)**

This report card is an important avenue of communication between teachers, parents, and students. However, it cannot completely report your child's continuing progress in school. Frequent communication between parents and teachers is essential to your child's success. We encourage you to call if you want additional information or wish to make an appointment with your child's teacher.

Criterion Referenced Evaluation System
CRES is Frederick County's local testing program, designed to show how well students have mastered the essential curriculum.

Academic Standards for Extracurricular Participation
In order to be eligible to participate in extra curricular activities, a student must have a minimum 2.0 grade point average (GPA) and no "F" grades. The grade point average is based on a 4.0 scale and is calculated on a course basis each term. Further information is available from the guidance office or athletic dept.
