Dear Ms. Pasierb:

We have received your letter dated April 6, 2016 and the enclosed Frederick County 2015 Actual Enrollments and 2016 - 2025 enrollment projections.

We compared Frederick County's projections to those generated by our Department. There is a difference of less than 5 percent for years 2016 - 2025. You may use the local projections (2016-2025) for updating your 2016 Educational Facilities Master Plan (EFMP). A copy of this letter and its attachment should be included in the Plan.

We look forward to receiving your updated EFMP in July. A copy of this letter and its attachment should be included in the Plan. If you have any questions, please do not hesitate to contact Pat Goucher at 410.767.4564 or Arabia Davis at 410.767.4613.

Sincerely,

David R. Craig

**BACKGROUND/SUMMARY:** At the September 7, 2016 Board of Education of Frederick County (BOE) public hearing, public comment was accepted on the draft Superintendent's recommended Educational Facilities Master Plan (EFMP). This plan is updated annually and serves as the foundation for the capital funding requests to the state and county. This year's deadline for state capital funding request is October 5, 2016.

**PROCESS STATEMENT:** Action is requested on the EFMP at tonight's meeting. The BOE may accept the plan as submitted or make modifications to the lineup of projects as they believe appropriate to meet the short- and long-term needs of the school system.

Staff also requests approval of the priority list of projects to be submitted to the state for the FY 2018 Capital Improvement Program funding requests. The priority list of projects will also be submitted to County for their support of the project priorities as required by the state for state funding consideration.

Electronic copies of the EFMP can be found at <http://www.fcps.org/facilities/Educational-Facilities-Master-Plan.cfm>.

Staff will be available at the meeting to discuss the projects included in the EFMP or any other issue related to the plan as requested by the Board.
