

Laser Vision Correction

Blue Cross and Blue Shield of Illinois has arranged a discount program through Davis Vision,* featuring the TruVision* network which offers laser vision correction at a discounted price. This is a discount program only. It is not part of your Blue Cross and Blue Shield health care benefits.

TruVision's network of providers currently includes approximately 200 laser centers in 43 states and the District of Columbia. Board-eligible surgeons have performed more than 1 million procedures using only FDA-approved lasers.

*The relationship between Blue Cross and Blue Shield of Illinois and Davis Vision, Inc., on behalf of TruVision is that of independent contractors.
