**WARNING, LIMITED
BENEFITS WILL BE
PAID WHEN
NON-PREFERRED
PROVIDERS ARE
USED**

You should be aware that when you elect to utilize the services of a non-preferred provider for a covered treatment in non-emergency situations, benefit payments to such non-preferred provider are not based upon the amount billed. The basis of your benefit payment will be determined according to your plan's reasonable and customary charge (which is determined by comparing charges for similar services adjusted to the geographical area where the services are performed), or other method as defined by the plan. **YOU CAN EXPECT TO PAY MORE THAN THE PAYMENT RATE DEFINED IN THE PLAN AFTER THE PLAN HAS PAID ITS REQUIRED PORTION.** Non-preferred providers may bill for any amount up to the billed charge after the plan has paid its portion of the bill. Preferred providers have agreed to accept discounted payments for services with no additional billing other than payment rate and deductible amounts. You may obtain further information about the participating status of professional providers and information on out-of-pocket expenses by calling the toll free telephone number on your identification card.

Accident and Health Claims Provisions

Your right to make a claim for any *accident and health* benefits provided by this *plan*, is governed as follows:

Notice You must send us written notice of an *injury* or *sickness* for which a claim is being made within 20 days of the date the *injury* occurs or the *sickness* starts. This notice should include your name and *plan* number. If the claim is being made for one of your *covered dependents*, his or her name should also be noted.

Proof of Loss We'll furnish you with forms for filing proof of loss within 15 days of receipt of notice. But if we don't furnish the forms on time, we'll accept a written description and adequate documentation of the *injury* or *sickness* that is the basis of the claim as proof of loss. You must detail the nature and extent of the loss for which the claim is being made. You must send us written proof within 90 days of the loss.

Accident and Health Claims Provisions (Cont.)

If this plan provides weekly loss-of-time insurance, you must send us written proof of loss within 90 days of the end of each period for which we're liable. If this plan provides long term disability income insurance, you must send us written proof of loss within 90 days of the date we request it. For any other loss, you must send us written proof within 90 days of the loss.

Late Notice of Proof We won't void or reduce your claim if you can't send us notice and proof of loss within the required time. But you must send us notice and proof as soon as reasonably possible.

Payment of Benefits We'll pay benefits for loss of income once every 30 days for as long as we're liable, provided you submit periodic written proof of loss as stated above. We'll pay all other *accident and health* benefits to which you're entitled as soon as we receive written proof of loss.

We pay all *accident and health* benefits to you, if you're living. If you're not living, we have the right to pay all *accident and health* benefits, except dismemberment benefits, to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; (e) your brothers and sisters; and (f) any unpaid provider of health care services. See "Your Accidental Death and Dismemberment Benefits" for how dismemberment benefits are paid.

When you file proof of loss, you may direct us, in writing, to pay health care benefits to the recognized provider of health care who provided the covered service for which benefits became payable. We may honor such direction at our option. But we can't tell you that a particular provider must provide such care. And you may not assign your right to take legal action under this *plan* to such provider.

Limitations of Actions You can't bring a legal action against this *plan* until 60 days from the date you file proof of loss. And you can't bring legal action against this *plan* after three years from the date you file proof of loss.

YOUR CONTINUATION RIGHTS

Federal Continuation Rights

Important Notice This notice contains important information about the right to continue group dental coverage. In addition to the continuation rights described below, other health coverage alternatives may be available through states' Health Insurance Marketplaces. Please read the information contained in this notice very carefully.

This section applies only to any dental, out-of-network point-of-service medical, major medical, prescription drug or vision coverages which are part of this plan. In this section, these coverages are referred to as "group health benefits."

This section does not apply to any coverages which apply to loss of life, or to loss of income due to disability. These coverages can not be continued under this section.

Under this section, "qualified continuee" means any person who, on the day before any event which would qualify him or her for continuation under this section, is covered for group health benefits under this plan as: (a) an active, covered employee; (b) the spouse of an active covered employee; or (c) the dependent child of an active, covered employee. A child born to, or adopted by, the covered employee during a continuation period is also a qualified continuee. Any other person who becomes covered under this plan during a continuation provided by this section is not a qualified continuee.

Conversion Continuing the group health benefits does not stop a qualified continuee from converting some of these benefits when continuation ends. But, conversion will be based on any applicable conversion privilege provisions of this plan in force at the time the continuation ends.

If Your Group Health Benefits End If your group health benefits end due to your termination of employment or reduction of work hours, you may elect to continue such benefits for up to 18 months, if you were not terminated due to gross misconduct.

The continuation: (a) may cover you or any other qualified continuee; and (b) is subject to "When Continuation Ends".

Extra Continuation for Disabled Qualified Continuees If a qualified continuee is determined to be disabled under Title II or Title XVI of the Social Security Act on or during the first 60 days after the date his or her group health benefits would otherwise end due to your termination of employment or reduction of work hours, and such disability lasts at least until the end of the 18 month period of continuation coverage, he or she or any member of that person's family who is a qualified continuee may elect to extend his or her 18 month continuation period explained above for up to an extra 11 months.

Federal Continuation Rights (Cont.)

To elect the extra 11 months of continuation, a qualified continuee must give your employer written proof of Social Security's determination of the disabled qualified continuee's disability as described in "The Qualified Continuee's Responsibilities". If, during this extra 11 month continuation period, the qualified continuee is determined to be no longer disabled under the Social Security Act, he or she must notify your employer within 30 days of such determination, and continuation will end, as explained in "When Continuation Ends."

This extra 11 month continuation is subject to "When Continuation Ends".

An additional 50% of the total premium charge also may be required from all qualified continuees who are members of the disabled qualified continuee's family by your employer during this extra 11 month continuation period, provided the disabled qualified continuee has extended coverage.

All Options

If You Die While Insured If you die while insured, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to "When Continuation Ends".

B235.0075

All Options

If Your Marriage Ends If your marriage ends due to legal divorce or legal separation, any qualified continuee whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to 36 months, subject to "When Continuation Ends".

If a Dependent Child Loses Eligibility If a dependent child's group health benefits end due to his or her loss of dependent eligibility as defined in this plan, other than your coverage ending, he or she may elect to continue such benefits. However, such dependent child must be a qualified continuee. The continuation can last for up to 36 months, subject to "When Continuation Ends".

Concurrent Continuations If a dependent elects to continue his or her group health benefits due to your termination of employment or reduction of work hours, the dependent may elect to extend his or her 18 month or 29 month continuation period to up to 36 months, if during the 18 month or 29 month continuation period, the dependent becomes eligible for 36 months of continuation due to any of the reasons stated above.

The 36 month continuation period starts on the date the 18 month continuation period started, and the two continuation periods will be deemed to have run concurrently.

Federal Continuation Rights (Cont.)

Special Medicare Rule If you become entitled to Medicare before a termination of employment or reduction of work hours, a special rule applies for a dependent. The continuation period for a dependent, after your later termination of employment or reduction of work hours, will be the longer of: (a) 18 months (29 months if there is a disability extension) from your termination of employment or reduction of work hours; or (b) 36 months from the date of your earlier entitlement to Medicare. If Medicare entitlement occurs more than 18 months before termination of employment or reduction of work hours, this special Medicare rule does not apply.

The Qualified Continuee's Responsibilities A person eligible for continuation under this section must notify your employer, in writing, of: (a) your legal divorce or legal separation from your spouse; (b) the loss of dependent eligibility, as defined in this plan, of an insured dependent child; (c) a second event that would qualify a person for continuation coverage after a qualified continuee has become entitled to continuation with a maximum of 18 or 29 months; (d) a determination by the Social Security Administration that a qualified continuee entitled to receive continuation with a maximum of 18 months has become disabled during the first 60 days of such continuation; and (e) a determination by the Social Security Administration that a qualified continuee is no longer disabled.

Notice of an event that would qualify a person for continuation under this section must be given to your employer by a qualified continuee within 60 days of the latest of: (a) the date on which an event that would qualify a person for continuation under this section occurs; (b) the date on which the qualified continuee loses (or would lose) coverage under this plan as a result of the event; or (c) the date the qualified continuee is informed of the responsibility to provide notice to your employer and this plan's procedures for providing such notice.

Notice of a disability determination must be given to your employer by a qualified continuee within 60 days of the latest of: (a) the date of the Social Security Administration determination; (b) the date of the event that would qualify a person for continuation; (c) the date the qualified continuee loses or would lose coverage; or (d) the date the qualified continuee is informed of the responsibility to provide notice to your employer and this plan's procedures for providing such notice. But such notice must be given before the end of the first 18 months of continuation coverage.

CGP-3-R-COBRA-96-3

B235.0178

All Options

Your Employer's Responsibilities A qualified continuee must be notified, in writing, of: (a) his or her right to continue this plan's group health benefits; (b) the premium he or she must pay to continue such benefits; and (c) the times and manner in which such payments must be made.

Your employer must give notice of the following qualifying events to the plan administrator within 30 days of the event: (a) your death; (b) termination of employment (other than for gross misconduct) or reduction in hours of employment; (c) Medicare entitlement; or (d) if you are a retired employee, a bankruptcy proceeding under Title 11 of the United States Code with respect to the employer. Upon receipt of notice of a qualifying event from your employer or from a qualified continuee, the plan administrator must notify a qualified continuee of the right to continue this plan's group health benefits no later than 14 days after receipt of notice.

If your employer is also the plan administrator, in the case of a qualifying event for which an employer must give notice to a plan administrator, your employer must provide notice to a qualified continuee of the right to continue this plan's group health benefits within 44 days of the qualifying event.

If your employer determines that an individual is not eligible for continued group health benefits under this plan, they must notify the individual with an explanation of why such coverage is not available. This notice must be provided within the time frame described above.

If a qualified continuee's continued group health benefits under this plan are cancelled prior to the maximum continuation period, your employer must notify the qualified continuee as soon as practical following determination that the continued group health benefits shall terminate.

Your Employer's Liability Your employer will be liable for the qualified continuee's continued group health benefits to the same extent as, and in place of, us, if: (a) he or she fails to remit a qualified continuee's timely premium payment to us on time, thereby causing the qualified continuee's continued group health benefits to end; or (b) he or she fails to notify the qualified continuee of his or her continuation rights, as described above.

Election of Continuation To continue his or her group health benefits, the qualified continuee must give your employer written notice that he or she elects to continue. This must be done by the later of: (a) 60 days from the date a qualified continuee receives notice of his or her continuation rights from your employer as described above; or (b) the date coverage would otherwise end. And the qualified continuee must pay his or her first premium in a timely manner.

The subsequent premiums must be paid to your employer, by the qualified continuee, in advance, at the times and in the manner specified by your employer. No further notice of when premiums are due will be given.

The premium will be the total rate which would have been charged for the group health benefits had the qualified continuee stayed insured under the group plan on a regular basis. It includes any amount that would have been paid by your employer. Except as explained in "Extra Continuation for Disabled Qualified Continuees", an additional charge of two percent of the total premium charge may also be required by your employer.

Federal Continuation Rights (Cont.)

If the qualified continuee fails to give your employer notice of his or her intent to continue, or fails to pay any required premiums in a timely manner, he or she waives his or her continuation rights.

Grace in Payment of Premiums A qualified continuee's premium payment is timely if, with respect to the first payment after the qualified continuee elects to continue, such payment is made no later than 45 days after such election. In all other cases, such premium payment is timely if it is made within 31 days of the specified due date. If timely payment is made to the plan in an amount that is not significantly less than the amount the plan requires to be paid for the period of coverage, then the amount paid is deemed to satisfy the requirement for the premium that must be paid; unless your employer notifies the qualified continuee of the amount of the deficiency and grants an additional 30 days for payment of the deficiency to be made. Payment is calculated to be made on the date on which it is sent to your employer.

When Continuation Ends A qualified continuee's continued group health benefits end on the first of the following:

- (1) with respect to continuation upon your termination of employment or reduction of work hours, the end of the 18 month period which starts on the date the group health benefits would otherwise end;
- (2) with respect to a qualified continuee who has an additional 11 months of continuation due to disability, the earlier of: (a) the end of the 29 month period which starts on the date the group health benefits would otherwise end; or (b) the first day of the month which coincides with or next follows the date which is 30 days after the date on which a final determination is made that the disabled qualified continuee is no longer disabled under Title II or Title XVI of the Social Security Act;
- (3) with respect to continuation upon your death, your legal divorce, or legal separation, or the end of an insured dependent's eligibility, the end of the 36 month period which starts on the date the group health benefits would otherwise end;
- (4) the date the employer ceases to provide any group health plan to any employee;
- (5) the end of the period for which the last premium payment is made;
- (6) the date, after the date of election, he or she becomes covered under any other group health plan which does not contain any pre-existing condition exclusion or limitation affecting him or her; or
- (7) the date, after the date of election, he or she becomes entitled to Medicare.

Uniformed Services Continuation Rights

If you enter or return from military service, you may have special rights under this *plan* as a result of the Uniformed Services Employment and Reemployment Rights Act of 1994 ("USERRA").

If your group health benefits under this *plan* would otherwise end because you enter into active military service, this *plan* will allow you, or your dependents, to continue such coverage in accord with the provisions of USERRA. As used here, "group health benefits" means any dental, out-of-network point-of service medical, major medical, prescription drug or vision coverages which are part of this *plan*.

Coverage under this plan may be continued while you are in the military for up to a maximum period of 24 months beginning on the date of absence from work. Continued coverage will end if you fail to return to work in a timely manner after military service ends as provided under USERRA. You should contact your employer for details about this continuation provision including required premium payments.

YOUR CONTINUATION RIGHTS

Important Notice

This section applies to an employee's group term life benefits. These benefits are referred to as "group life benefits."

This section does not apply to accidental death and dismemberment benefits.

A Totally Disabled Employee's Right to Continue Group Life Benefits

If an Employee is Totally Disabled If an employee's group life benefits end while the employee is totally disabled, he may continue such benefits for a limited period of time subject to the payment of premiums. In this section, an employee is totally disabled if:

- (a) he is not able to perform any work for wage or profit due to a sickness or an injury; and
- (b) he becomes so disabled while insured by this group plan.

This continuation will end on the later of:

- (a) six months, starting on the date the total disability began; or
- (b) for employees who meet our standard for total disability under the extended life benefits section of this plan, the end of the waiting period which applies to the permanent disability provision under that section.

The monthly premium the employee must pay to continue his group life benefits will be the amount which he would have been required to pay had he stayed insured by this group plan on a regular basis. He must make this payment to his employer at the times and in the manner specified by his employer. If the employee fails to pay his amount on time, he waives his right to continue his group life benefits.

If the employer fails, after timely receipt of any required employee payment, to pay us on behalf of such employee, thereby causing the employee's group life benefits to end, then the employer will become liable for the employee's group life benefits to the same extent as, and in place of, us.

When the Continued Group Life Benefits End An employee's continued group life benefits end on the first of the following:

- (a) the end of the applicable continuation period;
- (b) the end of the period for which the last total monthly premium payment was made to us;
- (c) the date the group plan ends or is amended to end benefits for the class of employees to which the employee belonged;
- (d) the date the employee is no longer totally disabled; or

A Totally Disabled Employee's Right to Continue Group Life Benefits (Cont.)

- (e) the date the employee is approved by us in writing for coverage under any permanent disability provision of the extended life benefits section of this plan.

Conversion Rights and Extended Life Benefits Any applicable conversion rights will still be in effect when the continuation period ends. Continuing his group life benefits under this section does not stop an employee from claiming his rights under the extended life benefits section of this plan.

Dependent Spouse Continuation Rights

Important Notice This section applies only to any hospital, surgical, medical, major medical, prescription drug, and dental expense coverages as that are provided by this plan. In this section, these coverages are referred to as "group health benefits."

This section does not apply to coverages which provide benefits for loss of life or loss of income due to disability. These coverages, if provided, cannot be continued under this section.

Any continuation of group health benefits under this section will be subject to all of the terms and conditions of this plan.

If An Employee's Marriage Ends Or If An Employee Dies While Covered If an employee's marriage ends by legal divorce or annulment, or if an employee dies while covered, his or her then covered spouse may continue this plan's group health benefits subject to all the terms and conditions below and to the timely payment of premiums. Such group health benefits may cover the employee's former spouse and those of the employee's dependent children whose group health benefits would otherwise end.

If An Employee Retires While Covered If an employee retires while covered, his or her then covered spouse who is age 55 or older at that time may continue this plan's group health benefits subject to all the terms and conditions below and to the timely payment of premiums. Such group health benefits may cover the retired employee's spouse and those of the retired employee's dependent children whose group health benefits would otherwise end.

How And When To Continue The Group Health Benefits To continue the group health benefits, the employee's former spouse or retired employee's spouse must: (a) be covered for group health benefits under this plan at the time the marriage ends or the employee dies or retires; (b) in the case of a retired employee's spouse, be age 55 or older at the time the employee retires; (c) give written notice to Guardian or the employer of the end of the marriage or the death or retirement of the employee within 30 days after such event occurs; and (d) elect to continue the group health benefits and pay the first monthly premium as described below.

Dependent Spouse Continuation Rights (Cont.)

If the employee's former spouse or retired employee's spouse fails to elect to continue group health benefits, and/or fails to pay the first monthly premium, within 30 days after the date he or she receives the notice described below, group health benefits will end, and he or she waives the right to continue group health benefits under this plan.

The Employer's Responsibility The employer must give written notice to Guardian within 15 days of the date of receipt of written notice from the employee's spouse of the end of the marriage or the death or retirement of the employee. The employer's notice must include the former spouse's or retired employee's spouse's place of residence. The employer must also send, at the same time, a copy of such notice to the employee's former spouse or retired employee's spouse at the employee's former spouse's or retired employee's spouse's place of residence.

Guardian's Responsibility Within 30 days after the date of receipt of written notice from the employer, employee's former spouse or retired employee's spouse of the end of the marriage or the death or retirement of the employee, Guardian will notify the employee's former spouse or retired employee's spouse of his or her right to continue group health benefits for him or her and those of the employee's or retired employee's dependent children whose group health benefits would otherwise end.

Guardian's notice will be sent by certified mail, return receipt requested to the former spouse's or retired employee's spouse's place of residence. This notice will include: (a) a form for electing to continue group health benefits; (b) the amount of periodic premiums to be charged to continue group health benefits, and the method and place of payment; and (c) instructions for returning the election form within 30 days after the date it is received.

If Guardian fails to give notice as required above, all premiums for continued group health benefits will be waived from the date notice was required until the date notice is sent. Except as stated below, group health benefits will continue under the terms and conditions of this plan from the date notice was required until the date notice is sent. This will not apply where the group health benefits that exist at the time the notice was to be sent are ended for all employees or the class of employees to which the employee, deceased employee, or retired employee belongs.

Premiums The monthly premium for continued group health benefits will be computed as follows:

1. With respect to a former spouse who has not reached the age of 55 at the time continued group health benefits start: (a) an amount, if any, that would be charged an employee if the former spouse were a current employee of the employer; plus (b) an amount, if any, that the employer would contribute toward the premium if the former spouse were a current employee.
2. With respect to a retired employee's spouse or former spouse who has reached the age of 55 at the time continued group health benefits start:

Dependent Child Continuation Rights

Important Notice This section applies to any hospital, surgical, medical, major medical, prescription drug, and dental expense coverages that are provided by this plan. In this section, these coverages are referred to as "group health benefits."

This section does not apply to coverages which provide benefits for loss of life or loss of income due to disability. These coverages, if provided, cannot be continued under this section.

Any continuation of group health benefits under this section will be subject to all of the terms and conditions of this plan.

If An Employee Dies While Covered If an employee dies while covered, his or her then covered dependent child, or a responsible adult acting on behalf of the child, may continue this plan's group health benefits subject to all the terms and conditions below and to the timely payment of premiums. Such group health benefits may cover the child whose group health benefits would otherwise end. This continuation is not available if the child's group health benefits are being continued as provided in the Dependent Spouse Continuation section.

If A Dependent Child Reaches This Plan's Limiting Age If an employee's dependent child reaches this plan's limiting age, he or she may continue this plan's group health benefits subject to all the terms and conditions below and to the timely payment of premiums. Such group health benefits may cover the child whose group health benefits would otherwise end.

Dependent Child Continuation Rights (Cont.)

How And When To Continue The Group Health Benefits To continue the group health benefits, the employee's dependent child must be covered for group health benefits under this plan at the time the employee dies or the child reaches this plan's limiting age. The child, or a responsible adult acting on behalf of the child in the case of the employee's death, must: (a) give written notice to Guardian or the employer of the death of the employee or the child reaching the limiting age within 30 days after such event occurs; and (b) elect to continue the group health benefits and pay the first monthly premium as described below.

If the child, or a responsible adult acting on behalf of the child in the case of the employee's death, fails to elect to continue group health benefits, and/or fails to pay the first monthly premium, within 30 days after the date he or she receives the notice described below, group health benefits will end, and he or she waives the right to continue group health benefits under this plan.

The Employer's Responsibility The employer must give written notice to Guardian within 15 days of the date of receipt of written notice from the child, or a responsible adult acting on behalf of the child in the case of the employee's death, of the death of the employee or the child reaching the limiting age. The employer's notice must include the child's place of residence. The employer must also send, at the same time, a copy of such notice to the child, or the responsible adult acting on behalf of the child in the case of the employee's death, at the child's place of residence.

Guardian's Responsibility Within 30 days after the date of receipt of written notice from the employer, child, or a responsible adult acting on behalf of the child in the case of the employee's death of the death of the employee or the child reaching the limiting age, Guardian will notify the child, or the responsible adult acting on behalf of the child of his or her right to continue group health benefits for the child whose group health benefits would otherwise end.

Guardian's notice will be sent by certified mail, return receipt requested to the child's place of residence. This notice will include: (a) a form for electing to continue group health benefits; (b) the amount of periodic premiums to be charged to continue group health benefits, and the method and place of payment; and (c) instructions for returning the election form within 30 days after the date it is received.

If Guardian fails to give notice as required above, all premiums for continued group health benefits will be waived from the date notice was required until the date notice is sent. Except as stated below, group health benefits will continue under the terms and conditions of this plan from the date notice was required until the date notice is sent. This will not apply where the group health benefits that exist at the time the notice was to be sent are ended for all employees or the class of employees to which the employee or deceased employee belongs.

Premiums The monthly premium for continued group health benefits will be computed as follows: (a) an amount, if any, that would be charged an employee if the child were a current employee of the employer; plus (b) an amount, if any, that the employer would contribute toward the premium if the child were a current employee.

Dependent Child Continuation Rights (Cont.)

When Continued Group Health Benefits End Continued group health benefits end for the covered child on the first to occur of the following:

- (a) the end of the period for which the last premium payment was made;
- (b) the date the child becomes covered for similar benefits under another group plan;
- (c) the date the child's coverage would cease if he or she was still an eligible dependent of the employee; and
- (d) the end of two years from the date the child's continued group health benefits began.

The Right To Convert When a child's continued group health benefits end, conversion rights to which he or she may be entitled will be available according to all the terms and conditions of this plan.

Employee Coverage

Eligible Employees To be eligible for employee coverage, you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

Other Conditions You must:

- (a) be legally working in the United States, or working outside the United States for a United States based employer in a country or region approved by us.
- (b) be regularly working at least the number of hours in the normal work week set by your *employer* (but not less than 30 hours per week), at:
 - (i) your *employer's* place of business;
 - (ii) some place where your *employer's* business requires you to travel; or
 - (iii) any other place you and your *employer* have agreed upon for performance of occupational duties.

If you must pay all or part of the cost of employee coverage, we won't insure you until you enroll and agree to make the required payments. If you do this: (a) more than 31 days after you first become eligible; or (b) after you previously had coverage which ended because you failed to make a required payment, we also ask for *proof* that you're insurable. And you won't be covered until we approve that *proof* in writing.

Part or all of your insurance amounts may be subject to *proof* that you're insurable. The Life Schedule explains if and when we require *proof*. You won't be covered for any amount that requires such *proof* until you give the *proof* to us and we approve it in writing.

If your active *full-time* service ends before you meet any *proof of insurability* requirements that apply to you, you'll still have to meet those requirements if you're later re-employed.

Family Status Change You may request an increase in your optional term life insurance amount, a decrease to your optional term life insurance amount, or the addition of voluntary term life for which you were not previously insured, if a change in family status has occurred. You must request the change to your optional term life insurance in writing within 31 days after the date of the family status change as described below.

Family status change will include one or more of the following: (1) marriage or divorce; (2) death of a spouse or child; (3) birth or adoption of a child; (4) your spouse's termination of employment or a change in your spouse's employment that results in the loss of group coverage. The term "marriage" may also refer to civil unions and domestic partnerships, as recognized by the jurisdiction in which you reside.

Proof of insurability is not required for the change to optional term life insurance due to family status change as long as the change to your optional term life insurance does not exceed the guarantee issue amount shown in the Schedule of Benefits. Proof of insurability will be required on changes that exceed the guarantee issue amount and if proof was previously submitted and declined.

When Your Coverage Starts

Employee benefits that don't require *proof* that you are insurable are scheduled to start on the effective date shown on the sticker attached to the inside front cover of this booklet.

Employee benefits that require such *proof* won't start until you send us the *proof* and we approve it in writing. Once we have approved it, the benefits are scheduled to start on the effective date shown in the endorsement section of your application. A copy of the approved application is furnished to you.

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on the scheduled effective date or dates. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your regular occupation on any date part of your insurance is scheduled to start we will postpone that part of your coverage. We will postpone that part of your coverage until the date you are so capable and are working your regular number of hours for one full day, with the expectation that you could do so for one full week.

Sometimes, the effective date shown on the sticker or in the endorsement is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

Delayed Effective Date For Employee Optional Life Coverage

With respect to this *plan's* employee optional group term life insurance, if an *employee* is not actively at work on a *full-time* basis on the date his or her coverage is scheduled to start, due to *sickness* or *injury*, we'll postpone coverage for an otherwise covered loss due to that condition. We'll postpone such coverage until he or she completes 10 consecutive days of active *full-time* service without missing a work day due to the same condition.

Coverage for an otherwise covered loss due to all other conditions will start on the date the *employee* returns to active *full-time* service.

When Your Coverage Ends

Your coverage ends on the last day of the month in which your active *full-time* service ends for any reason. Such reasons include disability, death, retirement, layoff, leave of absence and the end of employment.

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

It ends on the date you have been outside the United States for six months in any twelve month period.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

Read this booklet carefully if your coverage ends. You may have the right to continue certain group benefits for a limited time. And you may have the right to replace certain group benefits with converted policies.

An Employee's Right To Continue Group Life and AD&D Insurance During a Family Leave Of Absence

All Options

Important Notice This section may not apply to an *employer's* plan. You must contact your *employer* to find out if your *employer* must allow for a leave of absence under federal law. In that case the section applies.

Continuation of Coverages Life and accidental death and dismemberment coverages may be continued, under a uniform, non-discriminatory policy applicable to all employees. You must contact your *employer* to find out if you may continue these coverages.

If Your Group Insurance Would End Group life and accidental death and dismemberment insurance may normally end for an *employee* because he or she ceases work due to an approved leave of absence. But, the *employee* may continue his or her group coverage if the leave of absence has been granted: (a) to allow the *employee* to care for a seriously injured or ill spouse, child or parent; (b) after the birth or adoption of a child; (c) due to the *employee's* own serious health condition; or (d) because of any serious injury or illness arising out of the fact that a spouse, child, parent, or next of kin, who is a covered servicemember, of the *employee* is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation. The *employee* will be required to pay the same share of the premium as he or she paid before the leave of absence.

When Continuation Ends Coverage may continue until the earliest of the following:

- The date you return to active work.
- In the case of a leave granted to you to care for a covered servicemember: The end of a total leave period of 26 weeks in one 12 month period. This 26 week total leave period applies to all leaves granted to you under this section for all reasons. If you take an additional leave of absence in a subsequent 12 month period, continued coverage will cease at the end of a total leave period of 12 weeks.
- In any other case: The end of a total leave period of 12 weeks in any 12 month period.

An Employee's Right To Continue Group Life and AD&D Insurance During a Family Leave Of Absence (Cont.)

- The date on which your *Employer's Plan* is terminated or you are no longer eligible for coverage under this *Plan*.

Proof Of Insurability We require *proof* that a dependent is insurable, if you: (a) enroll a dependent and agree to make the required payments after the end of the *enrollment period*; (b) in the case of a newly acquired dependent, other than the first newborn child, have other eligible dependents who you have not elected to enroll; or (c) in the case of a *newly acquired dependent*, have other *eligible dependents* whose coverage previously ended because you failed to make the required contributions, or otherwise chose to end such coverage.

A dependent is not insured by any part of this *plan* that requires such *proof* until you give us this *proof*, and we approve it in writing.

When Dependent Coverage Starts In order for your dependent coverage to begin you must already be insured for employee coverage, or enroll for employee and dependent coverage at the same time. Subject to the "Exception" stated below and to all of the terms of this *plan*, the date your dependent coverage starts depends on when you elect to enroll your *initial dependents* and agree to make any required payments.

If you do this on or before your *eligibility date*, the dependent's coverage is scheduled to start on the later of the first of the month which coincides with or next follows your *eligibility date* and the date you become insured for employee coverage.

If you do this within the *enrollment period*, the coverage is scheduled to start on the date you become insured for employee coverage.

If you do this after the *enrollment period* ends, your dependent coverage is subject to *proof of insurability* and won't start until we approve that *proof* in writing.

Once you have dependent coverage for your *initial dependents*, you must notify us when you acquire any new dependents and agree to make any additional payments required for their coverage.

A newly *acquired dependent* will be covered for those dependent benefits not subject to *proof of insurability* from the date the newly acquired dependent is first eligible, if you notify us and agree to make any additional payments within 31 days after the date the dependent becomes eligible. If you do this more than 31 days after the date the dependent becomes eligible, a *newly acquired dependent* will be covered from the date you notify us and agree to make any additional payments.

If *proof of insurability* is required for dependent benefits as explained above, those benefits are scheduled to start, subject to the "Exception" stated below, on the effective date shown in the "Endorsement" section of your application, provided that you send us the *proof* we require and we approve that *proof* in writing. When Dependent Coverage Ends Dependent coverage ends for all of your dependents when your employee coverage ends. Dependent coverage also ends for all of your dependents when you stop being a member of a class of *employees* eligible for such coverage. And it ends when this *plan* ends, or when dependent coverage is dropped from this *plan* for all *employees* or for an *employee's* class.

If you are required to pay part of the cost of dependent coverage, and you fail to do so, your dependent coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he stops being an *eligible dependent*. This happens to a child at 12:01 a.m. on the date the child attains this *plan's* age limit, when he marries, or when a step-child is no longer dependent on the employee for support and maintenance. It happens to a spouse when a marriage ends in legal divorce or annulment, and with respect to optional life coverage, it happens at 12:01 a.m. on the date the spouse reaches age 70.

Read this plan carefully if dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time. And they may have the right to replace certain group benefits with converted policies.

Basic Life Benefit If you die while insured for this benefit, we'll pay your beneficiary the amount shown in the schedule.

Proof of Death We'll pay this insurance as soon as we receive written proof of death. This should be sent to us as soon as possible.

If there is no beneficiary when you die, we'll pay the insurance to one of the following: (a) your estate; (b) your spouse; (c) your parents; (d) your children; or (e) your brothers and sisters.

Portability Privilege

Applicability This provision applies only to this *plan's* employee and dependent Optional group term life insurance. It does not apply to supplemental life insurance, if any is included in this *plan*. And it does not apply to Accidental Death and Dismemberment Insurance.

Important Restriction You may not elect a portable certificate of coverage unless you have been covered by this group *plan*, or the one it replaced, for employee Optional group term life insurance for at least three consecutive months prior to the date your coverage under this *plan* ends.

Portability Of Optional Group Term Life Insurance You may elect to continue all or part of your employee Optional group term life insurance and dependent Optional group term life insurance, by choosing a portable certificate of coverage, subject to the following terms.

You may port your coverage if coverage under this *plan* ends because you: (a) have terminated employment; or (b) stop being a member of an eligible class of employees.

You may not port your coverage or coverage for any of your dependents, if you: (a) have reached your 70th birthday on the day coverage under this *plan* ends; or (b) are eligible for this *plan's* Optional Group Term Life Insurance Extended Life Benefit.

You may not port your coverage or coverage for any of your dependents if coverage under this plan ends due to: (a) failure to pay any required premium; or (b) the end of this group *plan*.

Portability Privilege (Cont.)

You may port: (a) the full amount(s) of your Optional term life insurance as of the day your coverage under this *plan* ends, or (b) 50% of such amount, if such amount under this *plan* is at least \$50,000.00.

You may port: (a) the full amount(s) of your dependent Optional term life insurance as of the day your coverage under this *plan* ends; or (b) 50% of such amount(s), if: (i) your dependent spouse amount under this *plan* is at least \$20,000.00; and (ii) your dependent child amount under this *plan* is at least \$4,000.00. However, if you port the full amount of your insurance, any dependent amount(s) ported must be a full amount. And, if you elect to port 50% of your insurance, any dependent amount(s) ported must be 50% of such amount(s).

You may port: (a) your insurance only; (b) your insurance and insurance of your covered spouse; (c) your insurance and the insurance of all of your covered dependents; or (d) if you are a single parent, your insurance and the insurance of all of your covered dependent children. No other combinations will be allowed.

To be eligible to port, a dependent must be insured as of the day your coverage under this *plan* ends.

If You Die While Insured If you die while insured for dependent Optional term life insurance, your spouse may port the insurance of your dependents as described above. But, your spouse and dependents must be insured on the date of death. No dependents will be allowed to port if: (a) there is no surviving spouse; or (b) your surviving spouse has reached his or her 70th birthday on the day you die.

The Portable Certificate Of Coverage You or your surviving spouse can port to a portable certificate of coverage. The certificate provides group term insurance. It does not provide any: (a) accidental death and dismemberment benefits; (b) income replacement benefits; or (c) extended life benefits or waiver of premium privileges. The benefits provided by the portable certificate of coverage may not be the same as the benefits of this group *plan*.

The premium for the portable certificate of coverage will be based on: (a) your and/or your dependent's rate class under this plan; and (b) your or your surviving spouse's age bracket as shown in the Optional Life Portability Coverage Premium Notice.

How To Port To get a portable certificate of coverage, you or your surviving spouse must: (a) apply to us in writing; and (b) pay the required premium. You have 31 days from the date your coverage under this *plan* ends to do this. We won't ask for proof that you are insurable.

Defined Term As used in this provision, the term "port" means to choose a portable certificate of coverage which provides group term life insurance.

Information About Conversion and Portability

No covered person is allowed to convert his or her coverage, and elect a portable certificate of coverage at the same time. If a situation arises in which a covered person would be eligible to both convert and port, he or she may only exercise one of these privileges. A covered person may never be insured under both a converted policy and a portable certificate of coverage at the same time. The covered person should read his or her plan, as well as any related materials carefully before making an election.

If you are not disabled, as defined in the section labeled "Extended Life Benefit With Waiver of Premium" , you can convert to a permanent life insurance policy. You can convert the amount for which you were covered under this plan, less any group life benefits you become eligible for in the 31 days after this insurance ends.

Your Accelerated Life Benefit

IMPORTANT NOTICE: USE OF THE BENEFIT PROVIDED BY THIS SECTION MAY HAVE TAX IMPLICATIONS AND MAY AFFECT GOVERNMENT BENEFITS OR CREDITORS. YOU SHOULD CONSULT WITH YOUR TAX OR FINANCIAL ADVISOR BEFORE APPLYING FOR THIS BENEFIT.

PLEASE NOTE: THE AMOUNT OF GROUP TERM LIFE INSURANCE IS PERMANENTLY REDUCED BY THE GROSS AMOUNT OF THE ACCELERATED LIFE BENEFIT PAID TO YOU.

Accelerated Life Benefit If you have a medical condition that is expected to result in your death within 6 months, you may apply for an Accelerated Life Benefit. An Accelerated Life Benefit is a payment of part of your group term life insurance made to you before you die.

We subtract the gross amount paid to you as an Accelerated Life Benefit from the amount of your group term life insurance under this plan. The remaining amount of your group term life insurance is permanently reduced by the gross amount paid to you.

By "group term life insurance" we mean any Employee Optional Group Term Life Insurance for which you are insured under this plan. "Group term life insurance" does not mean Accidental Death and Dismemberment Benefits, any insurance provided under this plan for covered persons other than you or any scheduled increase in the amount of any Employee Group Term Life Insurance that is due within the 6 month period after the date you apply for the Accelerated Life Benefit.

By "gross amount" we mean the amount of an Accelerated Life Benefit elected by you, before the discount and the processing fee are subtracted.

For the purposes of this provision, "terminal condition" means a medical condition that is expected to result in your death within 6 months.

Your Accelerated Life Benefit (Cont.)

You may use the Accelerated Life Benefit in any way you choose. But you may receive only one Accelerated Life Benefit during your lifetime. If you live longer than 6 months, or if you recover from the condition, the benefit does not have to be repaid. But the amount of this benefit is not restored to your remaining group term life insurance. And you may not receive another Accelerated Life Benefit if you have a relapse or develop another terminal condition.

Maximum Benefit Amount The amount of the Accelerated Life Benefit for which you may apply is based on the amount of group term life insurance for which you are insured on the day before you apply for the benefit. The minimum benefit amount is the lesser of: (a) \$10,000.00; or (b) 75% of the inforce amount. The maximum benefit amount is the lesser of: (a) \$250,000.00; or (b) 75% of the inforce amount.

Discount The amount for which you apply is discounted to the present value in 6 months from the date the benefit is paid, based on the maximum adjustable policy loan interest rate permitted in the state in which your employer is located.

A detailed statement of the method of computing the amount of the Accelerated Life Benefit is filed with each state insurance department. This statement is available from The Guardian upon request.

Processing Fee A fee of up to \$150.00 may also be required for the administrative cost of evaluating and processing your Accelerated Life Benefit. This fee is deducted from the amount of the Accelerated Life Benefit paid to you.

Payment of An Accelerated Life Benefit If we approve your application for an Accelerated Life Benefit, we pay the amount you have elected, less the discount and the processing fee. We pay the benefit to you in one lump sum. And what we pay is subject to all of the other terms of this plan.

How And When To Apply To receive the Accelerated Life Benefit, you must send us written proof from a licensed doctor who is operating within the scope of his or her license that your medical condition is expected to result in your death within 6 months of the date of the written medical proof. We must approve such proof in writing before the Accelerated Life Benefit will be paid.

We can have you examined by a doctor of our choice to verify the terminal condition. We'll pay the cost of such examination. We will not pay the Accelerated Life Benefit if our doctor does not verify the terminal condition.

If we approve you to receive an Accelerated Life Benefit, we give you a statement which shows: (a) the amount of the maximum Accelerated Life Benefit for which you are eligible; and (b) the amount by which your group term life insurance will be reduced if you elect to receive the maximum Accelerated Life Benefit; and (c) the amount of the processing fee.

Even if you are receiving an Extended Life Benefit under this plan, you can still apply for an Accelerated Life Benefit. However, once you convert your group term life insurance, the terms of the converted life policy will apply. Any amount to which you could otherwise convert is permanently reduced by the gross amount of the Accelerated Life Benefit paid to you.

**Your Remaining

Insurance**

The remaining amount of group term life insurance for which you are covered after receiving an Accelerated Life Benefit payment is subject to any increases or cutbacks that would otherwise apply to your insurance. Applicable cutbacks are applied to the amount of group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

The premium cost of your remaining coverage is based on the amount of group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

You may be required to provide proof of insurability for increased amounts. If you are, we must approve that proof in writing before you are covered for the new amount.

The total amount of group term life insurance your beneficiary would Otherwise receive upon your death is reduced by the gross amount of the Accelerated Life Benefit paid to you.

If you die after electing the Accelerated Life Benefit, but before we send the benefit to you, your beneficiary will receive the amount of the group term life insurance for which you are insured on the day before you apply for the Accelerated Life Benefit.

Restrictions

We will not pay an Accelerated Life Benefit to you if you:

- are required by a government agency to use the payment to apply for, to receive or to maintain a governmental benefit or entitlement; or

Your Extended Life Benefit With Waiver Of Premium

Important Notice This section applies to your basic life benefit. But, it does not apply to your accidental death and dismemberment benefits; nor to any of your dependent's insurance under this group plan. In order to continue dependent basic life insurance, you must convert your dependent coverage to an individual permanent policy.

If You Are Disabled You are disabled if you meet the definition of total disability, as stated below. If you meet the requirements in the "How and When to Apply" provision, we'll extend your basic life insurance under this section without payment of premiums from you or the employer.

Total Disability or Totally Disabled means, due to sickness or injury, you are:

- (a) not able to perform any work for wages or profit; and
- (b) you are receiving regular doctor's care appropriate to the cause of disability.

How And When To Apply To apply for this extension, you must submit satisfactory written medical proof of your total disability within one year of the onset of that disability. Any claim filed after one year from the onset of total disability will be denied, unless we receive written proof that: (a) you lacked the legal capacity to file the claim; or (b) it was not reasonably possible for you to file the claim.

Also, in order to be eligible for this extension, you must:

- (a) become totally disabled before you reach age 60 and while insured by the group plan; and
- (b) remain totally disabled for 09 continuous months.

You are encouraged to apply for this benefit immediately upon the onset of disability.

Continued Eligibility For Extended Life Benefit We may require periodic written proof that you remain totally disabled to maintain this extension. This written proof of your continued disability and doctor's care must be provided to us within 30 days of the date we make each such request.

We can require that you take part in a medical assessment, with a medical professional of our choice, as often as we feel is reasonably necessary during the first two years we've extended your life benefits. But after two years, we can't have you examined more than once a year.

Until You've Been Approved For This Extended Life Benefit Your life insurance under the group plan may end after you've become totally disabled, but before we've approved you for this extension. During this time period, you may either:

- (a) continue group premium payments, including any portion which would have been paid by the employer until you are approved or declined for this extended life benefit; or
- (b) convert to an individual permanent or term policy. Please read the section labeled "Converting This Group Term Life Insurance" for details on how to convert.

Your Extended Life Benefit With Waiver Of Premium (Cont.)

However, if this group plan terminates, and you are totally disabled and eligible, but not yet approved, for this extended benefit, you must convert to an individual permanent or term policy, and remain insured under such policy until you are approved by us for the extended benefit.

Converting does not stop you from claiming your rights under this section. But if you convert and we later approve you for this extended benefit, we'll cancel the converted policy as of our approval date. Once you are approved for this extended benefit, your group term life coverage will be reinstated at no further cost to you or the employer.

When This Extension Begins

Once approved by us, your extended benefit will be effective on the later of:

Your Extended Life Benefit With Waiver Of Premium

Important Notice This section applies to your optional life benefit. But, it does not apply to your accidental death and dismemberment benefits; nor to any of your dependent's insurance under this group plan. In order to continue dependent optional life insurance, you must convert your dependent coverage to an individual permanent policy.

If You Are Disabled You are disabled if you meet the definition of total disability, as stated below. If you meet the requirements in the "How and When to Apply" provision, we'll extend your optional life insurance under this section without payment of premiums from you or the employer.

Total Disability or Totally Disabled means, due to sickness or injury, you are:

- (a) not able to perform any work for wages or profit; and
- (b) you are receiving regular doctor's care appropriate to the cause of disability.

How And When To Apply To apply for this extension, you must submit satisfactory written medical proof of your total disability within one year of the onset of that disability. Any claim filed after one year from the onset of total disability will be denied, unless we receive written proof that: (a) you lacked the legal capacity to file the claim; or (b) it was not reasonably possible for you to file the claim.

Also, in order to be eligible for this extension, you must:

- (a) become totally disabled before you reach age 60 and while insured by the group plan; and
- (b) remain totally disabled for 09 continuous months.

You are encouraged to apply for this benefit immediately upon the onset of disability.

Continued Eligibility For Extended Life Benefit We may require periodic written proof that you remain totally disabled to maintain this extension. This written proof of your continued disability and doctor's care must be provided to us within 30 days of the date we make each such request.

We can require that you take part in a medical assessment, with a medical professional of our choice, as often as we feel is reasonably necessary during the first two years we've extended your life benefits. But after two years, we can't have you examined more than once a year.

Until You've Been Approved For This Extended Life Benefit Your life insurance under the group plan may end after you've become totally disabled, but before we've approved you for this extension. During this time period, you may either:

- (a) continue group premium payments, including any portion which would have been paid by the employer until you are approved or declined for this extended life benefit; or
- (b) convert to an individual permanent or term policy. Please read the section labeled "Converting This Group Term Life Insurance" for details on how to convert.

Your Extended Life Benefit With Waiver Of Premium (Cont.)

However, if this group plan terminates, and you are totally disabled and eligible, but not yet approved, for this extended benefit, you must convert to an individual permanent or term policy, and remain insured under such policy until you are approved by us for the extended benefit.

Converting does not stop you from claiming your rights under this section. But if you convert and we later approve you for this extended benefit, we'll cancel the converted policy as of our approval date. Once you are approved for this extended benefit, your group term life coverage will be reinstated at no further cost to you or the employer.

- When This Extension Begins** Once approved by us, your extended benefit will be effective on the later of:
- (a) 09 continuous months from the date active full-time service ends due to total disability; or
 - (b) the date we approve you for this benefit.

Your Dependent Spouse and Child Optional Term Life Insurance

The Benefit Subject to the limitations and exclusions shown below, if one of your dependents dies while insured for this benefit, we pay the amount shown in the schedule for the plan you have elected. We pay this in a lump sum when we receive written proof of death which is acceptable to us. Send the proof to us as soon as possible.

We pay you, if you're living. If you're not, and the dependent was your child, we pay your spouse. If your spouse is not living, we pay the child's living brothers and sisters in equal shares. If there are none, we pay the child's estate. If the dependent was your spouse, we pay your spouse's estate.

Suicide Exclusion We pay no benefits if the dependent's death is due to suicide, if such death occurs within two years from the effective date of the dependent's optional term life insurance under this *plan*. Also, we pay no increased benefit amount if the dependent's death is due to suicide, if such death occurs within two years from the effective date of the increase.

Seatbelt and Airbag Benefits If a dependent dies as a direct result of an automobile accident while properly wearing a seatbelt, we will increase the benefit amount by \$5,000.00. And if a dependent dies as a direct result of an automobile accident while both properly wearing a seatbelt, and sitting in a seat equipped with an airbag, we'll increase the benefit amount by an additional \$2,500.00, for a total increase of \$7,500.00.

Payment to a Minor or Incompetent If the beneficiary is a minor or not competent, we have the right to pay in monthly installments. We would pay the person who cares for and supports the beneficiary. We completely discharge our liability for any amounts paid this way.

Converting This Dependent Term Life Insurance

If Your Group Life Insurance Ends or You Stop Being Eligible Dependent term life insurance ends for all of your dependents when your group life insurance ends. Your insurance ends when: (a) your active full-time employment ends; (b) you stop being a member of a class of employees eligible for employee group life insurance; (c) your group life insurance is extended under the Extended Life Benefit provision; or (d) you die.

Dependent term life insurance also ends when you stop being a member of a class of employees eligible for dependent term life insurance.

If one of the above happens, each dependent who was insured may convert all or part of his or her insurance.

Converting This Dependent Term Life Insurance (Cont.)

If This Plan Ends or Life Insurance is Dropped Dependent term life insurance also ends for all of your dependents when this plan ends. And it ends if either employee or dependent term life insurance is dropped from this plan for all employees or for your class.

If one of the above happens, and your dependents have been insured by a Guardian group plan for at least five years, they can convert. But we limit the amount each dependent can convert to the lesser of: (a) \$10,000.00; and (b) the amount of his or her insurance under this plan less any group life benefits for which he or she becomes eligible in the 31 days after this insurance ends.

If a Dependent Stops Being Eligible A dependent's term life insurance ends when he or she stops being an eligible dependent as defined by this plan. If a dependent stops being eligible, that dependent can convert all or part of his or her insurance.

The Converted Policy The dependent can convert to one of the individual life insurance policies we normally issue. That policy can't include disability benefits. And it can't be a term policy.

The premium for the converted policy will be based on: (a) the dependent's risk and rate class under this plan; and (b) the dependent's age when the converted policy takes effect. The converted policy takes effect at the end of the period allowed for conversion.

Write to us for details.

How and When to Convert To get a converted policy, the dependent must apply to us in writing and pay the required premium. He or she has 31 days after his or her group insurance ends to do this. We won't ask for proof that he or she is insurable.

If the dependent is a minor or not competent, the person who cares for and supports the dependent may apply for him or her.

Death During the Conversion Period If a dependent dies in the 31 days allowed for conversion, we pay the amount he or she could have converted, as stated above. We do this whether or not he or she applied for conversion.

Notice of Conversion Right: If your dependent is entitled to obtain a converted policy under this section, full compliance with this provision for Notice of Conversion Right will be satisfied by written notice: (a) given to you by the employer; (b) mailed to you by the employer at your last known address; or (c) mailed to you by us at your last known address that is supplied to us by the employer.

The notice should be given at least 15 days before the end of the 31 day period allowed for conversion as described in "How and When to Convert." If the notice is not given at least 15 days before the end of such period, the dependent will have an additional period of 15 days from the date notice is given to apply for the converted policy and pay the required premium. But, in no event shall the additional period extend more than 60 days beyond the 31 day period allowed for conversion as described above.

Employee Coverage

Family Status Change You may request an increase in your voluntary disability insurance amount, a decrease to your voluntary disability insurance amount, or the addition of voluntary disability for which you were not previously insured, if a change in family status has occurred. You must request the change to your voluntary disability insurance in writing within 31 days after the date of the family status change as described below.

Family status change will include one or more of the following: (1) marriage or divorce; (2) death of a spouse or child; (3) birth or adoption of a child; (4) your spouse's termination of employment or a change in your spouse's employment that results in the loss of group coverage. The term "marriage" may also refer to civil unions and domestic partnerships, as recognized by the jurisdiction in which you reside.

Proof of insurability is not required for the change to voluntary disability insurance due to family status change as long as the change to your voluntary disability insurance does not exceed the guarantee issue amount shown in the Schedule of Benefits. Proof of insurability will be required on changes that exceed the guarantee issue amount and if proof was previously submitted and declined.

When Your Coverage Starts Employee benefits that don't require proof that you are insurable are scheduled to start on the effective date shown on the sticker attached to the inside front cover of this booklet.

Employee benefits that require such proof won't start until you send us the proof and we approve it in writing. Once we have approved it, the benefits are scheduled to start on the effective date shown in the endorsement section of your application. A copy of the approved application is furnished to you.

But you must be fully capable of performing the major duties of your regular occupation for your *employer* on a full-time basis at 12:01AM Standard Time for your place of residence on the scheduled effective date or dates. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not fully capable of performing the major duties of your regular occupation on any date part of your insurance is scheduled to start we will postpone that part of your coverage. We will postpone that part of your coverage until the date you are so capable and are working your regular number of hours for one full day, with the expectation that you could do so for one full week.

Sometimes, the effective date shown on the sticker or in the endorsement is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; or during an approved leave of absence, not due to sickness or injury, of 90 days or less; and if you were performing the major duties of your regular occupation and working your regular number of hours on your last regularly scheduled work day, your coverage will start on the scheduled effective date. However, any coverage or part of coverage for which you must elect and pay all or part of the cost, will not start if you are on an approved leave and such coverage or part of coverage was not previously in force for you under a prior plan which this *plan* replaced.

Delayed Effective Date For Disability Coverage With respect to this *plan's* disability insurance, if an *employee* is not actively at work on a *full-time* basis on the date his or her coverage is scheduled to start, due to *sickness* or *injury*, we'll postpone coverage for an otherwise covered loss due to that condition. We'll postpone such coverage until he or she completes 10 consecutive days of active *full-time* service without missing a work day due to the same condition.

Coverage for an otherwise covered loss due to all other conditions will start on the date the *employee* returns to active *full-time* service.

When Your Coverage Ends Your long term disability coverage ends on the date your active *full-time* service ends for any reason.

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

It ends on the date you are no longer working in the United States, or working outside of the United States for a United States based employer in a country or region approved by us.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

However, if you are disabled, as defined by this *plan* when your active *full-time* service ends, coverage remains in force during: (a) the elimination period, subject to premium payment, if: (i) the disability is not excluded under the *plan*; and (ii) benefits are not excluded due to application of this *plan*'s pre-existing condition provision; and (b) the period for which benefits are payable under the *plan*.

- (b) The *disability* must recur less than six months after you were last entitled to benefits;
- (c) The later *disability* must be due to the same or related cause of your earlier *disability*;
- (d) This *plan* must not end during your return to *active work*;
- (e) You must not become covered under any other similar group income replacement plan during the time you return to *active work*;
- (f) During the time you return to *active work*, you must: (i) stay insured by this *plan*; and (ii) premium payments must be made on your behalf; and
- (g) Your benefits must not have ended because you have used up the *maximum payment period*.

If the later *disability* is a *recurring disability*, you will not need to complete a new *elimination period*. The *recurring disability* will be subject to all the terms of the *plan* in effect on the date the earlier *disability* began.

If all of the terms listed above are not met, the later *disability* will be treated as a new period of *disability*. You will be required to complete a new *elimination period*. The new period of *disability* will be subject to all the terms of the *plan* in effect on the date the new period of *disability* occurs.

Calculation of Monthly Benefit: Your benefit is governed by the terms of the *plan* in effect on the date *disability* occurs. Any changes to this *plan* that take place: (a) while you are *disabled*; or (b) during a period of *active work* that occurs between an initial period of *disability* and a *recurring disability*; will not affect your benefit.

We calculate your *gross monthly benefit* according to the Schedule of Benefits.

From your *gross monthly benefit*, subtract the amount of any income listed in Other Income Benefits that you receive or are entitled to receive. The result is your *monthly benefit*.

Redetermination: This plan redetermines *insured earnings* for each covered person on January 1st .

Each January 1st , the *plan sponsor* must report current *insured earnings* for all covered persons under the *plan*. Changes to a covered person's *insured earnings* are subject to any proof of insurability requirements of this *plan*. As of this *plan's* redetermination date, we use a covered person's *insured earnings* on record with us to: (a) set rates; (b) project benefit amounts and limits; and (c) calculate premium payable under this *plan*. However, the covered person must be *actively-at-work* on a full-time basis on that date. If you are not, we do not do this until the date you return to *active work* on a full-time basis. But, changes in earnings will not apply to a *recurring disability*.

Other Income Benefits: You may receive, or be entitled to receive, income shown in the list below. We will reduce your *gross monthly benefit* by such other income benefits to determine your *monthly benefit* from this *plan*.

- Commissions or monies: (1) received; (2) payable but deferred; or (3) paid after *disability* benefits start. This includes: (a) vested and nonvested renewal commissions; (b) bonuses; (c) royalties; and (d) other distributions.
- Disability benefits from any mandated benefit act or law. This includes all temporary disability or state disability benefits required by law.
- Disability benefits from all group plans of: (1) the *plan sponsor*; or (2) the *employer*. This includes payments made by a group life insurance plan due to your *disability*. This does not include payments made from a group life insurance plan's: (a) accelerated death benefit; or (b) like provision that allows payment of such plan's proceeds due to terminal illness.
- Disability benefits from any other group plan; but, if the other group plan was in force prior to this *plan*, and the other group plan also deducts for disability benefits from any other group plan, we will not deduct these other group disability benefits.

- Income from a sick leave, salary continuance or Paid Time Off plan, but only to the extent that such income plus the amount of your *gross monthly benefit* is more than 100% of your *insured earnings*. This applies whether such plan is sponsored on a formal or informal basis. This includes donated, lump sum and recurrent payments of accrued sick leave benefits. But, if you are working while *disabled*, we will account for such income as described in this *plan's* "Adjustment of Monthly Benefit for Disability Earnings".
- Benefits as shown below from: (1) the United States Social Security Act; (2) the Railroad Retirement Act; or (3) any other like U.S. or Canadian plan or act.
 - (a) All disability benefits for which: (i) you are entitled; and (ii) your spouse and children are entitled due to your *disability*;
 - (b) All unreduced retirement benefits for which: (i) you are entitled; and (ii) your spouse and children are entitled due to your entitlement; and
 - (c) All reduced retirement benefits paid to: (i) you; and (ii) your spouse and children due to your receipt of such benefits.

We do not reduce your *gross monthly benefit* by the retirement benefits described in (b) and (c) above, to the extent that you and your dependents were entitled to receive such income prior to the start of *disability*. We will reduce the *gross monthly benefit* by marginal increases in such income you and your dependents were entitled to receive after *disability* begins.

We will reduce your *gross monthly benefit* by benefits referred to in (a), (b) and (c) above, net of attorney fees approved by the Social Security Administration.

We will reduce your *gross monthly benefit* by benefits referred to in (a), (b) and (c) above to which your spouse and children are entitled due to your receipt of, or entitlement for, disability benefits. We do this without regard to: (a) your marital status; (b) where you live; (c) where your spouse lives; (d) where your child lives; or (e) any custody arrangements made on behalf of your child.

- Payment or settlement, with or without admission of liability, from: (1) a Workers' Compensation law; (2) an occupational disease law; or (3) any other act or law of like intent. This includes: (a) the Jones' Act; (b) the Longshoreman's and Harbor Workers' Compensation Act; or (c) any Maritime doctrine of Maintenance, Wages or Cure. If you receive a payment net of attorney fees approved by the Workers' Compensation Board or similar authority, we reduce our benefit by the net payment.
- Disability benefits from any third party when your *disability* is the result of the negligence or intentional tort liability of that third party.
- Unemployment compensation benefits.
- Payment from your *employer* as part of a termination or severance agreement.

We integrate your *gross monthly benefit* with income shown above that you are entitled to receive without regard to the reason you are entitled to receive it.

Our right to reduce your benefit by such income shall not be negated by a transfer of claim liability to a third party. Payment by such third party by law, settlement, judgment, waiver or otherwise shall not negate our right.

Other Income Not Subject to Deduction: We will not reduce your *gross monthly benefit* by any income you receive or are entitled to receive from the list below.

- Deferred compensation arrangements such as 401(k), 403(b) or 457 plans;
- Profit sharing plans;
- Thrift plans;
- Tax sheltered annuities;

- Individual disability income plans;
- Credit disability insurance;
- Non qualified plans of deferred compensation;
- Pension plans for partners;
- Retirement plans of another employer not affiliated with this *plan*;
- Military pension and disability plans.

Lump Sum Payments of Other Income: Income with which we integrate may be paid in a lump sum. In this case, we take the equivalent monthly rate stated in the award into account when we determine your *monthly benefit*. If no monthly rate is given, we pro-rate the lump sum over the lesser of: (a) 60 months; or (b) the expected remaining number of months for which you would be entitled to benefits from this *plan*, based on the proof of loss submitted to us.

Cost of Living Freeze: You may receive a cost of living increase in other income with which we integrate. In this case, we do not further reduce your monthly benefit by the amount of such increase.

Application for Other Income: You must apply for other income benefits to which you may be entitled. If these benefits are denied, you must appeal until: (a) all possible appeals have been made; or (b) we notify you that no further appeals are required.

If we feel you are entitled to receive such income benefits, we will estimate the amount due to you and his or your spouse and children. We will take this estimated amount into account when we determine your *monthly benefit*. But, we will not take this estimated amount into account if you sign our reimbursement agreement. In this agreement you promise: (a) to apply for any benefits for which you may be eligible; (b) to appeal any denial of such benefits until all possible appeals have been made; and (c) to repay any amount we overpaid due to an award of such benefits.

If we do reduce the your *gross monthly benefit* by an estimated amount, we will adjust your *monthly benefit* when we receive written proof: (a) of the amount awarded; or (b) that the other income benefits have been denied; and no further appeals are possible. If we underpaid you, we pay the full amount of the underpayment in a lump sum.

We will assist you in applying for other income benefits.

Adjustment of Monthly Benefit for Disability Earnings: We adjust the *monthly benefit* for *disability earnings* as follows. For each of the first 12 months of payments, following the date you first have *disability earnings*, add your *gross monthly benefit* and your *disability earnings*.

- (a) If the sum is not more than 100% of your indexed *insured earnings*, we do not reduce your *monthly benefit*.
- (b) If the sum is more than 100% of your indexed *insured earnings*, we reduce your *monthly benefit* by the amount over 100% of your indexed *insured earnings*.

For each month thereafter, we pay the greater of the amount calculated under Method 1 or Method 2.

Method 1:

- (a) If your *disability earnings* are less than 20% of your indexed *insured earnings*, we do not reduce your *monthly benefit*.
- (b) If your *disability earnings* are 20% or more of your indexed *insured earnings*, we reduce your *monthly benefit* by 50% of your *disability earnings*.

Method 2:

- (a) Subtract your *disability earnings* From your indexed *insured earnings*.
- (b) Divide the result in (a) above by your indexed *insured earnings*.
- (c) Multiply the result in (b) above by your *monthly benefit*. This is the amount we pay.

If your *disability earnings* fluctuate widely from month to month, we may adjust your *monthly benefit* using an average *disability earnings* amount. The average *disability earnings* amount will be computed using your most current month's *disability earnings* and the prior two months *disability earnings*.

Maximum Allowable Disability Earnings: This *plan* limits the amount of income you may earn, or may be able to earn, and still be considered *disabled*.

If your *disability earnings* are more than the limit shown below, payments from this *plan* will end. Payments from this *plan* will also end if you are able to earn more than the limit shown below:

- (a) During the *elimination period* and the *own occupation* period, the limit is 80% of your indexed *insured earnings*.
- (b) After this *plan* has paid benefits for 24 months in a row, the limit is 60% of your indexed *insured earnings*.

Indexing: We apply an indexing factor to your *insured earnings* on the date you have received 12 consecutive monthly payments and each anniversary thereafter. This factor increases the amount of income you may earn and still be considered *disabled*. This adjustment does not increase your *gross monthly benefit*, *monthly benefit*, or any other benefit under this *plan*.

To make the first adjustment, we multiply your *insured earnings* by the indexing factor for that year. To make adjustments in each later year, we multiply the amount of your last indexed *insured earnings* by the indexing factor for the current year.

The indexing factor is the lesser of: (a) 10%; or (b) one-half of the *CPI-W* from the prior December.

Minimum Payment: The minimum monthly payment for *disability* under this *plan* is \$100.00.

Pre-Existing Conditions A pre-existing condition is an *injury* or *sickness*, whether diagnosed or misdiagnosed, and any symptoms thereof, for which, in the look back period, you:

- (a) receive advice or treatment from a *doctor*;
- (b) undergo diagnostic procedures other than routine screening in the absence of symptoms or suspicion of disease process by a *doctor*;
- (c) are prescribed or take prescription drugs; or
- (d) receive other medical care or treatment, including consultation with a *doctor*.

The "look back period" is the three months before the latest of: (a) the effective date of your insurance under this *plan*; (b) the effective date of a change that increases the benefits payable by this *plan*; and (c) the effective date of a change in your benefit election that increases the benefit payable by this *plan*.

No benefits are payable for *disability* : (a) caused by or (b) resulting from; a pre-existing condition; unless the *disability* starts after you complete at least one full day of *active work* after the date you are insured under this *plan* for 12 months in a row.

Disability that is: (a) caused by or (b) resulting from; a pre-existing condition may begin after: (a) a change which provides for an increase in the benefits payable by this *plan*; or (b) a change in your benefit election which increases the benefit payable by this *plan*. In this case, your benefit will be limited to the amount that would have been payable had the change not taken place. But, this limit does not apply if your *disability* starts after you complete at least one full day of *active work* after the change has been in force for 12 months in a row.

We do not cover any *disability* that starts before your insurance under this *plan*.

Prior Coverage Credit: If this *plan* replaces a similar income replacement plan the *plan sponsor* had with another insurer, the pre-existing condition provision may not apply to you. This *plan* must start right after the old plan ends.

The pre-existing condition provision will be waived for any covered person who: (a) is *actively working* on the effective date of this *plan*; and (b) fulfilled the requirements of any pre-existing condition provision of the old plan.

If you: (a) were covered under the old plan when it ended; (b) enroll for insurance under this *plan* on or before this *plan's* effective date; and (c) are *actively working* on the effective date of this *plan*; but (d) have not fulfilled the requirements of any pre-existing condition provision of the old plan; we credit any time used to meet the old plan's pre-existing condition provision toward meeting this *plan's* pre-existing condition provision.

But, we limit your *maximum monthly benefit* under this *plan* if: (a) it is more than the maximum monthly benefit for which you were insured under the old plan; (b) you become *disabled* due to a pre-existing condition; and (c) this *plan* pays benefits for such *disability* because we credit time as explained above. In this case, we limit the *maximum monthly benefit* to the amount you would have been entitled to under the old plan.

We deduct all payments made by the old plan under an extension provision.

Services

Social Security Assistance: This *plan* requires all *disabled* covered persons to apply for Social Security benefits. (See the "Application for Other Income" section of this *plan*.) If we believe you to be eligible for such benefits, we may offer to assist you in applying for them. Receiving Social Security benefits will protect your earnings record for retirement and enable you to qualify for Medicare coverage after 24 months.

Services we can provide include:

- (a) Help in completing your application for such benefits, and any related forms;
- (b) Assistance finding suitable legal counsel; and
- (c) Copies of medical and vocational data needed to file your claim.

We may also provide these and other services if your benefits are under review for possible termination by the Social Security Administration.

You must apply for all income benefits for which you may be eligible, whether or not you use our help. Using our help does not cancel your duties shown in the "Application for Other Income" section of this *plan*.

Rehabilitation and Case Management: We will review your *disability* to see if certain services are likely to help you return to *gainful work*. If needed, we may ask for more medical or vocational information.

When our review is complete, we may offer you a *rehabilitation program*. We have the right to suspend or end your *monthly benefit* if you do not accept it.

The *rehabilitation program* will start when a written *rehabilitation agreement* is signed by: (1) you; (2) us; and (3) your *employer*, if needed. The program may include, but is not limited to:

- (a) vocational assessment of your work potential;
- (b) coordination and transition planning with an employer for your return to work;
- (c) consulting with your *doctor* on your return to work and need for accommodations;
- (d) training in job seeking skills and resume preparation;
- (e) retraining; and
- (f) assistance with family care expenses you incur in order to participate in a *rehabilitation program*. (See the "Dependent Care Expenses" section of this *plan*.)

We have the right to determine which services are appropriate.

If you accept the *rehabilitation agreement*, we will pay an enhanced benefit. The enhanced benefit will be 110% of the *monthly benefit* that would otherwise be paid. This enhanced benefit will be payable as of the first *monthly benefit* after the *rehabilitation program* starts.

We stop paying the enhanced benefit on the earliest of:

- (a) The date your benefit from this *plan* end;
- (b) The date you violate the terms of the *rehabilitation agreement*;
- (c) The date you end the *rehabilitation program*; and
- (d) The date the *rehabilitation agreement* ends.

If you end a *rehabilitation program* without our consent, you must repay any enhanced benefits paid.

Dependent Care Expenses: While you are participating in a *rehabilitation program*, we will pay a dependent care expense benefit, when all of the following conditions are met:

- (a) you incur expense to provide care for a qualified dependent;
- (b) the care is provided by a licensed provider other than a family member.

A qualified dependent is: (a) dependent upon you for main support and maintenance; and (b) under the age of fourteen and your: (i) biological child; (ii) lawfully adopted child; (iii) stepchild; or (iv) any other child who is living with you in a regular parent-child relationship; or (c) a family member age 14 or over who is physically or mentally incapable of caring for him or herself.

The dependent care expense benefit will be the lesser of: (a) \$350 per month per qualified dependent; not to exceed \$1,000 per month for all qualified dependents combined; and (b) the actual monthly day care expense incurred by you.

We will stop paying the dependent care expense benefit on the earlier of the date you are no longer: (a) incurring dependent care expenses for a qualified dependent; (b) participating in a *rehabilitation program*; or (c) entitled to receive a *monthly benefit* from this *plan*.

Early Intervention Services This *plan* includes Early Intervention services as part of our disability management program. The intent of these services is to: (a) assist *disabled* persons in reaching better outcomes; and (b) support the *employer's* absence management goals by promoting stay-at work and return-to work agendas where possible.

The key to success of an early intervention program is prompt notification of work absences which have the potential to exceed this *plan's elimination period*. With a prompt notification, we are able to more effectively manage the potential claim.

When you are *disabled* from one of the conditions listed below, a long term disability claim form should be completed as soon as possible following the date of *disability*. To facilitate an immediate intervention, the form should be submitted to us within one week of the date your *disability* begins.

- Chronic fatigue conditions, including Epstein-barr syndrome
- *Mental illness*
- Repetitive motion syndromes or injuries
- Fibromyalgia
- Back pain/strain
- Neck pain/strain
- Chronic pain
- Diabetes
- Cardiovascular conditions

Upon receipt of the completed claim form, we will determine whether the claim is appropriate for Early Intervention services. You will be notified of our decision. Examples of services, which we may provide, at our discretion, include, but are not limited to: (a) job accommodation; (b) ergonomic adjustments to workstations; (c) proactive case management consultations with your *doctor* or other providers of medical care.

The Survivor Benefit We may pay a survivor benefit if you die after you: (a) had been *disabled* for at least six months in a row; and (b) were entitled to receive at least one full *monthly benefit*. When we receive proof of your death, we pay your eligible survivor a lump sum benefit.

We pay a benefit equal to times the amount of your last *monthly benefit* after it is reduced by *disability earnings*. but, we first apply such benefit to reduce any overpayment you may owe us.

If you have no eligible survivor, no survivor benefit is paid.

Your eligible survivor is your spouse, if living.

If your spouse is not living, your eligible survivor is your: (a) unmarried child under age 20 ; and (b) unmarried child under age 26 who is enrolled as a full-time student at an accredited school. If there is more than one such child when you die, this benefit will be paid to each child in equal shares.

Accelerated Survivor Benefit If you have a terminal illness, we may accelerate payment of this *plans'* survivor benefit.

For purposes of the accelerated survivor benefit, a terminal illness means a medical condition that is expected to result in your death within 6 months.

To receive an accelerated survivor benefit, you must: (a) be entitled to receive a *monthly benefit* from this *plan*; (b) request this benefit in writing; and (c) provide written proof of terminal illness from a *doctor*. However, we will not pay an accelerated survivor benefit if there are less than 6 months remaining in the maximum benefit period.

If you elect to receive an accelerated survivor benefit, no survivor benefit is payable upon your death.

For purposes of this benefit, spouse includes a partner to a civil union when that union is in accordance with Illinois law. We treat the civil union partner as a spouse in marriage, and the civil union as a marriage. Such unions also include same-sex relationships from other jurisdictions that provide substantially all of the rights and benefits of marriage.

Income Recovery Benefit This *plan* may pay an Income Recovery Benefit, if *monthly benefits* cease because you are no longer *disabled*.

To be eligible for the Income Recovery Benefit, you must be:

- (a) able to perform the major duties of your *own occupation*; or
- (b) if this *plan* has already paid benefits for the *own occupation* period, able to perform the major duties of any *gainful occupation*; and
- (c) working in your *own occupation* the same number of hours as you did prior to *disability*; and
- (d) unable to earn this *plan's* maximum allowable *disability earnings*, due to the *sickness* or *injury* which caused the prior *disability*.

We pay this benefit monthly, in arrears. We determine the amount we pay in two steps. In step one, we compute the following: (a) your gross monthly benefit as of the last month you were disabled under the terms of this *plan*; less (b) any other income this *plan* integrates with that you are entitled to receive. In step two we make a current earnings adjustment. We add: (a) your *gross monthly benefit* as of the last month you were disabled under the terms of this *plan*; and (b) your current *disability earnings*. If such sum exceeds 100% of your insured earnings, we pay the amount in step one less the excess over 100%. If such sum does not exceed 100%, we pay the amount in step one.

We stop paying this benefit on the earliest of:

- (a) the date you are able to earn this *plan's* maximum allowable *disability earnings*;
- (b) the date you become disabled;
- (c) the date you stop working;
- (d) the date 12 consecutive months after the first Income Recovery Benefit is paid; or

Insured Earnings Only your earnings from the *employer* will be included as *insured earnings*.

We calculate benefit amounts and limits based on the amount of your *insured earnings* as of the Redetermination date immediately prior to the start of your *disability*. See the "Redetermination" section of this *plan*.

For Partners and S Corporation Shareholders:

Insured earnings means the sum of the amounts listed below, divided by 12.

- (a) Your compensation as an employee or S Corporation shareholder, as reported on your Federal Income Tax Return, Form 1040, for the prior calendar year, less the gross total of unadjusted employee business expenses as included on the corresponding Schedule A-Itemized Deductions;
- (b) Your non-passive income (loss) from trade or business as reported on Schedule E-Part II of your Federal Income Tax Return, Form 1040, for the prior calendar year, less any expenses incurred and reported elsewhere on your Return; and
- (c) Your contributions during the prior calendar year, deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

You may not have been a partner or S Corporation shareholder for the entire previous calendar year. In this case, your earnings are based on the monthly average of the sum of the listed amounts, averaged for the full number of months that you were a partner or an S Corporation shareholder during such calendar year.

For Sole Proprietors:

Insured earnings means: (a) the average monthly net profit as determined from Schedule C - Part II of your Federal Income Tax Returns, Form 1040, for the prior calendar year; plus (b) your average monthly contribution during the prior calendar year deposited into a: (i) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (ii) a Section 125 plan or flexible spending account. Monthly net profit is calculated as gross income less total expenses. You may not have been a sole proprietor for the previous calendar year. In this case, we calculate average monthly net profit and average monthly contributions using the full number of months that you were a sole proprietor during such calendar year.

For Covered Persons Who Are Compensated on Less Than a 12 Month Basis:

Insured earnings means your average rate of monthly earnings determined from your annual contract salary. Insured earnings also includes your contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. Insured earnings does not include bonuses, commissions, overtime pay, expense accounts, stock options and any other extra compensation. We do not include pay for hours worked or billed over 40 per week. Earnings based on excluded income and employer contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

For Covered Persons Whose Income Is Reported on a IRS Form 1099:

Insured earnings means your average rate of monthly earnings as figured from the 1099 form received from the employer for the prior calendar year, calculated as (a) minus (b), divided by 12 or the number of months you worked for the employer during such calendar year, if less than 12.

- (a) your earned income as reported on the 1099 form.
- (b) business expenses, as reported on Schedule C - Part II of your Federal Income Tax Return, Form 1040. Insured earnings also includes your contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account.

Earnings based on excluded income and employer contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

For All Other Covered Persons:

Insured earnings means your base monthly salary. Insured earnings also includes your contributions deposited into a: (a) cash or deferred compensation plan, or salary reduction plan, qualified under IRC Section: 401(k); 403(b); 457; or similar plan; and (b) elective employee pre-tax deferrals to a Section 125 plan or flexible spending account. Insured earnings does not include bonuses, commissions, overtime pay, expense accounts, stock options and any other extra compensation. We do not include pay for hours worked or billed over 40 per week. Earnings based on excluded income and employer contributions deposited into such 401(k); 403(b); 457; or similar plan are excluded.

Employee Coverage

Eligible Employees To be eligible for *employee* coverage you must be an active *full-time employee*. And you must belong to a class of *employees* covered by this *plan*.

Other Conditions If you must pay all or part of the cost of *employee* coverage, we won't insure you until you enroll and agree to make the required payments. If you do this: (a) more than 31 days after you first become eligible; or (b) after you previously had coverage which ended because you failed to make a required payment, we consider you to be a late entrant.

If you initially waived dental coverage under this *plan* because you were covered under another group *plan*, and you now elect to enroll in the dental coverage under this *plan*, the Penalty for Late Entrants provision will not apply to you with regard to dental coverage provided your coverage under the other *plan* ends due to one of the following events: (a) termination of your spouse's employment; (b) loss of eligibility under your spouse's *plan*; (c) divorce; (d) death of your spouse; or (e) termination of the other *plan*.

But you must enroll in the dental coverage under this *plan* within 30 days of the date that any of the events described above occur.

When Your Coverage Starts *Employee* benefits are scheduled to start on your effective date.

But you must be actively at work on a *full-time* basis on the scheduled effective date. And you must have met all of the applicable conditions explained above, and any applicable waiting period. If you are not actively at work on the date your insurance is scheduled to start, we will postpone your coverage until the date you return to active *full-time* work.

Sometimes, your effective date is not a regularly scheduled work day. But coverage will still start on that date if you were actively at work on a *full-time* basis on your last regularly scheduled work day.

Your coverage ends on the date you die.

It also ends on the date you stop being a member of a class of *employees* eligible for insurance under this *plan*, or when this *plan* ends for all *employees*. And it ends when this *plan* is changed so that benefits for the class of *employees* to which you belong ends.

If you are required to pay all or part of the cost of this coverage and you fail to do so, your coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

Handicapped Children You may have an unmarried child with a mental or physical handicap, or developmental disability, who can't support himself or herself. Subject to all of the terms of this coverage and the *plan*, such a child may stay eligible for dependent benefits past this coverage's age limit.

When Dependent Coverage Starts

In order for your dependent dental coverage to begin, you must already be insured for employee dental coverage or enroll for employee and dependent dental coverage at the same time. Subject to the "Exception" stated below and to all of the terms of this *plan*, the date your dependent coverage starts depends on when you elect to enroll your *initial dependents* and agree to make any required payments.

If you do this on or before your *eligibility date*, the dependent's coverage is scheduled to start on the later of the first of the month which coincides with or next follows your *eligibility date* and the date you become insured for employee coverage.

If you do this within the *enrollment period*, the coverage is scheduled to start on the later of the date you sign the enrollment form; and the date you become insured for employee coverage.

If you do this after the *enrollment period* for an *initial dependent* spouse, that spouse is a late entrant and is subject to any applicable late entrant penalties. The spouse's coverage is scheduled to start on the first of the month which coincides with or next follows the date you sign the enrollment form.

If you do this after the *enrollment period* for an *initial dependent* child, that child may not be enrolled until the next yearly dental dependent enrollment period. And, that child will be subject to any applicable late entrant penalties.

Once you have dependent coverage for your *initial dependents*, you must notify us when you acquire new dependents and agree to make any additional payments required for their coverage. If you do this within 31 days of the date a dependent is acquired, that dependent's coverage will start on the date the dependent first becomes eligible.

If you fail to notify us on time after having acquired a dependent spouse, the *newly acquired dependent* spouse, when enrolled, is a late entrant and is subject to any applicable late entrant penalties. The spouse's coverage is scheduled to start on the date the employee signs the enrollment form.

If you fail to notify us on time after having acquired a dependent child, the *newly acquired dependent* child may not be enrolled until the next yearly dental dependent enrollment period. And, that child will be subject to any applicable late entrant penalties.

The yearly dental dependent enrollment period is a period that begins 30 days prior to the plan's renewal date and ends on the plan's renewal date.

If you do not have dependent coverage when the child is born, we cover the child for the first 31 days from the moment of birth. To continue the child's coverage past the 31 days, you must enroll the child and agree to make any required premium payments within 31 days of the date the child is born. If you fail to do this, the child's coverage will end at the end of the 31 days, and once the child is enrolled, the child is a late entrant, is subject to any applicable late entrant penalties, and will be covered as of the date you sign the enrollment form.

When Dependent Coverage Ends Dependent coverage ends for all of your dependents when your coverage ends. But if you die while insured, we'll automatically continue dependent benefits for those of your dependents who were insured when you died. We'll do this for six months at no cost, provided: (a) the group plan remains in force; (b) the dependents remain *eligible dependents*; and (c) in the case of a spouse, the spouse does not remarry.

If a surviving dependent elects to continue his or her dependent benefits under this *plan's* "Federal Continuation Rights" provision, or under any other continuation provision of this *plan*, if any, this free continuation period will be provided as the first six months of such continuation. Premiums required to be paid by, or on behalf of a surviving dependent will be waived for the first six months of continuation, subject to restrictions (a), (b) and (c) above. After the first six months of continuation, the remainder of the continuation period, if any, will be subject to the premium requirements, and all of the terms of the "Federal Continuation Rights" or other continuation provisions.

Dependent coverage also ends for all of your dependents when you stop being a member of a class of *employees* eligible for such coverage. And it ends when this *plan* ends, or when dependent coverage is dropped from this *plan* for all *employees* or for an *employee's* class.

If you are required to pay all or part of the cost of dependent coverage, and you fail to do so, your dependent coverage ends. It ends on the last day of the period for which you made the required payments, unless coverage ends earlier for other reasons.

An individual dependent's coverage ends when he or she stops being an *eligible dependent*. This happens to a child on the last day of the month in which the child attains this coverage's age limit, when he or she marries, or when a step-child is no longer dependent on you for support and maintenance. It happens to a spouse on the last day of the month in which a marriage ends in legal divorce or annulment.

Read this *plan* carefully if dependent coverage ends for any reason. Dependents may have the right to continue certain group benefits for a limited time.

CERTIFICATE AMENDMENT

This rider amends the "Dependent Coverage" provisions as follows:

An employee's domestic partner will be eligible for dental coverage under this plan. Coverage will be provided subject to all the terms of this plan and to the following limitations:

To qualify for such coverage, both the employee and his or her domestic partner must:

- be 18 years of age or older;
- be unmarried, constitute each other's sole domestic partner and not have had another domestic partner in the last 12 months;
- share the same permanent address for at least 12 consecutive months and intend to do so indefinitely;
- share joint financial responsibility for basic living expenses including food, shelter and medical expenses;
- not be related by blood to a degree that would prohibit marriage in the employee's state of residence; and
- be financially interdependent which must be demonstrated by at least four of the following:
 - a. ownership of a joint bank account;
 - b. ownership of a joint credit account;
 - c. evidence of a joint mortgage or lease;
 - d. evidence of joint obligation on a loan;
 - e. joint ownership of a residence;
 - f. evidence of common household expenses such as utilities or telephone;
 - g. execution of wills naming each other as executor and/or beneficiary;
 - h. granting each other durable powers of attorney;
 - i. granting each other health care powers of attorney;
 - j. designation of each other as beneficiary under a retirement benefit account; or
 - k. evidence of other joint financial responsibility.

The employee must complete a "Declaration of Domestic Partnership" attesting to the relationship.

The domestic partner's dependent children will be eligible for coverage under this plan on the same basis as if the children were the employee's dependent children.

Certificate Amendment (Cont.)

Coverage for the domestic partner and his or her dependent children ends when the domestic partner no longer meets the qualifications of a domestic partner as indicated above. Upon termination of a domestic partnership, a "Statement of Termination" must be completed and filed with the employer. Once the employee submits a "Statement of Termination," he or she may not enroll another domestic partner for a period of 12 months from the date of the previous termination.

And, the domestic partner and his or her children will be not eligible for:

- a. survivor benefits upon the employee's death as explained under the "When Dependent Coverage Ends" section; or
- b. continuation of dental coverage as explained under the "Federal Continuation Rights" section and under any other continuation rights section of this plan, unless the employee is also eligible for and elects continuation.

This rider is a part of this plan. Except as stated in this rider, nothing contained in this rider changes or affects any other terms of this plan.

Group Enrollment Period A group enrollment period is held each year. The group enrollment period is a time period agreed to by your employer and us. DENTAL EXPENSE INSURANCE

This insurance will pay many of a *covered person's* dental expenses. *We* pay benefits for covered charges incurred by a *covered person*. What *we* pay and terms for payment are explained below.

CGP-3-DG2000

B498.0007

Covered Charges

Covered charges are reasonable and customary charges for the dental services named in this *plan's* List of Covered Dental Services. To be covered by this *plan*, a service must be: (a) necessary; (b) appropriate for a given condition; and (c) included in the List of Covered Dental Services.

We may use the professional review of a *dentist* to determine the appropriate benefit for a dental procedure or course of treatment.

By reasonable, *we* mean the charge is the *dentist's* usual charge for the service furnished. By customary, *we* mean the charge made for the given dental condition isn't more than the usual charge made by most other *dentists*. But, in no event will the covered charge be greater than the 90th percentile of the prevailing fee data for a particular service in a geographic area.

When certain comprehensive dental procedures are performed, other less extensive procedures may be performed prior to, at the same time or at a later date. For benefit purposes under this *plan*, these less extensive procedures are considered to be part of the more comprehensive procedure. Even if the *dentist* submits separate bills, the total benefit payable for all related charges will be limited to the maximum benefit payable for the more comprehensive procedure. For example, osseous surgery includes the procedure scaling and root planing. If the scaling and root planing is performed one or two weeks prior to the osseous surgery, *we* may only pay benefits for the osseous surgery.

We only pay benefits for covered charges incurred by a *covered person* while he or she is insured by this *plan*. A covered charge for a crown, bridge or cast restoration is incurred on the date the tooth is initially prepared. A covered charge for any other *dental prosthesis* is incurred on the date the first master impression is made. A covered charge for root canal treatment is incurred on the date the pulp chamber is opened. All other covered charges are incurred on the date the services are furnished. If a service is started while a *covered person* is insured, *we'll* only pay benefits for services which are completed within 31 days of the date his or her coverage under this *plan* ends.

CGP-3-DGY2K-CC

B498.0243

Alternate Treatment

If more than one type of service can be used to treat a dental condition, we have the right to base benefits on the least expensive service which is within the range of professionally accepted standards of dental practice as determined by *us*. For example, in the case of bilateral multiple adjacent teeth, or multiple missing teeth in both quadrants of an arch, the benefit will be based on a removable partial denture. In the case of a composite filling on a *posterior tooth*, the benefit will be based on the corresponding amalgam filling benefit.

Proof Of Claim

So that *we* may pay benefits accurately, the *covered person* or his or her *dentist* must provide *us* with information that is acceptable to *us*. This information may, at *our* discretion, consist of radiographs, study models, periodontal charting, narratives or other diagnostic materials that document *proof of claim* and support the necessity of the proposed treatment. If *we* don't receive the necessary information, *we* may pay no benefits, or minimum benefits. However, if *we* receive the necessary information within 15 months of the date of service, *we* will redetermine the *covered person's* benefits based on the new information.

CGP-3-DGY2K-AT

B498.0002

All Options

Pre-Treatment Review

When the expected cost of a proposed course of treatment is \$300.00 or more, the *covered person's dentist* should send *us* a treatment plan before he or she starts. This must be done on a form acceptable to *Guardian*. The treatment plan must include: (a) a list of the services to be done, using the American Dental Association Nomenclature and codes; (b) the itemized cost of each service; and (c) the estimated length of treatment. In order to evaluate the treatment plan, dental radiographs, study models and whatever else will document the necessity of the proposed course of treatment, must be sent to *us*.

We review the treatment plan and estimate what we will pay. We will send the estimate to the covered person and/or the covered person's dentist. If the treatment plan is not consistent with accepted standards of dental practice, or if one is not sent to *us*, we have the right to base our benefit payments on treatment appropriate to the covered person's condition using accepted standards of dental practice.

Pre-Treatment Review (Cont.)

The covered person and his or her dentist have the opportunity to have services or a treatment plan reviewed before treatment begins. Pre-treatment review is not a guarantee of what we will pay. It tells the covered person, and his or her dentist, in advance, what we would pay for the covered dental services listed in the treatment plan. But, payment is conditioned on: (a) the services being performed as proposed and while the covered person is insured; and (b) the deductible, payment rate and payment limits provisions, and all of the other terms of this plan.

Emergency treatment, oral examinations, evaluations, dental radiographs and teeth cleaning are part of a course of treatment, but may be done before the pre-treatment review is made.

We won't deny or reduce benefits if pre-treatment review is not done. But what we pay will be based on the availability and submission of proof of claim.

Benefits From Other Sources

Other plans may furnish benefits similar to the benefits provided by this *plan*. For instance, you may be covered by this *plan* and a similar plan through your spouse's employer. You may also be covered by this *plan* and a medical plan. In such instances, we coordinate *our* benefits with the benefits from that other plan. *We* do this so that no one gets more in benefits than the charges he or she incurs. Read "Coordination of Benefits" to see how this works.

The Benefit Provision - Qualifying For Benefits (Cont.)

Charges for the services we don't cover under this provision are not considered to be covered charges under this *plan*, and therefore can't be used to meet this *plan's* deductibles.

We don't apply a late entrant penalty to covered charges incurred for services needed solely due to an *injury* suffered by a *covered person* while insured by this *plan*.

A late entrant is a person who: (a) becomes covered by this dental *plan* more than 31 days after he or she is eligible; or (b) becomes covered again, after his or her coverage lapsed because he or she did not make required payments.

How We Pay Benefits For Group I, II And III Non-Orthodontic Services

There is no deductible for Group I services. We pay for Group I covered charges at the applicable *payment rate*.

A lifetime deductible of \$100.00 applies to Group II and III services. Each *covered person* must have covered charges from these service groups which exceed the deductible before we pay him or her any benefits for such charges. These charges must be incurred while the *covered person* is insured.

Rollover of Benefit Year Payment Limit for Group I, II and III Non-Orthodontic Services

A *covered person* may be eligible for a rollover of a portion of his or her unused *benefit year* payment limit for Group I, II and III Non-Orthodontic Services as follows:

If a *covered person* submits at least one claim for covered charges during a *benefit year* and, in that *benefit year*, receives benefits that are in excess of any deductible or co-pay fees, and that, in total, do not exceed the *Rollover Threshold*, he or she may be entitled to a *Reward*.

Note: If all of the benefits that a *covered person* receives in a *benefit year* are for services provided by a *preferred provider*, he or she may be entitled to a greater *Reward* than if any of the benefits are for services of a *non-preferred provider*.

Rewards can accrue and are stored in the *covered person's Bank*. If a *covered person* reaches his or her *benefit year* payment limit for Group I, II and III Non-Orthodontic Services, we pay benefits up to the amount stored in the *covered person's Bank*. The amount of *Reward* stored in the *Bank* may not be greater than the *Bank Maximum*.

A *covered person's Bank* may be eliminated, and the accrued *Reward* lost, if he or she has a break in coverage of any length of time, for any reason.

The amounts of this plan's *Rollover Threshold*, *Reward*, and *Bank Maximum* are:

- *Rollover Threshold* \$600.00
- *Reward* (if all benefits are for services provided by a *preferred provider*) \$450.00
- *Reward* (if any benefits are for services provided by a *non-preferred provider*) \$300.00
- *Bank Maximum* \$1,250.00

If the effective date of a *covered person's* dental coverage is within three months prior to the start of this *plan's* next *benefit year*, this rollover provision will not apply to the *covered person* until the next *benefit year*. And:

- only claims incurred on or after the start of the next *benefit year* will count toward the *Rollover Threshold*; and
- *Rewards* will not be applied to a *covered person's Bank* until the *benefit year* that starts one year from the date the rollover provision first applies.

If charges for any dental services are not payable for a *covered person* for a period set forth in the provisions of this *plan* called Penalty for Late Entrants and Waiting Periods for Certain Services, this rollover provision will not apply to the *covered person* until the end of such period. And, if such period ends within the three months prior to the start of this *plan's* next *benefit year*, this rollover provision will not apply to the *covered person* until the next *benefit year*, and:

Rollover of Benefit Year Payment Limit for Group I, II and III Non-Orthodontic Services (Cont.)

- only claims incurred on or after the start of the next *benefit year* will count toward the *Rollover Threshold*; and
- *Rewards* will not be applied to a *covered person's Bank* until the *benefit year* that starts one year from the date the rollover provision first applies.

Definitions of terms used in this provision:

"*Bank*" means the amount of a *covered person's* accrued *Reward*.

"*Bank Maximum*" means the maximum amount of *Reward* that a *covered person* can store in his or her *Bank*.

"*Reward*" means the dollar amount which may be added to a *covered person's Bank* when he or she receives benefits in a *benefit year* that do not exceed the *Rollover Threshold*.

"*Rollover Threshold*" means the maximum amount of benefits that a *covered person* can receive during a *benefit year* and still be entitled to receive a *Reward*.

CERTIFICATE AMENDMENT

Effective on the latter of (i) the original effective date of the Policy; or (ii) the effective date of any applicable amendment requested by the Policyholder and approved by the Insurance Company, this rider amends the Dental Expense Insurance provisions of the Group Policy as follows:

The Alternate Treatment provision is changed to read as follow when titanium or high noble metal (gold) is used in a *dental prosthesis*.

If more than one type of service can be used to treat a dental condition, we have the right to base benefits on the least expensive service which is within the range of professionally accepted standards of dental practice as determined by us. For example, in the case of bilateral multiple adjacent missing teeth, or multiple missing teeth in both quadrants of an arch the benefit will be based on a removable partial denture. In the case of titanium or high noble metal (gold) used in a *dental prosthesis*, the benefit will be based on the noble metal benefit. In the case of a composite filling on a posterior tooth, the benefit will be based on the corresponding covered amalgam filling benefit.

COORDINATION OF BENEFITS

Important Notice This section applies to all group health benefits under this plan; except prescription drug coverage, if any. It does not apply to any death, dismemberment, or loss of income benefits that may be provided under this plan.

Purpose When a covered person has health care coverage under more than one plan, this section allows this plan to coordinate what it pays with what other plans pay. This is done so that the covered person does not collect more in benefits than he or she incurs in charges.

Definitions

Allowable Expense This term means any necessary, reasonable, and customary item of health care expense that is covered, at least in part, by any of the plans which cover the person. This includes: (a) deductibles; (b) coinsurance; and (c) copayments. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered an allowable expense and a benefit paid.

An expense or service that is not covered by any of the plans is **not** an allowable expense. Examples of other expenses or services that are **not** allowable expenses are:

- (1) If a person is confined in a private hospital room, the difference between the cost of a semi-private room in the hospital and the private room is **not** an allowable expense. This does not apply if: (a) the stay in the private room is medically necessary in terms of generally accepted medical practice; or (b) one of the plans routinely provides coverage for private hospital rooms.
- (2) The amount a benefit is reduced by the primary plan because a person does not comply with the plan's provisions is **not** an allowable expense. Examples of these provisions are: (a) precertification of admissions and procedures; (b) continued stay reviews; and (c) preferred provider arrangements.
- (3) If a person is covered by two or more plans that compute their benefit payments on the basis of reasonable and customary charges, any amount in excess of the primary plan's reasonable and customary charges for a specific benefit is **not** an allowable expense.
- (4) If a person is covered by two or more plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the primary plan's negotiated fees for a specific benefit is **not** an allowable expense.

Coordination of Benefits (Cont.)

If a person is covered by one plan that computes its benefits or services on the basis of reasonable and customary charges and another plan that provides its benefits or services on the basis of negotiated fees, the primary plan's payment arrangements will be the allowable expense for all plans. However, if the provider has contracted with the secondary plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the primary plan's payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the allowable expense used by the secondary plan to determine its benefit.

- Claim** This term means a request that benefits of a plan be provided or paid.
- Claim Determination Period** This term means a calendar year. It does not include any part of a year during which a person has no coverage under this plan, or before the date this section takes effect.
- Coordination Of Benefits** This term means a provision which determines an order in which plans pay their benefits, and which permits secondary plans to reduce their benefits so that the combined benefits of all plans do not exceed total allowable expenses.
- Custodial Parent** This term means a parent awarded custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.
- Group-Type Contracts** This term means contracts: (a) which are not available to the general public; and (b) can be obtained and maintained only because of membership in or connection with a particular organization or group.
- Hospital Indemnity Benefits** This term means benefits that are not related to expenses incurred. This term does not include reimbursement-type benefits even if they are designed or administered to give the insured the right to elect indemnity-type benefits at the time of claim.
- Plan** This term means any of the following that provides benefits or services for health care or treatment: (1) group insurance and group subscriber contracts; (2) uninsured arrangements of group or group-type coverage; (3) group or group-type coverage through health maintenance organizations (HMOs) and other prepayment, group practice and individual practice plans; (4) group-type contracts; (5) amounts of group or group-type hospital indemnity benefits in excess of \$100.00 per day; (6) medical benefits under group automobile contracts, group or individual automobile "no-fault" contracts, and under traditional "fault" type contracts to the extent that such contracts are primary plans; and (7) Medicare or other governmental benefits, as permitted by law.
- This term does not include individual or family: (a) insurance contracts; (b) subscriber contracts; (c) coverage through HMOs; or (d) coverage under other prepayment, group practice and individual practice plans. This term also does not include: (i) amounts of group or group-type hospital indemnity benefits of \$100.00 or less per day; (ii) school accident type coverage; or (iii) Medicaid, and coverage under other governmental plans, unless permitted by law.

Coordination of Benefits (Cont.)

This term also does not include any plan that this plan supplements. Plans that this plan supplements are named in the benefit description.

Each type of coverage listed above is treated separately. If a plan has two parts and coordination of benefits applies only to one of the two, each of the parts is treated separately.

Primary Plan This term means a plan that pays first without regard that another plan may cover some expenses. A plan is a primary plan if either of the following is true: (1) the plan either has no order of benefit determination rules, or its rules differ from those explained in this section; or (2) all plans that cover the person use the order of benefit determination rules explained in this section, and under those rules the plan pays its benefits first.

Secondary Plan This term means a plan that is not a primary plan.

This Plan This term means the group health benefits, except prescription drug coverage, if any, provided under this group plan.

Order Of Benefit Determination

The primary plan pays or provides its benefits as if the secondary plan or plans did not exist.

A plan may consider the benefits paid or provided by another plan to determine its benefits only when it is secondary to that other plan. If a person is covered by more than one secondary plan, the rules explained below decide the order in which secondary plan benefits are determined in relation to each other.

A plan that does not contain a coordination of benefits provision is always primary.

When all plans have coordination of benefits provisions, the rules to determine the order of payment are listed below. The first of the following rules that applies is the rule to use.

Non-Dependent Or Dependent The plan that covers the person other than as a dependent (for example, as an employee, member, subscriber, or retiree) is primary. The plan that covers the person as a dependent is secondary.

But, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan that covers the person as a dependent; and primary to the plan that covers the person other than as a dependent (for example, as a retiree); then the order of payment between the two plans is reversed. In that case, the plan that covers the person as an employee, member, subscriber, or retiree is secondary and the other plan is primary.

Child Covered Under More Than One Plan The order of benefit determination when a child is covered by more than one plan is:

Coordination of Benefits (Cont.)

- (1) If the parents are married, or are not separated (whether or not they ever have been married), or a court decree awards joint custody without specifying that one party must provide health care coverage, the plan of the parent whose birthday is earlier in the year is primary. If both parents have the same birthday, the plan that covered either of the parents longer is primary. If a plan does not have this birthday rule, then that plan's coordination of benefits provision will determine which plan is primary.
- (2) If the specific terms of a court decree state that one of the parents must provide health care coverage and the plan of the parent has actual knowledge of those terms, that plan is primary. This rule applies to claim determination periods that start after the plan is given notice of the court decree.
- (3) In the absence of a court decree, if the parents are not married, or are separated (whether or not they ever have been married), or are divorced, the order of benefit determination is: (a) the plan of the custodial parent; (b) the plan of the spouse of the custodial parent; and (c) the plan of the noncustodial parent.

Active Or Inactive Employee The plan that covers a person as an active employee, or as that person's dependent, is primary. An active employee is one who is neither laid off nor retired. The plan that covers a person as a laid off or retired employee, or as that person's dependent, is secondary. If a plan does not have this rule and as a result the plans do not agree on the order of benefit determination, this rule is ignored.

Continuation Coverage The plan that covers a person as an active employee, member, subscriber, or retired employee, or as that person's dependent, is primary. The plan that covers a person under a right of continuation provided by federal or state law is secondary. If a plan does not have this rule and as a result the plans do not agree on the order of benefit determination, this rule is ignored.

Length Of Coverage The plan that covered the person longer is primary.

Other If the above rules do not determine the primary plan, the allowable expenses will be shared equally between the plans that meet the definition of plan under this section. But, this plan will not pay more than it would have had it been the primary plan.

Coordination of Benefits (Cont.)

Effect On The Benefits Of This Plan

When This Plan Is Primary When this plan is primary, its benefits are determined before those of any other plan and without considering any other plan's benefits.

When This Plan Is Secondary When this plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all plans during a claim determination period are not more than 100% of total allowable expenses. When the benefits of this plan are reduced, each benefit is reduced in proportion. It is then charged against any applicable benefit limit of this plan.

If the primary plan is an HMO and an HMO member has elected to have health care services provided by a non-HMO provider this plan will pay as if it is the primary plan.

Right To Receive And Release Needed Information

Certain facts about health care coverage and services are needed to apply these rules and to determine benefits payable under this plan and other plans. This plan may get the facts it needs from, or give them to, other organizations or persons to apply these rules and determine benefits payable under this plan and other plans which cover the person claiming benefits. This plan need not tell, or get the consent of, any person to do this. Each person claiming benefits under this plan must provide any facts it needs to apply these rules and determine benefits payable.

Facility Of Payment

A payment made under another plan may include an amount that should have been paid by this plan. If it does, this plan may pay that amount to the organization that made the payment. That amount will then be treated as though it were a benefit paid by this plan. This plan will not have to pay that amount again.

As used here, the term "payment made" includes the reasonable cash value of any benefits provided in the form of services.

Right Of Recovery

If the amount of the payments made by this plan is more than it should have paid under this section, it may recover the excess: (a) from one or more of the persons it has paid or for whom it has paid; or (b) from any other person or organization that may be responsible for benefits or services provided for the covered person.

As used here, the term "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

WORKER'S COMPENSATION

For Persons Not Covered By Worker's Compensation A covered person may not be eligible for, or may choose not to be covered by Worker's Compensation. Such person may sustain an on-the-job or job-related injury. If this occurs, we provide benefits as described below:

- (1) For all coverages under this plan, except those that provide benefits for loss of life or loss of income due to disability, we pay benefits for covered charges incurred by the covered person for care and treatment of such injury or condition to the same extent we'd pay benefits for covered charges due to any other sickness or injury.

But what we pay is based on all the terms of this plan.

- (2) For any coverages that provide benefits for loss of income due to disability, we pay benefits for disability due to such injury or condition the same way we'd pay benefits for any other disability.

But what we pay is based on all the terms of this plan.

CERTIFICATE AMENDMENT

This rider amends this plan to include the following provision:

Right of Reimbursement If a covered person recovers expenses for sickness or injury that occurred due to the negligence of a third party, we have the right to first reimbursement for all medical, dental, or loss of earnings benefits we paid from any and all damages collected from the negligent third party for those same expenses whether by action at law, settlement, or compromise, by the covered person, the covered person's parents if the covered person is a minor, or the covered person's legal representative, as a result of that sickness or injury. We are to be furnished any information or assistance, and be provided any documents that we may reasonably require, in order to exercise our rights under this provision. This provision applies whether or not the third party admits liability. As used here, "third party" means anyone, other than Guardian, the employer or the covered person.

Except as stated in this rider, nothing contained in this rider changes or affects any other terms of this certificate.

STATEMENT OF ERISA RIGHTS

As a participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Health Plan Coverage

Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. You should review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions By Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforcement Of Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Statement of Erisa Rights (Cont.)

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Qualified Medical Child Support Order

Federal law requires that group health plans provide medical care coverage of a dependent child pursuant to a qualified medical child support order (QMCSO). A "qualified medical child support order" is a judgment or decree issued by a state court that requires a group medical plan to provide coverage to the named dependent child(ren) of an employee pursuant to a state domestic relations order. For the order to be qualified it must include:

- The name of the group health plan to which it applies.
- The name and last known address of the employee and the child(ren).
- A reasonable description of the type of coverage or benefits to be provided by the plan to the child(ren).
- The time period to which the order applies.

A dependent enrolled due to a QMCSO will not be considered a late enrollee in the plan.

Note: A QMCSO cannot require a group health plan to provide any type or form of benefit or option not otherwise available under the plan except to the extent necessary to meet medical child support laws described in Section 90 of the Social Security Act.

If you have questions about this statement, see the plan administrator.

Group Health Benefits Claims Procedure

If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Plan Administrator.

Guardian is the Claims Fiduciary with discretionary authority to determine eligibility for benefits and to construe the terms of the plan with respect to claims. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of the Employee Retirement Income Security Act of 1974 ("ERISA").

Definitions "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment (in whole or in part) for a benefit. A failure to cover an item or service: (a) due to the application of any utilization review; or (b) because the item or service is determined to be experimental or investigational, or not medically necessary or appropriate, is also considered an adverse determination.

"Group Health Benefits" means any dental, out-of-network point-of-service medical, major medical, vision care or prescription drug coverages which are a part of this plan.

"Pre-service claim" means a claim for a medical care benefit with respect to which the plan conditions receipt of the benefit, in whole or in part, on approval of the benefit in advance of receipt of care.

"Post-service claim" means a claim for payment for medical care that already has been provided.

"Urgent care claim" means a claim for medical care or treatment where making a non-urgent care decision: (a) could seriously jeopardize the life or health of the claimant or the ability of the claimant to regain maximum function, as determined by an individual acting on behalf of the plan applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine; or (b) in the opinion of a physician with knowledge of the claimant's medical condition, would subject the claimant to severe pain that cannot be adequately managed without the care.

Note: Any claim that a physician with knowledge of the claimant's medical condition determines is a claim involving urgent care will be treated as an urgent care claim for purposes of this section.

Timing For Initial Benefit Determination The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Group Health Benefits Claims Procedure (Cont.)

Urgent Care Claims. Guardian will make a benefit determination within 72 hours after receipt of an urgent care claim.

If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 24 hours after receipt of the claim. The claimant will be given not less than 48 hours to provide the specified information.

Guardian will notify the claimant of the benefit determination as soon as possible but not later than the earlier of:

- the date the requested information is received; or
- the end of the period given to the claimant to provide the specified additional information.

The required notice may be provided to the claimant orally within the required time frame provided that a written or electronic notification is furnished to the claimant not later than 3 days after the oral notification.

Pre-Service Claims. Guardian will provide a benefit determination not later than 15 days after receipt of a pre-service claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 5 days after receipt of the claim. A notification of a failure to follow proper procedures for pre-service claims may be oral, unless a written notification is requested by the claimant.

The time period for providing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 15-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Post-Service Claims. Guardian will provide a benefit determination not later than 30 days after receipt of a post-service claim. If a claimant fails to provide all information needed to make a benefit determination, Guardian will notify the claimant of the specific information that is needed as soon as possible but no later than 30 days after receipt of the claim.

The time period for completing a benefit determination may be extended by up to 15 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 30-day period.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Group Health Benefits Claims Procedure (Cont.)

Concurrent Care Decisions. A reduction or termination of an approved ongoing course of treatment (other than by plan amendment or termination) will be regarded as an adverse benefit determination. This is true whether the treatment is to be provided(a) over a period of time; (b) for a certain number of treatments; or (c) without a finite end date. Guardian will notify a claimant at a time sufficiently in advance of the reduction or termination to allow the claimant to appeal.

In the case of a request by a claimant to extend an ongoing course of treatment involving urgent care, Guardian will make a benefit determination as soon as possible but no later than 24 hours after receipt of the claim.

Adverse Benefit Determination

If a claim is denied, Guardian will provide a notice that will set forth:

- the specific reason(s) for the adverse determination;
- reference to the specific plan provision(s) on which the determination is based;
- a description of any additional material or information necessary to make the claim valid and an explanation of why such material or information is needed;
- a description of the plan's claim review procedures and the time limits applicable to such procedures, including a statement indicating that the claimant has the right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination;
- identification and description of any specific internal rule, guideline or protocol that was relied upon in making an adverse benefit determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request;
- in the case of an adverse benefit determination based on medical necessity or experimental treatment, notice will either include an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request; and
- in the case of an urgent care adverse determination, a description of the expedited review process.

Appeal of Adverse Benefit Determinations

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal.

A request for an appeal of an adverse benefit determination involving an urgent care claim may be submitted orally or in writing. Necessary information and communication regarding an urgent care claim may be sent to Guardian by telephone, facsimile or similar expeditious manner.

Guardian will conduct a full and fair review of an appeal which includes providing to claimants the following:

- the opportunity to submit written comments, documents, records and other information relating to the claim;

Group Health Benefits Claims Procedure (Cont.)

- the opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relating to the claim; and
- a review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- provide for a review conducted by a named fiduciary who is neither the person who made the initial adverse determination nor that person's subordinate;
- in deciding an appeal based upon a medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- identify medical or vocational experts whose advice was obtained in connection with an adverse benefit determination; and
- ensure that a health care professional engaged for consultation regarding an appeal based upon a medical judgment shall be neither the person who was consulted in connection with the adverse benefit determination, nor that person's subordinate.

Guardian will notify the claimant of its decision regarding review of an appeal as follows:

Urgent Care Claims. Guardian will notify the claimant of its decision as soon as possible but not later than 72 hours after receipt of the request for review of the adverse determination.

Pre-Service Claims. Guardian will notify the claimant of its decision not later than 30 days after receipt of the request for review of the adverse determination.

Post-Service Claims. Guardian will notify the claimant of its decision not later than 60 days after receipt of the request for review of the adverse determination.

Alternative Dispute Options The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.

STATEMENT OF ERISA RIGHTS

The Guardian Life Insurance Company of America
7 Hanover Square
New York, New York 10004
(212) 598-8000

Your group term accidental death and dismemberment insurance benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

**Receive Information
about Your Plan and
Benefits**

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Actions by
Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforcement of
Your Rights**

If your claim for a welfare benefit is denied or ignored, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Accidental Death and Dismemberment Insurance Claims Procedure If you seek benefits under the plan you should complete, execute and submit a claim form. Claim forms and instructions for filing claims may be obtained from the Guardian Life Insurance Company of America (hereinafter referenced as Guardian.)

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

Definitions "Adverse determination" means any denial, reduction or termination of a benefit or failure to provide or make payment for a benefit.

**Timing for Initial
Benefit
Determination of
Accidental Death
and
Dismemberment
Insurance Claims**

The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any adverse benefit determination must be provided.

Guardian will provide a benefit determination not later than 90 days from the date of receipt of a claim. This period may be extended by up to 90 days if Guardian determines that an extension is necessary due to special circumstances, and so notifies the claimant before the end of the initial 90-day period. Such notification will include the reason for the special circumstances requiring the extension and a date by which the determination is expected to be made.

A notification of an extension to the time period in which a benefit determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

**Adverse Benefit

and
Dismemberment
Insurance Claims**

If a claim is denied, Guardian will provide notice that will set forth:

- The specific reason(s) for the adverse determination;

- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and

This period may be extended by an additional period of up to 60 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 60-day period.

Waiver of Premium If you apply for an extension of accidental death and dismemberment insurance benefits due to Total Disability under the Waiver of Premium benefit under this plan, these claim procedures will apply to such request:

Timing For Initial Benefit Determination for Waiver of Premium The benefit determination period begins when a claim is received. Guardian will make a benefit determination and notify a claimant within a reasonable period of time, but not later than the time period shown below. A written or electronic notification of any adverse determination must be provided.

Guardian will make a determination of whether the claimant meets the plan's standard for total disability not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a benefit determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

If Guardian extends the time period for making a benefit determination due to a claimant's failure to submit the information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. **Guardian Vision -
This Plan's Vision Care Preferred Provider Organization**

The Policy is designed to provide high quality vision care while controlling the cost of such care. To do this, the Policy encourages a Covered Person to seek vision care from vision care practitioners and vision care facilities that belong to Guardian Vision, a vision care Preferred Provider organization (PPO).

The vision care PPO is made up of Preferred Providers in a Covered Person's geographic area. When a Covered Person is enrolled in the Policy, he or she will get an enrollment packet. The packet will: (1) explain how to obtain benefits; and (2) contain information about current vision care Preferred Providers. He or she will also receive information on how to obtain a list of Guardian Vision Preferred Providers in his or her area.

A Covered Person may receive vision services from any Guardian Vision Preferred Provider. If a Preferred Provider ends his or her relationship with Guardian Vision for any reason, Guardian Vision will be responsible for furnishing vision services to Covered Persons either through that provider or another Guardian Vision Preferred Provider.

Use of the vision care PPO is voluntary. A Covered Person may receive vision care from any vision care provider he or she chooses. And he or she is free to change providers at any time. But, the Policy usually pays more in benefits for covered services furnished by a Preferred Provider. Conversely, it usually pays less for covered services not furnished by a vision care Preferred Provider.

What We pay is based on all of the terms of the Policy. Please read this Certificate carefully for specific benefit levels, Copayments, Deductibles, Payment Rates and Payment Limits.

A Covered Person may call Guardian Vision should he or she have any questions about the vision coverage.

STATEMENT OF ERISA RIGHTS

The Guardian Life Insurance Company of America

7 Hanover Square
New York, New York 10004
(212) 598-8000

Your group Vision benefits may be covered by the Employee Retirement Income Security Act of 1974 (ERISA). If so, you are entitled to certain rights and protections under ERISA.

ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

- (a) Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U. S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- (b) Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts, collective bargaining agreements and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- (c) Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate the plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforcement of Your Rights

If your claim for a benefit is denied or ignored, or partially denied or ignored, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules (see Claims Procedures below).

Statement of Erisa Rights (Cont.)

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a state or Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110.00 a day until you receive the material, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, or partially denied or ignored, you may file suit in a federal court. If it should happen that plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

Assistance with Questions

If you have questions about the plan, you should contact the plan administrator. If you have questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Qualified Medical Child Support Order and Qualified Domestic Relations Order

Federal law required that group health plans provide medical coverage for a dependent child pursuant to a qualified medical child support order (QMCSO). A dependent child also includes a child for whom You must provide Vision Insurance due to a QMCSO as defined in the ERISA Section 609(a) United States Employee Retirement Income Security Act of 1974, as amended.

You and your beneficiaries can obtain, without charge, from the plan administrator, a copy of any procedures governing Qualified Domestic Relations Orders (QDRO) and QMCSO. You may also obtain this information on the U.S. Department of Labor's website or You may contact them in your telephone directory.

A dependent enrolled due to a QMCSO will not be considered a late enrollee in the plan.

If you have questions about this section, see your plan administrator.

Statement of Erisa Rights (Cont.)

Vision Benefits Claims Procedure Claim forms and instructions for filing claims may be obtained from The Guardian Life Insurance Company of America (hereinafter referenced as Guardian).

Guardian is the Claims Fiduciary with discretionary authority to interpret and construe the terms of the Policy, the Certificate, the Schedule of Benefits, and any riders, or other documents or forms that may be attached to the Certificate or the Policy, and any other plan documents. Guardian has discretionary authority to determine eligibility for benefits and coverage under those documents. Guardian has the right to secure independent professional healthcare advice and to require such other evidence as needed to decide your claim.

In addition to the basic claim procedure explained in your certificate, Guardian will also observe the procedures listed below. These procedures are the minimum requirements for benefit claims procedures of employee benefit plans covered by Title 1 of ERISA.

B435.0375

All Options

Definitions "Adverse Benefit Determination" means any denial, reduction or termination of a benefit or failure to provide or make payment for a benefit.

Timing for Initial Benefit Determination The Benefit Determination period begins when a claim is received. Guardian will make a Benefit Determination and notify a claimant within a reasonable period of time, but not later than the maximum time period shown below. A written or electronic notification of any Adverse Benefit Determination must be provided.

Guardian will provide a Benefit Determination not later than 45 days from the date of receipt of a claim. This period may be extended by up to 30 days if Guardian determines that an extension is necessary due to matters beyond the control of the plan, and so notifies the claimant before the end of the initial 45-day period. Such notification will include the reason for the extension and a date by which the determination will be made. If prior to the end of the 30-day period Guardian determines that an additional extension is necessary due to matters beyond the control of the plan, and so notifies the claimant, the time period for making a Benefit Determination may be extended for up to an additional period of up to 30 days. Such notification will include the special circumstances requiring the extension and a date by which the final determination will be made.

A notification of an extension to the time period in which a Benefit Determination will be made will include an explanation of the standards upon which entitlement to a benefit is based, any unresolved issues that prevent a decision of the claim, and the additional information needed to resolve those issues.

If Guardian extends the time period for making a Benefit Determination due to a claimant's failure to submit information necessary to decide the claim, the claimant will be given at least 45 days to provide the requested information. The extension period will begin on the date on which the claimant responds to the request for additional information.

Adverse Benefit Determination

If a claim is denied, Guardian will provide a notice that will set forth:

- The specific reason(s) for the Adverse Benefit Determination;
- References to the specific provisions in the Policy, Certificate, plan or other documents, on which the determination is based;
- A description of any additional material or information necessary to reconsider the claim and an explanation of why such material or information is necessary;
- A description of the plan's claim review procedures which a claimant may follow to have a claim for benefits reviewed and the time limits applicable to such procedures;
- Identification and description of any specific internal rule, guideline or protocol that was relied upon in making an Adverse Benefit Determination, or a statement that a copy of such information will be provided to the claimant free of charge upon request;
- A description of the plan's review procedures and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action under ERISA Section 502(a) following an Adverse Benefit Determination on appeal, and;
- In the case of an Adverse Benefit Determination based on medical necessity or experimental treatment, either an explanation of the scientific or clinical basis for the determination, or a statement that such explanation will be provided free of charge upon request.

Appeal of Adverse Benefit Determinations

If a claim is wholly or partially denied, the claimant will have up to 180 days to make an appeal. Guardian will conduct a full and fair review of an appeal which includes providing to claimant(s) the following:

- The opportunity to submit written comments, documents, records and other information relating to the claim;
- The opportunity, upon request and free of charge, for reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- A review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

In reviewing an appeal, Guardian will:

- Provide for a review conducted by a named fiduciary who is neither the person who made the initial Adverse Benefit Determination nor that person's subordinate;

- In deciding an appeal based upon a vision or medical judgment, consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment;
- Identify vision or medical experts whose advice was obtained in connection with an Adverse Benefit Determination;
- Ensure that a health care professional engaged for consultation regarding an appeal based upon a professional judgment shall be neither the person who was consulted in connection with the Adverse Benefit Determination, nor that person's subordinate.

Guardian will notify the claimant of its decision not later than 45 days after receipt of the request for review of the Adverse Benefit Determination. This period may be extended by an additional period of up to 45 days if Guardian determines that special circumstances require an extension of the time period for processing and so notifies the claimant before the end of the initial 45-day period.

A notification with respect to an extension will indicate the special circumstances requiring an extension of the time period for review, and the date by which the final determination will be made.

In the event Guardian denies the appeal of an Adverse Benefit Determination, it will:

- Provide the specific reason or reasons why the appeal was denied;
- Refer to the specific provisions in the Policy, Certificate, plan, or other documents on which the benefit determination is based;
- Provide a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits;
- If applicable, provide the internal rule, guideline, protocol, or other similar criterion relied upon in making the Adverse Benefit Determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such rule, guideline, protocol, or other similar criterion was relied upon in making the Adverse Benefit Determination and that a copy of the rule, guideline, protocol, or other similar criterion will be provided free of charge to the claimant upon request.

Alternative Dispute Options The claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S Department of Labor Office and the State insurance regulatory agency.
