*Excellence through Teamwork*

**Don't be a star on our camera!**

Dear Parents and Students:

The Torrance Police Department cares about your safety. Traffic congestion has become a concern around schools nationwide, particularly during times when parents are picking up or dropping off their children. It is our goal to make this process as safe and smooth as possible. You can help us by obeying all traffic laws and parking restrictions.

Video cameras are used at all Torrance school to record violations. Parking citations will then be mailed to the registered owner of the vehicle. You can help by **NOT** picking up or dropping off in the following areas:

**Driveways**

**Red Zones**

**No Stopping Zones**

**Double Parking**

**Crosswalks / Intersections**

**Handicapped Spaces**

By following the suggestions above, we can work to together to provide a safe environment for students, and parking citations can be avoided. If you have any questions, please call us at (310) 618-5557. Remember to wear your seatbelt and have a safe school year.
