Re: Summer Assignments

Summer Homework

Homework # 1- TV LOG - to be turned in the FIRST DAY of school in September.

1. Choose a program that was **originally created in Spanish** to watch (with the original Spanish audio, of course!). It can be a *novela* (soap opera), a comedy series or any other program in Spanish that has a series of episodes. **The news, sports games, movies and music videos do NOT count for this assignment.**

2. Watch the same program for **7-10 hours total** over a period of time of **at least one week**. **DO NOT BINGE WATCH!**

3. Write a TV LOG. Write the title of the show and number each entry.

For each entry, write* the following in Spanish:

**Write out all numbers in words!*

- the day of the week
 - the date
 - the duration of your viewing session
 - indicate at what time you started watching and at what time you stopped
- a. Take handwritten notes in English about your program each time you watch it.
- b. Write 5-6 sentences in English summarizing what you watched that day. (Your summaries can be handwritten or typed.)
- c. ***Staple all sheets (notes + summaries) and be ready to turn in your TV log on the first day of school!***

Homework # 2- attached

Attached is a list of all vocabulary from our Spanish textbook, Español Santillana for level 2. The majority of the vocabulary should be familiar to you already, but there are some new words. Review all vocabulary, but focus on **Unidades 7 and 8** as **you will be quizzed** at the beginning of the school year on these two units.

Have a great summer! :)
