

Dear Parents and Students:

The Torrance Police Department cares about your safety. With traffic congestion becoming a concern of schools nationwide, particularly as parents pick up and drop off their children, our goal is to make this process flow in a safe and smooth manner. We can do it with your help—please obey all traffic laws and parking restrictions!

To further improve the situation, beginning in the 2006/2007 school year, we started using video cameras to tape violations occurring around our schools. These cameras will continue to be used to tape violations for the 2014/2015 school year. Parking citations will be mailed to the registered owner of the vehicle. You don't want to become a star on our camera...instead, help us out by NOT picking up or dropping off in the following areas!

**Driveways**

**Red Zones**

**No Stopping Zones**

**Double Parking**

**Crosswalks / Intersections**

**Handicapped Spaces**

By following the suggestions above, we can work together to provide a safe environment for students while avoiding parking citations. If you have any questions, please call us at (310) 618-5557. Remember, wear your seatbelt, have a safe school year, and don't become a star on our camera!
