

TOWERS ELEMENTARY SCHOOL

SCHOOL SITE COUNCIL NOMINATION FORM

July 2019 - 2021

Towers Elementary School needs you! School Site Council has 3 openings. If you want to help shape the future of our school - please get involved.

We have openings for two parent/community members on School Site Council (SSC) effective July 1, 2019. Council Members serve for two years and may put their name in nomination again at the completion of their two-year term. We also need 1-2 alternates. Alternates are encouraged to attend all meetings and may vote in the absence of elected Council Members. SSC is one of the most important decision-making groups on campus. It is comprised of five parents and five staff members. Parent members may not be employees at Towers. We meet five times a school year, on a Wednesday afternoon, from 3:30-5:00 PM. The purpose of SSC is to develop our school's LCAP for Student Achievement, monitor its implementation, and evaluate the results. Each year the council must revise and recommend the plan, including the proposed expenditures of all funds allocated to the school through the Consolidated Application, to the TUSD School Board for approval. We also use SSC as a sounding board for ideas or programs that we are considering implementing at school, and share lots of pertinent information about what's happening at Towers and in the district. We would like to encourage parents who represent a cross section of students at our school to participate on Council.
