

*One last program to take you through the summer with chances to win prizes!*

*Join the Dodgers Reading Champions!*

This is a self - managed program - students create and log in to their Dodgers Reading Champions account and enter their daily reading minutes.

At the end of each month, the log is closed out and the students' minutes entered into the sweepstakes for that month.

Students must read a minimum of 450 minutes to be eligible for the month's sweepstakes.

Students reading 450 - 899 minutes are eligible for the Level 1 prize which is a Dodgers' themed goody bag.

Students reading 900 or more minutes are eligible for the Level 2 prize consisting of 4 tickets to a Dodger home game.

The entry periods are monthly from March through August - start now to be eligible for the May drawing and a chance to go to a Dodger game!

*If you read 30 minutes every day you would have 900 minutes at the end of the month?*
