Friday Assemblies at 8:50 a.m.

New Procedures

We love our parents having the opportunity to attend our flag assemblies on Fridays because it's all about the students. In order to provide the chance for you to attend the Friday assemblies please read and follow these procedures:

- **Beginning at 8:30 a.m. the front gate (left to the main buzzer gate) will be available for parents who are attending the flag assembly to enter. This gate will lock at 8:50 a.m.**
- **For all adults attending the assembly, there will be a table set up near the gate for you to sign in and to get a guest badge.**
- **A Towers employee will be checking for this badge as you enter.**
- **Once on campus please go directly to the tables in the grass area outside of the office or lunch tables. No adults will be allowed anywhere else on campus except the assigned area.**
- **Once the 8:45 a.m. bell rings, please make your way to our flag assembly area.**
- **When the assembly is over, please exit out the gate in which you entered.**
