CHANGING HOME PAGE FEATURES

Changing items on the home page keep the site fresh and highlight seasonal and current events, health observances, multimedia content and popular content. These areas change frequently:

- Feature story
- Spotlight
- News
- Poll
- Featured topic

Check back often!

CONTENT CREDIBILITY

Content providers include the Boston College Center for Work and Family; the University of Florida McKnight Brain Institute; The Stepfamily Association of America; Workplace Options and others. The clinical content undergoes a stringent peer review process prior to publishing and then is reviewed annually. You can trust that the content item you are accessing is current and accurate.

AWARDS

The site and its deep content base have received numerous awards, including the e-Healthcare Leadership Award for Best Health/Healthcare Content and Best Site Design.
