**Single Plan for Student Achievement (SPSA)**

**2019-2020**

**May 15, 2019**

**TUSD LCAP Goal 1:** Ensure that all students have equitable access to and are successful within a rich variety of rigorous, and standards-aligned set of learning opportunities that promote college and career readiness and preparation for a productive future as citizens in global society.

**Alternative Education Goal 1:** Provide all students with opportunities to make up credits to attain a high school diploma and opportunities to explore and learn about college & career opportunities.

#### EXPECTED ANNUAL MEASURABLE OUTCOMES

| Metrics/Indicators                 | Previous Year | 2019-2020 |
|------------------------------------|---------------|-----------|
| College and Career Indicator (CCI) |               |           |
| Graduation Rate                    | 80.3% / 94%   | 85% / 96% |

#### Additional outcomes for students in 2019-20 (including yellow, orange, red areas, and underperforming subgroups/grade levels):

- The graduation rate for Shery is in the green for our Hispanic and Socioeconomically Disadvantaged populations. They increased 11.5 points and 5.7 points respectively.  
No other sub groups had a color performance band but our Students with Disabilities increased 14.6 points, Hispanic increased 11.5 points, Socioeconomically Disadvantaged increased 5.7 points and the White population maintained from last year.  
Before the dashboard we calculated our graduation rate as all students who graduated with either us or their home school but attended Shery during part or all of their senior year. We were at 91% and increased to 94% based on this formula. We would like to increase this to 96% in the coming year.
- In Fall 2018 , 14 students had enrolled at El Camino College. Another 17 finished the enrollment process at Shery during the year. So far during the 2018-19 school year, 27 students completed enrollment for Fall 2019 and another 8 in the process. Our hope is that all these students will be active students in Fall 2019.
- We had 19 students at SoCalRoc that completed classes during the Fall 2018 session. We currently have 18 enrolled in Spring 2019. Our goal is to continue to have students who enroll complete these valuable courses.

**1.1 - Actions and Services:** Ensure strong instruction for all students by focusing on strengthening grade level and content through Professional Learning Communities (PLCs).

**Additional outcomes for students in 2019-20 (including yellow, orange, red areas, and underperforming subgroups/grade levels):**

- For Eng/LA, we were in the red although no sub-groups were given a performance color. The only groups that had enough students to get information were our Hispanic students who declined 27.2 points and our Socioeconomically Disadvantaged students who declined 7.6 points. To address this we are working with our low readers in our Reading class using Fountas & Pinnell, as well as, using the NewsELA curriculum with many classes on campus.

- For Math, we were in the orange although again no sub-groups were given a performance color. Again only our Hispanic students and Socioeconomically Disadvantaged students had enough students to have any data. Both groups increased 24.5 & 50.1 points. We will begin using IXL with all our math students to help improve our Math scores and more importantly our students' math abilities so they have skills they need in postsecondary and career pathways.
- Our EL subgroup is too small to have color designation in ELA or Math.

**2.1 - Actions and Services:** Students in need of additional instruction will be provided with intervention within the school day at a time where core instruction is not occurring

| Activities/Expenditures  | Budgeted Amount | Funding Source | Description   | Progress Monitored via:   |

**Goal 4:** Provide a school environment which establishes physical safety, cultivates emotional security, and facilitates responsible decision making where students feel connected and engaged in school.

**Alternative Education Goal 4:** Expand and improve the multi-tiered systems of support programs in order to improve the behavioral intervention for all students as well as provide a means for regular attendance and progress monitoring

**EXPECTED ANNUAL MEASURABLE OUTCOMES**

| Metrics/Indicators                       | Previous Year   | 2019-20   |
|--|---|---|
| Chronic Absentee Rate                    | 25% of students were chronically (10+ days) absent each quarter   | 20% or less will be chronically (10+ days) absent each quarter  |
| Suspension Rate                          | 32 suspensions  | Decrease suspensions by 20% by trying new interventions and resources   |
| School Climate Survey - Local Indicator* | At the beginning of the year we did the School Climate survey with most of our student population.<br>Results varied with 72% agree with "I like school." as the lowest and then ranging up to 95% agree with "Teachers treat me with respect." | Would like to raise the % of students who like school and I feel successful in school by 10% (72% & 75% to 82% and 85%) |

**Additional outcomes for students in 2019-20 (including yellow, orange, red areas, and underperforming subgroups/grade levels):**

- 2017-18 suspensions showed our Hispanic, SED, and White population were in the Red. Hispanic went up 5.1 points, Socioeconomically Disadvantaged went up 2.7 points, and White went up 2.5 points. Our other groups had no color performance band but our African-American group went up 15.2 points, EL population when up 11.7 and our Students with Disabilities went up 10.1 points. We are going to be utilizing additional resources in the community to try to help our students with multiple drug offenses to try to decrease all our subgroups points and move our red groups to orange.

**4.1 - Actions and Services:** Provide direct social-emotional supports for students.

## APPENDIX A

### Annual Review and Analysis of Progress (for 2019-2020 SPSA)

#### GOAL #1:

| Identified Need  | Action/Service   | Expenditure | Expected Outcomes   |
|--|--|-------------|---|
| Addressing the needs of our targeted population of low readers, especially our EL and our Special Ed populations | Through the use of Fountas & Pinnell assessments, place students in a Reading class with our EL Coord/RSP teacher  |             | Using Post-assessment data, class completion and graduation rate see increases in reading scores and more success of these students. These students will be more prepared for post-secondary life and more graduates. |
| <b>Analysis of Results. What happened and why? What else did you notice?</b>                                     | We have definitely seen more positive attitudes with these students and higher class completion rates. We will not know about their final reading scores until assessments are done. |             |   |
| <b>Changes in actions/ services as a result of these outcomes.</b>   | We will definitely keep this program going.  |             |   |

**GOAL #2:**

| Identified Need  | Action/Service   | Expenditure | Expected Outcomes   |
|--|--|-------------|---|
| More support for our students not proficient in Eng/LA and Math              | Researched support programs to be incorporated in classes, through intervention and tutorial to support our low achieving students   | 3,100       | Increased number of students reaching proficient in Eng/LA and Math. Better prepared students for post-secondary life and more graduates. |
| <b>Analysis of Results. What happened and why? What else did you notice?</b> | <p>We purchased NewsELA licenses recently and have a few teachers already incorporating into their curriculum. Students are very responsive to the curriculum and we plan to build on that in more class rooms.</p> <p>We also just purchased IXL licenses and will be having all the Math teachers trained to use this with all our math students. We will also use through tutorial and intervention.</p> <p>Hoping to notice stronger more confident students and better scores on 2020 CAASPP.</p> |             |   |
| <b>Changes in actions/ services as a result of these outcomes.</b>           | More time devoted to utilizing new programs and tracking students progress.  |             |   |

**GOAL #3:**

| Identified Need  | Action/Service   | Expenditure | Expected Outcomes  |
|--|--|-------------|--|
| Bring more positive recognition to students doing well in all areas: attendance, academic, behaviorally. | Incorporate Quarterly Assemblies to recognize students and Leadership Class Competition activities   |             | Increased engagement and motivation from the students therefore leading to more successful students in the classroom which means more classes completed and more graduates |
| <b>Analysis of Results. What happened and why? What else did you notice?</b>                             | We started these assemblies and recognized students who were picked for Student of the Quarter by their teachers, Student Scholars who earned a certain number of credits that quarter, perfect monthly attenders and our Shery Knights winners who got the most tickets each month for being Respectful, Accountable, and Kind (PBIS). The students enjoy these and we add Leadership activities and raffle drawings for Shery items. |             |  |
| <b>Changes in actions/ services as a result of these outcomes.</b>                                       | This will continue to happen and grow. Would like to see more parents attend.  |             |  |

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

**Form E: Recommendations and Assurances**

The school site council recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

1. The school site council is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The school site council reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the school plan requiring board approval.
3. The school site council sought and considered all recommendations from the following groups or committees before adopting this plan (*Check those that apply*):
  - School Advisory Committee for State Compensatory Education Programs
  - English Learner Advisory Committee
  - Community Advisory Committee for Special Education Programs
  - Gifted and Talented Education Program Advisory Committee
  - Other (list)
4. The school site council reviewed the content requirements for school plans of programs included in the *Single Plan for Student Achievement* and believes all such content requirements have been met, including those found in district governing board policies and in the District Local Control Accountability Plan.
5. This school plan is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
6. This school plan was adopted by the school site council at a public meeting on: \_\_\_\_\_
