NATIONAL SCHOOL LUNCH WEEK

OCTOBER 14-18

WHAT IS THE NSLP?

The national school lunch program started in 1962 and serves more than 30 million children every school day!

HEALTH

School lunches contain fewer calories, fat, saturated fat, and sugar than most lunches from home.

STRENGTH

School lunches promote consumption of fruit, vegetables, milk, and fiber! School lunches also provide protein, iron, calcium, and vitamins A & C!

FOCUS

School lunches help students concentrate and focus in the classroom, aiding in learning, achievement & higher grades.

ENERGY

School lunches help provide energy required for physical activity! Proper meals and physical activity promote lifelong health!
