Internet Safety Tips

- Sit with your kids when they are online
- Pre-screen and approve any site they visit.
- Keep any Internet-connected computer in an open area where you can closely monitor your child's online use.

Internet Safety Tips

- Set parental controls at the age-appropriate levels
- Filtering and monitoring tools should not replace parental supervision.
- Get to know and talk to your kids about their online friends and activities just as you would about their other activities.

Internet Safety Tips

- Do not allow instant messaging, chat rooms, or social networking sites designed for teens/adults.
- Monitor their email and control their password.
- Teach your kids to always come to you before giving out information through e-mail, message boards, registration forms, personal profiles, etc.
