

HONORS & AP INFORMATION MEETINGS (at Lunch or Workshop)

- Find out about those Honors and AP classes you might be interested in taking next year. These meetings are designed to inform you about the workload, expectations, topics, prerequisites and recommendations for success in these classes.
- If the meeting is during a workshop, you need to sign up in advance through Warrior Workshop on eTUSD. You may attend either day listed--the presentations are the same. Space may be limited on your preferred day, so be sure to register early.
