Dean Anza Community,

I would like to share with you our district plan for *Continuity of Instruction*:

As you were made aware earlier today, our school is closing on Monday due to concerns over the novel coronavirus (COVID-19) increase in California. The health and well-being of our families and staff continues to be our primary priority.

In an effort to prepare for a potential school closure, teachers and staff have been working in collaboration with District office personnel to establish methods for continuing instruction and learning during a temporary school closure.

Anza Elementary will utilize the following methods to provide continuity of instruction to students during this closure: All of these methods are accessible via etusd.org/clever.com/in/torrance.

- ETUSD accesses Clever, email, Google Drive and teacher page
- Clever accesses Digital textbooks, ST Math, RAZ Kids, Stemsscopes, Typing and many other app's and the teacher page
- Google Classroom
- Digital textbooks
- Stemsscopes or Mystery Science
- Email directly: Last name.First name@tusd.org

Please speak with your child's classroom teacher(s) if your student needs assistance to access these learning tools, resources or has difficulty logging on. The most common error is not accessing programs through the Clever portal and trying to go to access a program directly.

It is our goal to take steps to be well-prepared during this closure. Again, our top priority remains the health of our community. Please feel free to contact me with any questions at marks.barbara@tusd.org.

Thank you for your support and calmness as we all navigate together these uncharted learning frontiers.

Respectfully,

Mrs. Marks
