Love	CTE	Google Classroom / Swiftk-12	google classroom	Students will continue pre-production on their films. Daily lessons on filmmaking using filmmakeriq and other web-based platforms. Students will take notes and quizzes using google classroom. Twice weekly google meet discussions for Video Production . Students will work to turn news stories into broadcast scripts and we will discuss the media's role in a crisis like this one.
Love	English	google classroom / SwiftK12	google classroom/ meet	I am using Khan Academy via google classroom for grammar. We are finishing a unit on writing for the SBAC that's going with Nickel and Dimed/ minimum wage/ and Maid. We will be starting Great Gatsby after that. I have found the novel online. I'm going to host reading sessions using google meet. I will also be using google meet as office hours.
Marks	SpEd	email	email attachments	Daily assignments working on reading comprehension, grammar and writing skills
Martin	CTE	Google Classroom/Remind	Google Classroom	Foods 1- Week 1 Students will watch videos and look at a recipe for Pizza. Then they will create an infographic with step by steps for the pizza. The will also choose between making the pizza at home with a tik tok demoing the recipe OR pictures. If students are unable to get the ingredients or facility to do this then they will create a google slides about pizza with a rubric of criteria. Week 2 Students will choose a country and research the culture and food. Then they can choose to prepare a food from the culture and write a short report about why the food represents the culture OR they can make a google slide presentation or interactive presentation about the foods and culture of that country. Foods 2 Week 1- Students will review information about mother sauces including videos, articles, and recipes. Then they will choose a dish that incorporated a mother sauce and prepare it at home with Tik Tok or pictures OR they will make a google slides presentation about ALL the mother sauces and several dishes made with the mother sauces, including dishes from other countries. Week 2- Students will do basically the same thing as the previous week but with soups. EXTRA CREDIT FOR ALL CLASSES- students can prepare dinner (with at least 3 food groups and involving at least 1 scratch food item) for 5 days. Additional credit is given if they do scratch baking items. Accomodations will be made to make sure every student is capable of doing the extra credit if he or she wants to. Students can also double count food they are making for the week in the extra credit but only if they complete all five days.
Mendez	Math	Google Classroom	Google Classroom	Precalc: M-F contact through google classroom. Notes by learning target (to be copied down in students' MNB as an assignment), book work as outlined on LT log for each unit, quick checks (to be done as practice, not for a grade). Virtual office hours TBD. Students should be preparing for a cumulative assessment upon return to campus. Algebra 1: M-F contact through google classroom. Notes by learning target (to be copied down in students' MNB, as an assignment), practice problems/worksheets, quick checks (to be done as practice, not for a grade).
