

West High School Senior Behavior Agreement *

We know that as parents of seniors you view your student's senior year with mixed emotions. You take pride in the achievements of your sons and daughters, but experience some sadness at their transition from childhood to adulthood. We congratulate you on their success and commend you for the support you have given and will continue to give your children. We look forward to this year and working together with you to make it the best year yet.

To foster this, as we begin the school year, we wish to convey the message that everyone on campus is expected to continue to cooperate in maintaining a proper learning environment. The number one priority at our school is to provide students with an opportunity for an education. When student conduct is disruptive at school or any school related function, it becomes necessary to discipline the persons involved. It is our philosophy that there must be consequences for unacceptable behavior. Since seniors of any age remain students of this high school until they complete all graduation activities, this letter should clarify the school's position regarding any senior involved in breach of discipline.

All students, including seniors, are required to continue compliance with the school's standards for behavior. A description of these rules and regulations was sent to all parents and guardians of West High School students. Please see Administrative Rule 5144 and the 2019-2020 TUSD Discipline Matrix for a complete text. These regulations include but are not limited to:

1. Disruption of school activities including Commencement or Grad Night
2. Causing damage to school or private property
3. Causing physical injury to another person
4. Possessing, using, selling, furnishing, under the influence of, any controlled substance, alcoholic beverage, intoxicant of any kind or look-alike substance
5. Possessing tobacco, including e-cigarettes, on school premises or at a school activity
6. Intentionally engaging in harassment, threats, bullying or intimidation directed against a pupil or groups of pupils.
- 7.

These violations could result in the following consequences for seniors:

1. Community Service for campus disruption of activities, including Commencement or Grad Night
2. Expulsion from the activity and referral to the appropriate authority
3. Suspension or expulsion from school
4. Completion of senior year through Alternative Education
5. Expulsion from school activities for the remainder of the school year. For seniors, these activities may include but are not limited to:
 - The Junior/Senior Prom • Commencement • Senior Trip • Baccalaureate
 - Grad Night

In addition, other restrictions from activities may result from poor citizenship marks including:

1. **Two or more "U's" on quarter report card = May not attend dances during the following quarter (including prom)**
2. **Citizenship ineligible = Cannot participate in extracurricular events such as: Homecoming/Prom Court, Senior vs Faculty events, Talent Show, etc.**
3. **Students who have three or more separate incidents of all day trancies will lose dance privileges for the remainder of the school year.**
- 4.

If a violation of the rules occurs, the student's parents will be notified as soon as possible, and the appropriate disciplinary action will be determined by school administration. Any guests of a West High student who are found to be in violation of the rules will be removed from the activity and referred to the appropriate authority.

Seniors must be enrolled in and attending a minimum of 4 classes during their senior year.

We intend this senior year to be one of many enjoyable events and experiences that will culminate into fond memories for both student and family. We believe that working together we can make this happen. Thank you for your continued support and cooperation. We have read the West High School Senior Behavior agreement and understand the rules and consequences *

I Acknowledge
