The District may revoke the permit at any time if a student engages in severe unacceptable behavior - bullying, fighting, threats, sexual harassment, damage to school property, or other infraction considered sufficiently serious by the Principal.

The District may revoke a permit if any information provided was falsified or withheld from the permit process.

By signing below, I confirm that I have read and understand the TUSD Permit Agreement. I understand that failure to comply with the above standards may result in the permit being revoked at the end of the year. Permits may be continued if the student remains in good standing.
