

Welcome back, returning Spartans!

And a big WELCOME to our incoming class of freshmen, the Class of 2024!

While these unprecedented times mean that the look of the school year is not set in stone, rest assured your PTA is already hard at work. We are making plans based on a “best case scenario” but know that modifications will most likely be required. Our ultimate goal is to offer our students, families, and staff members some fantastic programs during the 2020-2021 school year while ensuring their health and safety.

We encourage you to stay connected and informed of all the opportunities that await, as well as up-to-date changes that may occur. This can be done in the following ways:

\*Visit the South High website and click on the PTA link regularly:

<https://www.tusd.org/schools/shs>

\*Enjoy our quarterly newsletter, The Spartan Scribe, sent through email.

\*Follow us on Facebook: South High School PTA

As you scroll through your online registration packet, please check out the following:

\***Direct Donation** – we can’t do it without your support!

\***PTA Membership** – now, paper-free!

\***SHS Planners** – stay organized all year long!

\***Volunteer Form** – we have many opportunities to get involved!

\***Reflections Art Program** – express yourself through this National PTA program!

\***Senior Blankets** – a special memento for the Class of 2021!

Feel free to contact me or any member of the South High PTA should you have any questions or suggestions. We thank you for your support.

Deanna Diederich

PTA President
