In Summary

- ALL students (Cohort A/B and Distance) are starting school virtually August 26, 2020.
- **Student schedules will be made available August 24, 2020**
- ALL parents must register their children in PowerSchool for the 2020-21 school year so your family information is current

Frequently Asked Questions

Do I need to register my child even if he was at Jefferson or another TUSD school last year? Yes, parents need to register each student every year. It is a way to update all information and verify that you are aware of school/district policies. The online registration replaces the hardcopy packets we used to hand out which included: emergency information sheet, health forms, TUSD District policy forms etc.

My student's schedule in PowerSchool has errors? PowerSchool does not have accurate student schedules at this time

Will my student be getting an ID card? Due to distancing protocols, we will not be having pictures taken on campus at this time. There will be no IDs given out until further notice.

At the start of school August 26th, which bell schedule is my student in? Since we are beginning the school year online, all students will follow the virtual bell schedule. Once it is safe for the blended class students to return to campus we will post their new on-campus bell schedule.

When will student schedules be available? You will be able to view your schedule in PowerSchool on August 24th.

What about getting my textbooks/materials? Please visit campus on Wednesday, 8/19 -Friday 8/21 to pick up materials (slide 2)

What if we have technology issues when classes start? Please notify your teacher first and explain the problem. He/she will find the proper support person to assist you.
