

Parent Teacher Association 2020-2021

Be A Branch On Our Family Tree! Join Edison PTA!

Dear Parents and Guardians,

The PTA is an organization that helps our school and our students excel and be great by advocating for our students and teachers on local, state and national levels.

By joining the PTA you will have the opportunity to influence the decisions that affect our children at our school.

We need your help to be an active voice in our children's education by joining the **Edison PTA**.

It only costs \$10 to join and this money goes to support our students, teachers and our school.

By joining, there is no obligation to volunteer or make other commitments at our school.

So please join today by going on the Edison Elementary School website, click on the PTA Tab, then the PTA Membership Tab, and then follow the easy instructions there to join the PTA.

Your PTA membership funds various activities and programs at our school.

Annual Membership Dues are \$10.00 per member.

Show your membership card for discounts at places like Office Depot, LegoLand, Hertz, and much more.

Donations are also greatly appreciated as 100% goes to Edison PTA, and are tax deductible.

Scan this QR code with your phone and join Edison PTA.

Any questions, please contact Steven Birenbaum at (310) 493-9631 or 777smb999@gmail.com
