

Attendance Policy Reminders

Due to COVID distance learning, our absent note policy has been temporarily adjusted. Absent notes must be emailed to SHSattend@tusd.org **within 48** hours of their return to class, or the absence will result in a truant.

Please include:

- Student's name
- ID#
- Grade
- Absence dates
- Periods missed
- Reason for absence

If students need to “log off” early for any reason (dr., dental, DMV, court, or illness), **please notify the Attendance Office (via email) prior to the student logging off.** This will ensure that the absence is excused. On a typical day, this would have required the student to obtain an “Off Campus Pass”.

If students are having link difficulties or if a link is needed, please email the appropriate teacher for assistance. Teachers will mark students absent if they are not aware of the situation.

Ongoing Wi-Fi issues should be reported to South High School. Resources are available to assist with connectivity (i.e. Chromebooks).
