

Calle Mayor Re-Opening FAQ Sheet

Q: Are students required to enter/exit from a specific gate or by grade level?

A: Students can enter from any gate that we have open, Calle will be having 3 gates open, this would include two gates at the front of the school and the Carlow street gate.

Q: How will students who take classes at South High School return to campus?

A: Students who take classes at South High School will enter the campus through the South High School track gate, located along the Calle/South High shared Gate.

Q: Can a parent walk their student to their class on the first day of school?

A: Unfortunately, we are not allowing guests or visitors on the campus due to LACDPH guidelines.

Q: Where will my child store their backpack since you will not be using the lockers?

A: This will be up to the teacher, they will discuss this with the students as part of the routines in their class.

Q: Does my child need a water bottle, we heard that the drinking fountains are not working?

A: Yes, students are required to bring a sealable top water bottle, we do have bottle filling stations available around the campus.

Q: Does my child need to bring their books to class?

A: Teachers will discuss with their students' what materials, to include books that they will need for in-person instruction. If you have questions about this, please contact that teacher for specifics about their class?

Q: If we play sports and we travel out of state, what do we do?

A: Please contact the office prior to taking the trip out of state, currently the LACDPH order states that students who travel outside of the state must quarantine for 10 days. We will send you an email letting you know when your child can return, and being that teachers have a google classroom and/or will be providing lessons virtually that you can still complete assignments, projects, etc.

Q: How does my child complete the health screening if they do not have a phone?

A: We have a printable sheet on the Calle website that can be printed out and brought to school.
