GRAD Night Event 2021-Updated as of 4-26-2021

(Graduates Resisting Alcohol & Drugs)

Historically, GRAD Night is a supervised, drug and alcohol-free, all-night celebration held for our South High graduates. It is sponsored by the South High GRAD Night Committee with support from the school and community. The event is completely funded by ticket sales and fundraising events. Typically, 300+ students enjoy GRAD Night each year.

As you can imagine, both planning and fundraising for the event have been quite challenging due to the pandemic. Due to the guidelines of the LA Department of Public Health the event needs to be held outside and we will be hosting it on site at the school. We are determined to make this years Grad Night Event as memorable, and fun filled as we can for our 2021 graduating class. We are so excited that the event can take place and we are able to plan and host it for our seniors!!
