## Hello Cougar Family!

The start of the 2021- 2022 school year is right around the corner on Aug 26th. In order to help students and families ease back into on campus learning we are offering an optional pre-registration next week. Pre-registration is a time to pick up your books, [join the PTSA](#), finalize online PowerSchool registration (if you have not done so), return outstanding materials such as textbooks and chromebooks, and familiarize yourself with the campus. If your student is new to our campus they are invited to attend our Camp Cougar to get a more thorough introduction to Cougar life. Please note that class schedules will be distributed *on the first day of school* for all students and not at pre-registration. Students and families who miss pre-registration will be able to pick up materials on their first days of school with no issues.
