

Message from the President

Dear West High Families,

The Parent Teacher Student Association (PTSA) welcomes the West High community to our 2023-2024 school year. This year's theme is "engagement" as we look to emphasize the various ways our West High families can get involved in supporting students through the PTSA. If this is your first year at West High, I would like to extend a warm welcome. If you are a seasoned West High family, welcome back and thank you for your continued support.

Contributions to the PTSA support events and programs like the Warrior Welcome for incoming freshmen, the Reflections Art Program, scholarships and scholarship celebrations, Parent Education Nights and staff appreciation. The PTSA also helps to support campus improvements the district cannot fund, like on-campus signage, the Wellness Center and the Warrior Loft.

The West High PTSA is for everyone! Parents, guardians, students, teachers, grandparents, administrators and community members are encouraged to become members. Community donations of time and money are critical to the success of the PTSA—without you, PTSA and the programs, activities and campus improvements PTSA supports don't exist. And there are so many ways to engage!

- Join and donate online [here](#), or access the Membership & Direct Donation form [here](#)
- Interested in volunteering? Explore volunteer opportunities, or tell us more about your volunteer interests [here](#)
- No time to volunteer? Earn money for the PTSA just by shopping at Ralph's. Get all the details [here](#)
- The football snack bar is the PTSA's biggest fundraiser. Support the PTSA by donating items for resale at the snack bar—check out our Amazon wishlist [here](#)

We need you. They need you. Let's Go Warriors, Class of 2024!

Kate Brewer
2023 – 2024 West High School PTSA President
