SCHOOL DESCRIPTION

West High School (WHS) is a comprehensive 4-year high school with an enrollment of 1,749 students in grades 9–12, along with 148 7th and 8th graders attending early morning sessions taught by 84 certificated faculty members. Thirteen percent of students are English Learners (EL) and/or Special Education students, including those in the Basic Skills program. Located in Torrance, a thriving suburban community in the South Bay area, WHS is situated near the beautiful Palos Verdes Peninsula, along the beachfront of Southwestern Los Angeles, about 17 miles southwest of the Los Angeles Civic Center. Torrance boasts a strong economy, near-perfect weather, an extensive financial sector, and a safe, secure environment. The community surrounding WHS consists of single-family homes, small businesses, and apartments. This long-standing community support has played a vital role in sustaining the school's tradition of educational excellence, fostering an environment where students can thrive academically and personally. WHS is accredited by the Western Association of Schools and Colleges (WASC) and has regularly received six-year accreditations.

Grades 9–11 must take at least six classes, including A-G courses. Zero period classes offer scheduling flexibility, allowing some students to take up to seven classes per semester. Honors, AP, and some dual enrollment courses in grades 9–12 earn an extra grade point for grades C or higher. **Valedictorian class rank is based on weighted GPA.**

A composite citizenship grade is recorded each semester based on teacher evaluations.
