January – May

HOW TO REGISTER / HOW TO GET STARTED

FOR ENGLISH AS A SECOND LANGUAGE (ESL) & DIPLOMA/GED (ABE/ASE) PROGRAMS

1. Find the program you want and click on the red "**Register Now**" button.
2. Register for the "**Orientation Registration**" section.
3. Log In (if you are a returning student) **OR** Create an Account (if you are a new student).
4. Schedule a testing appointment - **all students must take the test to enroll in a class.**
5. Attend your testing appointment - you will be enrolled in a class after you take the test.

FOR CAREER TRAINING (CTE) PROGRAM

For Introductory Courses, or Courses without Industry Certification:

1. Find the Career Training / CTE program and click on the red "**Register Now**" button.
2. Find the class you want to take, and click on the red "**Register Now**" button.
3. Log In (if you are a returning student) **OR** Create an Account (if you are a new student).
4. Make sure you finish all of the prompted steps before logging out or closing your browser.

For All Training Programs with Industry Certification:

1. Register for the Orientation Registration section.
2. Schedule an orientation date - **all students must attend and complete the orientation as part of the admissions process.** Completing orientation does not guarantee acceptance in the training program.
3. Complete the orientation form you receive in your confirmation / receipt email.
4. Attend and complete orientation – **TAS staff will enroll accepted students as space in the class permits.**

FOR COMMUNITY EDUCATION PROGRAM

1. Find the Community Education program and click on the red "**Register Now**" button.
2. Find the class you want to take, and click on the red "**Register Now**" button.
3. Log In (if you are a returning student) **OR** Create an Account (if you are a new student).
4. Make sure you **submit payment** for the class before logging out or closing your browser.
