

Message from the PTSA

Dear West High Families,

The Parent Teacher Student Association (PTSA) welcomes the West High community to our 2026-2027 school year!

This year's theme is "**Involvement**" as we highlight the many ways West High families can support our students through the PTSA. Whether this is your first year at West High or you're a returning Warrior family, we're excited to have you as part of our community. To our new Families, welcome! To our returning families, welcome back-and thank you for your continued support.

Your support of the PTSA helps fund programs and events that enrich the student experience, including Warrior Welcome for incoming freshman, the Reflections Art Program, Senior scholarships, and Staff appreciation events. PTSA also contributes to campus improvements, including on-campus signage, communication monitors and the Warrior courtyard.

The West High PTSA is for everyone! Parents, guardians, students, teachers, grandparents, administrators and community members are encouraged to become members. Every membership, volunteer hour, and donation makes a difference. The programs, activities, and campus improvements supported by PTSA are only possible because of the generosity and involvement of our West High community.

There are so many ways to get involved, and we invite you to join us in making this another outstanding year for our Warriors!
