Who loves gifts? Your South High PTSA does!

If your company has a Matching Gift Program, it means that your donation to the South High PTSA Direct Donation will be "matched" by your employer.

So, your dollar is going twice the distance and South High gets twice the benefit!

Below is just a small sample of companies who utilize a Matching Gift Program. Check to see if your employer is on our list and let us know. If your employer is not listed, please check with your human resource department.

It's simple ....you make the request, and we do the rest!
