FREE & REDUCED LUNCH STATUS

You are **not** under the free & reduced lunch status just because you get free lunch on campus. This is **different** than the "free lunches" you get at school. This is a district-approved status. Once you applied through the district and are approved, then you will click on free and reduced lunch on total registration during your registration. It will then need to be approved by Mrs.Majima before you can pay for the exams ($10 per exam). If you have any questions, email Mrs.Majima. NOTE: if you cancel, you will owe $40 per exam on top of the $10 initial fee, so please be mindful when you sign up.
