

# **Torrance Unified School District Measures T and U Project Summary**

## **District-Wide**

### Safety and Security

- All schools will be upgraded to ensure the safety and security of all students, to include:
  - Add security cameras
  - Enhance exterior lighting and upgrade fences to improve student safety.
  - Upgrade emergency containers in compliance with school disaster preparedness plans

### Technology and Science

- Measure T funds will provide technology upgrades at all schools in five-year intervals. Computers and other equipment will be leased, not purchased, to allow the District to refresh systems and upgrade outdated technology.
- Upgrade electrical systems and infrastructure to keep pace with advances in technology.

### Energy-Efficiency Upgrades

- Irrigation systems at all schools will be upgraded to save water and provide cost savings.
- Upgrade and/or replace roofs and plumbing as facilities age.

## **Elementary Schools**

- Science labs will be upgraded to provide facilities to enhance science instruction.
- Playgrounds will be renovated to meet current safety standards.

## **Middle Schools**

- New gymnasiums at Calle Mayor, Casimir, Jefferson, Lynn, Madrona, Magruder, and Richardson middle schools to bring them up to current standards. J.H. Hull was completed on time and under budget with Measures Y & Z, approved by voters in 2008.
- Replace student lockers at all middle schools.

## **High Schools**

- Replace student lockers at all high schools.
- Renovate auxiliary gyms at all high schools.
- Renovate the Torrance High School auditorium Build auditoriums at South, West, and North high schools, and for arts instruction and performances.
- Renovate aging physical education facilities, playgrounds and fields to include resurfacing of tennis courts, and replacement of artificial football turf and tracks at all high schools.
- Build an aquatic center for use in high school swimming programs and the entire community.
