**ARTICLE 3**

**DUES AND UNION SECURITY**

**Section 1** It is the mutual intention of the parties that the provisions of this Article protect the rights of individual workers without restricting SEIU Local 99's right to require every bargaining unit member, except those exempt from these provisions, to pay a fair share of the cost of collective bargaining activities.

**Section 2** Except as expressly exempted herein, all bargaining unit members who do not maintain membership in good standing in SEIU Local 99 are required, as a condition of continued employment, to pay service fees to

SEIU Local 99, in amounts that do not exceed the periodic dues of SEIU Local 99 for the duration of this Agreement.

**Section 3** The District and SEIU Local 99 intend to implement the provisions of Government code Section 3456 as set out in this Agreement effective the first day following the ratification of this Agreement.

**Section 5** Any bargaining unit member who is a member of a religious body whose traditional tenets or teachings include objections to joining or paying service fees to employee organizations shall not be required to join, maintain membership in, or pay service fees to SEIU Local 99 as a condition of employment. However, such bargaining unit members shall be required, in lieu of a service fee required by this Agreement, to pay sums equal to such service fee to one of the following non-religious, non-labor organizations, charitable funds exempt from taxation under Section 501(c)(3) of the Internal Revenue Code.

Such authorization shall remain in effect until expressly revoked in writing by the bargaining unit member.
- C. The District shall, without charge, pay to SEIU Local 99 within thirty (30) days of the deduction, all sums so deducted, except that the District shall pay to the designated charity sums deducted in lieu of service fees from the wages of bargaining unit members whose requests for religious exemption have been approved by SEIU Local 99 pursuant to this Agreement. A payroll deduction authorization form shall not be required for the deduction of service fees.

SEIU Local 99 will furnish all service fee payers with an adequate explanation of the basis for the fee and calculation of that portion of the fee, which is chargeable to activities related to collective bargaining. - A. It is assumed that the majority of all personnel problems will be solved on a face-to-face basis in a spirit of cooperative, interpersonal exchange without involving other parties.
- B. If a harmonious solution is not realized, the following procedures are provided for the resolution of differences.

## Section 5 Procedure

Before filing a formal written grievance, the bargaining unit member shall have requested and held at least one informal conference with the immediate supervisor in a good faith effort to resolve the complaint.

### B. Formal Level 1

1. Within fifteen (15) days after the grievant knew or should have reasonably known about an alleged violation, misinterpretation, or misapplication of a provision of this Agreement, the grievant must present the grievance in writing on the approved District form to the immediate supervisor or lose the right to grieve. The written statement shall include:

- a. statement of the grievance;
- b. circumstances involved;
- c. specific remedy sought; and
- d. statement of the specific provision(s) alleged to have been violated.

Said written statement shall be prepared by the grievant and provided to the immediate supervisor on the approved form made available by the District.

3. In the event the immediate supervisor fails to conduct a hearing and render a decision in writing within five (5) days, the grievant shall notify the Superintendent or designee who shall convene a hearing with the immediate supervisor and the grievant within two (2) days after notification and direct the immediate supervisor to render a decision in writing. Such a directed decision shall be made within three (3) days.

C. Formal Level 2

1. If the grievant is not satisfied with the Formal Level 1 decision as received from the immediate supervisor, the grievant may appeal that decision by making a clear and concise written statement on the approved District form with all Formal Level 1 materials attached thereto to the Assistant Superintendent – Human Resources or designee; but such appeal must be made within seven (7) days immediately following the receipt of said decision from the immediate supervisor. - B. All bargaining unit members have the right to file grievances without fear of prejudice or reprisal.
- C. Nothing contained herein shall be construed as to limiting the right of any employee alleging a grievance to discuss the matter informally with any appropriate member of the administration and to have the grievance adjusted without the intervention of the Union, provided the adjustment is not inconsistent with the terms of this Agreement and that the Union has been given the opportunity to be present at such adjustment and to state its views.
- D. Since it is important that grievances be processed as rapidly as possible, the time limits specified at each level should be considered to be maximums and every effort should be made to expedite the process. The time limits, however, may be extended by mutual agreement.
- E. Failure of the grievant to abide by the time limits specified in this article shall result in the grievance being deemed abandoned except under extenuating circumstances.
- F. Grievance resolution matters may be performed during the workday but shall be conducted at times approved by the grievant and the immediate supervisor. The Deputy Superintendent – Administrative Services or designee shall solve conflicts which may arise within the spirit of making appropriate time available for the solving of grievances. - G. All documents, communication, and records dealing with the processing of a grievance shall be filed in a separate file and shall not be kept in the personnel file of any of the participants.
- H. The District shall make available for testimony in connection with the grievance procedure any District employee(s) with

knowledge of the grievance whose appearance is requested by the grievant.

- I. If the same alleged violation of the contract, or substantially the same alleged violation of the contract, is made by more than one bargaining unit member, only one member on behalf of himself/herself and the other grievants shall process the grievance through the grievance procedure. Names of all aggrieved parties shall appear on all documents related to the settlement of the grievance.
- J. The Union may be the grievant in Article 3 (Dues and Union Security), Article 4 (Union Rights), and Article 20 (Negotiation Procedures).

**Section 1** Leave of Absence Without Pay

A leave of absence without pay may be granted for a period up to twelve (12) months upon the written request of the employee subject to the following restrictions:

- A. A leave of absence may be granted to an employee who desires to enter training to improve the quality of the employee's service.
- B. After sick leave benefits have been depleted, a health leave may be granted to an employee who is incapacitated by illness or injury. A written statement from the employee's physician shall be required to establish the leave and a written health clearance shall be required for return to active duty.
- B. A leave of absence may also be granted under circumstances when it appears that such leave would be in the best interest of the District and the employee.

Eligible employees may take an unpaid leave of absence, under the Federal Family and Medical Leave Act for 1993, for up to 12 workweeks during any 12-month period for one of the following reasons:

- A. because of the birth of a son or daughter of the employee and in order to care for such son or daughter;
- B. because of the placement of a son or daughter with the employee for adoption or foster care;
- C. in order to care for the spouse, or a son, daughter, or parent, of the employee, if such spouse, son, daughter, or parent has a serious health condition; or
- D. because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.

**Section 2** Leaves of absence will be reviewed annually to determine the status of the leaves for the following year.

**Section 3** All unpaid leaves of absence may be extended or restricted by the Board of Education when the best interests of the School District are to be served.

**Section 4** Pregnancy disability leave shall be granted for a maximum of twelve (12) months upon written request.

- A. A statement from the employee's licensed physician must verify the beginning and ending dates of the period of incapacity. The beginning date of a maternity leave will be effective when requested and mutually agreed to and verification is provided by the attending physician that the employee is pregnant.
- B. Should the employee's health preclude return to duty at the end of the maternity leave, a health leave for a maximum of one year may be granted upon request.
- C. A classified employee adopting a child shall be entitled to a leave after receiving de facto custody of the child or prior to receiving such custody, if necessary, in order to fulfill the requirements for adoption. The same consideration would be granted for extension of the period of leave as provided for an employee on maternity leave.

**Section 5 Military Leave**

The Board of Education shall grant a leave of absence to any employee for the duration of military service with the United States of America, subject only to presentation of satisfactory evidence of physical and mental fitness to serve the District on return from military service. Such absence shall not in any way affect the classification of the employee.

- A. In the case of a probationary employee, military leave shall not alter the probationary status of the employee, but such absence shall not be construed as a break in the continuity of the service of such employee for any purpose.
- B. An employee, while absent from duty because engaged in armed forces duty, who has been in the service of the District for a period of not less than one (1) year immediately prior to the day on which the absence begins, shall be entitled initially to receive one month's salary (or part thereof).
- C. Within 180 days after the honorable discharge of such employee from the armed forces of the United States of America, the employee shall be entitled to return to the position held by the employee at the time of the employee's entrance into the military service at the salary to which the employee would have been entitled had the employee continued in the service of the District.

- D. If it is determined that the time spent in military service may count toward retirement under the Public Employees' Retirement System, the Board of Education will make District payments to the retirement system for the employee who makes the contribution to the system either during or immediately following the period of military service.

**Section 6 Sick Leave**

A sick leave schedule is established consisting of one (1) day of sick leave for each full month of employment. The unused portion will be cumulative indefinitely for each year of service.

- A. Paid sick leave in conjunction with maternity leave shall be granted for the period of incapacity as verified by the licensed attending physician.
- B. Unearned sick leave shall be granted during the fiscal year to permanent employees. However, a probationary employee shall not be eligible to take more than six (6) days of sick leave or the proportionate amount to which the probationary employee may be entitled until the first day of the calendar month after completion of six (6) months of active service with the District.
- C. In the event of termination prior to completion of the fiscal year, a deduction will be taken from the final pay warrant for use of unearned sick leave.
- D. Employees who are incapacitated by illness may request a leave of absence without pay to become effective after all benefits have expired.
- E. If the employee is not medically able to assume the duties of the employee's position at the expiration of the leave, the employee shall be placed on a reemployment list for a period of thirty-nine (39) months as provided in the Education Code.
- F. Regular hourly employees shall earn sick leave benefits in direct proportion to full-time employees.
- G. Upon request, employees shall be provided with their current sick leave balance.
- H. With advance written notice to the employee, or after three (3) days of absence, the Director/Administrator, with consultation as needed with the Human Resources Department, may require the employee to present a statement from a state-licensed physician

verifying the duration of the illness prior to any dock in pay, provided that such notice states the specific operational need(s) for medical verification of illness.

**Section 7      Extended Illness Benefits**

When a classified employee is absent because of illness or accident for a period of five (5) calendar months or less:

- A.    The five-calendar-month period shall commence on the expiration of all accrued benefits. During this period, full pay shall be given for earned holidays and earned sick leave.
  
- B.    After earned benefits excluding vacation have been exhausted, 50% sub-differential pay shall be given for the five-calendar-month period.

**Section 8      Transfer of Accumulated Sick Leave**

**Section 9      Industrial Accident Leave**

Any employee who is absent from duty because of job-related illness or injury resulting from an industrial accident and qualifies for workers' compensation shall be granted leave of absence for no more than sixty (60) working days in any one fiscal year for the same job-related illness or injury (leave does not accumulate from year to year) with full salary.

- A.    Industrial accident or illness leave will commence on the first day of absence. Such industrial accident or illness leave will be reduced by one day for each day of authorized absence regardless of a compensation award made under workers' compensation.
  
- B.    Payment for wages lost on any day shall not, when added to an award granted the employee under compensation laws, exceed the normal wage for the day. The employee shall endorse to the District wage-loss benefit checks received under the compensation laws.
  
- C.    The number of days of illness or injury leave under workers' compensation laws shall not be deducted from the number of

days of illness or injury leave to which the employee is entitled under provisions of the sick leave policy. Upon the termination of the industrial accident or illness leave, provided the employee continues to receive temporary disability indemnity, the employee may elect to take as much of the employee's accumulated sick leave which, when added to the employee's temporary disability indemnity, will result in a payment of not more than the employee's regular salary.

- D. If an industrial accident or illness leave occurs at a time when the sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to only that amount of time remaining at the end of the fiscal year in which the injury or illness occurred for the same illness or injury.
- E. The District reserves the right to secure proof of industrial illness or injury of an employee.
- F. Return to Work with Accommodations: An employee may be permitted to return to service after an industrial accident, personal injury or illness upon presentation of a release from their attending physician. If the medical release limits the work activities of the employee, the District shall determine if a reasonable accommodation can be made. Such accommodation will be determined on a case-by-case basis and such accommodation will not hinder the employee from performing their major work activities.

## **Section 10 Bereavement Leave**

A leave of absence with pay and without deductions from accumulated sick leave, not to exceed five (5) days, shall be granted to an employee because of the death of any member of the employee's immediate family or any relative living in the immediate household of the employees.

- B. A copy of the subpoena or certificate of the Clerk of the court must be filed with the absence report.

**Section 14 Union Convention Leave**

The District shall grant convention attendance leave without pay and without expenses for up to five (5) working days per year for a maximum of five (5) employees for the purpose of attending a Union-authorized convention, provided that no more than one employee is absent from any office or operational unit for such purpose at one time.

**Section 16 Catastrophic Leave**

Catastrophic leave permits unit members to donate sick leave credits to another unit member when that unit member or a member of his or her spouse or dependent child suffers from a catastrophic illness or injury.

Definitions:

"Catastrophic illness" or "injury" means an illness or injury that is expected to incapacitate the employee for an extended period of time, or that incapacitates the spouse or dependent child of the employee's family which incapacity requires the employee to take time off from work for an extended period of time to care for that family member, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave and other paid time off.

The District and Local 99 will establish procedures which will outline how employees may utilize the provisions of the catastrophic leave program.

**EVALUATION PROCEDURES**

**Section 1 Principles of Evaluation**

Employees' immediate supervisors have the responsibility to evaluate assigned personnel based upon supervisors' direct observation and/or knowledge. The evaluation shall cover the major areas of employees' responsibilities and duties. Unsatisfactory evaluations require a prior

conference followed by a written summary of the unsatisfactory performance, and specific suggestions for improvement.

**Section 2 Time and Number**

- A. Probationary employees shall be evaluated prior to the end of the third (3rd) and fifth (5th) months of service. However, if during the probationary period any items on the evaluation form are rated "Needs Improvement" or "Unsatisfactory," then the employee may be evaluated every month during the remainder of the probationary period.
- B. Permanent employees shall be given a performance evaluation at least once every year. The District shall make a reasonable effort to evaluate employees prior to their anniversary date.
- C. The evaluator, who shall not be a member of the bargaining unit, shall discuss the written performance evaluation report with the employee. Both the evaluator and the employee shall sign and date the evaluation. Employee's signature on the evaluation does not indicate agreement with the evaluator's comments, only receipt of the evaluation. Employees may initiate a written response to an evaluation which shall be included with and attached to every official copy of said evaluation. Whether an employee opts to submit a written response to an evaluation does not preclude such employee from utilizing the Appeal Process established in this Agreement.

Copies of the evaluation together with any attachments will then be distributed as follows: One (1) copy to the employee; one (1) copy to the evaluator; and one (1) copy to the employee's personnel file.

**Section 3** If any category on the performance report is rated "Needs Improvement" or "Unsatisfactory," the following will be included in the evaluation conference:

- (4) Provisions for assisting the employee to improve performance:  
As established in this Agreement, "Unsatisfactory" evaluations require a prior conference, followed by a written summary of the unsatisfactory performance and specific suggestions for improvement. Therefore, in addition to the items above,

documentation of the dates and specific recommendations to support/improve the unsatisfactory remarks shall be included in the conference.

**Section 4** Review of the performance evaluation by the next higher level of administrative authority is optional. Any comments made by the reviewer shall be signed and shown to the supervisor who made the evaluation and to the employee.

**Section 5 Appeal**

An evaluation is the formal judgment of an evaluator regarding employees' performances. Employees who believe that their evaluations are not a true reflection of their performances may request a conference with the next level supervisor (department head, principal, or division head) within ten days from the date of the formal evaluation conference.

**Section 6 Personnel Files**

- A. Employees shall be provided any negative or derogatory material at least ten (10) working days before it is placed in said employees' personnel files. Employees shall also be given an opportunity during the duty day, within the ten (10) day period, without loss of compensation, to review, comment, initial, and date the material. The opportunity shall be approved by the employees' immediate supervisors during the employees' duty day. The written response shall be attached to the material as it is placed into the personnel file.

- Section 6** Eligibility lists shall be valid for no less than six (6) months or no longer than one (1) year.
- Section 7** Appointments shall be made from any one of the first three successful candidates appearing on an eligibility list who are ready and willing to accept the position.
- Section 8** When the eligibility list is reduced to less than three (3) eligible candidates, a subsequent examination may be requested by the department head. If a subsequent examination is held in which an eligibility list exists of two (2) or less candidates, the eligibility list will be combined with the existing list in accordance with the relative scores received.
- Section 9** An eligible person whose name is on the earlier list may be a candidate for a later examination, and the person's name will be placed on the list in accordance with the highest score received.

In the event a regular employee is assigned to a position pursuant to the foregoing paragraph, they shall maintain their status as a regular employee and a long-term substitute may fill their position for the duration of the assignment. At the conclusion of the assignment the regular employee shall be returned to their former position, thereby displacing the long-term substitute assigned to their position in their absence. The differential as set forth in section 10 hereof shall be applicable for all hours worked by a regular employee so assigned.

## **ARTICLE 19**

### **LAYOFF AND REEMPLOYMENT**

Laid off employees are eligible for reemployment in a class, from which laid off, for thirty-nine (39) month period and shall be employed in the reverse order of layoff.
- Section 2** For purpose of this Article, length of service is defined to mean hire date as a regular probationary unit member within a class.
- Section 3** Time in paid status shall not mean any service performed prior to entering into a probationary or permanent status in the classified service of the District.

**Section 4** Unit members subject to layoff shall have a right to bump an employee with less seniority in any equal or lower class in which the unit member formally served satisfactorily.

**Section 7** An employee who is laid off and is subsequently eligible for reemployment shall be notified in writing by the District of an opening. Such notice shall be sent by certified mail to the last address given the District by the employee.

## ADDENDUM

# BUS DRIVER'S EXTRA HOURS AND OVERTIME DISTRIBUTION, CHAPTER 7

## Preface

The primary purpose of the TUSD Transportation Department is to provide safe, efficient, dependable, and consistent transportation services to our customers. We are also called to maintain this operation in the most cost efficient manner for the district. Our customers include not only the pupils that ride our buses day to day, but also the parents, school staff, and general public who all comprise the Torrance Unified School District. Our primary mission is to insure that every pupil who rides our buses is comfortable, well cared for, and arrives to school and back home again in a timely manner. Since our most important purpose is providing daily transportation for students with special needs, it is important that we strive to maintain a consistent and uninterrupted daily routine as possible for these students, as stated in a directive by Dr. Stabler, Deputy Superintendent, Torrance Unified School District;

“Because of the delicate condition of the majority of the students that we transport, it is imperative that the same driver is assigned to these routes. When there is a change in the daily routine (a different driver) it can negatively influence the rest of the day for the students while this continuity enhances the instructional day for them.

We fully understand that there are times when the regular driver must be absent. It is our intent to keep these times at a minimum.”

This commitment to excellence includes being on time for extra curricular trips. The overall goal of this department is only achieved by the combined efforts of you, the drivers, working in conjunction with the support staff of supervisors, office staff and mechanics. Each of these plays a vital role in the overall operation and in fulfilling our ultimate goal, which is to provide not just good, but excellent service.

Due to the differences in complexity in the distribution of extra work between the school year, when enough work is available for ongoing rotations of the seniority list, and break times (winter, spring and summer) that have a more simplistic rotation; the purpose of this section will outline and define the procedures involved with the different rotations for the distribution of extra work and overtime during the regular school year from the first day of school through the last day of school.

Article 7, Section 14 of the Bargaining Agreement between SEIU Local 99 and TUSD, will be adhered to for all distribution of extra work and overtime.

This portion of the TUSD School Bus Driver's Handbook outline of procedures is designed to be as comprehensive as possible, covering all aspects of normal day to day operation.

# **TORRANCE UNIFIED SCHOOL DISTRICT**

## **SCHOOL BUS DRIVER'S HANDBOOK, CHAPTER 7**

### **7. Distribution of Extra Work & Overtime**

The following system and procedure shall be used in assigning extra work during regular school days and weekends throughout the school year.

#### **7.1 – GENERAL PROVISIONS**

##### **7.1.1 – Final Authority on Trip Assignment**

With an understanding that the primary purpose of the TUSD Transportation Department is to meet the needs and requirements of the district on a day to day operational basis, and realizing that there will be the occasional situation wherein a specific circumstance does not readily fall under the procedures in this outline, the Manager of Transportation and Safety has the final authority on personnel assignments, and will make whatever exceptions are deemed necessary to ensure that all trips are covered and that work is assigned fairly and equitably among the bargaining unit members.

##### **7.1.2 – 24 Hour Notice**

Dispatch will make every effort to give at least 24 hours notice to all drivers for trip assignments in rotation. Drivers in return are expected to give the same 24 hours notice if they intend to turn back a trip. More than two last minute, (or same day) turn backs without a qualifying excuse, within 30 calendar days shall result in the loss of opportunity to work extra time for one (1) week.

##### **7.1.3 – Driver's Availability/Ability to Complete Assignment**

Any situation wherein a driver is not able, or available to complete an assignment, and so notifies the supervisor or dispatch, he/she immediately surrenders that assignment and will automatically be granted the appropriate time off. Whatever the work assignment, regular routes, field trips, extra work, etc.; dispatch will have the responsibility and duty to cover that work with another driver so as not to interfere with the department's commitment of service.

##### **7.1.4 – Extra Work Eligibility**

In order for a driver to be eligible for any extra evening work assignment on a "regular workday", or "weekday", (i.e., Monday, Tuesday, Wednesday, Thursday, or Friday), he or she must work the entire same day, with the exception of time off in the morning with prior approval or a bona fide emergency in the morning. In the case of such emergency, driver must report status update and estimated arrival time for PM Route by 10:00 am.

### **7.1.5 – Late Trips (Trip Requests received after bid posting)**

Trips that are submitted and/or otherwise received after bid posting of available trips can not be included in the bid, but will be subject to continuing rotation after award of the initial bid is completed.

### **7.1.6 – Substitute Drivers Performing Extra Work**

Substitute Drivers can perform extra work only in the circumstance wherein there are still available trips after the rotation of regular drivers has been exhausted.

## **7.2 – DISTRIBUTION OF MID-DAY EXTRA WORK**

During the week extra work may become available during the mid-day between morning and afternoon routes. This work may include trip coverage, payroll deliveries, bus evacuation drills/training, or other similar assignments. The following procedure will be used to distribute this work on a daily basis.

### **7.2.1 – Extra Mid-Day Work**

Extra Mid-Day work will be assigned by the Dispatcher/Scheduler under the supervision of the Manager/Supervisor as per the seniority rotation schedule, with appropriate consideration to feasibility with regular service schedules, time availability, and equipment capacity.

### **7.2.2 – Driver Availability**

A driver may submit a letter to be placed in their file stating that they do not wish to be considered for Extra Mid-Day Work on a regular basis, with an understanding that there may be a time or occasion that they will be expected to assist with such extra work when necessary. Available extra mid-day work will be assigned as follows:

- A. Work will be assigned in seniority order to those who are available.
- B. Availability will be governed by minimum interference with a driver's regular schedule.
- C. Drivers will not be assigned extra work that results in overtime until all available drivers have been used.
- D. All extra assignments will be a minimum of one (1) hour in duration.

### **7.2.3 – Fieldtrip Assignment**

The following procedure will be used in assigning field trips:

- A. Field trips will be assigned to transit bus routes by feasibility within the area served, then by availability of driver, then by consideration of seniority and a fair distribution of regular pay hours. Keeping in mind our directive to maintain a consistent and uninterrupted daily routine as possible for our special needs students at all times.
- B. Regular runs may be covered when feasible to allow for field trip coverage. Exceptions to this are runs transporting pupils to or from school which require special equipment.

- C. Drivers who bid Transit bus routes and do NOT wish to be assigned to field trips must notify the Manager in writing. Otherwise, it is assumed that all transit route drivers will be available for these trips when possible.
- D. Any conflicts in schedule (i.e. personal appointments, etc) that would prevent transit route drivers from being available for field trips must be reported to the Manager at least 24 hours in advance to allow ample time to organize the necessary trip coverage.

## **7.3 – DISTRIBUTION OF EVENING AND WEEKEND TRIPS**

### **7.3.1 – Rotation Systems**

At the beginning of the school year each September, a seniority list will be posted including all regular drivers. All extra work will be assigned using this seniority rotation list starting at the top with the most senior driver.

Four different rotation lists have been established to manage the distribution of Extra Work;

- 1-Monday through Thursday,
- 2-Friday,
- 3-Saturday, and
- 4-Sunday.

Pupil Free Days, any applicable Holidays. (see Section 7.6.1 and Section 7.6.2), as well as Winter, and Spring Breaks will have separate rotations, (see Section 7.6.3-A).

The Summer Break is subject to a separate bid process and rotation, (see Section 7.6.3-B).

### **7.3.2 – Driver Availability**

The "Extra Work Availability Sheet" will be posted each week by Friday morning at 8:00 am. Each driver who opts for extra work availability for that particular week must sign their initials in the appropriate area for each of the days they are available for extra work. The sheet will come down on the following Friday morning at 8:00 am. If a driver fails to indicate the days they are available, it will be assumed that they are not available for extra work that week, unless that driver otherwise communicates with management regarding his/her availability before the designated cut off times for each rotation.

### **7.3.3 – Emergency Trip Coverage**

In cases of emergency situations (such as extremely late last minute trip submissions, or late turned back trips), dispatch has the responsibility to cover these trips as quickly as possible. A driver's contact availability may play a crucial part in being offered this work. However, driver's willing to take on this last minute work will not lose their position in the appropriate rotation. (Emergency situations include, but are not limited to, circumstances wherein a last minute trip arises within two working hours of the trip time.)

#### 7.3.3.1 – Weekdays; Monday through Fridays

In an emergency situation dispatch will seek the first available driver in the yard to fulfill the need with consideration of feasibility, seniority, etc.

#### 7.3.3.2 – Weekends

In an emergency situation dispatch will rely on a list of available drivers who have committed to their availability and promised to report to the yard no later than one half hour after receiving a phone call.

#### 7.3.3.3 – Availability List

The list will be established at the beginning of each school year and drivers will have the right to adjust their availability on the list at any time. When/if dispatch calls a driver to cover an emergency trip and cannot readily reach that driver; dispatch will proceed down the list until contact is made, and that driver will remain eligible for the next rotation of the list. If a responding driver does not uphold his or her commitment to report to the yard in time, that driver may be permanently removed from the list.

### **7.3.4 – Cancellations, Make-Ups and Priority Holds**

If a driver is assigned to a trip in the Monday-Thursday rotation, and the trip is cancelled, that driver will be offered any trip that becomes available in that rotation for that week. If the driver elects not to take the trip that is offered, the makeup will be considered as satisfied. If no additional trips are available at the time of cancellation, the driver will be given a Make-Up (**MU**) trip on that same rotation.

If a driver is awarded a trip on the Friday, Saturday, or Sunday rotations and the trip is canceled, that driver will be given a **MU**. If other work comes in the driver will be offered the new work, and the elective applies as described in Section 7.5.4 – E.

When a driver denotes his or her availability on the Extra Work Sign-Up Sheet, and during the award process is not eligible to assignment of available trips due to work schedule conflict, wherein the driver cannot perform the available work, he or she will be given a Priority Hold (**PH**) in the next applicable rotation. (See Sections 7.5.4 – A & H for specific details.)

### **7.4 – MONDAY THRU THURSDAY ROTATION**

Extra time will be assigned for Monday thru Thursday starting with the first driver in the rotation. Each driver will be assigned the first available trip Monday thru Thursday. Each driver in the rotation seniority will receive the best trip available depending on operational feasibility. If a driver comes up in rotation and is unavailable for any trip to be assigned, they will be passed by and the rotation will move on to the next driver, with the exception of rules pertaining to a Priority Hold. (See Section 7.3.4)

The rotation for Monday thru Thursday extra work begins at the time the Availability sign-up sheet is removed each Friday at 8:00 am. Therefore, the cut off time to declare availability for this rotation is 8:00 am each Friday morning.

#### **7.4.1 – PH or MU as applied to Monday thru Thursday Rotation**

The PH or MU will be satisfied by assigning the first available trip in rotation to that driver. If the first available trip falls on a day when the driver is not available to work, the PH or MU continues. If the driver elects not to take the trip that is offered, a PH will be considered as satisfied. A MU is subject to rules outlined in Section 7.5.4.

### **7.5 – FRIDAY, SATURDAY & SUNDAY ROTATIONS**

#### **7.5.1 – Eligibility for Weekend Work**

A driver must work at least a half day on Friday in order to be eligible for extra work on Saturday, or Sunday. Any work time missed on a Friday MUST be with prior approval to remain eligible for weekend work. Calling off same day, for more than half a day on Friday will void eligibility for weekend work, unless the reason for the absence falls under the following exceptions:

- A. If a Driver is required to report for jury duty or has been subpoenaed for a court appearance, and provides at least 48-hour written notice to the department manager or their designee of the scheduled time off.
- B. If a driver is on authorized bereavement (as described in the Personnel Commission Classified Employee Handbook Section 15.7.2) or is attending a funeral for a family member or close friend. Verification of attendance may be required.
- C. If a driver has an approved vacation time request at least 48 hours in advance.
- D. Any other special situations that are pre-approved and or excused with Manager's approval such as personal emergency sufficient to require that the driver be absent. Such a case may require verification of the nature of the emergency, and a reasonable guarantee that the driver will be available to work his/her weekend schedule. The department manager shall have the final say as to whether the nature of the emergency warrants this exception.

#### **7.5.2 – Trip Posting**

Friday, Saturday & Sunday extra work will be rotated on separate lists. Drivers will pick their Friday, Saturday & Sunday assignments based on their position in the appropriate rotation list.

- A. The Trip Log for Friday Extra Work will be posted in the Dispatch Lobby on the preceding Thursday, by 6:00 am, with the award process beginning at 11:00 am. Therefore, the cut off time to declare availability is 11:00 am on Thursday for Friday rotation.

- B. The Trip Log for Saturday and Sunday Extra Work will be posted in the Dispatch Lobby on the preceding Friday, by 6:00 am, with the award process beginning at 11:00 am. Therefore, the cut off time to declare availability is 11:00 am on Friday for Saturday & Sunday.

### **7.5.3 – Bidding for Extra Work**

- A. Bidding for Friday and Saturday Extra Work shall be conducted by a written Bid Sheet, in seniority order starting with the next available driver from the previous week's rotation.
- B. Each driver in the eligible rotation will receive a Bid Sheet with which to submit his/her preferences for extra work.
- C. Non submittal of a bid sheet when a driver is present at work shall be considered as the driver's intent to pass on any available work for that rotation. No exceptions.
- D. In the case when circumstances change in a driver's availability, a driver may contact management prior to the rotation cut off time to change his/her availability status. (See Section 7.5.2 A & B)
- E. If a driver is absent on the day of the bid with an excused absence (see Section 7.5.1) and wishes to work in the rotation, the supervisor must have confirmed attendance status for the work day being bid on, and that driver must be available via phone to make his/her selection if a bid sheet was not turned in. If the Manager/Supervisor cannot establish communication with a driver within one half (1/2) hour, that driver will be passed. The driver will however remain eligible for work left over, providing there is still available work at the time contact is made with the supervisor regarding extra work.

### **7.5.4 – Application of Make-ups & Priority Holds for Regular Rotations**

- A. A driver with a PH must accept the next available work offered.
- B. If a driver has a MU from the previous week rotation, that driver must make a choice to either use the MU, or stay in regular rotation.
- C. In some situations a driver may elect to save, or continue a MU to the next week. Some examples or reasons to save, or continue a MU include, but are not limited to:
  - 1. Pre-approved vacation or other time off requested.
  - 2. Bereavement and other protected leaves.
  - 3. Family emergency.
  - 4. If a driver elects not to use his/her MU and stay in regular rotation, because of their position in the eligible rotation.
- D. If a driver elects to save a MU while in the eligible rotation, and chooses NOT to work, the pass on work will count as a save on the MU.
- E. A MU, if not used, may be saved, or continued for a maximum of two (2) times. If a driver does not take the MU by the third time the MU will be forfeited.
- F. If a driver's actions cause a trip to be canceled, that driver is not eligible for a MU

- G. A driver will forfeit a MU as a result of unexcused absence or turning back assigned make-up work on same day as the scheduled MU, unless due to an emergency situation.
- H. Whenever a driver's name does not fall within the regular eligible rotation, based on the number of available trips, he/she can choose a trip to satisfy a PH or MU ahead of the regular rotation. If there is more than one PH or MU established for a rotation, bid award will be made in current rotation seniority order. Drivers with a PH will be awarded first, then those carrying a previous MU, then the most recent MUs. A PH or MU is satisfied as soon as a driver accepts a trip under the make-up guidelines above. If the MU trip is canceled due to reasons other than the driver, the MU is renewed and starts a new cycle. (see Section 7.5.4-E)
- I. If a driver elects to save a MU because of their position in the regular eligible rotation, and the trip chosen cancels, an additional MU is created and starts a separate new cycle. (see Section 7.5.4-C)
- J. **Exception for Jury Duty** – Drivers will receive a PH for every time they are passed in any rotation as a result of Jury Duty, provided he/she had noted his/her availability for said rotation. He/she will receive a PH for the first week available after completing his/her jury service. The maximum number of PH's allowable in the case of multiple weeks of jury service is two (2).

### **7.5.5 – Full Rotations**

If, at the time trips are posted, the preceding rotation ended up as a full rotation (wherein every available driver has had an opportunity to receive a trip) for two consecutive weeks, the following change in rotation will take place starting the third week:

- A. The rotation starting point will be moved down by three (3) places, and bidding will start at the new starting point. (Only those drivers who are on active work status will be considered on any rotation 'Move Down'.)
- B. This system will continue with each two week interval of full rotations, until a break in the full rotation cycle.
- C. When a break occurs and the full rotations end, rotation will resume at the new established starting point where the current rotation ends.

#### **7.5.5.1 – Definition of Full Rotation**

A rotation will be deemed 'Full' if after the bidding and work has been completed, and ALL available drivers worked, or were offered work (including any last minute trips, passed work, turn backs, and if a Sub Driver works).

## **7.6 – HOLIDAY, PUPIL FREE DAYS, WINTER, SPRING AND SUMMER**

Holiday and Pupil Free Day extra work will be assigned on a separate rotation from other assignments.

### **7.6.1 – Sunday, Holiday and Pupil Free Day Work**

- A. Holidays and Pupil Free Days will have a separate sign up sheet to note availability, and are subject to a separate one time rotation for each occasion.
- B. Availability for extra work must be indicated on the Extra Work Availability Sheet.
- C. If more work is available for a Holiday or a Pupil Free Day than there are drivers who have signed up, the remaining work will be offered to all other drivers in seniority order.

### **7.6.2 – Pupil Free Day Rotation**

Available regular route work on Holidays and Pupil Free Days will be offered to the Regular Driver assigned to that route first. That driver will have a choice to work his/her own route or work in rotation. Any left over route work, or other available work on Holiday and Pupil Free Days will be awarded in seniority order.

### **7.6.3 – Work & Trips During Winter, Spring and Summer Breaks**

Drivers who indicate that they are available to work should be available every day, unless they notify the supervisor otherwise.

- A. For the extended winter and spring breaks, a form will be provided for drivers to sign up indicating their availability to work. Available continuing regular route work (county routes, etc.) during these times will be offered to the Regular Driver on that route first. Any other available work including school runs and athletic/activity trips will be awarded on a seniority basis on a separate rotation.
- B. A separate bid for summer work will determine work assignments. Any other work will be subject to seniority rotation depending on driver availability and a fair and equitable distribution of work.

## **7.7 – REVISIONS AND/OR CHANGES TO THIS CHAPTER**

Note: This procedure may be subject to adjustment and revision from time to time as necessary, as per Article 7, Section 19 of the Bargaining agreement. Drivers will be notified of changes in writing prior to the implementation date if and when changes are finalized to these procedures.

## **7.8 – DEFINITIONS**
