

iPad: Control Center

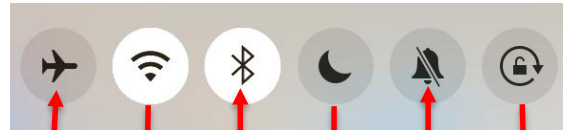

The Control Center is available from any app or the lock screen. It allows you to control various settings for your iPad.

To access the Control Center, swipe up from the bottom of your iPad. (Make sure your finger is at the very edge of the screen if you are having trouble getting it to work).

You will then see the following controls:

Control your music

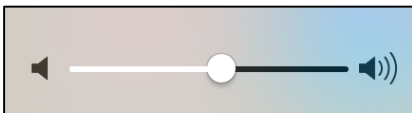

Airplane Mode
WiFi
Bluetooth
Do Not Disturb
Mute
Lock Orientation

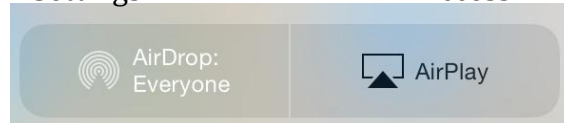

Screen Brightness

Music Volume

AirDrop
Settings

AirPlay
Access

Timer,
Stopwatch,
Clock

Camera

Swipe down to return to the app you were using, or press the home button to access the home screen.
