

Imagine Strategic Plan

- Strategic Objectives:
 - *Create new community partnerships to enhance our student's experience of the various mediums of art.*
 - Create new experiences for our students in order to expose them to various mediums of art. (Art Gallery/Makerspace/Principles of Design)
- Key Performance Measures:
 - Number of community partnerships developed and experiences for students
 - Quarterly Masterworks with Significant Question & Concept tied to artistic experience
 - Creation of art space/gallery for student work & principles of design.
- Strategic Initiatives:
 - I & E Artists Hour to allow students to experience and create arts based concepts and principles of design.
 - Curriculum Maps for 17-18 with Significant Question & Concepts tied into formative assessments in core content for Imagine Teachers
 - Student Voice committee to provide student insight into Artful Learning, garner student ideas about Masterwork Launches and help design Art Gallery/Makerspace.
