

APEX Strategic Plan

- ❖ Strategic Objectives:
 - Have no more than 10% of our students on alternative (independent) assignment.
 - Secure a minimum of one community partner for all projects.
 - Define and develop student alumni mentor program.
- ❖ Key Performance Measures:
 - Consistent review of student work submission data to ensure student mastery and decrease students on alternative assignment.
 - Securing one community partner for each project.
 - Implementation of Apex alumni mentor program to identify key high school success indicators for current Apex students as they transition to high school.
- ❖ Strategic Initiatives:
 - Increase role of student voice committee in project development and student engagement.
 - Continue our work and professional development to challenge and grow our exceptional learners; increasing engagement and achievement.
 - Increase networking opportunities and outreach initiatives in increasing community partner participation.
 - Partnership with New Tech school of Ideas at DCHS in development and implementation of alumni mentor program.
