

Decatur Middle School

DMS Families,

I hope you and your student have had a wonderful summer and are excited that school starts next week! I know we are excited to welcome your student back for in-person and virtual learning or for remote learning as we work to provide a safe environment for everyone. While there are many unknowns due to the COVID 19 pandemic, I want parents and students to know we are excited for this school year and we remain committed to our priorities! We want our staff, students and parents to feel safe as we educate students here at DMS. We are confident in the safety precautions we have put in place for in-person learning. Our goal is to get as much predictability and consistency as we can get for our students, staff and families while providing a quality education.

Below are a few links to videos and informational documents about the start of the school year.

DMS Welcome Back Video

Below is the link to a welcome back video by Mr. Nehring, Principal of Decatur Middle School.
