Teacher Expectations on eLearning Days for “Day of”

Grades K-12

- Teachers will have all learning activities posted and published to Canvas no later than one hour after typical school start time.
- Clearly label/name the eLearning day module with the specific date of the eLearning Day so that there is no confusion about which activities to complete.
- Homeroom teachers, at the elementary level, will inform students which special area class they should have that day. This should be posted on the welcome page of the module.
- Subjects covered during eLearning day activities will be the subjects the teacher would have covered that day.
- Length of assignments will be roughly equivalent to 30 minutes per subject.
- Upon returning to school, students will have three days to complete the contents of the folder and submit to the teacher.
- During the day, teachers will be available and respond to student questions.
- All student questions submitted by 3:30pm will have a response by 4:00pm.
