

THE SUMMIT
COUNTRY DAY SCHOOL

Library Legacy Program

for

Upper School students and alumni of The Summit

The Summit Parents Association (SPA) is offering an opportunity to purchase a book for the Upper School Library through the Library Legacy Program. Celebrate your child's birthday or any occasion! Based on the interests of your child, the SPA will purchase a book for the Upper School Library. A dedication bookplate in the front of the book will list the student's name or graduate's name and/or their class year. This is a wonderful way to support the library and honor your child, or their class, if you choose an anonymous class dedication.

You may initiate the request at any time during the year, although the deadline is May 15.

We will send an email notice to you with the title of the book(s) chosen.

The cost is \$25.00 per book. Please make payments to:
