

Dear Parents and Guardians:

As we approach the end of the school year, we want to share out information regarding the collection of iPads and accessories. Each student in grades 3-8 was issued:

- iPad in STM case
- Charging cable
- Charging block

Please make sure your student brings the above items to school to be returned on:

May 26th: 8th Grade

June 1st: 3rd-5th Grade

June 2nd: 6th-7th Grade

If your student has lost or damaged the charging cable or block, you may purchase one of the following as a replacement:

- *Apple*
- *Amazon Basic*
- *Belkin*
- *Anker*
- *Dynex*

Only the above models will be accepted as replacements. You may also submit payment by cash or check for a replacement:

- *Charging Cable - \$20*
- *Charging Block - \$20*

Additionally 8th grade students that have intentionally damaged cases above and beyond normal wear and tear may be charged for a new case. Examples of damage would include tearing/scraping/carving into the case or placing stickers on the case that cannot be removed.

Students do not need to erase data from the iPad (with the exception of 8th graders) as they will be issued the same iPad in August. Instructions for 8th graders on how to erase iPads will be shared in school.

Students missing items or having damaged items will receive a letter home indicating which items are still needed. All iPads and accessories must be accounted for before the end of the school year.

If you have any questions regarding iPad collection, please contact me at nbattaglia@skokie68.org

Sincerely,

Nancy Battaglia
Director of Technology
