Special Notes on the Bell Schedule:

1. School begins daily at 9:00 am. Attendance will be taken and there will be an automated call home if a student does not check-in with their advisory teacher for the day.
2. Attendance will be taken for every class on their schedule for record keeping.
3. Every student has an empty period in their schedule. This should be designated for lunch.
4. Every class will start “live” on Zoom at the designated start of the period. Teachers will be in contact with Zoom links.
5. Classes on Tuesdays through Friday will be structured so approximately the first half of class is live on Zoom and the second half of class is the students working individually (watching videos, completing tasks, group work, etc.)
6. Students will follow their Purple Schedule (top row) for approximately three weeks*, and then their White Schedule (bottom row) for approximately three weeks and continue alternating throughout the school year.
7. Most students will not have XB blank in their schedule. A course in this period does not have any consistent designated meeting time. If your child has Band or Orchestra scheduled here, Ms. Nevinger and Mr. Petrella will be in contact to schedule rehearsals and sectionals. If your child has Encore here, they are enrolled in an optional Encore course on Canvas that gives suggested art, music, or general Encore activities they can do and submit to the teacher for feedback. This is added enrichment; therefore there will be no grade for this Encore class.
