

# ESL 2: Language and Literacy

## Level -Low Intermediate

This is the second level class for students who have reached an intermediate level of proficiency and have had at least 1 year of English instruction.

### In this class you will :

- Improve your vocabulary by learning more complex words for workplace or daily life situations.
- Improve your reading comprehension through stories and news articles.
- Improve your writing by learning proper spelling and writing conventions.
- Increase your knowledge of grammar to improve your spoken and written communication.
- Practice all you learn through interactive lessons and activities built for your level.

Registered students will receive instructions about **placement test** and and joining the class after their registration form is received
