ESL 1: Language and Literacy

Level - High Beginners

This is the second level Beginners Class for those who have had at least one class before, know some basic vocabulary, and have a good grasp on the Alphabet, sounds and basic reading skills.

In this class you will :

- Learn commonly used vocabulary for everyday situations and use it for communicating in your daily life.
- Learn how to have short conversations involving daily life situations.
- Learn how to write simple sentences through use of proper spelling and writing conventions.
- Learn correct sentence structure through basic grammar.
- Practice all you learn through interactive lessons and activities built for the beginner level student.

Registered students will receive instructions about **placement test** and and joining the class after their registration form is received

Class Code : ESL 1

January -May

Tuesday, Wednesday, Thursday

5:00pm-6:30pm
