ASSURANCES, AFFIRMATIONS, AND DECLARATIONS

KIPP Sol Academy (also referred to herein as “KIPP Sol” and “Charter School”) shall:

- Be nonsectarian in its programs, admission policies, employment practices, and all other operations. (California Education Code (hereinafter “Ed. Code”) § 47605(d)(1).)

- Not charge tuition. (Ed. Code § 47605(d)(1).)

- Not discriminate against any pupil on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code. (Ed. Code § 47605(d)(1).)

- Except as provided in Education Code section 47605(d)(2), admission to a charter school shall not be determined according to the place of residence of the pupil, or of his or her parent or legal guardian, within this state, except that an existing public school converting partially or entirely to a charter school under this part shall adopt and maintain a policy giving admission preference to pupils who reside within the former attendance area of that school. (Ed. Code § 47605(d)(1).)

- Admit all pupils who wish to attend Charter School. (Ed. Code § 47605(d)(2)(A).)

- Except for existing pupils of Charter School, determine attendance by a public random drawing if the number of pupils who wish to attend Charter School exceeds Charter School’s capacity. Preference shall be extended to pupils currently attending Charter School and pupils who reside in the Los Angeles Unified School District (also referred to herein as “LAUSD” and “District”). (Ed. Code § 47605(d)(2)(B).)

- If a pupil is expelled or leaves Charter School without graduating or completing the school year for any reason, Charter School shall notify the superintendent of the school district of the pupil’s last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, including a transcript of grades or report card, and health information. (Ed. Code § 47605(d)(3).)

- Meet all statewide standards and conduct the pupil assessments required pursuant to Education Code sections 60605 and 60851 and any other statewide standards authorized in statute or pupil assessments applicable to pupils in non-charter public schools. (Ed. Code § 47605(c)(1).)

- Consult, on a regular basis, with Charter School’s parents, legal guardians, and teachers regarding the school’s educational programs. (Ed. Code § 47605(c)(2).)

Charter School hereby declares that Charter School, operated by or as its nonprofit public benefit corporation, is and shall be the exclusive public school employer of Charter School’s employees for the purposes of the Educational Employment Relations Act (EERA), Chapter 10.7 (commencing with Section 3540) of Division 4 of Title I of the Government Code. Charter School shall comply with all provisions of the EERA and shall act independently from LAUSD for collective bargaining purposes. In accordance with the EERA, employees may join and be represented by an organization of their choice for collective bargaining purposes.
NOTE: This Charter contains specific “District Required Language” (DRL), including the Assurances, Affirmations, and Declarations above. The DRL should be highlighted in gray within each Charter element or section. The final section of the Charter provides a consolidated addendum of the DRL. This intentional redundancy facilitates efficient charter petition review while ensuring ready access to the DRL for any given section of the Charter. To the extent that any inconsistency may exist between any provision contained within the body of the Charter and the DRL contained in the addendum, the provisions of the DRL addendum shall control.

**CHARTER RENEWAL CRITERIA AND ELIGIBILITY**

A. **Evidence of Meeting Charter Renewal Standards Pursuant to Education Code Section 47607(b) and the California Code of Regulations, Title 5, Section 11966.4(a)(1)**

Education Code Section 47607(b) requires that a charter school that has been operating for at least 4 years must meet at least one of the following renewal criteria prior to receiving a charter renewal:

1. Attained its API growth target in the prior year or in two of the last three years, both school wide and for all groups of pupils served by the charter school.

2. Ranked in deciles 4 to 10, inclusive, on the API in the prior year or in two of the last three years.

3. Ranked in deciles 4 to 10 inclusive, in the API for a demographically comparable school in the prior year or in two of the last three years.

4. The entity that granted the charter determines that the academic performance of the charter school is at least equal to the academic performance of the public schools that the charter school pupils would otherwise have been required to attend, as well as the academic performance of the schools in the school district in which the charter school is located, taking into account the composition of the pupil population that is served at the charter school.

5. Has qualified for an alternative accountability system pursuant to subdivision (h) of Education Code Section 52052.

The following shall serve as documentation confirming that the Charter School meets the statutory criteria required for renewal as set forth in Education Code Section 47607(b)(3) and Section 47607(b)(4).

*Note on Testing Data*

Assembly Bill 484 amended Education Code sections 52052(e)(2)(F) and 52052(e)(4) to allow schools that do not have an API calculated to use one of the following criteria to meet legislative and/or programmatic requirements:

- The most recent API calculation;
- An average of the three most recent annual API calculations; or
- Alternative measures that show increases in pupil academic achievement for all groups of pupils schoolwide and among significant groups.

KIPP Sol meets the charter renewal criteria established in Education Code Section 47607(b)(4), due to its performance on the 2016 CAASPP, relative to surrounding schools, as indicated by the table below.

**B. Additional Justification for Charter Renewal**

**Analysis of Charter Renewal Criteria – Student Subgroups**

Education Code Section 47607(a)(3) states:
The authority that granted the charter shall consider increases in pupil academic achievement for all groups of pupils served by the charter school (defined as “a numerically significant pupil subgroup, as defined by paragraph (3) of subdivision (a) of Section 52052.” EC §47607(a)(3)(B)) as the most important factor in determining whether to grant a charter renewal.

As indicated in the table below, KIPP Sol Academy has exhibited increases in pupil academic achievement for all groups of pupils served by the Charter School. Thus, KIPP Sol’s outstanding student subgroup performance further solidifies its renewal status under Education Code Section 47607(a)(3).

ELEMENT 1 – THE EDUCATIONAL PROGRAM

“The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an “educated person” in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners.” (Ed. Code § 47605(b)(5)(A)(i).)

“The annual goals for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (a) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals.” (Ed. Code § 47605(b)(5)(A)(ii).)

“If the proposed charter school will serve high school pupils, a description of the manner in which the charter school will inform parents about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable and courses approved by the University of California or the California State University as creditable under the “A” to “G” admissions criteria may be considered to meet college entrance requirements.” (Ed. Code § 47605(b)(5)(A)(iii).)

LOCAL CONTROL FUNDING FORMULA (LCFF) AND LOCAL CONTROL AND ACCOUNTABILITY PLAN (LCAP)

Charter School acknowledges and agrees that it must comply with all applicable laws and regulations related to AB 97 (Local Control Funding Formula), as they may be amended from time to time, which include the requirement that Charter School shall annually submit a Local Control and Accountability Plan (LCAP)/annual update to the Los Angeles County Superintendent of Schools and the Charter Schools Division (CSD) on or before July 1. In accordance with Education Code sections 47604.33 and 47606.5, Charter School shall annually update its goals and annual actions to achieve those goals identified in the charter pursuant to Education Code section 47605(b)(5)(A)(ii), using the Local Control and Accountability Plan template adopted by the State Board of Education, as it may be changed from time to time. Charter School shall comply with all requirements of Education Code section 47606.5, including but not limited to the requirement that Charter School “shall consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the annual update.” (Ed. Code § 47606.5(e).)

ACADEMIC CALENDAR AND SCHEDULES

Charter School shall offer, at a minimum, the number of minutes of instruction set forth in Education Code section 47612.5, and the number of school days required by California Code of Regulations, title 5, section 11960.

MATHEMATICS PLACEMENT

Charter School shall comply with all applicable requirements of the California Mathematics Placement Act of 2015.

TRANSITIONAL KINDERGARTEN
Charter School shall comply with all applicable requirements regarding transitional kindergarten. For purposes of admission to Charter School, transitional kindergarten shall be considered a part of kindergarten, and therefore students enrolled in transitional kindergarten at Charter School shall be considered existing students of Charter School for purposes of Charter School's admissions, enrollment, and lottery.

**High School Exit Examination**

Charter School shall comply with the requirements of Education Code sections 60851.5 and 60851.6.

**WASC Accreditation**

If Charter School serves students in grades 9-12, before Charter School graduates its first class of students, Charter School shall obtain, and thereafter maintain, Western Association of Schools and Colleges (WASC) accreditation.

**English Learners**

Charter School shall identify potential English Learners (ELs) in a timely manner in accordance with all applicable legal requirements. Charter School must provide all English Learners with an effective English language acquisition program that also affords meaningful and equitable access to Charter School's academic core curriculum. Instructional plans for English Learners must be (1) based on sound educational theory; (2) adequately supported with trained teachers and appropriate materials and resources; and (3) periodically evaluated to make sure the program is successful and modified when the program is not successful.

On an annual basis (on or about October 1), Charter School shall submit a certification to the LAUSD Charter Schools Division (CSD) that certifies that Charter School has adopted and is implementing either the LAUSD English Learner Master Plan or Charter School's own English Learner Master Plan. If Charter School chooses to implement its own EL plan, the plan shall include, but is not limited to, the following:

- How English Learners’ needs will be identified
- What services will be offered
- How, where, and by whom the services will be provided
- How Charter School will evaluate its EL program each year, and how the results of this evaluation will be used to improve the program, including the provision of EL services

Each year, Charter School shall provide to the CSD a report on its annual evaluation of the effectiveness of its EL program. Upon request, Charter School shall provide a copy of its current EL Master Plan to the CSD.

Charter School shall administer the CELDT/ELPAC annually in accordance with federal and state requirements.

Charter School shall reclassify English Learners in accordance with federal and state requirements.

Charter School shall provide parent outreach services and meaningfully inform parents with limited English proficiency of important information regarding Charter School matters to the same extent as other parents.
**STUDENTS WITH DISABILITIES**

**Federal Law Compliance**
Charter School shall adhere to all provisions of federal law related to students with disabilities including, but not limited to, section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, and the Individuals with Disabilities Education Improvement Act of 2004.

**Special Education Program**
Charter School shall ensure that no student otherwise eligible to enroll in Charter School shall be denied, directly or indirectly, admission due to a disability or to Charter School’s inability to provide necessary services. Charter School acknowledges that policies and procedures are in place to ensure the recruitment, enrollment, service, and retention of students with disabilities at LAUSD-authorized charter schools, including Charter School.

Prior to LAUSD Board of Education approval, Charter School shall execute a Memorandum of Understanding (“MOU”) by and between LAUSD and Charter School regarding the provision and funding of special education services consistent with the requirements of the LAUSD Special Education Local Plan Area (“SELPA”) Local Plan for Special Education.

**SELPA Reorganization**
The Los Angeles Unified School District is approved to operate as a single-District SELPA under the provisions of Education Code section 56195.1(a). As a single-District SELPA, the District has created two charter school sections (District-operated Programs and Charter-operated Programs) under the administration of one single Administrative Unit pursuant to a reorganization plan approved by the Board of Education on January 4, 2011 (149/10-11). Full implementation of the reorganized LAUSD SELPA commenced in the 2013-2014 school year requiring all District-authorized charter schools to elect one of the three options available under the LAUSD SELPA. Prior to an option election, all District-authorized charter schools were required to participate as a school of the District under the District-Operated Programs Unit. Prior to the beginning of the 2013-2014 school year, all District-authorized charter schools, other than those that had previously executed an Option 3 Memorandum of Understanding (“MOU”), were required to execute a new MOU setting forth the LAUSD SELPA option election for the remainder of the charter petition term. The Charter-operated Program schools do not have LEA status for the purposes of special education but will function in a similar role in that each charter school will be responsible for all special education requirements, including but not limited to services, placement, due process, related services, special education classes, and special education supports. Charter schools that have elected to participate in a District-operated programs option may apply for membership in the Charter-operated Program section of the SELPA. Charter schools accepted for participation in the Charter-operated Programs section receive support from a Special Education Director for the Charter-operated Programs.

**Modified Consent Decree Requirements**
All charter schools approved by the LAUSD Board of Education are bound by and must adhere to the terms, conditions and requirements of the *Chanda Smith* Modified Consent Decree (“MCD”) and other court orders imposed upon the District pertaining to special education. The MCD is a consent decree entered in a federal court class action lawsuit initially brought on behalf of students with disabilities in LAUSD. It is an agreement of the parties approved by the federal court and monitored by a court-appointed independent monitor. The MCD includes nineteen statistically measureable outcomes and facilities obligations that the District has to achieve to disengage...
from the MCD and federal court oversight. All charter schools are required to use the District’s Special Education Policies and Procedures Manual and Welligent, the District-wide web-based software system used for online Individualized Education Programs (“IEPs”) and tracking of related services provided to students during the course of their education.

As part of fulfilling the District’s obligations under the MCD, student level data requests from District-operated and Charter-operated charter schools are made on a regular basis. The requested data must be submitted in the Office of the Independent Monitor’s (“OIM”) required format in accordance with the OIM’s required timelines and as follows:

- **End of Year Suspension**

  District ID, CSIS ID, last name, first name, date of birth, gender, grade, date of suspension, number of days suspended, and reason for suspension.

- **Statewide Assessment Data**

  The standard file including District ID.

- **Norm day**

  District ID, CSIS ID, last name, first name, date of birth, gender, grade, location code, school name and local district for all students enrolled on norm day.

- **CBEDS**

- **All Students enrolled as of December 1 of each school year**

  District ID, CSIS ID, last name, first name, date of birth, gender, grade, location code, school name and local district for all students enrolled on norm day.

- **Dropout**

  District ID, CSIS ID, last name, first name, middle name, date of birth, grade, last location, school name and local district.

- **Monthly SESAC and Suspension data**

- **Graduation roster from all charter schools with 12th grade students with disabilities**

The MCD requires charter schools to implement the District’s integrated student information system, which is currently referred to as My Integrated Student Information System (MiSiS). MiSiS is a suite of applications which is designed to capture all District student data. All charter schools are required to utilize MiSiS directly or interface with MiSiS via a web based Application Programming Interface (API) in compliance with the requirements of the MCD and applicable timelines. Upon charter school full utilization of MiSiS either directly or via a web based API, the list of required data above will automatically be captured within MiSiS.
General Information

- The contact person for Charter School is: Rachelle Minix.

- The contact address for Charter School is:
  4800 E. Cesar E. Chavez Avenue
  Los Angeles, CA 90022

- The contact phone number for Charter School is: 323-800-5220

- The proposed address or ZIP Code of the target community to be served by the Charter School is:
  4800 East Cesar E Chavez Ave Los Angeles, CA 90022

- This location is in LAUSD Board District: 2

- This location is in LAUSD Local District: East

- The grade configuration of Charter School is: 5-8th

- The number of students in the first year will be: 485

- The grade level(s) of the students in the first year will be: 5th-8th

- Charter School’s scheduled first day of instruction in 2017-2018 is: 8/15/2017

- The enrollment capacity is: 485
  (Enrollment capacity is defined as the total number of students who may be enrolled in Charter School regardless of student residency.)

- The type of instructional calendar (e.g. traditional/year-round, single track/multi-track, extended day/year) will be: Traditional, single track

- The bell schedule for Charter School will be:
  7:30 AM - 3:00 PM Regular Instruction;
  3:00-4:00 PM Supplemental Instruction.
KIPP Sol Academy is a part of KIPP LA Schools (KIPP LA). KIPP LA operates 13 public charter schools within the Los Angeles Unified School District (LAUSD). KIPP LA currently serves nearly 6,000 students in transitional kindergarten through eighth grade. Additionally, KIPP LA supports nearly 1,300 alumni starting in ninth grade through senior year of college. Ninety percent of KIPP LA students are from low-income families, 98% are African-American or Latino, and in 2015-16, 10% qualified for special education services. Presently, 92% of KIPP LA alumni (exiting eighth graders) have graduated high school, 82.9% have matriculated into a college or university, and 72% continue to persist in college or have already graduated. KIPP LA has also obtained 501(c)(3) tax-exempt status. KIPP LA Schools has a local governing board that oversees and governs all aspects of KIPP LA’s operations.

**Community Need for a Charter School**

KIPP Sol Academy is a tuition-free, public charter school located in East Los Angeles. KIPP Sol Academy has made a positive impact in its community and since it' founding year has consistently outperformed the local district schools and maintained or exceeded the performance of other local charter schools. KIPP Sol Academy will continue to meet the needs of the community by providing high academic achievement, an advocacy-driven curriculum, integration of technology, and comprehensive educational and enrichment programs geared to invest the whole-child. These three crucial aspects of KIPP Sol Academy have allowed the Charter School to achieve high levels of student performance and a safe, positive student climate. Now that KIPP Sol is fully grown, we look to sustain the success we have achieved in the past and improve as we move forward.

According to the 2010 U.S. Census, the zip codes surrounding KIPP Sol Academy have an average of 58,959 residents per square mile. The surrounding area also shows an average of 35% of children live in poverty, while an average of 22% of adults do. Further, an average of 48% of adults have not earned a high school degree and on average, less than 10% have earned a bachelor’s degree or higher. The unemployment rate is about 11%, which is higher than Los Angeles County’s unemployment rate, which was 7% in 2012, or the state as a whole where unemployment was 7.1% in 2012.

**Academic Achievement Results and Other Outcomes**

KIPP Sol Academy was founded during a transitional time in California testing. In 2013-14, the state of California did not require nor officially report California Standards Test (“CST”) scores for English Language Arts (“ELA”) and Math - opting to report only 5th grade science. At KIPP Sol, like all KIPP LA schools, we opted to do a pilot of the new Smarter Balanced assessment, the nationally normed referenced Measures of Annual Progress (“MAP”) test, and the California Standards Test to gauge how our students were performing against standardized norms in order to make better decisions about how to continue in the founding of our charter school in order to meet the needs of our students and the promises we make to families.

**CST Data Summary**

In 2013-14, our performance data as calculated using the released CST tests and 2013 API calculator was as follows:

**Figure 2: CST Results**

In English KIPP Sol earned an API score of 942 out of 1000 for English, 900/1000 in Science and 826 out of 1000 in math. These scores showed that the majority of students are proficient or advanced in all three subjects.

**MAP Data Summary - Indicators of Progress**
While the State of California did not administer a statewide test in 2014, we continued to assess our students’ learning through interim assessments, pilot assessments, and the use of MAP.

In our founding year (2013-14), 80% of our students met their growth goals in reading and nearly 70% did so in math. This was significant as many of our incoming 5th graders enter performing well below grade level in reading, writing and math. We established a strong culture of literacy in our first year. By our 2nd year, 79% students were meeting their goals in math and we were very near achieving an 80% internal bar for growth goal achievement. Progress and growth over time is essential and it is important that our students meet their individual growth goals; it is also critical that students achieve objective mastery of grade level expectations and that students are achieving at or above grade level by the time they leave KIPP Sol Academy.

California Assessment of Student Performance and Progress Performance

The 2015 California’s Assessment of Student Performance and Progress (“CAASPP”) exam highlights KIPP Sol’s academic achievement. When comparing 5th and 6th graders, KIPP Sol students demonstrated higher proficiency rates than LAUSD and LAUSD neighborhood schools in 2015. At LAUSD neighbor schools, 33% of students met standards in English language arts and 25% in mathematics. In the State of California, 44% of students met
standards in ELA and 33% in mathematics. At KIPP Sol, 64% graders met standards in ELA and 40% in math on the 2015 CAASPP.

When looking at individual neighborhood schools, see chart below, we see an even bigger disparity among achievement in ELA and math. The neighborhood schools are performing at a similar level in ELA with a range of 19 - 21%. In math, the difference is greater with the lowest level of proficiency at 12% and highest neighborhood school proficiency at 14%.

Figure 4: Neighborhood School Comparison

KIPP Sol is pleased to report that our progress far outpaces District and state norms for all student populations, and it is an even more significantly positive differential between our students’ performance and the performance of demographically similar students statewide. Through the findings from the pilot and our knowledge of the Common Core State Standards, we have redesigned our assessment program to better match the item types and format found in the CAASPP. Additionally, all teachers receive intensive professional development on the Common Core State Standards (“CCSS”). In refining our practices, we also take strive to have even larger growths in KIPP Sol’s subgroups. Below are 2015 and 2016 CAASPP scores for our two main subgroups.

Figure 5: 2015/2016 CAASSP Scores
## Comparative Results

For the 2016 CAASPP, in comparison to the District and the state, KIPP Sol outperformed both in both subject areas. 74% of KIPP Sol students met or exceeded standards in English language arts, outscoring the state by nearly 30%. Similar success was seen in math, where KIPP Sol outscored the state by nearly 20%.

**Figure 6: KIPP Sol vs. State vs. District CAASPP**

</table>
As seen in the below figure, KIPP Sol Academy outperformed neighborhood schools in both English language arts and math. KIPP Sol Academy earned a ten-point increase in ELA and a sixteen-point increase in math between the 2015 CAASPP and 2016 CAASPP. In 2016, KIPP Sol Academy students outperformed neighborhood schools in English language arts by a 34% margin, and in Math by a 26% margin.

Figure 7: KIPP Sol 2016 CAASPP Neighborhood School Comparison

As seen in the table on the following page, KIPP Sol’s results exceed those of the surrounding schools. Most of the schools in the surrounding area, as well as KIPP Sol, do not have a percentage high enough for a second major ethnicity. The percentage of Special Education students for the surrounding schools is not included, as DataQuest does not provide that information by school. KIPP Sol has a similar percentage of students in each subgroup provided.

KIPP Sol Comparison Schools w/Subgroups

In the charts provided below, KIPP Sol’s 2016 CAASPP scores were broken into the major subgroups in comparison to the neighborhood school subgroup score results. In all three subgroup areas (English Learner, Special Education and Economically Disadvantaged), KIPP Sol outperformed the neighborhood schools in both English and math. The largest discrepancies were seen in the English Learner scores and the Economically Disadvantaged subgroups. For Economically Disadvantaged students, KIPP Sol students outscores the neighborhood schools in English by nearly 40%.

Figure 9a: KIPP Sol CAASPP Comparison by Subgroups
Figure 9b: KIPP Sol CAASPP Comparison by Subgroups

Figure 9c: KIPP Sol CAASPP Comparison by Subgroups
Attendance Goals and Rates

Chronic Absenteeism

Over the course of each academic year, KIPP Sol Academy will engage in efforts to reduce chronic absenteeism in our school, with the goal of fewer than 10% of students being chronically absent. By closely monitoring student attendance records, school staff will identify students who need intervention and will provide targeted intervention based on individual student needs. Intervention efforts will include phone calls, written correspondence, individual and small group meetings addressing barriers to good attendance, and connecting families with resources to address their specific barriers to good attendance. The Charter school will also monitor student attendance on a daily, weekly, and monthly basis and meet with parents if attendance issues arise to determine the cause and find a solution through the School Support Team Meetings (SST), School Attendance Review Board (“SARB”) or School Attendance Review Team (“SART”) process. In the 2015-16 school year, KIPP Sol had 0% chronic absenteeism.

Suspension Goals & Rates

KIPP Sol seeks to have a less than 5% suspension rate in a given year to ensure that every student has ample classroom time to learn and to enable our teachers to build positive relationships with our students and families. In 2015-16 KIPP Sol’s suspension rate was 1.5%. KIPP Sol will seek to reduce its suspension rate in the coming year by focusing on, restorative justice practices aimed at scholars to learning from their mistakes and building
character, meaningful in-school discipline structures like community circles and detention targeted at providing reflection time for scholars, and involving parents in an authentic way to assist in supporting their child behaviorally. Further, all teachers and team members are trained in Strategic Alternatives to Suspension and Progress Monitoring Action Plans and a tiered behavior system to ensure school safety.

**Innovative Features of the Educational Program**

**Advocacy**

At KIPP Sol, we refer to all of our students as “advocates.” We define advocacy as: “The ability to define ourselves, name ourselves, create think and speak for ourselves so we never risk being defined, named, created, or spoken for by others.” Our students will transform their lives and the lives of many others as advocates who confidently think, speak and act for themselves, their communities and for positive change throughout the world. In line with this character objective, we have implemented many features into our curriculum and school experience. Here are a few:

- Ambassadors who lead tours of our schools and classrooms for visitors
- Advocate of the Week awards ceremonies where we recognize students who exemplify our values through action
- Theater program to practice strong voice and confidence speaking in front of others
- Field trips and field lessons

**Serving our Community**

KIPP Sol is a non-selective, open-enrollment charter and therefore “recruitment” of students is really about spreading awareness in the community that our school is an option. We want to make sure that students and families who may not be inclined to seek out school options, are informed of what is available in their own neighborhood. Beginning the summer before our founding year, KIPP Sol engaged with the UCLA Applied Management program and teamed up with a group of MBA students to help research the community surrounding KIPP Sol’s former and current site, as well as strategies for community outreach. With this and other concerted efforts to serve our community of East Los Angeles, KIPP Sol is proud to report that we have exceeded our enrollment targets for students each year. For the 2016-17 school year, we had the largest waiting lists to date following our lottery. We look forward to continuing to engage family and community members and to run a high-quality school that adequately prepares our students and elevates the graduation and college completion rates for the community.

In addition to solid enrollment, we have exceeded our Average Daily Attendance (“ADA”) goals and have maintained a yearlong attendance rate of 97.2%, 97.3% and 97.5% from 2013-2016 consecutively. Finally, the percentage of students who qualify for free or reduced price meals has exceeded 90% for all years of KIPP Sol’s existence.

KIPP Sol Academy uses many measures to monitor our progress and the ‘health’ of our school. Each year, the KIPP Foundation administers a comprehensive survey to assess school health by asking students, parents, staff and teachers to answer many, specific questions about their experience.
To date, our parents have exceeded the KIPP national averages on their scores for all metrics, and our data has gotten stronger over time which speaks to our drive to get stronger in all that we do year over year to serve our students and their families.

Challenges

Advocacy 2.0
A challenging area for KIPP Sol has been creating meaningful engagement and advocacy opportunities for families and the community in a way that fosters parent engagement, involvement and activism beyond the typical participation and volunteer strategies usually seen in schools. While we do have an active parent base and excellent participation at school events, we endeavor to better support our families’ civic and school engagement to better support their children’s academic attainment and general strengthening of the community. KIPP Sol is also trying to define what “excellent parent engagement and advocacy” looks, sounds and feels like particularly at the middle school level which is a critical transitional time for children developmentally as well as academically - we want to become a model for middle school parent engagement as the needs are very different than elementary and high school. To address this challenge KIPP Sol has contracted with a third party company and hired a full-time staff position to engage the parents and community in both school and civic matters.

Reclassification
The final challenge KIPP Sol has faced is reclassifying Advocates at the rate we desire. KIPP LA changed their Reclassification policy to be aligned with state testing. To remain in alignment with the state the KIPP LA Reclassification policy was updated numerous times within KIPP Sol’s charter. With these changes, the timing for reclassification proves to be difficult to show the true numbers of reclassification. Reclassification rates do not reflect the most current testing due to when the results of the tests that determine reclassification are released. To address these issues KIPP Sol has hired an Intervention teacher to focus on all EL students and ensure the proper progress for these students. As well, a key priority for our staff development is differentiation, which will include Specially Designed Academic Instruction in English (“SDAIE”) strategies and academic discourse. Additionally, we will do staff development workshops on reading conferencing, guided reading, and writer’s workshops so that our students who are still working to master English are supported in small group instruction throughout various points of the day with reading, writing, speaking and listening in English.

</table>

In the chart above, 2013-14 shows a N/A reclassification rate for KIPP Sol Academy as the California Department of Education calculates the rate for brand new schools by using census day data that is not available for new schools. The calculation for 2013-14 would include the percent of students reclassified by 2014 census day out of the number of EL students reported on 2013 census day. Since KIPP Sol was not in operation in 2013-14, it did not report any students on 2013 census day.

**Student Population to be Served**

KIPP believes that the middle school years are crucial years and that the choices students make during these years will help set them on a path for success. KIPP Sol Academy will create a supportive, rigorous and personalized learning environment with a focus on college-readiness for fifth through eighth grade students.

Our enrollment targets in the charter petition account for potential student attrition. Per the Administrative Procedures for Charter School Authorizing document provided by the Los Angeles Unified School District, an increase in enrollment over 20% or 100 students, whichever is less, is a material change to the petition and we have no intention of increasing our enrollment to those levels.
As a public school, KIPP Sol Academy is a tuition-free and will admit any middle school-age student regardless of ethnic, socioeconomic, or religious background. KIPP Sol Academy will work in tandem with parents, community members, and the Los Angeles Unified School District to realize the mission of the Charter School. Although the middle school will be open to any student, KIPP Sol Academy will target academically underserved students in Los Angeles.

KIPP Sol Academy will not wait for motivated middle school-age students and families to come to the Charter School; rather, the staff participate in active outreach and recruitment efforts, going door-to-door to homes, community centers, salons and grocery stores, in order to seek out parents and families who might not otherwise become aware of this opportunity for their children.

**Goals and Philosophy**

**Charter School Mission and Vision**

The mission of KIPP Sol Academy is to provide an excellent education that ignites hearts as much as minds. By teaching academic skills, fostering intellectual habits and cultivating character strengths, we light the spark within each child necessary to explore, advance and succeed on the path to and through college. Our students will transform their lives and the lives of many others as advocates who confidently think, speak and act for themselves, their communities and for positive change throughout the world.

Central to the Charter School’s vision is the belief that every child is unique and deserves a school that recognizes, celebrates and fosters individuality within the strength and support of a strong team. While our team is focused on the collective goal of getting each child to and through college, we commit to maximizing their strengths and talents and helping each child to realize their full potential as Advocates and world citizens. Supported by a team atmosphere, students will strengthen their academic skills, intellectual habits and personal character in order to successfully compete in high school, college, and in life. KIPP Sol Academy’s team will be relentless in doing whatever it takes – making no excuses and taking no shortcuts—to ensure a high-quality education for every single child.

**Charter School Character Traits and Values**

Students will embody the resilience that will allow them to fearlessly face and overcome inevitable challenges in school and in life. They will have an understanding of self, knowing how to leverage their strengths and having the confidence to advocate for their needs and wants. They will be good teammates, understanding that their unique skills, thoughts and talents can and should make a hugely positive impact in their schools, families, communities and the globalized world. While shaping their own opinions and character and expanding their understanding of their role in a broader world, students will demonstrate compassion and respect for various beliefs and people. Students will embody the belief that integrity is truly demonstrated when the appropriate, just and moral decision is made even when no one is looking. Students will have the tenacity and honor to make the right decisions in the face of opposition or pressure.

KIPP Sol Advocates will embody the ganas (see graphic below) that will allow us to fearlessly face and overcome inevitable challenges in school and life. Through reflection, we will have an understanding of self, knowing how to leverage our strengths with the confidence to respectfully advocate for our needs and wants. We will be good teammates who understand that our unique skills, thoughts and talents can and should make a hugely positive
impact in our schools, families, communities and the world. While expanding our understanding of our role in a broader world, Advocates will demonstrate love and respect for various beliefs and people. Excellence will be our mindset and our habit.

**KIPP LA’s Five Pillars**

KIPP Sol Academy will achieve its mission and vision through its implementation of KIPP LA’s Five Pillars, its partnership with the KIPP Foundation and KIPP LA, and through KIPP LA’s educational philosophy. KIPP LA’s Five Pillars, the core operating principles that all KIPP schools share, will drive KIPP Sol Academy and are as follows:

**HIGH EXPECTATIONS:** Clearly defined and measurable high expectations for academic achievement and conduct that creates and reinforces a culture of achievement and support. We know that every student is different and we personalize learning based on a student’s needs, skills, and interests.

**STRENGTH OF CHARACTER:** Success in life depends on more than academic learning. We help students foster character strengths that are essential for their own success. And we empower them to express their voice with power and to improve the world around them.

**HIGHLY SKILLED TEACHERS & LEADERS:** Great schools require great teachers and school leaders. We empower our school teams and invest in leadership and training rather than in bureaucracy.

**SAFE & STRUCTURED ENVIRONMENTS:** Physical and emotional safety is needed for students to take risks and learn from their successes and their mistakes. Our charter schools provide a safe, structured, and nurturing environment with minimal distractions so our students love school and maximize their learning.
**KIPP THROUGH COLLEGE:** Our counselors and advisors support students as they prepare for and select the right college for their needs and interests. After high school, we help KIPP LA alumni navigate the social, academic, and financial challenges they might encounter while in college.

*College and Career Readiness Becoming An Educated Person in the 21st Century*

Implementing the highest-quality instructional program is paramount to KIPP LA’s track record of success. At KIPP Sol Academy, high-quality instruction is standards-based, with an emphasis on character and academic skills, and is explicitly tied to the Charter School’s mission of preparing students in Los Angeles for success in college and in life.

Although there are several important factors that contribute to student achievement, research has demonstrated that the quality of instruction in the classroom has twice the impact on student achievement as school-wide policies regarding curriculum, assessment, staff collegiality, and community involvement.\(^1\) While the quality of instruction cannot be emphasized enough, it is also important that schools focus on teaching the appropriate types of skills that will adequately prepare students for the challenges that await them. Tony Wagner, a researcher from Harvard University has done just that. Through interviews with senior executives and college admissions counselors, he determined what the seven survival skills are for workforce readiness. Therefore, to truly prepare our students to become 21st century educated persons, we must focus on these seven skills. They are:

1. Critical Thinking and Problem Solving
2. Collaboration Across Networks and Leading by Influence
3. Agility and Adaptability
4. Initiative and Entrepreneurialism
5. Effective Oral and Written Communication
6. Accessing and Analyzing Information
7. Curiosity and Imagination\(^2\)

These seven survival skills for becoming 21st century educated persons are composed of both academic skills and character skills, which is why KIPP schools have always been founded with a dual purpose of cultivating both sets of skills. In the words of David Levin, founder of KIPP Academy New York, “the experiences of KIPP Academy New York and KIPP Academy Houston have taught us that academics without character are useless; students will have the skills but lack the motivation to use them. Character without academics is hollow; students will have the motivation but not the ability to use it. Together, they have the power to transform lives.” By teaching academic and character skills in tandem, KIPP Sol Academy will develop self-motivated, competent, lifelong 21st century educated persons.

*KIPP Through College*

At KIPP LA, our mission is to ensure student success through college graduation. While our current schools serve only the elementary and middle school grades, KIPP Through College ("KTC") will continue to support students who complete the eighth grade at KIPP Sol Academy on their journey to remain on the path to college.

The mission of KIPP Through College is to empower KIPP LA alumni to continue to use their KIPP-learned intellectual habits, knowledge, and character traits in their current school and in life to attend and complete college as well as

---

improve their communities. The fundamental goal of the KIPP Through College program is to ensure that more than 80 percent of KIPP LA alumni go on to college and become successful in life.

Our KIPP Through College program offers a range of services to KIPP LA’s alumni. Our services are provided in three major areas:

In middle school:
The KIPP Through College program begins by assisting KIPP LA students and their families with the high school placement process. Beginning in fifth grade, KIPP LA families know the crucial role middle school plays in their child’s trajectory to and through college. For families who did not attend a KIPP elementary school, they are introduced to KTC during the Parent Academy in the summer before 5th grade. High School Placement advisors work closely with students and families to assist them during the high school application and admission process, with the aim of identifying the college preparatory high school that best fits each student’s individual strengths and interests.

In high school:
The focus on college is even more intentional when KIPP LA alumni begin high school. While in high school, KIPP Through College provides support to alumni in the following areas: academic advising, standardized testing preparation, college tours, college admissions and application assistance, scholarship support, and financial literacy.

In college:
KTC not only supports students on their journey to college, but also supports them while they work towards college graduation. KTC advisors visit students on their college campuses, as well as keep in touch via email and phone. Counselors discuss academic progress, financial aid, social pressures, and internship and career options. During holidays and breaks, KIPP LA hosts events for students while they are back in their hometowns.

How Learning Best Occurs

Implementing a high-quality instructional program is paramount to KIPP LA’s track record of success. High quality instruction is a result of proper planning and varied instructional techniques and methods that are relevant to students. There are four components to KIPP Sol Academy’s approach to high quality instruction:

1. Quality Instruction is Standards-Based. KIPP Sol Academy has correlated its curriculum objectives to the Common Core State Standards (“CCSS”), Next Generation Science Standards (“NGSS”), and other applicable state content standards adopted by the California State Board of Education. Incoming student needs and performance levels will determine the weight that teachers place on different elements of the curriculum. The Charter School’s expectation is to accelerate student learning to ensure that mastery of the state standards is achieved at a faster pace necessary to prepare students for the rigorous and challenging curriculum they will encounter in middle school and high school honors and advanced placement programs.

2. Quality Instruction is Data-Driven. All instructional decisions at KIPP Sol Academy are anchored in student data. Teachers begin by using diagnostic and beginning-of-year assessment data to adjust pacing guides and differentiate instruction. During lesson planning, teachers identify formal and informal ways to collect data about student understanding; teachers use this data to adjust scaffolds, pacing and student grouping.
Teachers analyze student data during grade-level meetings and professional development to inform practice. The School Leader uses student data to drive observations, feedback and teacher development.

3. Quality Instruction is Differentiated. Students process material in a variety of ways. Thus, teachers at KIPP Sol Academy continuously work together to enhance student learning by sharing, developing, and refining effective teaching strategies. The advantage of having more time for learning means that multiple instructional techniques can be combined and integrated throughout the day. Students whose needs have not been met through traditional teaching methods benefit from supplemental, direct instruction, small group work, workshop, call and response, hands-on learning, chanting, role-playing, team-teaching, individualized instruction, cooperative learning, peer tutoring, computer activities, and other innovative techniques.

4. Quality Instruction is Culturally Relevant and Responsive to Students. KIPP Sol Academy combines California’s rigorous standards with the pedagogies that have proven successful in established KIPP schools. While it is important that teachers ensure students are mastering standards, it is vital for teachers to create a learning environment as well as provide students with opportunities to learn skills and content in meaningful ways, KIPP Sol Academy defines culture as a necessary dimension towards academic achievement. Therefore, it is incumbent upon the KIPP Sol Academy staff to truly understand the cultural values, beliefs, customs, and ideas of the students that attend their school. By doing so, teachers can make informed decisions about how to help students connect what they are learning to what they already know. Culturally relevant pedagogy also seeks to build a positive self-concept within students by valuing a student’s background. At KIPP Sol Academy, a culturally responsive curriculum will also allow students to better understand their place within their community and how realizing their goals and dreams will impact and support the community they live in.

**Outcomes and Assessments Aligned with the State Priorities**

Figure 13: KIPP Sol Academy LCAP

</tr>
<tr>
<td>All students, including subgroups, unduplicated students, and students with exceptional needs will achieve academically.</td>
</tr>
</tbody>
</table>

**Specific Annual Actions to Achieve Goals**

- Teachers will use data such as interim assessments to tailor and guide instruction
- Blended learning model ensures daily intervention and acceleration is available
- Professional development (“PD”) and on-going coaching for teachers using KIPP Framework for Excellent Teaching and CCSS training
- Tutoring after school during study hall
- California English Language Development Test (“CELDT/ELPAC”) data will be accurate and shared with teachers.
- EL students will receive small group instructional support to support their language development
- Teachers will use previous MAP scores to create targeted instruction for each student
- Ensuring high-quality instruction and targeted support.
- Students will know their own MAP growth targets and teachers will track growth from fall to winter to spring

### Expected Annual Measurable Outcomes

#### Outcome #1: Meet or exceed the growth target as defined by the state.

Metric/Method for measuring: CAASPP score reports and/or additional reports produced by the California Department of Education.

<table>

Goal #2

Support parent involvement by providing opportunities to provide input and participate in programs, pupil engagement by maintaining high school attendance rates and low dropout rates, and school climate by maintaining low pupil suspension rates.

Related State Priorities:
1 2 3 4 5 6 7 8

Specific Annual Actions to Achieve Goals

- Families will be given our calendar of events at the beginning of the school year.
- Parents will be notified of parent meetings meeting date and time at least one month in advance at a time convenient for parents, and child care will be provided to minimize barriers for attendance
- Use a tiered behavior system to ensure school safety and promote a positive school climate
- Add personnel to support the increase of students such as general education counselors, afterschool staff, and academic support staff.
- Intervention efforts for chronic absenteeism will include phone calls, written correspondence, individual and small group meetings addressing barriers to good attendance, and connecting families with resources to address their specific barriers to good attendance.

Expected Annual Measureable Outcomes

Outcome #5: KIPP Sol will provide 1 back to school night, 2 week long parent-teacher conference opportunities,
at least 3 family engagement meetings, and parent leadership opportunities, like monthly parent action committee meetings

Metric/Method for measuring: Parent attendance at parent meetings, Sign-in sheets, other engagement indicators

**KIPP LA’s Six Essential Questions**

Beyond the state priorities, the KIPP national network has developed Six Essential Questions to provide a yardstick by which to measure our progress, keep us focused as we grow, and most important, help us keep the promises we make to our students and their families.

The six essential questions that we use to help us set goals are as follows:

1. Are we serving the children who need us?
2. Are our students staying with us?
3. Are our students progressing and achieving academically?
4. Are our alumni climbing the mountain to and through college?
5. Are we building a sustainable people model?
6. Are we building a sustainable financial model?
KIPP Sol Academy, like all KIPP LA schools, sets specific and measurable goals aligned to each of our six essential questions. These goals are in alignment with our goals in the state priorities described above.

**Instructional Design**

KIPP Sol Academy offers a rigorous standards-based instructional program that will build the foundation to ensure students’ success in the future, by enabling and empowering them to become self-motivated, competent, lifelong learners and advocates for themselves, their community and for positive change in the world. The Charter School’s program nurtures well-rounded critical thinkers who love learning, while preparing them to master the Content Standards through engaging in authentic work in and out of the classroom. Beyond the focus of students performing at or above grade-level in English Language Arts and mathematics, KIPP Sol Academy students will be artists, scientists, authors, athletes, and agents of change who develop projects to impact the local and global community.

The true curriculum of KIPP Sol Academy is the CCSS and mastery of these standards will be the primary focus of the Charter School’s instructional program. All teachers will be expected to use the selected curriculum as a base and lift the material off of the page into standards-based lesson plans, adapted from the Madeline Hunter Method, to include the following components:

- Target Students
- Hook/Motivation
- Learning Objective
- Language Objective
- Vocabulary
- Instruction
- Guided Practice
- Check(s) for Understanding
- Independent Practice
- Evaluation/Closure

When planning, KIPP Sol Academy teachers will think of how their instruction aligns to the target learning and how the experiences they plan will meet the individual needs of students to achieve the targets. In data analysis step backs as a school, in content and grade level teams, and individually with their manager, teachers use data to identify students and create action plans accordingly. The resources and strategies that teachers select and utilize to meet needs cannot be prescribed from the onset, but they are based on sound research and training on progress monitoring and data-based decision making. Further, the teachers will use a mixture of groupings during their instruction that range between whole group, small group, individual, and student-lead collaboratives.

Teachers will further differentiate instruction through modifications to the content, process, or product while ensuring they are providing the needed scaffolding to set their students up for success. The work of Carol Ann Tomlinson, author of The Differentiated Classroom: Responding to the Needs of All Learners, will be used to inform their differentiated instruction.

By utilizing the above teaching methodologies and building a professional library and resource base, which will be incorporated into professional development, the teachers will address the varied needs of students and targeted student population in order for all students to meet and exceed the goals of the Every Student Succeeds Act (“ESSA”).
**Curriculum and Instruction**

The selected instructional programs may include:

KIPP LA school leaders are allowed to independently make curriculum decisions in the best interest of their students. Therefore, KIPP Sol Academy retains the right to select appropriate research-based curricula that may include, but are not limited to, the instructional programs listed in the Figure below. KIPP Sol Academy will adjust its curriculum based on research and student achievement data. For example, if it is deemed that a particular curriculum is not delivering the desired results, after careful reflection, research, and analysis, KIPP Sol Academy may choose to replace that curriculum with one that it believes will better enhance student learning and achievement.

</tr>
</tbody>
</table>

Each program includes teaching approaches to differentiate instruction, to meet the needs of English Learners, and to push identified gifted and talented students. Each program has been created by reputable publishers with a record of successful implementation with the student population KIPP Sol Academy will serve.

Curriculum, materials, and instructional activities will be selected through the input of the teachers on each grade level during grade level meetings. Grade level chairs will then bring the team’s information to the Leadership Team comprised of representatives from each grade level who will finalize the decision with the administration. Novels will be selected based on common criteria. Examples of these criteria could include books with enriching vocabulary,
cultural relevance and grade level appropriate texts. Selecting novels is a collaborative effort made on the part of the School Leader and teachers, and grade-level leaders.

KIPP Sol Academy teachers will follow the basic guidelines of the instructional programs’ scope and sequencing, but will supplement and reorganize the curriculum as needed to meet the needs of their students based upon assessment information. While the units of study provide a structure, the standards will guide the decision-making and instruction. For example, the teachers may elect to introduce a standard earlier in the year than it is introduced in a particular textbook or curriculum, in order to ensure the students have more time to master the standard. KIPP Sol Academy will further enhance the programs by aligning and supplementing the curriculum based on assessment data and innovative strategies, such as an accelerated curriculum in the kindergarten level.

**Supplemental Materials**

In addition to the selected instructional programs, teachers will use a variety of supplemental materials and frameworks to reinforce and enhance mastery of the standards as designed in the core subject scope and sequences provided in figure 19. Teachers will utilize supplemental resources that may include:

**Figure 15: Supplemental Resources**

Furthermore, teachers will use a variety of supplemental materials and frameworks to reinforce and enhance mastery of standards. These supplemental materials may include:

- **Drop Everything and Read ("DEAR") Time:** The morning block each day is reserved for DEAR and book conferencing with students.
- **Lucy Calkins, Jane Schaffer and other Writing Programs:** Teachers utilize resources collected from a collaborative university-school program that improves student writing and the teaching of writing in the classroom.
- **High-Interest Reading:** Narratives and expository texts that attract students through engaging information.

**Advocacy-based Curriculum**

We call our students Advocates and we are intentional to create opportunities for students to learn about themselves, their communities and the world and how their activism, agency and participation can create the change we hope to see in the world. Some examples of how we explore and exercise advocacy are:

- Training student ambassadors to lead professional, informed and authentic tours of classrooms and schools (even LAUSD oversight visits!)
- Having students participate in the interview process for teaching candidates (sample lessons, feedback, etc.)
- Soliciting and responding to student feedback about the Charter School
- Encouraging students, not just their parents, to speak up when there is a concern or they need help so that they develop the habits necessary to independently thrive in college, work and life
- Thematic units that allow standards-aligned content to facilitate our Advocates; exploration of self-identity and their connection to and role in their school, community and world through advocacy-based enduring understandings and essential questions
- Providing our students choices and opportunities to select classes and clubs of their interests
- Advocacy projects are culminating student lead projects that are designed each year in accordance to the cross-curricular learning targets established by the grade level team. Advocacy projects identify a school, community, state, country or world need and propose a solution with a full design thinking process. Projects are voted on by peers and the top performers present their projects to a panel of professional and community members.

**Technology Integration**

Every student at KIPP Sol Academy has his or her own Chromebook. Content classes are all driven through Google Classroom and students are easily able to access past, current and future assignments on their portals. This helps with organization and progress monitoring for students as well as parents and teachers. The ready use of technology also allows teachers to easily access student performance data on entrance and exit tickets so that timely instructional decisions can be made. The timeliness of student performance information also allows students to self-monitor their mastery and to advocate for their learning needs. Technology is never a replacement for an excellent teacher, but it certainly enhances a teacher’s ability to differentiate by broadening the available choices for student learning experiences within a single classroom. At KIPP Sol, we use a “chili pepper menu” that allows
students to choose different learning paths and opportunities based on their mastery of the standards and the day’s objective -- the options range from further, individualized follow-up instruction with the teacher, to collaborative group projects, to deliberate independent practice to extension performance tasks.

**Comprehensive-Whole Child**

In order to thrive in school and in life, our students need to be exposed to and participate in learning outside of the classroom walls. In order to live our school’s values, they need authentic opportunities to practice them. Being on teams, learning to read and play music, expressing oneself through art, theater and dance are all experiences that we integrate into our core instructional day. During the instructional day, Physical Education, Art, Theater and Music are offered to all students. During our supplementary block, we run electives that offer wide array of enriching experiences from athletics to coding and robotics to gardening to dance to language and more. Engaging our students as learners and people in across myriad enriching subjects is a critical component of our school.

**Intervention Programs**

When students need support outside of small group instruction and blended learning, KIPP Sol will provide an extensive intervention program based on the Response to Intervention system. Teachers will tier students in reading, writing, and math to help identify which students need additional support.

We have hired intervention teachers to support our lower school (5th and 6th grade) in conjunction with our RSP and general education teachers with the hope that targeted remediation can help to close gaps in literacy and foundational mathematics before students reach 7th and 8th grades. Our intervention teachers use a variety of assessments, including: NWEA MAP, Internal Assessments, STAR Reading, and Fountas & Pinnell to identify students, to identify students who are 3 or more grade levels behind. The intervention time is in addition to the support that students receive during regular class instruction in flexible small groups and in their RSP minutes. Intervention is provided throughout the course of the day/week both inside the general education classroom and in the learning lab, and is also done during the 3-4 p.m. electives block. Additionally, we found some success last year by having administration push in the classroom to work with small groups of students in math; we will continue to do this and ramp it up in the spring semester to build capacity for all staff to support the needs of all learners.

If, after implementing the aforementioned instructional support strategies, significant progress has not been made as measured by assessments, students achieving below grade level may be referred by the teacher or by the parent for a Student Success Team (“SST”) meeting. In these meetings, the classroom teacher, the parent, the School Leader and Dean, and any other relevant party will convene to discuss the child’s strengths and areas of concern. KIPP Sol staff, typically the student’s teacher or a member of the leadership team will be responsible for documenting the action steps and ensuring that they are implemented will lead the meetings. The SST will use multiple sources of information and data to create a plan that addresses the individual needs of each student. Teachers, parents, and other relevant parties will bring student work samples, tests and quizzes, portfolio work (if applicable), notes from observations of performance or behavior, discipline logs and any other pertinent source of information concerning the child’s demonstrated abilities. Based on the evidence and the discussion of its meaning, action steps will be generated for follow-up interventions to further assist the child in academic or behavioral growth. Additionally, tools are either gathered or generated to track the progress of the student given the new interventions. Specific strategies, interventions and accommodations will be implemented and
documented based on the individualized needs and areas of concern. In addition to detailing the steps, the expected outcomes and the responsible personnel, the SST will also schedule timely follow-up meetings to review and discuss the student’s response to the interventions. Based on the progress a student makes, the level of intervention will be adjusted to meet each student’s needs.

After three SST meetings, if significant progress has not been made as measured by assessments, the student may be referred for assessment to determine if the child is eligible for special education services under the Individuals with Disabilities Education Act (“IDEA”), if appropriate. The Charter School will make efforts to ensure an exhaustive list of interventions is utilized to avoid over-identification of students in special education.

Core Areas of Instruction

English Language Arts
The English-Language Arts program provides a challenging and rewarding curriculum that is literature-based, culturally diverse, and intellectually stimulating. A significant emphasis is placed on developing reading and writing skills. Students work collaboratively to guide each other’s understanding of texts, novels, media and other sources. Students leave KIPP Sol Academy with a mastery of the language arts skills that will be required of them in the highly selective high schools and colleges they later attend.

Although individual teachers define and hone each specific curriculum, the fundamental elements of reading comprehension, writing, listening, and speaking are all covered in each English-Language Arts classroom. Students learn the fundamentals of grammar, the writing process, public speaking, note taking, and learn to identify social and cultural influences and differences in writing. Students work together to revise, edit, and present papers and other presentations.

In order to address the individual needs of students, KIPP Sol Academy uses the following approaches to its ELA instruction. The components of the reading program are:

- **Read Aloud:** The teacher reads a text aloud and involves the students in what is read through comprehension activities. Students acquire and sharpen their listening and comprehension skills through this exercise. The teacher uses this time to model the application of reading skills.
- **Shared Reading:** The teachers and students work from a common text to study particular reading skills and strategies. Literature choices take into consideration themes across content areas, literature genres, and texts read and discussed at exemplary middle schools.
- **Independent Reading:** There is a time set aside each day for independent reading using a book selected by the student according to their independent reading level.

**Writing**
Writing effectively is an essential skill all students must have to realize the Charter School’s mission thus a separate writing time is allocated on certain days. During this time, teachers use various approaches to develop students’ writing skills. Authentic literature paired with core texts are supplemented with a variety of articles and other texts that enhance the program. Articles will be carefully selected from English Language Arts textbooks, workbooks and online resources and other grade-level supplemental reading materials. Those materials include different reading comprehension workbooks that are full of short articles that can assist students in building their reading skills and
strategies. The variety of articles will represent narratives, science articles, informational texts, and other non-fiction texts.

In addition to the above, other instructional approaches include:

- **Grammar:** Students learn to apply standard rules of punctuation, capitalization, and English language grammar.
- **Guided writing:** Students work with the teacher collaboratively to create a piece in order to develop and enhance their writing skills.
- **Independent Writing:** Students write in their journals daily on a particular topic. There is an emphasis on self-reflection and self-correction of writing pieces.

Literacy is a focus in all subjects. Through teacher collaboration, reading, writing, vocabulary and academic discourse strategies will be reinforced across all of the disciplines. Reading skills will be used in reading science materials; in social studies workbooks, primary sources, and materials; and in math curricula and word problems. Writing will be stressed in various types of reports, science labs, and explanations of math processes. This cross-curricular approach gives students the opportunity to understand that the skills of reading and writing are not limited to English-language arts.

*English Language Development*

KIPP Sol Academy will comply with all federal, state, and judicial mandates for English Learners. Given the demographics of the Los Angeles Unified School District and the specific location of our charter school, KIPP Sol expects that a significant number of our students will be classified as English Learners. The Charter School is dedicated to providing these students with an exceptional education and transitioning them into English proficiency through the use of the Charter School’s services and teaching methods. All students who are identified as English Learners will take the CELDT/ELPAC each year by the end of October. The Charter School also recognizes the importance of valuing students’ native languages, and will reinforce an appreciation for the cultures, customs, and languages of all its students through the Charter School’s core curriculum, enrichment programs, and life-skills curriculum.

Based on a substantial research base proving the benefits of a structured English immersion program, KIPP Sol will implement a comprehensive structured immersion program, in every mainstream classroom, for its EL students. KIPP Sol Academy aims for all of its students to leave the Charter School proficient in the English language and with pride and support for their home language.

Teachers at KIPP Sol will use the English Language Development Standards set forth by the California Department of Education, and in alignment with the Common Core State Standards, to assist in planning and assessing the progress of English Learners. When leadership and teachers review student data it will be aggregated to show EL students, during the data reviews we compare student performance to the standards. Students of limited English proficiency will receive the same academic content as those students who are native English speakers in alignment with KIPP LA’s English Learner Master Plan, which is immediately available upon request. All instruction will be in English, except for the designated Spanish enrichment block; however, there may be times when primary language support will be provided to students.

Language acquisition is enhanced by exposing students to experiences in a variety of learning modalities (kinesthetic, auditory, and visual) that correspond to the subject matter and grade level curriculum, as well as providing structured, explicit language instruction. Teachers will use Specially Designed Academic Instruction in English
("SDAIE") strategies to enhance the English language development of all of students. These strategies are also effective for English-only students, as they implement strong teaching techniques. When teaching using SDAIE strategies, teachers will organize the subject matter so that it is grade-level appropriate and cognitively demanding in the core curriculum. SDAIE provides (1) access to the core curriculum, (2) English language development, and (3) opportunities for social integration into the multicultural classroom community. Examples of utilizing SDAIE strategies include supporting verbal explanations with nonverbal cues and designing appropriate learning sequences, such as building upon prior knowledge.

In addition to SDAIE strategies, teachers will also provide students with differentiated explicit language instruction. Teachers will use the CCSS aligned English Language Development Standards along with a forms and functions matrix, and an adapted model of Susana Dutro's framework for a focused approach on language development, to design lessons that build academic language- both vocabulary and structure, provide fluency or language practice, and encourage students towards appropriately rigorous language outputs.

In addition to the structured English immersion modifications teachers will make in their mainstream classes within KIPP SOL’s extended day schedule, there will be ample time for additional intensive English language instruction during small group and workshop time. KIPP Sol Academy will use proven methodologies including increased time for reading and math and individualized instruction for students who are acquiring English. Examples of instructional models that may be employed with ELs students at KIPP Sol Academy:

- Workshop models;
- Cooperative learning;
- Thematic teaching;
- Scaffolding instruction;
- Think/pair/share;
- Kinesthetic activities;
- Books on tape;
- Graphic organizers;
- Pre-teaching vocabulary;
- Labeling items in classrooms and school in different languages;
- Manipulatives;
- Jigsaw;
- Storytelling;
- Using culturally relevant materials;
- Repetition; and
- Modeling.

KIPP Sol Academy seeks to hire faculty who have received Cross-Cultural Language Acquisition Design ("CLAD") or Bilingual Cross-cultural Language and Academic Development ("BCLAD") training and/or hold Bilingual
Authorization. Beyond using the CELDT/ELPAC to monitor students’ English language development, KIPP Sol team members will use the CCSS for English Language Arts to monitor the levels at which students are performing in reading, listening, speaking, and writing. This information will particularly guide the teachers in differentiating instruction to adjust the levels of questioning for English Learners who are not progressing through the English language development levels. To further support students who are not progressing through the English language development levels, the following instructional strategies may be used to support these students in gaining higher levels of English proficiency:

1. Workshop focused on English Language development skills such as vocabulary development, oral language skills, comprehension skills;
2. Small group work to lower the affective filter and target specific areas of growth;
3. Using Instructional Assistants to target specific needs;
4. Increasing collaborative time to increase the amount of interaction spoken in English;
5. Pre-teaching content vocabulary and frontloading concepts;
6. Echo reading and choral reading;
7. Focusing on the development of Cognitive Academic Language Proficiency (“CALP”) beyond Basic Interpersonal Communicative Skills (“BICS”);
8. Offering at-home development support;
9. Tutoring;
10. Using technology for literacy support that has proven successful with English Learners; and

KIPP Sol Academy will monitor the effectiveness of the program through student performance on the California Assessment of Student Performance and Progress Reports, norm-referenced assessments when applicable, CELDT/ELPAC test results, Title III Accountability Reports as applicable, internal benchmarks, and reclassification rates for all of KIPP LA Schools.

**Mathematics**

The math curriculum at KIPP Sol Academy is designed to ensure that every student gains a strong understanding of all math strands, the ability to perform accurate computations, and the application of problem-solving skills at rigorous levels. KIPP Sol Academy believes that these strands are taught best through a combination of direct instruction of basic skills, hands-on activities to provide a deeper understanding of math concepts by relating them to real world situations and experiences, and differentiated instruction based on students’ needs.

KIPP Sol Academy students will benefit from the daily classroom instruction that balances direct instruction with cooperative learning opportunities. The math program draws from a variety of resources, including textbooks, critical thinking activities, and math manipulative. Fundamentals of each math strand which include number sense, algebra and functions, measurement and geometry, statistics, data analysis, probability, and mathematical reasoning.
In order to address the foundational-level mathematics content and skills that precede algebra, continue through geometry and become the basis for higher level mathematics coursework, KIPP Sol Academy currently plans to use CPM, Eureka and other supplemental materials for 5th-8th. These textbooks and the accompanying curriculum are tools for mastering the California Common Core Standards for Mathematics. The texts serve as a base from which the teachers build their 8-step lesson plans.

In order to address the individual needs of students, KIPP Sol Academy supplements math instruction with critical thinking and problem solving strategies. These strategies assist in developing a deeper understanding of math concepts and higher order thinking skills. Math skills will be utilized and reinforced in various content area; for example, when student study volume and mass in their science class. Reinforcing the math standards across the disciplines provides students with the opportunity to understand that math skills are not limited to math class.

**Science**

Establishing a strong foundation in science enables students to critically observe their surroundings and develop critical thinking and analytical skills. KIPP Sol Academy will use FOSS developed textbooks for a hands-on, inquiry-based approach to science serving as a tool for ensuring mastery of the NGSS standards. The teaching staff will use these texts as a base to create standards-based lesson plans. Based on assessment data, the teachers may elect to modify the pacing or supplement the curriculum as needed.

Science instruction utilizes a textbook based approach in combination with exploration through investigations, experiments, and viewing media clips that bring certain topics to life for the students. The science instruction across the grade levels is organized to best facilitate the students’ mastery of their grade level content standards in each of the following content strands: physical sciences, life sciences, earth sciences, and investigation and experimentation. In accordance with KIPP Sol Academy’s accelerated pace, students also gain a strong foundation in Biology that will enable them to be placed in Honors or accelerated Biology classes in high school. A broad, multicultural history of science component spans the entire curriculum, as does skills development, a study of the impact of humans on the environment, and a reinforcement of math and technology skills.

**History - Social Science**

In order to become agents of change who will positively impact the community, developing a strong sense of history and social, economic, and political trends over time is essential. During their time at KIPP Sol Academy, the students develop their historical and social sciences analysis skills through developing the following intellectual, reasoning, reflection, and research skills: chronological and spatial thinking, research, evidence, point of view, and historical interpretation. Lesson plans will be developed with an eye towards mastery of the History-Social Science Content Standards.

History-Social Science instruction utilizes a informational text approach combined with exploration using realia, primary and secondary resources, as well as watching media clips that bring certain topics to life for the students. Students have the opportunity to conduct research and seek resources to deepen their knowledge based on a particular topic. Based on assessment data, the teachers may elect to modify the pacing or supplement the chosen curriculum as needed. The teachers work collaboratively to order the curriculum for connections to be made across the disciplines.
Encompassed within the broad theme for each unit’s enduring understandings and essential questions are all state standards that build upon prior knowledge, intertwine geography instruction, and deepen student’s understanding of our world and how it has come to be. Outlined below are the broad instructional themes for each grade level.

**Non-Core Areas of Instruction**

KIPP Sol Academy believes strongly in educating the whole child. The Charter School offers a mix of the following courses: arts, music and technology.

**Arts and Music**

KIPP Sol Academy believes that it is not enough for students to only master state standards in their core subject areas; the Charter School must develop and educate the whole child. To this end, KIPP Sol Academy will offer a robust arts and music education program to grow the innate talents of students. Instruction is organized to target the strands of: artistic perception, creative expression, historical and cultural context, aesthetic valuing, and connections, relationships, and applications. In addition, literacy skills are woven into these “enrichment” classes. Our students will have music, art and performing arts as part of their non-core instruction.

**Physical Education**

Physical education classes develop the students’ motor skills while promoting the good health habits that will have a positive effect on students’ well-being. In addition, students develop sportsmanship and teamwork skills. The program is organized in accordance with the Physical Education Model Content Standards at each grade level, following these overarching standards:

- Standard 1: Students demonstrate the motor skills and movement patterns needed to perform a variety of physical activities.
- Standard 2: Students demonstrate knowledge of movement concepts, principles, and strategies that apply to the learning and performance of physical activities.
- Standard 3: Students assess and maintain a level of physical fitness to improve health and performance.
- Standard 4: Students demonstrate knowledge of physical fitness concepts, principles, and strategies to improve health and performance.
- Standard 5: Students demonstrate and utilize knowledge of psychological and sociological concepts, principles, and strategies that apply to the learning and performance of physical activity.

**Academic Calendar**

Each year, KIPP Sol will organize its calendar to coincide with most of LAUSD’s draft of the Single Track Instructional Calendar. However, our calendar will not be totally aligned with the District calendar.

*Figure 16: KIPP Sol Sample Academic Calendar*
2017-18 Academic Calendar

August 15: 1st day of school

September 1-4: Labor Day Holiday

October 6: Pupil Free Day

As shown in the figure above, all students in grades 5th through 8th grade will receive:

**Instruction for at least 71,500 minutes per year:**

- 93 Regular School Days, including supplemental time, from 7:30 AM – 4:00 PM totaling 460 instructional minutes/day
- 25 Early Dismissal/Professional Development Days from 7:30 AM – 3:00 PM totaling 280 instructional minutes/day
- 34 Minimum Days from 7:30 AM - 12:00 PM totaling 260 minutes/day
- 28 Other Days from 7:30 AM – 3:00 PM totaling 410 instructional minutes/day

The first day of school may be second Monday in August.

Additionally, the KIPP Sol Academy academic calendar includes: 17 Pupil-Free Days for teacher development both before and during the school year; 33 Professional Development Days when students are dismissed at 1:00pm; and 10 Parent Conference Days when students are dismissed at 12:00pm. Please see Appendix C for the school year calendar.

**Instructional Day**
More time is central to the success of KIPP Sol Academy. Students attend school Monday through Thursday from 7:30 AM - 3:00 PM. daily with supplemental time from 3:00 - 4:00 PM. On Monday’s students have a shortened schedule and are released earlier for staff professional development. KIPP Sol assures that it will offer, at a minimum, the number of instructional minutes set forth in Education Code 47612.5.

Below is a sample schedule for grades 5-8. This schedule is the same schedule every day, except for Mondays when each class is shortened to allow for professional development to occur among the staff. KIPP Sol recognizes that in fifth and sixth grade, the main focus of instruction is remediation instruction in order for students to achieve grade-level performance.

In order to best meet the needs of our students, KIPP Sol Academy may elect to organize the instructional day with paired teachers focusing on a particular subject (team-teaching). For example in fifth grade two teachers may teach English-Language Arts and social studies and the other two may teach math and science, allowing them to specialize and hold multiple subject credentials.

Professional Development

KIPP Sol Academy is grounded in the belief that teachers are the key levers that boost student achievement; thus quality professional development is essential for KIPP students to excel academically.

The first facet of professional development is through school-wide staff, professional development, and differentiated meetings. Staff meetings are a place for sharing announcements, conducting team-building exercises, and making sure teachers are operationally developed. Here, teachers may learn how to use clickers in the classroom or input data in an electronic system.

Professional development begins at 1:30 p.m. after students are dismissed at 1:00 p.m. The primary function of this time is to analyze data from interim and formative assessments. The interim assessment results are analyzed every 6-8 weeks, whereas the results of formative assessments are analyzed bi-weekly. Secondly, school-wide professional development is a chance for the School Leader and teachers to address instructional trends going on in the classroom and ways in which the students can be better served. Topics may include improving check for understandings, incorporating literacy across all contents, or enhancing differentiation for English Learners.

Finally, differentiated meetings are content-level and grade-level department meetings that each happen once a month. Those will occur after the weekly school-wide meetings. In content meetings, teachers in the same content area meet to review each other’s assessments and provide instructional support. As a content group, they will also have several opportunities throughout the school year to conduct excellent school visits in an effort to improve their instructional practices for their students.

Grade-level department meetings led by the Grade Level Chair provide teachers with an opportunity to solidify logistics for the team, discuss the needs and academic progress of individual students, and implement school-wide systems.

Another integral component of professional development at KIPP Sol Academy is the observation-debrief cycle (coaching cycle). The School Leader will formally observe teachers. Following the observation, the School Leader and teacher will discuss student learning based on student data and notes from the observation. Teachers will also be empowered to observe and provide feedback to their colleagues. These observations will allow the School Leader and teachers to notice instructional and cultural trends across the Charter School. This one-on-one professional development will cultivate a profound desire in teachers to continue to improve their craft so their students can achieve. Training on how teachers will monitor and report of the progress of EL students is embedded in teaching training series, as well as, maximizing small group instruction, and other instruction based PD.

Staff Recruitment

Staff selection is one of the most crucial aspects of the founding and growth of KIPP Sol Academy. The goal of the process will be to find driven candidates and hire staff that have developed cultural competency, have at least two years of successful teaching experience in an under-resourced community, have exemplary student achievement results and are qualified to deliver the proposed instructional program. Also, they must have strong and positive recommendations, evidence of strong connections with students and their families, must be team players, flexible, smart, community service oriented, embody and exemplify the values of the Charter School, and be committed to the vision and mission of KIPP Sol Academy.

All candidates for teaching positions will undergo a four-step process to ensure they are not only a fit for KIPP Sol Academy, but also to ensure that KIPP Sol Academy is a fit for them. The four steps are an online application, a submission of written materials, a phone interview, and an in-person interview day, which consists of a panel interview with KIPP Sol Academy stakeholders and a model teaching observation. In addition, at least two references for each candidate will be contacted. The School Leader will make all the final hiring decisions for the instructional staff of the Charter School.

The panel may be comprised of the School Leader, grade level chairs, parents, and community members. In addition, this process will be open to others who will work closely with the candidate. Ideally, the panel will be comprised of a diverse group to gain an insight into the candidate’s perceptions and how they interact and feel about people from different backgrounds.

In cases where the School Leader is unable to visit an out of state classroom, for example a candidate who lives out of state, a candidate may submit a video. For non-teaching positions, candidates will complete an online application and pre-interview questions before moving forward to interview with the School Leader, and if needed interview with a panel. In addition, a detailed reference check will also be completed. The School Leader will make all final hiring decisions for the non-instructional staff and will make a joint hire of the School Operations Coordinator in conjunction with KIPP LA Schools.

Staff Recruitment Strategies

In order to seek out a diverse pool of the best candidates, a strategic recruitment plan will be implemented. Some of the strategies that will be used are outlined below.

- **KIPP Teach**: The open positions at KIPP Sol Academy will be posted on KIPP Teach, a national database of all KIPP positions in which interested candidates can apply online. This website is overseen by KIPP Foundation and is separate and distinct from KIPP LA Schools’/KIPP Sol Academy’s website.

- **KIPP Sol Academy website**: The website will state the Charter School’s vision, mission, goals, and values. In addition, information on KIPP such as history, network success, and Five Pillars will be included. The job descriptions will be posted as well as contact information and information on how to apply. Interested candidates can submit applications for positions online.

- **Schools of Education at Loyola Marymount University, USC, Cal State LA, Cal State Dominguez Hills, and UCLA.**
Teach for America: The Teach for America Office of Career and Civic Opportunities provides many services that assist with finding quality candidates who are mission aligned with KIPP which will be accessed. For example, the office offers a free web-based job posting and sends out a monthly teaching e-mail blast that reaches over 20,000 Teach For America corps members and alumni which lists featured job opportunities. A posting for KIPP Sol Academy will be placed on both of these resources. Further, the office collects resume books that will be accessed to seek out quality candidates. KIPP Sol Academy will also be represented at career fairs and other similar opportunities to find candidates.

Meeting the Needs of all Students

English Learners

The Charter School will meet all applicable legal requirements for English Learners as they pertain to annual notification to parents, student identification, placement, program options, EL and core content instruction, teacher qualifications and training, re-classification to fluent English proficient status, monitoring and evaluating program effectiveness, and standardized testing requirements. The Charter School will implement policies to assure proper placement, evaluation, and communication regarding ELs and the rights of students and parents.

The Charter School is dedicated to providing these students with an exceptional education and transitioning them into English Proficiency through the use of the Charter School’s services and teaching methods. The Charter School also recognizes the importance of valuing students’ native languages, and reinforces an appreciation for the cultures, customs, and languages of all its students through the Charter School’s core curriculum, enrichment programs, and life---skills curriculum.

Home Language Survey

The Charter School will administer the home language survey upon a student’s initial enrollment into the Charter School (on enrollment forms).

CELDT/ELPAC Testing

All students who indicate that their home language is other than English will be California English Language Development Test (“CELDT/ELPAC”) tested within thirty days of initial enrollment\(^3\) and at least annually thereafter between July 1 and October 31 until re-designated as fluent English proficient.

The Charter School will notify all parents of its responsibility for CELDT/ELPAC testing and of CELDT/ELPAC results within thirty days of receiving results from publisher. The CELDT/ELPAC shall be used to fulfill the requirements under the Elementary and Secondary Education Act for annual English proficiency testing.

\(^3\) The thirty-day requirement applies to students who are entering a California public school for the first time or for students who have not yet been CELDT tested. All other students who have indicated a home language other than English will continue with annual CELDT testing based upon the date last tested at the prior school of enrollment.
All references in the charter petition to the CELDT/ELPAC will be understood by the Charter School and the District to mean the English Language Proficiency Assessments for California ("ELPAC"), when it replaces the CELDT/ELPAC.

Strategies for English Learner Instruction and Intervention

Based on a substantial research base proving the benefits of a structured English immersion program, KIPP Sol will implement a comprehensive structured immersion program, in every mainstream classroom, for its EL students. It is the goal of KIPP Sol Academy that all of its students will leave the Charter School proficient in the English language, properly redesignated, and with pride and support for their home language.

Teachers at KIPP Sol will use the English Language Development Standards set forth by the California Department of Education to assist in planning and assessing the progress of English Learners. Students of limited English proficiency will receive the same academic content as those students who are native English speakers. All instruction will be in English; however, there may be times when primary language support will be provided to students when possible. Language acquisition is enhanced by exposing students to experiences in a variety of learning modalities (kinesthetic, auditory, and visual) that correspond to the subject matter and grade level curriculum as well as providing structured, explicit language instruction. Teachers will use Specially Designed Academic Instruction in English strategies to enhance the English Language development of all of students. When using SDAIE strategies, teachers will write lesson plans with an emphasis on ensuring that content is grade level appropriate and within the student’s zone of proximal development. SDAIE provides (1) access to the core curriculum, (2) English language development, and (3) opportunities for social integration into the multicultural classroom community. Examples of utilizing SDAIE strategies include supporting verbal explanations with nonverbal cues and designing appropriate learning sequences, such as building upon prior knowledge. In addition to SDAIE strategies, teachers will also provide students with differentiated explicit language instruction. Teachers will use the CCSS with support from English Language Development resources, in order to provide a rigorous, yet scaffolded, instructional experience for all students identified as English Learners. In addition, KIPP Sol Academy will be utilizing the EL to Achieve instructional frameworks as the basis for English Language Development instruction for students, including embedding the theoretical frameworks of Systematic ELD and Constructing Meaning to the Charter School’s instructional plans, including the scope and sequence, unit plans, and daily lesson plans.

In addition to the structured English immersion modifications teachers make in their mainstream classes within KIPP Sol Academy’s extended day schedule, there will be ample time that can be used for additional intensive English language instruction during small group and workshop time. The Charter School will use proven methodologies including increased time for reading and math and individualized instruction for students who are acquiring English. Examples of instructional models that may be employed with EL students at KIPP Sol are:

- Workshop models
- Cooperative learning opportunities
- Thematic teaching
- Scaffolding instruction
- Total physical response and kinesthetic activities
- Readers theater
- Graphic organizers
- Use of manipulatives and visual and digital media
• Repetition and chunked instructions
• Modeling
• Systematic ELD/Constructing Meaning Frameworks
  • Emphasis on language learning and exploration
  • Proficiency groupings for targeted, small group instruction
  • Functional language approach
  • Developmental scope and sequence
  • Structured and purposeful interaction and collaboration
  • Accelerated instruction to emphasize critical literacy skills
• Providing tools to analyze complex texts

Beyond using the CELDT/ELPAC to monitor students’ English Language development, KIPP Sol Academy staff will use the English Language Development Standards to monitor the levels at which students are performing in reading, listening, speaking, and writing. This information will guide teachers in differentiating instruction, such as the level of questioning for English Learners who are not progressing through the English language development levels. To further support students who are not progressing through the English language development levels, the following instructional strategies may be used to support these students in gaining higher levels of English proficiency:

• Small group work to lower the affective filter and target specific areas of growth
• Increasing collaborative time to increase the amount of interaction spoken in English
• Pre-teaching and frontloading instruction
• Focusing on the development of CALP beyond BICS
• Use of technology for literacy support that has proven successful with English Learners
• Structured language development tutorials
• Utilizing print-rich environments, appropriate instructional pacing, and sentence stems
• Metacognition and think-alouds
• Parent workshops providing information pertaining to English language development, including but not limited to, strategies, a copy of the English Language Development Standards, CELDT/ELPAC scores and

To support the English language development of its ELs, KIPP Sol hires faculty who have received CLAD or BCLAD training and/or those who hold Bilingual Authorizations.

Reclassification
Reclassification procedures utilize multiple criteria in determining whether to classify a pupil as proficient in English including, but not limited to, all of the following:

• Assessment of language proficiency using an objective assessment instrument, including, but not limited to, the English language development test pursuant to Section 60810 of the Education Code:
• The student must demonstrate English proficiency on the annual CELDT/ELPAC by achieving an overall performance level of 4 or 5 with skill area scores of 3 or higher.
• Comparison of the student’s performance in basic skills against an empirically established range of the performance in basic skills based upon performance of English proficient pupils of the same age, that
demonstrates to others whether the student is sufficiently proficient in English to participate effective in curriculum designed for students of the same age whose native language is English. Basic skills criteria for students in grades 3 and above include:

- A student’s score on the CAASPP for English Language Arts is a 3 or higher, which is considered to be meets standards level performance. This score suggests that the pupil may be sufficiently prepared to participate effectively in the curriculum and should be considered for reclassification.
- For students scoring below 3 on the CAASPP or below meets standards, KIPP LA in accordance with criteria set by the school district, should attempt to determine whether factors other than English Language proficient are responsible for low performance on the state assessment for English Language and whether it is reasonable to reclassify the students.
- A student’s score on the nationally norm-referenced NWEA MAP Reading assessment places the student at or above the 50th percentile, which is considered to be above grade level. This score suggests that the pupil may be sufficiently prepared to participate effectively in the school’s standard curriculum and should be considered for reclassification.

- Students in grades K-1 are not eligible for reclassification.

- Teacher evaluation, including, but not limited to, a review of the pupil’s curriculum mastery:
  - KIPP LA teachers will use student academic performance in core subject areas to inform the reclassification process.
  - KIPP LA teachers understand and note that incurred deficits in motivation and academic success unrelated to English Language proficiency do not preclude a student from reclassification.

- For 6th – 8th grade only: a grade of C or better in English language Arts required for reclassification.

- Parental opinion and consultation:
  - KIPP LA will provide notice to parents or guardians of their rights and encourage them to participate in the reclassification process.
  - KIPP LA will provide an opportunity for a face-to-face meeting with parents and guardians to discuss the reclassification process.
  - KIPP LA will notify parents and guardians of reclassification, update the school records, as well as monitor the student’s progress for two years.

Monitoring and Evaluation of Program Effectiveness

The Charter School evaluates the effectiveness of its education program for ELs by:

- Adhering to Charter School-adopted academic benchmarks by language proficiency level and years in program to determine adequate yearly progress.
- Monitoring teacher qualifications and the use of appropriate instructional strategies based on program design.
- Monitoring student identification and placement.
- Monitoring parental program choice options.
- Monitoring availability of adequate resources.

Academically High Achieving (Gifted and Talented) Students
As all students are challenged to reach their intellectual potential within the instructional program, KIPP Sol will not offer a formal, separate gifted and talented education (“GATE”) program. Throughout the day, the staff may differentiate instruction based upon the individual needs of the students and will provide an opportunity to excel for those students who are achieving above grade level or demonstrate a specific ability or talent, as identified through student data or evidence of a pupil’s capacity. Teachers will differentiate in the forms of acceleration, depth, complexity, and novelty and will differentiate the process, content, or product to meet the needs of gifted and talented students and students achieving above grade level. Examples of instructional models that may be employed with gifted and talented students at KIPP Sol are:

- Project-based learning opportunities
- Accelerated technological instructional programs
- Implementation of a GATE advisory committee in order to recommend and review appropriate curriculum for students identified as gifted and talented
- Comprehensive experiential learning opportunities to enhance and supplement the curriculum
- Differentiated curriculum that promotes inquiry, self-directed learning, discussion, debate, metacognition, and other appropriate modes of learning (as proposed in the Recommended Standards for Programs for Gifted and Talented Students, published by the California Department of Education)
- School-wide utilization of GATE resources in order to design and implement a robust, intellectually challenging instructional scope and sequence for students identified as gifted and talented (including, but not limited to, instructional resources and professional development opportunities provided by the California Association for the Gifted (“CAG”), and the National Association for Gifted Children (“NAGC”), such as the Master Checklist of Gifted Program Elements for Self-Assessment).

By using assessment information to monitor students’ progress, teachers will be able to make the necessary modifications and adjustments to best support students. Teachers will utilize workshop time, as well as differentiated choices for gifted and talented students and students achieving above grade level throughout the day to support them in continual growth. All students at KIPP Sol will be valued for their individualism and their interests and passions will be cultivated. Further, the teachers will work together to develop plans to best support students in driving forward their academic achievement and pursuits in relation to the students’ learning profiles and specific talents. In order to ensure that the needs of all students are being met, the staff will utilize the Student Success Team process for students who have been identified as consistently achieving well above the norms (as measured by formative, summative, and standardized testing) just as they would use the process for identifying students who struggle. Refer to following section for more details on the composition of the SST.

In addition, a GATE Advisory Committee (comprised of staff members from the leadership team and parents of students identified as gifted and talented) will oversee the academic programming and character development curriculum for students identified as gifted and talented.

**Students Achieving Below Grade Level**

Students who are performing below grade level in each of the content areas as measured by informal and formal classroom assessments will receive individual and small group instruction to target their individual needs. During
whole class instruction, the teacher may differentiate instruction based upon students’ needs, interests, readiness, and learning profile. In addition, other types of instructional support that KIPP Sol Academy may utilize to support students achieving below grade level include:

- Small group, targeted instruction utilizing students’ individualized academic data in order to design and execute scaffolded lessons in order for students to achieve incremental growth towards overall proficiency targets
- Small group guided reading and writing lessons targeting specific skills that students need additional support mastering; data from reading and writing benchmark assessments and running records will determine specific grouping models
- One-on-one conferring sessions between teachers and students in which teachers provide real-time, specific, targeted feedback to students in order for struggling students to strategize next steps towards instructional proficiency.
- More instructional time incorporated into the daily schedule and academic year in order to increase learning opportunities and supplemental curriculum for students needed additional academic instruction and tutorials (including, but not limited to, summer programming)
- Pre-teaching, re-teaching and spiraling standards, as evidenced by instructional scope and sequence, unit plans, and daily lesson plans, in order for students to have multiple opportunities to access each of the standards
- Use of technology to enhance and supplement the existing curriculum, using student data to create individualized technological instructional programming to meet the needs of all students
- Providing tutorial programming and homework support, as needed
- Increasing parent engagement in their child’s instructional progress via workshops and strategy workshops, so that they may support their son/daughter at home

If an area of growth for student success becomes evident across a grade level or the Charter School, such as reading comprehension, professional development will be dedicated to that focus. In addition, teachers and administrators will work collaboratively to share best practices and ideas to support students achieving below grade level, and will develop key partnerships with community agencies and educational organizations to develop a cadre of resources for staff, students, and parents to access in order to meet the instructional needs of all students.

If after implementing the aforementioned instructional support strategies significant progress has not been made as measured by assessments, students achieving below grade level may be referred by the teacher or by the parent for a Student Success Team meeting. In these meetings, the classroom teacher, the parent, the School Leader, and any other relevant party will convene to discuss the child’s strengths and areas of concern. The SST uses multiple sources of information and data to create a plan that addresses the individual needs of each student. Teachers, parents, and other relevant parties will bring student work samples, tests and quizzes, portfolio work (if applicable), notes from observations of performance or behavior, discipline logs and any other pertinent source of information concerning the child’s demonstrated abilities. Based on the evidence and the discussion of its meaning, action steps will be generated for follow-up interventions to further assist the child in academic or behavioral growth. Additionally, tools are either gathered or generated to track the progress of the student given the new interventions. Specific strategies, interventions and accommodations will be
implemented and documented based on the individualized needs and areas of concern. In addition to detailing the steps, the expected outcomes and the responsible personnel, the SST will also schedule timely follow-up meetings to review and discuss the student’s response to the interventions. Based on the progress a student makes, the level of intervention can be adjusted in order to meet each student’s needs.

After three SST meetings, if significant progress has not been made as measured by assessments, the student may be referred for assessment to determine if the child is eligible for special education services under the Individuals with Disabilities Education Act, if appropriate. The Charter School will make efforts to ensure an exhaustive list of interventions is utilized to avoid over-identification of students in Special Education.

**Socioeconomically Disadvantaged Students**

KIPP LA Schools seeks to serve a population comprised in large part of students who are socioeconomically disadvantaged. To put students on the path to and through college, the mission, vision, and instructional programs of KIPP LA’s schools are designed to provide and ensure equal access for all students, particularly those students who are designated as socioeconomically disadvantaged based upon the poverty index. In the 2014-2015 school year, 90% of KIPP LA students qualified for free or reduced lunch. KIPP Sol Academy serves a similar population, and the Charter School’s program is based upon the successful practices already in practice at KIPP LA’s existing schools. At its core, KIPP Sol believes in high expectations for each of its students regardless of background.

KIPP Sol identifies socioeconomically disadvantaged students as those who are eligible to receive free or reduced price meals. KIPP Sol has designed its program to support students from socioeconomically disadvantaged backgrounds in the following ways:

- Providing more time to increase the learning opportunities of all students (these opportunities include, but are not limited to, in-class literacy experiences, out of class experiential learning field lessons, and supplemented day)
- Building the social capital of students via experiential learning opportunities in order for them to be able to navigate different social and educational settings
- Building robust classroom libraries in order to support the continued development of students’ literacy experiences, both in and out of school
- Parent engagement workshops targeting topics such as financial literacy (in preparation for high school and college tuition) and health and nutrition, utilizing community partnerships to provide necessary resources to families in need
- Establishing a strong college-going culture, including, but not limited to, college banners and homerooms named after colleges and universities
- Flexible conferencing scheduling for meeting with families
- Providing enriching arts education programming to supplement existing curriculum
- Tutorials and intervention supports
- Meal provisions for students whose families qualify for free and reduced lunch

All services will be provided by the school and this data will be tracked during the same time and way we describe our data monitoring throughout the petition.
Students with Disabilities

Overview

Services for Students under the “IDEIA”

The Charter School shall provide special education instruction and related services in accordance with the IDEIA, Education Code requirements, and applicable policies and practices of the SELPA.

The Charter School will provide services for special education students enrolled in the Charter School. The Charter School will follow SELPA policies and procedures, and shall utilize SELPA forms in seeking out and identifying and serving students who may qualify for special education programs and services and for responding to record requests and parent complaints, and maintaining the confidentiality of pupil records.

Staffing

All special education services at the Charter School will be delivered by individuals or agencies qualified to provide special education services as required by the California Education Code and the IDEIA. Charter School staff shall participate in County or SELPA in-service training relating to special education.

The Charter School will be responsible for the hiring, training, and employment of site staff necessary to provide special education services to its students, including, without limitation, special education teachers, paraprofessionals, and resource specialists. The Charter School shall ensure that all special education staff hired or contracted by the Charter School is qualified pursuant to SELPA policies, as well as meet all legal requirements. The Charter School shall be responsible for the hiring, training, and employment of itinerant staff necessary to provide special education services to Charter School students, including, without limitation, speech therapists, occupational therapists, behavioral therapists, and psychologists.

Notification and Coordination

The Charter School shall follow SELPA policies as they apply to all SELPA schools for responding to implementation of special education services. The Charter School will adopt and implement polices relating to all special education issues and referrals.

Identification and Referral
The Charter School shall have the responsibility to identify, refer, and work cooperatively in locating Charter School students who have or may have exceptional needs that qualify them to receive special education services. The Charter School will implement SELPA policies and procedures to ensure timely identification and referral of students who have, or may have, such exceptional needs. A pupil shall be referred for special education only after the resources of the regular education program have been considered, and where appropriate, utilized.

The Charter School will follow SELPA child-find procedures to identify all students who may require assessment to consider special education eligibility and special education and related services in the case that general education interventions do not provide a free appropriate public education to the student in question.

Assessments

The term “assessments” shall have the same meaning as the term “evaluation” in the IDEIA, as provided in Section 1414, Title 20 of the United States Code. The Charter School will determine what assessments, if any, are necessary and arrange for such assessments for referred or eligible students in accordance with applicable law. The Charter School shall obtain parent/guardian consent to assess Charter School students.

IEP Meetings

The Charter School shall arrange and notice the necessary Individualized Education Program (“IEP”) meetings. IEP team membership shall be in compliance with state and federal law. The Charter School shall be responsible for having the following individuals in attendance at the IEP meetings: the School Leader and/or the Charter School designated representative with appropriate administrative authority as required by the IDEIA; the student’s special education teacher; the student’s general education teacher if the student is or may be in a regular education classroom; the student, if appropriate; and other Charter School representatives who are knowledgeable about the regular education program at the Charter School and/or about the student. The Charter School shall arrange for the attendance or participation of all other necessary staff that may include, but are not limited to, an appropriate administrator to comply with the requirements of the IDEIA, a speech therapist, psychologist, resource specialist, and behavior specialist; and shall document the IEP meeting and provide notice of parental rights.

IEP Development

The Charter School understands that the decisions regarding eligibility, goals/objectives, program, services, placement, and exit from special education shall be the decision of the IEP team, pursuant to the IEP process. Programs, services and placements shall be provided to all eligible Charter School students in accordance with the policies, procedures and requirements of the SELPA and State and Federal law.

IEP Implementation

The Charter School shall be responsible for all school site implementation of the IEP. As part of this responsibility, the Charter School shall provide parents with timely reports on the student’s progress as provided in the student’s IEP at least as frequently as report cards are provided for the Charter School’s non-special education students. The Charter School shall also provide all home-school coordination and information exchange. The Charter School shall
also be responsible for providing all curriculum, classroom materials, classroom modifications, and assistive technology.

Interim and Initial Placements of New Charter School Students

The Charter School shall comply with Education Code Section 56325 with regard to students transferring into the Charter School within the academic school year. In accordance with Education Code Section 56325(a)(1), for students who enroll in the Charter School from another school district within the State, but outside of the SELPA with a current IEP within the same academic year, the Charter School shall provide the pupil with a free appropriate public education, including services comparable to those described in the previously approved IEP, in consultation with the parent, for a period not to exceed thirty (30) days, by which time Charter School shall adopt the previously approved IEP or shall develop, adopt, and implement a new IEP that is consistent with federal and state law.

In accordance with Education Code Section 56325(a)(2), in the case of an individual with exceptional needs who has an IEP and transfers into the Charter School from a district operated program under the same special education local plan area of the Charter School within the same academic year, the Charter School shall continue, without delay, to provide services comparable to those described in the existing approved IEP, unless the parent and the Charter School agree to develop, adopt, and implement a new IEP that is consistent with federal and state law.

For students transferring to the Charter School with an IEP from outside of California during the same academic year, the Charter School shall provide the pupil with a free appropriate public education, including services comparable to those described in the previously approved IEP in consultation with the parents, until the Charter School conducts an assessment pursuant to paragraph (1) of subsection (a) of Section 1414 of Title 20 of the United States Code, if determined to be necessary by the Charter School, and develops a new IEP, if appropriate that is consistent with federal and state law.

Non-Public Placements/Non-Public Agencies

The Charter School shall be solely responsible for selecting, contracting with, and overseeing all non-public schools and non-public agencies used to serve special education students.

Non-discrimination

It is understood and agreed that all children will have access to the Charter School and no student shall be denied admission nor counseled out of the Charter School due to the nature, extent, or severity of his/her disability or due to the student’s request for, or actual need for, special education services.

Parent/Guardian Concerns and Complaints

The Charter School shall adopt policies for responding to parental concerns or complaints related to special education services. The Charter School shall receive any concerns raised by parents/guardians regarding related services and rights.
The Charter School's designated representative shall investigate as necessary, respond to, and address the parent/guardian concern or complaint.

Due Process Hearings

The Charter School may initiate a due process hearing or request for mediation with respect to a student enrolled in Charter School if it determines such action is legally necessary or advisable. In the event that the parents/guardians file for a due process hearing, or request mediation, the Charter School shall defend the case.

SELPA Representation

The Charter School understands that it shall represent itself at all SELPA meetings.

Funding

The Charter School understands that it will be subject to the allocation plan of the SELPA.

Students in other subgroups

KIPP Sol will determine eligibility of students who are either considered foster youth or homeless through the use of CALPADs, discussions with the parent/guardian and observations of the child. Children who are eligible for services may have different needs such as physical needs for uniforms, school supplies or free meals. KIPP Sol will assist parents and or guardians in providing for these items to ensure that the student is able to actively participate in school. KIPP Sol Academy will consider what barriers to education can be removed and what is in the best interest of each child.

Foster Youth and Homeless

KIPP LA, through its schools and counselors, seeks to address the needs of all students including homeless and foster youths by providing referrals to community organizations with resources to address their needs. Each year, the Student Residency Survey is sent to all families to identify homeless youth.

Typical Day

It’s Tuesday morning and KIPP Sol Academy’s students are beginning to arrive in carpools or accompanied hand-in-hand by a parent or patient older sibling who has made the neighborhood walk to school. It is only 7 a.m., but the students are bright-eyed, prepared with their school materials, dressed for success in their uniform, and excited to get their official greeting from the principal as they enter the gates. Nearly all of the students qualify for free or reduced price lunch, and thanks to the healthy foods catering, each child receives nutritious, balanced meals that help prepare their minds and bodies for success. Parent volunteers and a rotation of teachers help organize the breakfast area so that each child eats, cleans up, and feels recognized by an adult before beginning the school day.
At 7:27 a.m. the students enter the building; while the students are well-behaved, they are not robotic—they demonstrate discipline and respect while also sharing a smile or laugh with friends and teachers. The brightly painted halls are adorned with college-related graphics and memorabilia, school-spirited posters, children’s classwork, artwork, and inspirational sayings, and they cheerfully greet and encourage the students on their way to class.

By 7:30 a.m. students are lined up outside their classrooms and are entering the class with a high-five or handshake from their lead teacher. Routines have been firmly established in order to maximize available instructional minutes. Students sit in their assigned seat and quietly place their assigned homework folder and necessary materials on the desk. The first 30 minutes of the day allow us to jumpstart a successful day by focusing on three major initiatives: literacy, character, and intervention. Because it is Tuesday, our students are engaged in a shared character lesson. At the beginning of each semester, teachers dissect our school’s values into character strengths and define specific behaviors and scenarios in which students can safely practice and talk about the benefits and challenges to living the values in real life. Typically, our 7th and 8th grade Advocates are engaged in a student-lead community circle during this character block - this format allows students to express themselves and feel heard in a safe place, develop relationships and ask questions; they work together to create a values-driven community that solves challenges through communication and teamwork. Monday and Wednesday-Friday, students use this time to read and conference with their teachers. A culture of excited readers and writers is paramount to our academic programming and success. Students read or take Accelerated Reader quizzes as they race to become recognized on our Millionaire Hall of Fame (for students who read more than a million words in a year!). Students also benefit from the ability to conference individually with teachers or work in small intervention groups before content instruction begins.

After the three-minute transition between the character lesson or reading block, the teacher greets the class and the class greets him or her. The first-5 of the class are normed across grade levels so students have predictable routines and expectations that allow for efficient use of time. As they work on the Do-now and fill out their agendas with updates and homework assignments, the teacher checks homework and gives merits via the ClassDojo system so that parents are updated in real-time as to their child’s progress in each class. Students who finish early, assign themselves to reading or other purposeful work. The teacher seamlessly flows in and out of the desks checking on student progress and quietly offering support or encouragement.

After a review of the Do-now, the day’s standards-based objective is introduced. All students receive grade level, California Common Core Standards-aligned instruction. The hook, introduction to new material, modeling and checks for understanding are all on grade-level; after which, students take a mastery level entrance ticket online that easily differentiates those students who get it, those who show some confusion, and those who may show significant misconception. Teachers are able to pull the data immediately in order to differentiate the remainder of the class to appropriately meet the needs of the students on a daily basis. The teachers plan independent and small group practice on what we lovingly refer to as the “Chili pepper menu”. Those students who show grade-level mastery need a spicy challenge and are provided opportunities to apply their knowledge and skills to an array of performance tasks either individually, online, or in small student-lead groups. Those students who have not mastered the direct instruction, have the opportunity for immediate follow up in teacher-lead small groups and/or use teacher-assigned online lessons to correct misconceptions. By the end of the 85 minute block, all students will have shown growth and/or mastery on the exit ticket.

Our students have access to individual technology as we maintain a 1:1 student to chromebook ratio. In fostering 21st century learners, our students must have access to technology and be able to fluently utilize the programs and type. 100% of our assessments are done online via the Illuminate system; as well, 100% of our...
classes are housed on Google Classroom which makes monitoring assignments and materials easier for our teachers, students, and parents.

Through the support of professional development, teacher uses an amalgam of research-based programs to inform instruction. While the students are very capable, bright boys and girls, many of them have entered the 5th grade well behind grade level in writing conventions and fluency, so this teacher has showed that remediation and rigor can go hand-in-hand by building basic skills and concepts while also supporting their writing to the multi-paragraph level for both narrative and expository compositions. The Writing teacher, like all other KIPP teachers, collaborates across the KIPP LA network to construct a framework for Writing and ELA instruction based on the state’s standards and coordinates daily lessons to ensure that each child is prepared for both bi-weekly standards-based assessments and quarterly common assessments.

By 10:39, students have rotated to their next class which begins as all the others - regardless of the subject matter or the fashion in which the essential components are actualized, each class must have a jumpstart (warm up and review of standards), guided practice, independent practice, a cool-down (exit or review activity), and ongoing checks for progress. The vibrancy of the classroom and the charisma and knowledgeable practice of each teacher combines for highly engaging, interactive, productive class periods. At KIPP Sol Academy, no minute is lost in the pursuit of educational excellence. Because of the dynamic nature of the learning process, classroom instruction is both rigorous and fun. At the same time, teachers must act like diagnosticians who run daily experiments in the classroom, record data and observations, and manipulate teacher and classroom variables to maximize students’ learning experiences and outcomes. When visitors walk into a class, students continue to work and it is immediately clear how the small chunk of the lesson that one observes relates to the posted standards and learning objective (as well as to the official weekly lesson plan that is easily accessible in the back of the room).

Throughout the entire day, students have enrichments built into the core class offerings. All children have an opportunity to have either Physical Education, Art, Performing Arts, or Music on a daily basis. Although in some schools these classes would be deemed electives, at KIPP Sol Academy they are considered integral to a student’s progress in and access to a globalized, technologically advanced world. Our enrichment classes provide students an integrated opportunity to demonstrate learning, creativity, and communication. Instructional enrichments stretch students to think critically and solve problems, all while building skills and competencies that are necessary in today’s society and in schools of higher education.

At 3:00, the regular instructional day ends, and students transition into a wide array of elective options designed to further ignite our students’ passions and support their excited learning and curiosity about school and the world. Our teachers, administrators and after school staff offer classes such as robotics, coding, dance, world language, gardening, design, yearbook, leadership, etc. Our sports teams also practice during this time to prepare for competition in leagues around the city. Students who have demonstrated struggle in their assessments and work habits are also pulled during for tutoring, intervention or further instruction.

By 4:00 p.m., the administration is helping to organize the dismissal by closing the doors on car pools and waving goodbye to those who walk home. As the administration handles the dismissal, teachers ensure that the rooms are prepared for the next day’s lessons and all the adults leave to get the necessary rest to do this all over again the next day!
Element 2 - Measurable Pupil Outcomes and
Element 3 - Method by Which Pupil Progress Toward Outcomes Will Be Measured

“The measurable pupil outcomes identified for use by the charter school. “Pupil outcomes,” for purposes of this part, means the extent to which all pupils of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school’s educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both schoolwide and for all groups of pupils served by the charter school, as that term is defined in subparagraph (B) of paragraph (3) of subdivision (a) of Section 47607. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school.” (Ed. Code § 47605(b)(5)(B).

“The method by which pupil progress in meeting those pupil outcomes is to be measured. To the extent practicable, the method for measuring pupil outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card.” (Ed. Code § 47605(b)(5)(C).

Measurable Goals of the Educational Program

Charter School shall meet all statewide content and performance standards and targets. (Ed. Code §§ 47605(c)(1), 60605.)

Charter School shall comply with all applicable laws and regulations related to AB 97 (Local Control Funding Formula) and AB 484, as they may be amended from time to time, including all requirements pertaining to pupil outcomes.

Standardized Testing

Charter School agrees to comply with and adhere to state requirements for participation and administration of all state-mandated tests, including computer-based assessments. Charter School shall submit and maintain up-to-date and accurate California Longitudinal Pupil Achievement Data System (CALPADS) data in accordance with the requirements of California Code of Regulations, title 5, section 861. Charter School hereby grants authority to the State of California to provide a copy of all test results directly to the District as well as Charter School. Upon request, Charter School shall submit, in the requested format (e.g., CD), a copy of the results of all state-mandated tests to the District.

Measurable Goals of the Educational Program

These goals are the same as those described in Element 1 in accordance with Education Code Section 47605(b)(5)(A)(ii). The “LCFF State Priorities” table in Element 1 is incorporated here by reference.

Measuring Pupil Outcomes: Summative Assessment Performance Targets

The vision of KIPP Solis to prepare students to enter our global world with the tools necessary to thrive. As agents of change, our students will require the critical thinking skills and literary prowess necessary to read, write, speak
and think effectively in order to drive initiatives that will build up their individual and collective communities. Through rigorous academic instruction, character development, and learning experiences, we will prepare our students to be thoughtful, engaged citizens who will use curiosity and collaboration, coupled with an intense love of learning, theorizing and planning, to positively transform their lives, our community, and our world. To realize this goal, the staff will constantly monitor and measure students’ progress and the effectiveness of the school’s instructional program through a variety of metrics and assessments. KIPP Sol and the KIPP LA Schools Board will monitor the school’s progress towards meeting student goals and outcomes.

These outcomes are the same as those described in Element 1. The “LCFF State Priorities” table in Element 1 is incorporated here by reference.

**Instructional Cycle and Methods of Assessment**

Beginning in 5th grade and continuing 5th-8th, KIPP Sol teachers will use an instructional cycle driven by standards mastery and student data. To help support our standards-based curriculum and assessment in English, mathematics, Social Studies and Science we will incorporate an amalgamation of resources to support the learning and achievement needs of our students including things like Lucy Calkin’s Reading and Writing Workshop model. This method of instruction focuses on the goal of fostering lifelong readers and writers. Professional development, grade-level planning and 1:1 check-ins between managers and teachers will support the implementation and execution of each of the instructional cycle’s ten steps. The cycle is a framework for teachers to use as a tool in their instructional design and delivery and is meant to provide alignment both across and between grade-levels.

Figure 21 shows the ten steps of the KIPP Sol instructional cycle. While the first step will be completed in the summer, the following steps in the cycle will be ongoing.

KIPP Sol will work to ensure that all students will score at Standard Met or Standard Exceeded levels in ELA and math on the CAASPP assessment. All students in grades 5-8 will take the CAASPP each spring. Additionally, all students in grades 5-8 will take a norm-referenced test such as the MAP a minimum of one time in the fall (with some grades taking fall and spring administration options). By assessing the students at these grade levels, the
KIPP Sol faculty will be able to monitor individual student growth and mastery of standards. Detailed reports by student and by class will be created to facilitate in-depth analysis and data informed decision-making. Thoroughly analyzing student achievement results will allow the staff to reflect on teaching practices and identify areas of strength and areas of weaknesses to improve in the upcoming years.

KIPP Sol will also use the MAP, or norm-referenced equivalent, to determine students’ academic gains and losses both within and between school years and may be administered at the beginning of the year and the end of the year. These data are used to measure student progress, compare different sets of classes, and identify gains and losses across years and within-year, all in an effort to improve instructional materials, school-developed assessments, instructional methods and sequencing, and inform professional development based on areas of weaknesses.

Each year KIPP Sol will disaggregate school-wide MAP, or other norm-referenced equivalent, data by gender, race, English Learner status, Special Education status, socioeconomic status, and other relevant subgroups and analyze those data to make any needed adjustments to the instructional program. The Charter School expects students in each subgroup to meet the Charter School’s MAP performance goals listed in Element 1. MAP data for individual students is reported to each student’s family during parent conferences at the beginning of the year and as well as at the end of the year. Additionally assessment results will be provided to students/families four times a year. Progress reports will also be sent home intermittently as students take assessments weekly or daily. As soon as the data become available, the faculty and leadership team carefully examine it. Teachers will adjust or enhance instructional strategies based upon the results for each individual student and class. Any substantial disparities in improvement across subgroups may result in modifications to curriculum, schedule, school staffing, or provision of support services.

KIPP Sol shall adhere to all state testing requirements applicable to charter schools. As established in the previous section, KIPP Sol will utilize diverse assessments that are aligned with the curriculum and instructional program, and compliant with state mandates. These will be administered according to the assessment cycle described within this Element. Further, KIPP Sol affirms that its methods for measuring pupil outcomes for the State Priorities, as described above in this charter, shall be consistent with the way information is reported on a School Accountability Report Card as required by Education Code Section 47605(b)(5)(C).

KIPP Sol, like all KIPP LA schools, believes that data is a powerful instructional tool. KIPP Sol’s data will be shared openly with KIPP LA management and other KIPP LA schools. Further, at regular intervals the data will be shared with KIPP LA’s board. Annually, KIPP Sol’s leadership team will provide an update to its students and parents about school wide academic performance.

In addition, students in fifth through eighth grades who have been in the United States for less than twelve months and have Spanish indicated on their Home Language Survey may take the Standards-based Tests in Spanish (STS). All students who are English Learners as identified by their Home Language Survey who have not been reclassified in accordance with KIPP LA’s board approved reclassification policy will take the CELDT/ELPAC each year as required.
Method for Measuring Pupil Progress Toward Outcomes: Formative Assessments

In addition to CAASPP and MAP testing, KIPP Sol will administer initial assessments and diagnostics, timely mastery entrance and exit tickets, and regular weekly or bi-weekly assessments as well as interim assessments in an effort to determine where students are performing at any given time. These assessments will guide instruction and help determine which students need additional support or which students can be pushed to achieve at even higher levels.

Initial Assessments

At the beginning of each school year, the students will be given teacher-created, standards-based diagnostics in order to determine their performance levels in key performance areas. These initial assessment results will be discussed and analyzed in depth to determine ways to differentiate instruction based on the needs of the students. Teachers will discuss the data collaboratively to share ideas and effective strategies to drive forward student achievement. Teachers will also use this data to create fluid intervention groups in which they will target specific needs of students. These assessments will also serve as a beginning point in which progress will be monitored and measured against.

Exit Tickets, Weekly and Bi-weekly Assessments

The initial assessments help to inform teachers and groupings, but KIPP Sol does not submit to traditional models of static student groups by ability level that is not responsive on a daily basis.

In addition to early diagnostic data, KIPP Sol will also implement a variety of formative assessments including daily entrance and exit tickets and weekly or bi-weekly assessments so that groupings and teacher remediation or acceleration is responsive in a meaningful and timely manner.

Teachers administer exit tickets to check the mastery of all students in a class by the end of a lesson. During most lessons, teachers also administer mastery entrance tickets after instruction and practice on the day’s objective so that small groups can be pulled immediately for further follow up while other students can be pushed on to new topics more quickly and efficiently. These mastery checks are often performed on chromebooks, allowing the students to show the teacher his or her answer and discuss in real time any challenges; additionally, teachers are able to get a comprehensive snapshot of student mastery without delay. When students do not successfully complete an exit ticket, the teacher will direct them to further work on that particular topic either through independent tasks or on adaptive software programs.

In addition to exit tickets, KIPP Sol’s teachers will administer weekly or bi-weekly formative assessments. Using the standards-based pacing calendar, teachers will create formative assessments to appropriately measure mastery of the topics taught in the previous week or two weeks. All assessments will be standards-aligned and teachers will be encouraged to design rigorous, authentic assessments that mirror performance tasks as designed by the CAASPP developers. School Leadership will review these formative assessments to ensure rigor and alignment.

These formative assessments will often be administered online, allowing for immediate collection of responses and easier analysis through Illuminate. Teachers will analyze the data to identify topics that need to be retaught the following week, assess the effectiveness of student groupings, highlight students who continue to struggle and
those who are ready for more challenging work, and shine a light on instructional techniques that did not work. Similarly, weekly and bi-weekly assessments will reinforce successful teaching techniques and help to identify teachers who are excelling and can be tapped for professional development or best practice sharing.

At grade-level or department meetings throughout the interim assessment cycles, teachers will continue to discuss their students’ progress in mastering standards, analyze student work, and discuss best practices. Each teacher will receive one-on-one coaching, from a member of the leadership team, which will, in part, focus on planning, lesson observation, feedback, and informal assessments as they relate to student outcomes on formative assessments.

Ultimately, these weekly or bi-weekly assessments will help ensure that students receive the instruction and intervention or acceleration they need to be successful on the interim assessments and ultimately, the CAASPP. The table below shows KIPP Sol’s goals for weekly or bi-weekly assessments.

Performance expectations for these assessments can be found below:

Figure 22: Performance Expectations Weekly/Bi-weekly Assessments

<table>

</tr>
<tr>
<td>Weekly/Bi-weekly Assessments</td>
<td>Math: All students will show proficiency on at least 50% of standards.</td>
</tr>
</tbody>
</table>

**Interim Assessments**

Using the instructional cycle as a guide, from fifth through eighth grade, KIPP Sol will institute five interim assessment cycles throughout each school year. Each cycle will range in length from six to eight weeks and will culminate with a standards-based interim assessment. The standards taught during this interim assessment period will be based on a scope and sequence the teachers create after systematically backwards mapping the state standards as well as reviewing student performance on previous interim assessments. The structure and format of these assessments will mimic the structures found in the CAASPP. Assessments at KIPP Sol will consist of structured response items, constructed response items, extended response items, performance tasks, and technology-enhanced tasks.

One portion of these interim assessments will be teacher-created to ensure that they match the scope and sequence KIPP Sol has defined in both math and literacy. These assessments will be given online to prepare for the CAASPP. Online assessments are taken through Illuminate, a student data program. Students have individualized accounts and use Chromebooks to log in and complete multiple choice and constructed response online assessments. These assessments are collaborative and cover a combination of content areas, including reading comprehension, writing, science, and social studies.

In addition to teacher-created interim assessments, KIPP Sol will also use several literacy interim assessments to assess student progress from fifth through eighth grade. Starting in the eighth grade, we will utilize the Fountas
and Pinnell assessment as well as assessments created by Teachers College Reading and Writing Project to measure students’ academic growth and needs.

KIPP Sol will also administer interim writing benchmarks at least three times a year in each grade level to assess student progress in meeting CCSS writing standards as well as growth and developmentally appropriate genre-based rubrics. Grade levels will use these assessments to identify topics for mini-lessons in writing. Teachers will also choose exemplars from the assessments to guide student-based discussions at the classroom, grade-level, and school-level about overall student progress and achievement in writing.

To monitor students’ progress in mastery of science and social studies standards, teachers will administer standards-based assessments throughout the year. In fifth through eighth grade, students will take interim assessments focused on the standards they have been exposed to as well as other informal and formal forms assessment tools.

After each cycle’s assessments are completed, teachers will convene to analyze assessment data, discuss trends, and create the scope and sequence for their respective groups for the next interim assessment cycle. Special attention will be paid to the creation of intervention groups, differentiating instruction for struggling learners, and further enrichment for more advanced students.

As the interim assessment results are the primary driver of informing instruction, they also inform professional development. For example, if there is a weakness in the area of text structure school-wide, a teacher who is very strong in this area may be called upon to share with her grade level or the entire team her effective strategies in this instructional area. Also, observations may be arranged for teachers needing support to visit those teachers who are excelling in a certain area. Readings may be selected to target an area of growth in making inferences if it is an area needing improvement. The School Leader will also focus observations based on certain areas of growth to provide support to the teachers and drive forward students’ mastery of the standards.

Performance expectations for interim assessments can be found in the table below:

</table>
Data Analysis and Reporting

KIPP LA Schools maintains extensive data on student demographics, performance, and participation in special programs for all of its charter schools. These data are stored in our student information system, Illuminate. Illuminate will allow KIPP Sol to collect, analyze, and share data on student performance on formative and summative assessments easily. The KIPP LA Academics Team maintains the database system and ensures confidentiality and security.

Through Illuminate, our teachers will be able to assess individual student performance, analyze classroom patterns, and target and tailor instruction accordingly. Illuminate stores data using a unique identifier system assigned to each student. The data in use includes:

- Student demographics;
- Student National School Lunch Program (NSLP) eligibility;
- Student participation in special education;
- Student English learner status;
- Student attendance;
- Student behavioral infractions;
- Student scores and proficiency levels on state assessments;
- Student scores and proficiency levels on MAP;
- Student report card grades;
• Individual item responses on internal assessments created through the Illuminate assessment system;
• Other student-level data as necessary.

Using Illuminate and the KIPP LA-created student data dashboard, KIPP Sol’s administrators and teachers will be able to access student, classroom, and school level data in real time to create student groupings, align instruction with student needs, and reassess scope and sequence as necessary. It will allow data to be aggregated by student sub-group, classroom, and grade level. Additionally, Illuminate will allow teachers to create and administer assessments and easily collect data on student performance on those assessments, including the interim assessments discussed above. Teachers will discuss and analyze these initial assessment results in depth to determine ways to differentiate instruction based on the needs of the students. Through the use of Illuminate and Tableau, teachers will graphically analyze data to identify trends and areas of both growth and strength. Illuminate also allows teachers to export data to excel for analysis using more traditional methods. Below is an overview of the bi-weekly data process:

• Data acquisition: Staff will ensure that the data we use to assess student performance is collected and organized in a timely manner, so that all stakeholders can readily access it;
• Data reflection and analysis: Teachers will reflect on their classroom data by submitting reflection forms and conducting error analysis on all assessments. Grade levels will then come together to reflect on their results and create specific plans of action and subsequent goals to improve student outcomes. Simultaneously, the Leadership Team will meet to review school wide results and create plans to support teachers/grade levels as needed.
• Analyzing Student Work: On a regular basis, teachers will come together to analyze student work or exit tickets. The aim is to identify student misconceptions early and clarify during a reteach block.
• Lesson Plan Reviews: Weekly, grade levels will review assessments and lesson plans to ensure all teachers understand the objectives, processes, and criteria for success.
• Flexible Small Group Instruction: Based on assessment results, changes to the make-up of small groups will be made to ensure all students are receiving differentiated instruction.
• Program Alignment and Design: Through data acquisition, reflection, and analysis, KIPP Sol’s teachers will ensure that our instructional model is aligned with relevant content and standards, as well as student growth. This process will ensure that the teaching strategies and practices we employ are appropriate and supportive of the outcomes and overall design of the academic program.

In addition to assessing student data to tailor instruction, KIPP Sol will also use data to assess teacher progress towards professional growth goals including student progress and proficiency. These data are incorporated into teacher evaluations and reviews.

Finally, KIPP Sol will use student performance data to assess our educational program and ensure that we are meeting our goals as outlined above. KIPP Sol’s leadership, in concert with the KIPP LA academic team, will analyze student formative and summative assessment data to determine whether KIPP Sol is on track to meet its academic goals by the end of the year. In cases where projections fall behind goals, KIPP LA staff will work with the KIPP Sol leadership to augment instruction, intervention, or curricula to put learning back on track and progressing.
**Grading Policy**

KIPP Sol will administer grades based upon student’s mastery of the California Next Generation Science Standards, state content standards, and CCSS. Grades will be reported in quarterly school-created report cards on a scale from A-F (A, B, C, and F) corresponding to the percentages of mastery shown on classwork, homework, assessments, and special projects or labs.

Figure 24: Sample Report Card

![Sample Report Card](image)

**Promotion and Retention Policies and Procedures**

KIPP Sol, like all KIPP LA schools, will follow KIPP LA’s Board Policy on Acceleration and Retention. KIPP Sol expects students to progress through each grade level within one school year. To accomplish this, instruction will accommodate the variety of ways that students learn and include strategies for addressing academic deficiencies when needed. Students shall progress through the grade levels by demonstrating growth in learning and meeting grade-level standards of expected student achievement.

When high academic achievement is evident, based on student work, participation and assessments, the School Leader or designee may recommend a student for acceleration into a higher grade level. The student’s maturity level shall be taken into consideration in making a determination to accelerate a student.
As early as possible in the school year, the School Leader or designee shall identify students who should be retained and who are at risk of being retained in accordance with the following criteria. Students shall be identified on the basis of grades. The following other indicators of academic achievement shall also be used:

- Failure in one or more classes;
- Excessive (10) absences and/or tardies (3 tardies/early leaves = 1 absence); this is not the sole indicator
- Scoring did not meet standards or below on standards based assessments on CAASPP and or not meeting grade level goals;
- The Charter School’s decision regarding promotion and retention will be based on the totality of the circumstances and will be final and binding, subject to appeal as described below;
- CAASPP and MAP testing can be used in combination with school performance to recommend retention prior to the next school year.

Students who are at risk of retention will have a minimum of two (2) Student Success Team meetings prior to retention. The SST process is described previously in this petition in the section pertaining to intervention. The School Leader or designee will notify the student’s parent or guardian prior to end of 3rd quarter if the student is at risk of retention. Upon the conclusion of the school year, the student’s teacher(s), in consultation with the parent or guardian, shall determine if the student shall be retained. The parent or guardian may appeal the decision to retain the student to the School Leader or designee, who will meet with the parent/guardian and review the decision of the teacher(s). The School Leader’s decision may be appealed to the Executive Director or the Executive Director’s designee.
Element 4 - GOVERNANCE

“The governance structure of the charter school, including, but not limited to, the process to be followed by the charter school to ensure parental involvement.” (Ed. Code § 47605(b)(5)(D.).)

GENERAL PROVISIONS

As an independent charter school, Charter School, operated as or by its nonprofit public benefit corporation, is a separate legal entity and shall be solely responsible for the debts and obligations of Charter School.

Charter School shall ensure that, at all times throughout the term of the Charter, the bylaws of its governing board and/or nonprofit corporation are and remain consistent with the provisions of this Charter. In the event that the governing board and/or nonprofit corporation operating Charter School amends the bylaws, Charter School shall provide a copy of the amended bylaws to CSD within 30 days of adoption.

Charter School shall send to the CSD copies of all governing board meeting agendas at the same time that they are posted in accordance with the Brown Act. Charter School shall also send to the CSD copies of all board meeting minutes within one week of governing board approval of the minutes. Timely posting of agendas and minutes on Charter School’s website will satisfy this requirement.

The District reserves the right to appoint a single representative to the Charter School governing board pursuant to Education Code section 47604(b).

LEGAL AND POLICY COMPLIANCE

Charter School shall comply with all applicable federal, state, and local laws and regulations, and District policy as it relates to charter schools, as they may be amended from time to time.

Charter School shall comply with all applicable federal and state reporting requirements, including but not limited to the requirements of CBEDS, CALPADS, the Public Schools Accountability Act of 1999, and Education Code section 47604.33.

Charter School shall comply with the Brown Act and the Public Records Act.

Charter School and all employees and representatives of Charter School, including members of Charter School’s governing board, members of Charter School or governing board committees and councils, Charter School administrators, and managers, shall comply with federal and state laws, nonprofit integrity standards, and LAUSD charter school policy, regarding ethics and conflicts of interest, and shall otherwise enter into all transactions and conduct business with all persons and entities, including related parties, at arm’s length.

Charter School shall notify parents, guardians, and teachers in writing within 72 hours of the issuance of a Notice of Violation, Notice of Intent to Revoke, Final Decision to Revoke, Notice of Non-Renewal, or equivalent notice, by the LAUSD Board of Education.
TITLE IX, SECTION 504, AND UNIFORM COMPLAINT PROCEDURES

Charter School shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under Title IX of the Education Amendments of 1972 (Title IX) and section 504 of the Rehabilitation Act of 1973 (“Section 504”), including any investigation of any complaint filed with Charter School alleging its noncompliance with these laws or alleging any actions which would be prohibited by these laws. Charter School shall notify all its students and employees of the name, office address, and telephone number of the designated employee or employees.

Charter School shall adopt and publish complaint procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX or Section 504.

Charter School shall adopt and implement specific and continuing procedures for notifying applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with Charter School, that Charter School does not discriminate on the basis of sex or mental or physical disability in the educational programs or activities which it operates, and that it is required by Title IX and Section 504 not to discriminate on any such basis.

Charter School shall establish and provide a uniform complaint procedure in accordance with applicable federal and state laws and regulations, including but not limited to all applicable requirements of California Code of Regulations, title 5, section 4600 et seq.

Charter School shall adhere to all applicable federal and state laws and regulations regarding pupil fees, including Education Code sections 49010 - 49013, and extend its uniform complaint procedure to complaints filed pursuant to Education Code section 49013.

Charter School shall extend its uniform complaint procedure to complaints filed pursuant to the Local Control Funding Formula legislation provisions set forth in Education Code section 52075.

RESPONDING TO INQUIRIES

Charter School, including its nonprofit corporation shall promptly respond to all inquiries, including but not limited to inquiries regarding financial records from the District, and shall cooperate with the District regarding any inquiries. Charter School acknowledges that Charter School, including but not limited to its nonprofit corporation, is subject to audit by LAUSD, including, without limitation, audit by the District Office of the Inspector General. Charter School shall provide the District with current and accurate contact information for Charter School, Charter School administrators, and Board members.

If an allegation or other evidence of waste, fraud, abuse, or other material violation of law related to Charter School’s operations, or breach of the Charter, is received or discovered by the District, Charter School, including but not limited to its nonprofit corporation, employees, and representatives, shall cooperate with any resulting inquiry and/or investigation undertaken by the District and/or the Office of the Inspector General Investigations Unit.
Charter School acknowledges and agrees that persons and entities that directly exercise control over the expenditure of Charter School’s public funds shall be subject to all necessary and appropriate District charter school oversight.

**Notification of the District**

Charter School shall notify the Charter Schools Division (CSD) in writing of any citations or notices of workplace hazards, investigations by outside regulatory or investigative agencies, lawsuits, changes in corporate or legal status (e.g., loss of IRS 501(c)(3) status), or other formal complaints or notices, within one week of receipt of such notices by Charter School. Unless prohibited by law, Charter School shall notify the CSD in writing of any internal investigations within one week of commencing investigation. Charter School shall notify the CSD within 24 hours of any dire emergency or serious threat to the health and safety of students or staff.

**Student Records**

Upon receipt of a student records request from a receiving school/school district, Charter School shall transfer a copy of the student’s complete cumulative record within ten (10) school days in accordance with Education Code section 49068. Charter School shall comply with the requirements of California Code of Regulations, title 5, section 3024, regarding the transfer of student special education records. In the event Charter School closes, Charter School shall comply with the student records transfer provisions in Element 15. Charter School shall comply with the requirements of Education Code section 49060 et seq., which include provisions regarding rights to access student records and transfer of records for youth in foster care.

**Parent Engagement**

Charter School shall not require a parent or legal guardian of a prospective or enrolled student to perform volunteer service hours, or make payment of fees or other monies, goods, or services in lieu of performing volunteer service, as a condition of his/her child’s admission, continued enrollment, attendance, or participation in the school’s educational activities, or otherwise discriminate against a student in any manner because his/her parent cannot, has not, or will not provide volunteer service to Charter School.

**Federal Program Compliance**

As a recipient of federal funds, Charter School has agreed to meet all applicable programmatic, fiscal and other regulatory requirements of the Elementary and Secondary Education Act (ESEA, also known as Every Student Succeeds Act (ESSA)) and other applicable federal programs. Charter School understands that it is a local educational agency (LEA) for purposes of federal compliance and reporting purposes. Charter School agrees that it will keep and make available to the District any documentation necessary to demonstrate compliance with the requirements of ESEA and other applicable federal programs. Charter School also acknowledges that, as part of its oversight of Charter School, the District may conduct program review for federal as well as state compliance.

**Governance Structure**

The Charter School will be a directly funded independent charter school and will be operated by KIPP LA Schools, a California non-profit public benefit corporation, pursuant to California law upon approval of this charter.
The Charter School will operate autonomously from the District, with the exception of the supervisory oversight as required by statute and other contracted services as may be negotiated between the District and the Charter School. Pursuant to Education Code Section 47604(c), the District shall not be liable for the debts and obligations of the Charter School, operated by a California non-profit public benefit corporation, or for claims arising from the performance of acts, errors, or omissions by the Charter School.

Organizational Chart

A single board governs KIPP LA Schools by providing leadership, support and oversight of the organization. The Board of Directors is responsible for hiring the Executive Director. KIPP LA’s management team hires all other positions within KIPP LA.

The governance structure of KIPP LA Schools achieves two primary objectives:
- To promote the success of KIPP Sol Academy and its students through community-based support, involvement, and local responsibility; and
- To ensure adherence to the proven success of the KIPP educational philosophy that has been demonstrated across the nation.

Figure 25, below, is an organizational chart of the KIPP Sol Academy governance structure.

Figure 25a: KIPP Sol Governance Organization Chart

At the school level the structure looks like:

Figure 25b: School Level Organization
Note that the EL coordinator duties are added to an administrator’s role, at KIPP Sol our Assistant School Leader assumes this role.

Role of Governing Board

The KIPP LA Schools Board of Directors (the “Board”) will include several standing committees, Figure 15, designed to enhance the operation of the board and provide additional oversight. The Board and all standing committees, as well as the Board itself, hold public meetings in accordance with the Ralph M. Brown Act. KIPP LA has the following standing committees:

- Finance. The Finance Committee reviews and recommends approval of the annual operating budget to the full board, regularly reviews and monitors financial results, ensures the maintenance of an appropriate capital structure; and oversees the management of financial assets. This committee currently has 4 members.
- Governance. The Governance Committee ensures the constant health and effectiveness of the full board and the work it performs for the organization. The committee focuses on evaluating the Board and the Executive Director, determining executive compensation and Board composition, and leading Board recruiting, nominating, training and education. This committee currently has 4 members.
- Audit. The Audit committee oversees accounting and financial reporting processes including internal controls, and will retain and oversee the Charter School’s annual fiscal audit. This committee currently has 3 members.
- Student Disciplinary Procedures. The Student Discipline committee oversees the due process for student suspensions and expulsions. This committee currently has 4 members.

The KIPP LA Schools Board may also use, from time to time, ad hoc committees as well as task forces to help with specific issues or projects including special events, real estate/facilities, etc.

Figure 26: KIPP Sol Standing Board Committees
The Executive Director, who reports to the board, is responsible for the management and operations of KIPP LA. They help support the Audit Committee, the Governance Committee and the full Board. The Executive Director’s direct reports include:

- **Chief Academic Officer ("CAO").** The CAO is responsible for the operation and oversight of all KIPP LA schools. Her team manages, coaches and supports school leaders; provides data support including the student information system and the student achievement system; and leads public grants programmatic support and compliance. The Director of Special Education and the Managing Director of Academics report to the CAO. The CAO helps support the Parent Engagement ad hoc committee and the Student Discipline Committee of the Board.

- **Chief of Employee Solutions and Legal Affairs ("CESLA").** The CESLA oversees all Human Capital functions including teacher recruitment, credentialing, and human resources. Further, they serve as General Counsel for KIPP LA and coordinates with KIPP LA’s outside legal counsel on all legal matters. The CESLA helps support the Student Discipline Committee.

- **Chief of Staff ("COS").** The COS is responsible for planning, project management and systems rollout, board management and special projects. The COS fills in during leadership vacancies within the senior leadership team described in this section, to provide additional management support. The COS helps support the Governance Committee and the full Board.

- **Chief of Finance & Operations ("CF&O").** The CF&O oversees all financial and operational aspects of KIPP LA. The CF&O is responsible for ensuring the financial well-being of the organization and ensures that all operational compliance is met. He supports both the Audit and Finance Committees.

- **Chief of Innovation & Technology ("CIT").** The CIT oversees KIPP LA’s technology efforts including core infrastructure, student and teacher device support as well as our online curriculum.

- **Chief of Advancement ("COA").** The COA oversees KIPP LA’s fundraising, marketing, public relations, and volunteer efforts.
- Director of Real Estate. The Real Estate Director is charged with finding, securing, and developing KIPP LA’s real estate and ensuring that all facilities meet the necessary requirements of a school.
- Director of KIPP Through College (“KTC”). Through out regional KIPP Through College team, the KTC Director leads KIPP LA’s alumni support efforts, which include high school placement and support, college access, and college retention. KIPP LA currently supports nearly 1,200 alumni in high school and college.

**Governing Board Composition and Member Selection**

**Composition of KIPP LA Schools Board of Directors**

The KIPP LA Schools Board of Directors is comprised of community members. The authorized number of directors on the KIPP LA Schools Board shall not be less than three (3) and not greater than twenty (20). Board members can serve up to three, three-year terms (nine years total). The Board is comprised of individuals with experience in education, nonprofits, entrepreneurial growth companies, legal, real estate, community service, philanthropy, media and education policy. KIPP LA Schools seeks to have a diverse board that can provide a variety of expertise, opinions, and perspectives to help the organization continue to improve.

Prospective board members are cultivated by sharing the mission of KIPP LA and a school tour; setting expectations in terms of responsibilities and commitments of Board members; setting a vision for how Board membership meets the individual and organizations needs. 2) Board or staff member supporting the candidacy of prospect introduces them to CEO and Governance Committee. 3) Governance Committee meets with candidate and evaluates qualifications to serve. 4) Governance Committee, if in agreement, makes a formal recommendation to full Board of KIPP LA Schools for a vote. 5) Board Chair meets with prospective candidate to extend offer to join KIPP LA Board

The KIPP LA Board seeks to add new members as needed. Our current Board of 15 members provides the organization with adequate committee members, a range of professional expertise and representation of a cross-section of Los Angeles. The Board seeks to attract a variety of individuals who serve one or more roles on the Board: Governance; Ambassador including involvement in community; Sponsor by giving their expertise, money and time; Consultant by providing his or her skills and knowledge. Specific skillsets to ensure adequate governance include real estate, legal, accounting and finance expertise.

Please see Tab 7 for a list of KIPP LA Schools Board members and their resumes.

**Qualifications of KIPP LA Schools Board Members**

KIPP LA Schools’ Executive Director will work closely with the Board of Directors to ensure that Board members fully support the Charter School’s mission, culture, and goals. The Board will represent a cross section of Los Angeles and will include persons with expertise in real estate, education, management, finance, and law. The qualifications sought in those candidates interested in serving on the Board include but are not limited to:

- A dedication to furthering the vision and mission of KIPP LA Schools;
- Willingness to volunteer for one or more board committees and the ability to contribute appropriate time and energy necessary to follow through on assigned tasks;
- Ability to work within a team structure;
- Expectation that all children can and will learn and realize high academic achievement; and
- Specific knowledge, experience, and/or interest in at least one element of governance for KIPP LA Schools.

New members of the Board of Directors or members seeking another term will be selected and renewed through a governance process outlined below in steps 4-6 of the Board recruiting and selection process.

**Board Recruiting and Selection Process**

It is important that every member of the KIPP LA Board of Directors is aligned with the needs and expectations of KIPP LA. We achieve this by ensuring potential candidates are invested in KIPP LA’s mission, understand the expectations for Board participation, and have a vision for their contribution to the Board. We will achieve this alignment through the following board recruiting process:

1. Board or staff member who knows the prospect will have an initial conversation with the prospect to gauge interest and dedication to KIPP LA’s mission.
2. Cultivation of the prospective Board member. Ensure alignment between the needs and expectations of KIPP LA and the needs and expectations of the individual. This will be achieved by:
   a. Investing candidates in the mission of KIPP LA
   b. Setting expectations for prospective Board members
   c. Creating a vision for how Board membership meets the needs of both the individual and the organization
3. Board or staff member who knows the prospect will recommend the prospect to a Governance Committee member or the Executive Director.
4. Board Governance Committee, a committee of the KIPP LA Schools Board, reviews the prospective board member’s qualifications, fit and desire to serve.
5. Executive Director, Chief of Staff, and Board Governance Committee cultivates prospective Board member:
   a. Prospective Board member receives information concerning the history and future plans of KIPP LA Schools, including the KIPP LA Schools Board handbook and annual report;
   b. Prospective Board member visits one or more KIPP LA schools;
   c. Prospective Board member meets with Executive Director;
   d. Prospective Board member attends a Board meeting;
   e. Prospective Board member interviews with Governance Committee member(s);
   f. Prospective Board member meets with member(s) of Governance Committee where requirements and responsibilities of KIPP LA Board are explained and agreed upon;
6. Board Governance Committee presents formal recommendation to the full Board of KIPP LA Schools; Board votes on prospective candidate.
7. Board Chair meets with prospective candidate and extends offer to join KIPP LA Schools Board.

**Roles and Responsibilities of KIPP LA Schools Board Members**

The KIPP LA Schools Board of Directors’ primary responsibility is to help set policies and work with the Executive Director to guide KIPP LA Schools. The Board is empowered to:

1. Forward the mission of KIPP LA
   o Understand and support KIPP LA’s mission as a unique community resource in South and East Los Angeles and as a part of the larger KIPP movement;
2. Influence strategy
   - Review and provide feedback on both the short and long term goals and strategic plans of KIPP LA to help the organization further its mission and achieve its vision;
   - Develop the strength of the board through assessment, recruitment, self-assessment and training;
3. Lead & Govern
   - Be an informed and engaged stakeholder, including attendance at Board of Directors meetings and committee meetings;
   - Understand and comply with the regulatory and legal requirements required of a director of a public agency;
   - Ensure that KIPP LA complies with state and federal regulations and upholds the mission of the charter;
   - Approve operational policies that support the mission and goals of KIPP LA;
   - Review, advise, support and hold accountable the Executive Director of KIPP LA Schools;
4. Oversee administration
   - Approve the budget and all financial commitments over $100,000 or any incurrence of debt, provide fiscal oversight and develop and monitor the organization’s programs and services;
   - Ensure that KIPP LA Schools including KIPP Sol is compliant with its internal policies and procedures;
   - Comply with all meeting requirements and administrative functions as outlined in the charters and bylaws;
   - Review and understand KIPP LA School’s academic performance results as compared with stated goals and similar schools;
   - Review and approve resolutions, applications and compliance report submittals as necessary to operations;
5. Participate in fundraising
   - Make a significant personal financial contribution to KIPP LA;
   - Actively participate in fundraising to ensure that KIPP LA has adequate resources to achieve its goals;

Board Professional Development

To prepare each new Board member to quickly become an asset to KIPP LA Schools, there is an extensive orientation plan in place. The following are the expected outcomes of the orientation phase, which typically spans the first three months of a Board member’s tenure:

- Build relationships with other Board members and KIPP LA senior leadership team members
- Learn the organization, culture, mission, strategic priorities, financial health and results
- Learn the environment in which we operate including key stakeholders (authorizers, funders, KIPP Foundation)
- Ensure strong understanding of the operations of the Board
- Identify opportunities to leverage strengths and accelerate contribution to the organization (e.g. Committee membership, organizational opportunities)
Mandatory Brown Act training on an ongoing basis, so that Board members can continue to make positive contributions to the organization the following is in place for continuing Board member education:

- Annual mandatory Brown Act training
- Ongoing investments in building Board member knowledge of both the organization as well as the environment in which it operates. Examples are attendance at KIPP LA events and school functions and attendance at the KIPP School summit.
- Responsibility for setting new Board members up for success and accelerating their contribution is shared between the KIPP LA Board (e.g. Board Chair and Governance Committee) and the KIPP LA senior leadership team (e.g. Executive Director and her direct reports).

**Governance Procedures and Operations**

**Meetings of KIPP LA Schools Board of Directors**

KIPP LA Schools Board of Directors holds public meetings in accordance with the Ralph M. Brown Act. KIPP LA Schools Board of Directors and its committees are subject to the Brown Act. Board members will support the mission of the Charter School and serve on the Board voluntarily. In the conduct of meetings the KIPP LA Schools Board will:

- Publicly post an agenda at least 72 hours prior to all Board meetings in accordance with the Ralph M. Brown Act requirements. Agendas are posted on KIPP LA’s website and are available on the website for each individual school. Additionally, the agenda is posted on the main entrance of each individual school and at KIPP LA’s offices;
- Hold all meetings within the boundaries of the LAUSD, preferably at a KIPP LA school or the Regional office;
- Set aside time at each meeting for public comment;
- Conduct all votes in public, unless a vote is permissibly cast in closed session;
- Upon request, provide to members of the public copies of any materials provided to the Board (unless specifically exempted by the Brown Act or Public Records Act.);
- Approved minutes from the previous Board meeting are posted on KIPP LA’s website.

The KIPP LA Schools Board of Directors will meet at least quarterly (four times per year or more). The annual meeting schedule is created in advance of the year in collaboration with the Governance Committee and KIPP LA management. Meetings will be aligned to the needs of the organization including mandatory deadlines to meet applicable district, state, and federal requirements. The Board Secretary is responsible for recording governing board actions.
**Quorum and Voting**

A majority of the total number of Directors then in office (but no fewer than two Directors or one-fifth of the then authorized number of Directors, whichever is greater) shall constitute a quorum for the transaction of business. Every act taken or decision made by a vote of the majority of the Directors present at a meeting duly held at which a quorum is present is the act of the Board, unless a greater number is expressly required by California Nonprofit Corporation Law, the Articles of Incorporation or these Bylaws.

**Abstention Process**

In the case of a Board Member who chooses to abstain from a vote, KIPP LA adheres to the Robert’s Rules concerning abstentions. They are as follows:

- Abstentions are counted and noted as abstentions, not a “yes” or “no” vote;
- An abstention does not affect the outcome of the vote;
- All members have the right to abstain and cannot be compelled to vote;

In the case of an abstention, the majority needed to pass the motion in question is based on the number of votes cast, not the number of Board Members present.

**Telephone and Video Meetings**

Directors may participate in a meeting through use of conference telephone or electronic video screen communication. Participation in a meeting through use of conference telephone or electronic video screen communication constitutes presence in person at that meeting so long as all members participating in the meeting are able to hear one another.

Teleconferencing may be used for all purposes during any meeting if the following are met:

- At least a quorum of the legislative body must participate from locations within LAUSD’s jurisdiction;
- Additional teleconference locations may be made available for the public;
- Each teleconference location must be specifically identified in the notice and agenda of the meeting, including a full address and room number, as may be applicable;
- A teleconference meeting is a meeting in which one or more Directors attend the meeting from a remote location via telephone or other electronic means, transmitting audio or audio/video. Any meeting may be held by conference telephone or other communications equipment permitted by California Nonprofit Corporation Law, and all Directors shall be deemed to be present in person at such meeting as long as all Directors participating in the meeting can communicate with one another and all other requirements of California Nonprofit Corporation Law are satisfied. Such meeting must also be noticed and conducted in compliance with Section 54953(b) of the Brown Act, including without limitation the following: (a) At a minimum, a quorum of the Board shall participate in the teleconference meeting from locations within the boundaries of the Los Angeles Unified School District;
KIPP LA complies with Brown Act and posts notification of public meetings 72 hours in advance on our website (www.kipla.org) and at each school site. This posting is the same for teleconference meetings and their corresponding locations. Each teleconference location must be specifically identified in the notice and agenda of the meeting, including a full address and room number, as may be applicable; Agendas must be posted at each teleconference location, even if a hotel room or a residence; Each teleconference location must be accessible to the public and have technology, such as a speakerphone, to enable the public to participate; The agenda must provide the opportunity for the public to address the legislative body directly at each teleconference location; and All votes must be by roll call.

**Stakeholder Involvement**

We have built a school and program based on high expectations, excellent instruction, focusing on results, and partnering with families. Our partnership with families is instrumental in achieving our results. Our parents are well informed about intervention strategies to use at home from our workshop-style Literacy Night and Math Night for families. Teachers and administrators frequently check in with parents about student progress via telephone, written notes, and in person, and via home visits.

The school will also have a School Site Council (SSC) that will meet once a month, in conjunction with other parent groups, and is made up of teachers and parent and led by an administrator. We will have equal parts school representatives and parent, community representatives. Teachers can be members of our school site council, and attend stakeholder meetings regarding our LCAP. Each person, except for the school administrator, will be elected by his or her peers to serve on the SSC. The SSC main responsibilities will be to review the school’s LEA plan.

Our collaboration with parents is an indispensable part of our school. We view our parents as partners in the education of their children and seek their input regularly through our Family Leadership Council (“FLC”). With the FLC, parents have the opportunity to be leaders in many of the Charter School’s extracurricular activities (like the winter concert and chocolate sale), voice their ideas, attend educational workshops, and learn more about what goes on in our school.

The Charter School will also engage all stakeholders to include parents, teachers, staff and administrations in its annual development and review of its Local Control Accountability Plan (LCAP). Stakeholder engagement is typically organized in 3 parts: Educating, Learning and Engaging, and Revising. Stakeholders are continuously engaged about the progress of our school; however, we will host at least one official LCAP meeting annually.

We also dedicate a significant amount of time to parent education. Parent education covers several topics including how to best help their children succeed academically, to informing parents of the programmatic and funding requirements our school complies with. Teachers hold office hours to support and train parents. In
addition, we hold Back to School Night, Literacy Night, Math Night, Living the College Dream, Standardized testing Night, Art Night, Spanish Night, and College Readiness Night.

Parents will help the entire classroom community, not just their child. The objective is two fold; we want parents to take ownership of the education all children are receiving and students to understand that their parents are also their teachers. While doing this, we build a strong sense of community, collaboration, and internalize the “we are all in this together” mentality.

In terms of receiving and incorporating feedback from parents, at the end of the Family Leadership Council meetings, School Leadership spends time listening to concerns and feedback. This may be a family leadership meeting our one of the family nights described in the first paragraph of this section. The School Leader and/or Administrative Designee, listens, responds or follows up directly with the impacted stakeholders. In terms of providing feedback on the educational program, School Leadership carves out time during one of the family meetings to present the Charter Schools academic goals and get their feedback. The staff then analyzes the trends and incorporates as we see fit. Teachers can be members of our school site council, and attend stakeholder meetings regarding our LCAP.

Members of the Board of Directors of KIPP LA Schools work closely with KIPP LA Senior Leadership to help support all KIPP LA Schools. They demonstrate their dedication to KIPP LA's mission and students by championing the organization in the community and lending their professional expertise to development and operational matters. The Board provides thorough and rigorous financial and operational oversight of the organization in order to ensure compliance and long-term sustainability.
ELEMENT 5 - EMPLOYEE QUALIFICATIONS

“The qualifications to be met by individuals to be employed by the charter school.” (Ed. Code § 47605(b)(5)(E).)

EQUAL EMPLOYMENT OPPORTUNITY

Charter School acknowledges and agrees that all persons are entitled to equal employment opportunity. Charter School shall not discriminate against applicants or employees on the basis of race, color, religion, sex, gender, gender expression, gender identity, sexual orientation, pregnancy, national origin, ancestry, citizenship, age, marital status, physical disability, mental disability, medical condition, genetic information, military and veteran status, or any other characteristic protected by California or federal law. Equal employment opportunity shall be extended to all aspects of the employer-employee relationship, including but not limited to recruitment, selection, hiring, upgrading, training, promotion, transfer, discipline, layoff, recall, and dismissal from employment.

ESEA/ESSA AND CREDENTIALING REQUIREMENTS

Charter School shall adhere to all requirements of the Elementary and Secondary Education Act (ESEA, also known as Every Student Succeeds Act (ESSA)) that are applicable to teachers and paraprofessional employees. Charter School shall ensure that all teachers are appropriately assigned and fully credentialed in accordance with applicable state requirements for certificated employment, including but not limited to the provisions of Education Code section 47605(l). Charter School shall maintain current copies of all teacher credentials and make them readily available for inspection.

Employee Positions and Qualifications

KIPP Sol Academy’s leadership team is led by a School Leader who reports to the Managing Director of Schools. The Managing Director of Schools reports to the Chief Academic Officer. The School Leader is charged with running the school and overseeing all aspects of the Charter School from academic achievement to operational compliance to family engagement.

The Charter School’s leadership team includes the School Leader, Assistant School Leader, Assistant Principal (AP) Dean, and School Business Operations Manager. Certificated staff includes lead teachers, apprentice teachers, instructional support coaches, and special education service providers. Non-certificated staff include after school program instructors, instructional aides, office associates, and school lunch aides. The Dean and School Business Operations Manager report to the School Leader. Special education staff includes the special education coordinator, school psychologist, and speech and language pathologist, all report directly to the Director of Special Education who is employed at the regional level. The Resources Specialist reports jointly to the Director of Special Education and the School Leader. Figure 27, below, outlines all staff positions at KIPP Sol Academy and their reporting relationships.

KIPP Sol Academy employs four lead classroom teachers at every grade level. Fifth grade and sixth grade will have an intervention teacher that helps support students in their specific grade level, in addition to a co-teacher for phonics and guided reading. KIPP Sol Academy’s blended learning model allows for students to receive all instruction in English language arts and mathematics in small groups ranging from six to 15 students depending on the needs of the learners in the group.

All positions do have the same minimum education qualifications; we have grouped them together as they are the decision makers at the schools. Based on school need, and staff strengths the school leader may assign the duties outlined as they see fit.

Charter School Administration is responsible for the overall academic program and management of the Charter School. S/He is the primary person responsible for keeping the Charter School focused on realizing its mission, adhering to the five pillars – high expectations, choice and commitment, more time, power to lead and focus on results–enhancing the Charter School’s culture and upholding its values. School Administration’s chief responsibility is to support, guide, and develop teachers in their pursuit of teaching excellence.

**Essential Functions:**

1. **Student Performance**
   - Set and enforce rigorous standards for student achievement that are in line with the goals of KIPP LA Schools.
   - Ensure the academic program meets or exceeds yearly student outcome goals as defined by KIPP LA Schools and measured by the CAASPP and MAP.

2. **Organizational Leadership**
   - Develop organizational goals and objectives consistent with the mission and values of KIPP Academy of Opportunity and KIPP LA Schools.
   - Lead teachers in developing a healthy school culture aligned with the mission, vision and values of the Charter School and the region.
   - Create a culture of excellence, team work and collaboration amongst the staff, teachers, students and families
   - Foster a school climate that supports both student and staff success and promotes respect and appreciation for all students, staff and parents.
   - Oversee all programs, services, and activities to ensure that program objectives are met.
   - Ensure compliance with funding sources, KIPP National, KIPP LA Schools, the State of California, The Federal Government, the County of Los Angeles and the Los Angeles Unified School District.
   - Manage student recruitment and enrollment process to ensure that the school achieves its targeted enrollment projections.
   - Ensure the safety and security of all students, staff, visitors, and public and private property.
   - Ensure an orderly learning environment.
   - Ensure appropriate standards of student behavior, performance, and attendance.
   - Address any disciplinary issues fairly and immediately.

3. **Instructional Leadership**
   - Manage, evaluate and develop a team of teachers.
   - Work with teachers to constantly assess and improve student achievement results.
   - Ensure use of effective, research-based teaching methodologies and practices.
   - Implement data-driven instruction and lead discussions about student performance.
• Work with teachers to improve their teaching practice through coaching, professional development, modeling, and collaborative planning.
• Keep abreast of successful instructional methodologies and practices.
• Provide high quality curricular training and resources to staff.
• Ensure consistencies in instruction and practice amongst team of teachers.
• Foster culture of professionalism among teachers and staff.
• Ensure learning environment and classroom instruction maximizes student learning.
• Monitor progress of all students.
• Supervise and mentor all teachers.

4. Operational Leadership
• Develop a budget development with the assistance KIPP LA Schools Executive Director and Finance/Accounting Team that meets targeted requirements.
• Oversee routine facilities maintenance.
• Oversee management of school records and resources as necessary.
• Participate in fundraising activities, as requested, to ensure adequate resources for KIPP Academy of Opportunity and KIPP LA Schools.
• Ensure compliance of local, state, and federal laws and regulations and court orders.

5. Personnel
• Recruit, select, and hire Charter School staff, including teachers and school-based support staff.
• Continually monitor progress on all measures of Charter School and staff performance.
• Administer KIPP LA Schools approved personnel policies and procedures.
• Ensure legal hiring and termination procedures in collaboration with the School Support Center staff.
• Oversee any and all disciplinary actions.
• Provide for adequate supervision, training, and evaluation of all staff and volunteers.
• Communicate the vision that supports the Charter School’s goals and values.
• Create an effective team of people jointly responsible for the attainment of Charter School goals and committed to achieving excellence.

6. Community Relations
• Serve as liaison between teachers, parents, and the community.
• Exhibit a high degree of professionalism in all elements of this position, while serving as a contributing member of the KIPP LA Schools team and a dedicated role model for other employees.

Minimum Qualifications for all Administration:
• BA required; MA preferred.
• Minimum of three years of successful, full-time, lead teaching experience required
• Minimum of two years of administrative or leadership experience in a school setting required
• Demonstrated success working with students from educationally underserved areas
• Self-aware with a strong commitment to continuous learning
• Strong written and oral communication skills
• Sense of humor
• Unquestioned integrity and commitment to the mission and values of KIPP LA Schools

CHARTER SCHOOL BUSINESS OPERATIONS
KIPP LA: As all of the positions support operations we have grouped them together. The SBOM is the leader for operations at the school and manages both OM and Bilingual Ops Aide.

Charter School Business Operation is critical to the successful and efficient operation of KIPP LA school sites. The operations team implements and maintains clear systems that allow the School Leaders and instructional staff to drive superior student achievement outcomes. This includes managing the School Nutrition Program, Student Information and Attendance Reporting, Health and Safety, Insurance, and Facilities as well as ensuring that the Charter School is in compliance with all local, district, state, and federal laws and regulations. S/he will work closely with the School Support Team in its efforts to provide the Charter School with operational and financial guidance and assistance. The School Business Operations Manager will manage operations staff including an Office Manager/Office Associate(s) and will report to the School Leader.

School Business Operations Manager

- Team Management: Manages all operations staff at the school-site; sets goals for operations team and leads/supports team members toward both performance and developmental goals through regular check-ins and the implementation of KIPP LA performance management systems; works and collaborates with the broader KIPP LA operations community, including other school business operations managers, to help drive operational best practices across our schools;

- Finance and Purchasing: On-site arm of the Finance & Accounting Staff, with responsibility for timely vendor and purchase order submissions, effective implementation of financial policies, and assistance to the School Leader in oversight and control of Charter School expenditures;

- Facilities: Manages and oversees the upkeep of the Charter School’s facilities and coordinates with the School Support Center to implement school facility projects; Manages maintenance, janitorial and pest control services and vendor relationships; Develops and maintain facility maintenance plans and schedules;

- Nutrition Program: Manages the School Nutrition Program and implements processes and procedures that result in high quality and cost effective food services; Submits meal reimbursement claims, coordinate with food vendor, and ensures compliance with applicable laws and regulations;

- Trip Planning and Event Coordination: Plans and coordinates logistics for school events and activities as needed, including, Saturday school, parent meetings, concerts, special ceremonies, fundraise and field lessons;
• Compliance: Coordinates with the School Support Center to ensure that compliance requirements and reports are completed on time;

Student Information & Data
• Manages and maintains Illuminate, KIPP LA’s student information system;
• Maintains student records in accordance with federal, state, and school-based policies, as well as audit guidelines;
• Monitors records verification of incoming students, prepares transcripts for current students, and prepares withdrawal forms for transferring students;
• Ensures confidentiality and security of office space, files, and all information pertaining to students, parents, staff, and community;
• Supports annual new student recruitment, lottery, and enrollment processes; and
• Supports school data submissions, such as CALPADS.

Attendance
• Ensures the accuracy of students’ daily attendance, as well as medical, tardy, and early leave logs; and
• Prepares monthly attendance reports.

Office Operations
• Organizes, secures, and maintains a pristine office space and environment;
• Directs phone calls and guests warmly and professionally;
• Types, translates, and distributes school correspondence including letters, memos, and bulletins;
• Assists with coordinating travel arrangements, field trips, and other student and school-wide events;
• Assists in ordering, purchasing, receiving, and organizing materials;
• Supports all school-based communication systems; and
• Distributes all incoming mail.

Student and Family Relations
• Attends to student needs and injuries;
• Welcomes and attends to prospective and current families;
• Upholds and maintains a positive, nurturing, achievement-oriented school culture;
• Seeks and implements feedback from stakeholders (parents, peers, manager, etc.) and offers feedback in an honest, respectful and timely way; and
• Builds relationships with families to keep them well-informed and support their needs.

The Operations Aide’s duties and responsibilities include:
• Set up breakfast and/or lunch area daily, including distributing meals to students (no cooking or food preparation required) and following all required procedures;
• Set up and take down play equipment and materials;
• Provide opportunities for students to play organized games during recess;
• Support and supervise students to resolve conflicts independently
• Supervise students as they eat and play;
- Assist with lunch clean-up;
- Assist with breakfast clean-up in classrooms;
- Uphold all values and expectations while supervising students;
- Communicate with teachers and staff regarding students’ behavior; and
- Other duties as assigned.

Qualifications
- A Bachelor’s degree from an accredited college or university required
- Master’s degree preferred for School Business Operations Manager
- High School Diploma for Operations Aide
- Minimum 2 years of professional experience, 4 preferred with at least one year of managing others
- Spanish language skills is a plus
- Prior school or nonprofit experience preferred
- Ability to work in a Windows and Macintosh environment
- Experience managing data
- The ability to work autonomously
- Demonstrated initiative, leadership, and tenacity
- Strong commitment and passion for KIPP LA’s mission and values.

### Instructional & Support

Types: Instructional coach, grade/ department leader, core, elective, and intervention teacher, instructional assistant

### Instructional Coach

The instructional coach is a leadership position. The instructional coach will work in conjunction with teachers to support student learning. The instructional coach will focus on individual and group professional development that will expand and refine the understanding about researched-based effective instruction. In order to meet his purpose, the Instructional Coach will provide personalized support that is based on the goals and identified needs of individual teachers. The instructional coach will execute the following necessary responsibilities to meet this vision.

#### Grade Level/ Department Leader

The grade level leader is a leadership position. The grade level leader will work in conjunction with the School Leader to invest a grade level team of mission-driven educators in the instructional vision for the grade level and execute the necessary components to meet this vision.

These components will include:
- Setting high, but achievable standards for student achievement,
- Analyzing student data and facilitating next steps to ensure continued achievement,
- Overseeing grade-level culture and discipline.

Success in this role will be measured by grade-level student achievement and ability to align priorities, instruction and grade-level culture to the school-wide vision, mission and values. The grade level leader will develop a Reflection and Development Plan that includes functional goals based on student achievement and
developmental goals aligned with our school-based competency model. In order to meet goals, the Dean will participate in weekly planning meetings and weekly check-ins with the School Leader.

Teacher

KIPP LA Schools seeks dynamic educators to teach our students. The primary responsibilities of a KIPP LA teacher are to ensure that students achieve and/or exceed grade level standards, and to provide students with a strong college-preparatory education. Other responsibilities include: delivering a high-quality, rigorous, and effective curriculum; planning, implementing, and reflecting upon all aspects of instruction in the assigned areas in order to realize the Charter School’s mission; and developing in all students positive character habits centered around the Charter School’s values. KIPP LA teachers report to and are evaluated by their school’s leader.

Resource Specialist Program Teacher

The Resource Specialist Program (RSP) Teacher will provide individualized instruction and support to students with special needs at one or more of our elementary and middle schools. S/he will dually report to the Director of Special Education and the School Leader(s).

Duties & Responsibilities include:

- Teach the academic skills, foster the intellectual habits, and cultivate the character traits needed for our students to thrive in high school, college, and life
- Contribute to the design of a rigorous curriculum that includes the Charter School’s standards as well as the California State Content Standards and Common Core State Standards
- Plan, prepare, and implement lesson plans that utilize a variety of instructional strategies and differentiate teaching based on the diverse and individual needs of all students
- Model and teach the values of the KIPP LA school and uphold the Commitment to Excellence
- Implement classroom management techniques to create a nurturing, safe, & structured learning space
- Maintain high expectations for students’ academic achievement and conduct
- Value and draw upon students’ experiences and backgrounds
- Develop and administer assessments to measure students’ growth and monitor mastery of standards
- Analyze informal and formal student assessment results to drive and inform instruction
- Actively participate in professional development sessions & reflect on teaching craft to make improvements
- Build positive and trusting relationships with students, families, and community members
- Communicate and collaborate professionally with teammates
- Adhere to school policies, procedures, and deadlines, including work schedule
- Strive to exceed standards on KIPP Framework for Excellence in Teaching
- Leads team meetings, ensuring that the team meets for at least 60 minutes per week;
- Calls for additional team meetings when necessary in order to best meet needs of the students;
- Creates a data driven, results driven culture among the team;
- Creates systems of accountability so that next steps are completed on time and are high quality;
- Builds family and community relationships through home visits, participation in parent workshops, assemblies and community inquiry projects;
● Seeks and implements feedback from stakeholders (parents, manager, etc.) and offers feedback in an honest, respectful and timely way;
● Identifies and establishes cultural goals with the team;
● Organizes and leads family meetings when necessary in order to proactively plan support systems for students that are having challenges academically or behaviorally across all classes;
● Is available by cell phone (provided by the school) for students and families to answer questions or address concerns until 8:00pm nightly; and
● Other duties as assigned.
Qualifications and desired characteristics:
● BA or BS required; and MA or MS preferred;
● Four years of successful full-time teaching experience serving a similar student population;
● Excellent organizational, planning and implementation skills;
● Ability to manage ambiguity and multiple priorities inherent in entrepreneurial environments;
● Relentless results-orientation and strong sense of purpose;
● Ability to establish relationships and communicate effectively with multiple constituencies;
● Reflective and able to execute in an efficient and effective manner with managers, peers & support staff
● Unquestioned integrity and commitment to the KIPP LA mission
For teachers teaching core subjects (math, science, social studies, English language arts) and RSP, Possession of a valid internship, preliminary, or clear teaching credential required.
Element 6: HEALTH AND SAFETY PROCEDURES

“The procedures that the charter school will follow to ensure the health and safety of pupils and staff. These procedures shall include the requirement that each employee of the charter school furnish it with a criminal record summary as described in Section 44237.” (Ed. Code § 47605(b)(5)(F).)

HEALTH, SAFETY AND EMERGENCY PREPAREDNESS PLAN

Charter School shall comply with all applicable federal, state, and local requirements related to school and student health, safety, and emergency preparedness.

If Charter School occupies and/or operates on a District facility, Charter School shall comply with all District health, safety, and emergency procedures and requirements applicable to District facilities and related operations, and shall be subject to inspection by the District’s Facilities Services Division, OEHS, and other District offices in the same manner as other LAUSD campuses.

Charter School shall adopt, implement, and maintain at all times a current, comprehensive, and site-specific Health, Safety, and Emergency Preparedness Plan, which must include but is not limited to provisions for building and site emergency evacuation and the acquisition and maintenance of adequate onsite emergency supplies. Charter School shall ensure that all staff members receive annual training on Charter School’s health, safety, and emergency procedures, including but not limited to training on bloodborne pathogens, and shall maintain a calendar for, and conduct, emergency response drills for students and staff.

Charter School shall provide all employees, and other persons working on behalf of Charter School who are mandated reporters, with annual training on child abuse detection and reporting, which shall occur within the first six weeks of each school year, or within the first six weeks of a person’s employment if employed after the beginning of the school year, in accordance with the requirements of AB 1432 (2014).

Charter School shall stock and maintain the required number and type of emergency epinephrine auto-injectors onsite and provide training to employee volunteers in the storage and use of the epinephrine auto-injector as required by Education Code section 49414 and section 4119.2 of the Business and Professions Code, as they may be amended from time to time.

Charter School shall comply with the requirements of Education Code section 49475, with respect to any athletic program (as defined in Education Code § 49475) offered by or on behalf of Charter School.

Charter School shall periodically review, and update and/or modify as necessary, its Health, Safety, and Emergency Preparedness Plan, and keep it readily available for on-site use. Charter School shall provide a copy of the Health, Safety, and Emergency Preparedness Plan for review upon CSD request.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Charter School, including its employees and officers, shall comply with the Family Educational Rights and Privacy Act (FERPA) and Education Code section 49060 et seq. at all times.
**Criminal Background Clearances and Fingerprinting**

Charter School shall comply with all requirements of Education Code sections 44237 and 45125.1. Charter School shall designate and maintain at all times at least one Custodian of Records duly authorized by the California Department of Justice.

Charter School shall maintain on file and available for inspection evidence that (1) Charter School has performed criminal background checks and cleared for employment all employees prior to employment; (2) Charter School has obtained certification from each of its contracting entities/independent contractors that the entity/contractor has conducted required criminal background clearances for its employees prior to provision of schoolsite services and/or any contact with students and has requested subsequent arrest notification service; and (3) Charter School has performed criminal background checks and cleared for service all volunteers not directly supervised by staff and who may have contact with students. Charter School shall also ensure that it requests and receives subsequent arrest notifications from the California Department of Justice for all employees and volunteers not directly supervised by staff. Upon request, Charter School shall provide a copy of Department of Justice confirmation of Custodian of Records status for each Custodian of Records. Charter School, including its administrators and officers, shall comply with the requirements of Education Code section 44030.5.

**Immunization and Health Screening Requirements**

Charter School shall require all employees, and any volunteer or vendor/contracting entity employee who may have frequent or prolonged contact with students, to undergo a risk assessment and/or be examined and determined to be free of active tuberculosis (TB) within the period of 60 days prior to employment/service, or otherwise meet the requirements of Education Code section 49406. Charter School shall maintain TB clearance records and certificates on file.

Charter School shall comply with all federal and state legal requirements, including but not limited to the requirements of SB 277 (2015), related to student immunization, health examination, and health screening, including but not limited to screening for vision, hearing, and scoliosis, to the same extent as would be required if the students were attending a non-charter public school. Charter School shall maintain student immunization, health examination, and health screening records on file.

**Safe Place to Learn Act**

Charter School shall comply with all applicable requirements of the Safe Place to Learn Act, Education Code section 234 et seq.

**Custodian of Records**

The Director of Human Capital and the Human Resources Generalist will serve as the custodian of records for KIPP LA Schools including KIPP Sol.

**Additional Health and Safety Procedures**

**Medication in School**
The Charter School will adhere to Education Code Section 49423 regarding administration of medication in school.

**Diabetes**
The Charter School will provide an information sheet regarding type 2 diabetes to the parent or guardian of incoming 7th grade students, pursuant to Education Code Section 49452.7. The information sheet shall include, but not be limited to, all of the following:
3. A recommendation that students displaying or possibly suffering from risk factors or warning signs associated with type 2 diabetes should be screened for type 2 diabetes.
5. A description of the different types of diabetes screening tests available.

**Emergency Preparedness**
The Charter School shall adhere to an Emergency Preparedness Handbook drafted specifically to the needs of the school site in conjunction with law enforcement and the Fire Marshall. This handbook shall include, but not be limited to the following responses: fire, flood, earthquake, terrorist threats, and hostage situations. Staff shall receive training in emergency response, including appropriate "first responder" training or its equivalent.

**Blood borne Pathogens**
The Charter School shall meet state and federal standards for dealing with blood borne pathogens and other potentially infectious materials in the workplace. The Board shall establish a written infectious control plan designed to protect employees and students from possible infection due to contact with blood borne viruses, including human immunodeficiency virus ("HIV") and hepatitis B virus ("HBV").

Whenever exposed to blood or other bodily fluids through injury or accident, staff and students shall follow the latest medical protocol for disinfecting procedures.

**Drug-, Alcohol-, and Smoke-Free Environment**
The Charter School shall function as a drug-, alcohol-, and smoke-free environment.

**Facility Safety**
The Charter School shall comply with Education Code Section 47610(d)(e) by utilizing facilities that are either compliant with the Field Act or facilities that are compliant with the California Building Standards Code. The Charter School agrees to test sprinkler systems, fire extinguishers, and fire alarms annually at its facilities to ensure that they are maintained in an operable condition at all times. The Charter School shall conduct fire drills as required under Education Code Section 32001.

**Role of Staff as Mandated Child Abuse Reporters**
All employees will be mandated child abuse reporters and will follow all applicable reporting laws, the same policies and procedures used by the District.

Comprehensive Anti-Discrimination and Harassment Policies and Procedures
The Charter School is committed to providing a school that is free from discrimination and sexual harassment based upon the actual or perceived characteristics of race, religion, creed, color, gender, gender identity, gender expression, nationality, national origin, ancestry, ethnic group identification, genetic information, age, medical condition, marital status, sexual orientation, pregnancy, physical mental, or disability, childbirth or related medical conditions, or on the basis of a person’s association with a person or group with one or more of these actual or perceived characteristics, or any of other basis protected by federal, state, local law, ordinance, or regulation. or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code. The Charter School's comprehensive policy to prevent and immediately remediate any concerns about discrimination or harassment at the Charter School (including employee to employee, employee to student, and student to employee misconduct). Misconduct of this nature is very serious and will be addressed in accordance with the Charter School’s anti-discrimination and harassment policies.

**Promoting Health and Wellness**

KIPP Sol Academy will ensure that the Charter School is a safe and healthy environment for teaching and learning.

KIPP Sol Academy will promote health and wellness of its students and meet the requirements of the Healthy, Hunger-Free Kids Act of 2010. KIPP Sol Academy is committed to serving the needs of the whole child, which includes providing healthy food. KIPP Sol Academy utilizes Revolution Foods, a leading provider of high quality food, as its food service provider. KIPP Sol Academy provides a healthy breakfast, lunch and snack for its students. Revolution Foods exceeds the requirements of the Healthy, Hunger Free Kids Act. Specifically foods and snacks offered include whole grains, low fat dairy, fruits, vegetables and proteins as their main ingredients. They are also lower in fat, sugar and sodium and provide more of the nutrients our students need.

In addition to providing healthy food choices, KIPP Sol Academy, in collaboration with Revolution Foods, provides nutritional education for students and parents.

Finally, KIPP Sol Academy provides a rigorous physical education program designed to help our students stay healthy and active. As described above, our students participate in physical education twice a week.
**Element 7: Racial and Ethnic Balance**

“The means by which the school will achieve a racial and ethnic balance among its pupils that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted.” (Ed. Code § 47605(b)(5)(G).)

**Court-Ordered Integration**

Charter School shall comply with all requirements of the *Crawford v. Board of Education, City of Los Angeles* court order and the LAUSD Integration Policy adopted and maintained, pursuant to the Crawford court order, by the District’s Student Integration Services (collectively the “Court-ordered Integration Program”). The Court-ordered Integration Program applies to all schools within or chartered through LAUSD.

Charter School has set forth below its initial plan for achieving and maintaining the LAUSD’s Racial and Ethnic Balance goal of a 70:30 or 60:40 ratio. *(Ratio represents the percentage of Predominantly Hispanic Black Asian Other (PHBAO) compared to Other White (OW)).* The written plan lists specific dates and locations of recruitment activities that Charter School will undertake in order to achieve the District’s Racial and Ethnic Balance goal. Charter School shall monitor the implementation and outcomes of the initial plan, and modify it as necessary throughout the term of the Charter to achieve the District’s goal. Upon request, Charter School shall provide the District with a copy of its current written plan.

The District receives neither average daily attendance allocations nor Court-ordered Integration Program cost reimbursements for charter school students. The District may receive the Targeted Instructional Improvement Block Grant (TIIBG) for its Court-ordered Integration Program. The District retains sole discretion over the allocation of TIIBG funding, where available, and cannot guarantee the availability of this funding.

**Outreach to Achieve Racial and Ethnic Balance**

KIPP Sol Academy will partner with KIPP LA School’s Student Recruitment Support Team to develop and implement an annual comprehensive student recruitment plan rooted in established national best practices for recruiting students to achieve racial and ethnic balance. The plan is designed to ensure that outreach is targeted towards racially and ethnically diverse underserved students in KIPP Sol Academy’s surrounding communities. During the interest and enrollment periods, KIPP Sol Academy will ensure it provides relevant enrollment information to inquiring families through its website, telephone hotline, and by assisting families in person, via email or over the phone as they navigate the recruitment process and requirements.

Each year, KIPP Sol Academy will implement a multi-pronged recruitment strategy that cuts across the five key areas of student recruitment that have proven to yield optimal outcomes: leveraging families and KIPP LA partners, community engagement, creating partnerships with feeder pre-K and head start programs, marketing, advertising, flyering and neighborhood canvassing. Such student recruitment practices include:

- Enlisting support from current KIPP LA families to provide referrals, conducting open houses, providing information about enrollment at Los Angeles-wide education exhibitions, community events, resource fairs, and public housing development council meetings
- Targeting the siblings of current KIPP Sol Academy and KIPP LA middle school students to enroll in KIPP Sol Academy. These students and families already know the expectations and culture of KIPP and could become a base for further student recruitment.
• Connecting with pre-fifth grade programs, childcare centers, and day care’s to create partnerships to identify potential families and students.

• Providing opportunities for families to meet with school staff and learn more about the academic program, school schedule, and other expectations.

• Contacting local community leaders and businesses to assist in the recruitment effort by posting information and advertisements about KIPP Sol Academy geared towards student recruitment.

• Targeting community events and community organizations to build relationships and spread information about KIPP Sol Academy, such as local festivals and celebrations. Community events are good places to connect with families and potential students who may be of age to attend KIPP Sol Academy.

• Walking the community and knocking on doors to distribute information about KIPP Sol Academy. Being visible in the community is also essential so that community members meet the KIPP Sol Academy School Leader and begin understanding the mission of the Charter School.

• Developing a coordinated and multi-faceted marketing campaign along with tactic aligned collateral to reach families and spread information about KIPP Sol Academy. This may include newspaper, bus and radio ads as well as flyers, posters, and postcards mailed to surrounding communities.

• Providing lottery interest form access online for families to expand KIPP Sol Academy’s applicant pool.

Generally, the student recruitment activities for KIPP Sol Academy will start in September. Throughout the student recruitment outreach process, interested families and parents will complete student interest forms and once the interest form period has ended in January, applications for enrollment. When distributing applications for enrollment, staff and volunteers will clearly explain the goals and expectations of KIPP Sol Academy to families, parents and/or students. Follow-up meetings will be scheduled and staff will respond to phone call and e-mails from interested parents as quickly as possible.

Recruitment materials and outreach information will be available in both English and Spanish to best spread the word to the community of East Los Angeles. Those conducting outreach and recruitment will speak the language used by families and community members. Recruitment materials will include information about KIPP Sol Academy (e.g. the mission statement of the Charter School, pictures of KIPP students, information about the KIPP network of schools, and contact information for KIPP Sol Academy) in both English and Spanish. KIPP Sol Academy’s website is linked to the KIPP LA Schools website and provides extensive information about the Charter School’s instructional vision, mission, goals and values along with additional information about the KIPP national network of public charter schools. Interest forms are available online.

Recruiting students from the immediately surrounding community will ensure that KIPP Sol Academy maintains the required racial and ethnic balance. The community surrounding our site is exceptionally diverse and rich in history. We are proud to serve this community and strongly believe students with a variety of life experiences add to the learning experiences of all. Through the community we build at KIPP Sol Academy, students and families will learn from each other to respect different viewpoints and find commonalities in all people. KIPP Sol is committed to ensuring that all students and families involved with our recruitment and outreach process feel welcome and respected. This will create the foundation for a thriving school team & family.
ELEMENT 8: ADMISSION REQUIREMENTS

"Admission requirements, if applicable." (Ed. Code § 47605(b)(5)(H).)

DOCUMENTATION OF ADMISSIONS AND ENROLLMENT PROCESSES

Charter School shall maintain complete and accurate records of its annual admissions and enrollment processes, including but not limited to documentation of implementation of lottery and waitlist criteria and procedures in accordance with the terms of the Charter. These records shall be made available to the District upon request.

HOMELESS AND FOSTER YOUTH

Charter School shall adhere to the provisions of the federal McKinney-Vento Homeless Assistance Act and ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youths. Charter School shall provide specific information, in its outreach materials, websites, at community meetings, open forums, and regional center meetings, that notifies parents that Charter School is open to enroll and provide services for all students, and provides a standard District contact number for access to additional information regarding enrollment.

Charter School shall comply with all applicable state law regarding homeless and foster youth, including but not limited to the provisions of AB 379 (2015) and Chapter 5.5 (commencing with Section 48850) of Part 27 of Division 4 of Title 2 of the Education Code, as amended from time to time. Charter School shall extend its uniform complaint procedure to complaints filed pursuant to the applicable provisions of AB 379.

NON-DISCRIMINATION

Charter School shall not require a parent/legal guardian/student to provide information regarding a student’s disability, gender, gender identity, gender expression, nationality, legal or economic status, primary language or English Learner status, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code, or any other information that would violate federal or state law, prior to admission, participation in any admissions or attendance lottery, or pre-enrollment event or process, or as a condition of admission or enrollment. Charter School may request, at the time of, and as part of, conducting its lottery process, the provision of information necessary to apply specific admissions preferences set forth in this Charter.

Charter School shall not request or require submission of a student’s IEP, 504 Plan, or any other record or related information prior to admission, participation in any admissions or attendance lottery, or pre-enrollment event or process, or as a condition of admission or enrollment.
Admission Requirements

The Charter School will comply with all laws establishing minimum age for public school attendance in charter schools. No test or assessment shall be administered to students prior to acceptance and enrollment into the Charter School. Admission, except in the case of a public random drawing, shall not be determined by the place of residence of the pupil or his or her parent or legal guardian within the state.

The Charter School shall require students who wish to attend the Charter School to complete an application form. After admission, students will be required to submit an enrollment packet, which shall include the following:
1. Student enrollment form
2. Proof of Immunization
3. Home Language Survey
4. Completion of Emergency Medical Information Form
5. Proof of minimum age requirements, e.g. birth certificate
6. Release of records

Student Recruitment

Recruitment of incoming students will begin in the Fall each year for the following school year. Outreach plans to achieve racial and ethnic balances outlined in Element 7 will be adhered to during the enrollment period. During the enrollment period, KIPP Sol Academy will recruit heavily from the immediately surrounding community and provide interested families with opportunities to meet with the Charter School’s staff to learn more about the Charter School’s academic program, schedule, and expectations. Due to the racial, ethnic, and socio-economic make up the community immediately surrounding our site, KIPP Sol Academy will recruit from a population of primarily socio-economically disadvantaged and traditionally underserved students.

Lottery Preferences & Procedures

KIPP Sol Academy will implement the following admissions process, including an interest period, lottery if necessary, and official enrollment process. The process and procedures, as well as timeline, will be made available to all families and community members on KIPP Sol Academy’s website and in hard copy at the KIPP Sol Academy office. Additionally, this information will be distributed, as appropriate, during the recruitment efforts described above.

Admission Preferences

Preference in the lottery will be given to the following categories of students:
- Students whose address of residence lies within the published boundaries of the District.
- Siblings of students currently enrolled at KIPP Sol Academy.
- Children of KIPP LA regular employees (as long as that number does not exceed 10% of total enrollment).

Students currently attending KIPP Sol Academy are exempt from the lottery per Education Code Section 47605(d)(2)(B).
Interest Period

All interest forms (applications to enroll) submitted during the interest period (open enrollment period) will be collected and recorded in KIPP Sol Academy’s enrollment system and a copy of all interest forms is maintained. Interest forms request minimal student information and parent contact information and are made available both in paper form and online. The dates of the interest period will be made public on KIPP Sol Academy’s website prior to the opening of the interest period.

If the number of interest forms received exceeds the capacity of a grade level, a date will be set to hold a public random drawing (lottery) to assure all applicants an equal chance of gaining admission. The date of the lottery is also made public on KIPP Sol Academy’s website.

Lottery Proceedings

The date and time of the lottery is determined each year once it is determined that a lottery is required. The location of the lottery has yet to be determined, but the Charter School will seek a location either in or near the location of the Charter School facility and in a space large enough to ensure all interested parties may observe the lottery. Families who submit interest forms will receive information about the date, time, and location of the lottery from the Charter School in advance. The lottery will be conducted using an automated online system to ensure that the process is fair and equitable for all participants. Qualifying interest forms will receive preference in the automated lottery system, per the preferences outlined above.

Post-Lottery

All families who submitted an interest form, including both those who did and did not attend the lottery event, will be notified in writing about the results of the lottery by KIPP Sol Academy’s within one week of the lottery via a letter sent to the address indicated on the interest form. The letter will indicate whether the child was admitted or waitlisted, and if waitlisted, the number the child is on the waiting list. For students who were admitted to the Charter School, the letter will include next steps the family must take to enroll the child in the Charter School as well as a timeline in which they must respond. The Charter School will maintain records documenting the fair execution of the lottery including the names placed into the lottery, the name of the automated online system used to conduct the lottery, the names of admitted students, and the names and order of those placed on the waiting list. The information will be maintained according to state and county document retention requirements as applicable.

Waitlist Procedures

If a lottery is required, a numbered waiting list will be created at the time of the lottery and will be ordered randomly by the automated lottery system. After the lottery, the waiting list is never re-ordered. Interest forms submitted after the close of the interest period, or after capacity is reached (if no lottery is required), will be added to the waitlist; ordered on a first-come, first-served basis. Should a vacancy occur, admission will be offered to the next applicant at the top of the waiting list. The Charter School will determine the timeline for wait-listed students to accept admission annually. The waiting list expires annually the day before the lottery for the upcoming year. The above process will also be followed to fill vacant seats for all grades as seats become available each year due to student attrition at the discretion of the School Leader.

Refinement of Policies
Notwithstanding the aforementioned, KIPP Sol Academy may refine lottery policies and procedures during the charter term in accordance with a written policy adopted by the governing board of the Charter School. A copy of the revised policy, designed to improve the Charter School’s lottery efforts, shall be provided to the District within 45 calendar days of approval by the charter school’s governing authority and prior to the enrollment period of the year in which the revised lottery policy will be implemented. If refinement of policies and procedures arises to a level that a material revision is required, KIPP Sol Academy will submit a request for a material revision.
**ELEMENT 9: ANNUAL FINANCIAL AUDITS**

"The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the chartering authority." (Ed. Code § 47605(b)(5)(l).)

Charter School shall provide for an annual audit that shall be conducted in compliance with applicable state and federal laws, including but not limited to the requirements of Education Code sections 47605(b)(5)(l) and 41020 as they may be amended from time to time. Charter School shall ensure compliance with the requirements of section 41020(f)(2), which makes it unlawful, absent an Education Audits Appeal Panel waiver, for a public accounting firm to provide audit services to a local educational agency if the lead audit partner, or coordinating audit partner, having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, has performed audit services for that local educational agency in each of the six previous years.

The following reports will be submitted to LAUSD, in the required format and within timelines to be specified by LAUSD, each year:

a. Provisional Budget – Spring prior to operating fiscal year  
b. Final Budget – July of the budget fiscal year  
c. First Interim Projections – November of operating fiscal year  
d. Second Interim Projections – February of operating fiscal year  
e. Unaudited Actuals – July following the end of the fiscal year  
f. Audited Actuals – December 15 following the end of the fiscal year  
g. Classification Report – monthly according to Charter School’s Calendar  
h. Statistical Report – monthly according to Charter School’s Calendar of Reports

In addition:

- P1, first week of January  
- P2, first week of April

i. Instructional Calendar – annually five weeks prior to first day of instruction  
Other reports as requested by the District

**Annual Audit Procedures**

An annual independent financial audit of the books and records of the Charter School will be conducted as required by Education Code Sections 47605(b)(5)(l) and 47605(m). The books and records of the Charter School will be kept in accordance with generally accepted accounting principles, and as required by applicable law, the audit will employ generally accepted accounting procedures. This audit will be conducted in accordance with Generally Accepted Accounting Principles and applicable provisions within the California Code of Regulations governing audits of charter schools as published in the State Controller’s K-12 Audit Guide, and will verify the accuracy of KIPP Sol Academy’s financial statements (including its Balance Sheet, Income Statement and Cash Flow Statement), attendance and enrollment accounting practices, and review internal controls.

The KIPP LA Schools Audit Committee will select an independent auditor. The auditor will have, at a minimum, a CPA and educational institution audit experience and will be approved by the State Controller on its published list as an educational audit provider. To the extent required under applicable federal law, the audit scope will be
expanded to include items and processes specified in applicable Office of Management and Budget Circulars. KIPP LA’s Chief of Finance & Operations and Controller will work with the auditor to complete the audit.

The annual audit will be completed and forwarded to the LAUSD Charter Schools Division, the Los Angeles County Superintendent of Schools, the State Controller, and to the California Department of Education by the 15th of December of each year by the contracted auditor. KIPP LA Schools’ Audit Committee will review any audit exceptions or deficiencies with the Chief of Finance & Operations and the Executive Director and report to the Charter School Board of Directors with recommendations on how to resolve them. The Board of Directors will submit a report to the District explaining how these findings have been or will be resolved to the satisfaction of the District and the anticipated timeline for doing so. Audit appeals or requests for summary review shall be submitted to the Education Audit Appeals Panel (“EAAP”) in accordance with applicable law. The independent financial audit of the KIPP Sol Academy is a public record to be provided to the public upon request.
**Element 10: Suspension and Expulsion Procedures**

"The procedures by which pupils can be suspended or expelled." (Ed. Code § 47605(b)(5)(J).)

**General Provisions**

Charter School shall provide due process for all students, including adequate and timely notice to parents/guardians and students of the grounds for all suspension and expulsion recommendations and decisions and their due process rights regarding suspension and expulsion, including rights of appeal.

Charter School shall ensure that its policies and procedures regarding suspension and expulsion will be periodically reviewed, and modified as necessary, in order to conform to changes in state law.

Charter School shall ensure that its staff is knowledgeable about and complies with the District’s Discipline Foundation Policy and/or current equivalent policy, as required by the Modified Consent Decree. Charter School shall comply with the terms of the School Discipline Policy and School Climate Bill of Rights resolution adopted by the LAUSD Board of Education on May 6, 2013.

Charter School shall be responsible for the appropriate interim placement of students during and pending the completion of Charter School’s student expulsion process and shall facilitate the post-expulsion placement of expelled students.

Charter School shall document and implement the alternatives to suspension and expulsion that Charter School utilizes in response to attendance-related concerns, e.g. truancy or excessive tardiness.

**Students with Disabilities**

Charter School shall establish and implement policies and procedures to ensure full compliance with federal and state laws and regulations regarding the discipline of students with disabilities. If a student is recommended for expulsion and the student receives or is eligible for special education, Charter School shall identify and provide special education programs and services at an appropriate interim educational placement, pending the completion of the expulsion process, to be coordinated with the LAUSD Special Education Service Center.

In the case of a student who has an Individualized Education Program ("IEP"), or a student who has a 504 Plan, Charter School shall ensure that it follows correct disciplinary procedures to comply with the mandates of state and federal laws, including IDEA and Section 504 of the Rehabilitation Plan of 1973. As set forth in the MOU regarding special education between the District and Charter School, an IEP team will meet to conduct a manifestation determination and to discuss alternative placement utilizing the District’s Special Education Policies and Procedures Manual. Prior to recommending expulsion for a student with a 504 Plan, Charter School’s administrator will convene a Link Determination meeting to ask the following two questions:

A. Was the misconduct caused by, or directly and substantially related to the student’s disability?
B. Was the misconduct a direct result of the Charter School’s failure to implement 504?

**Notification of the District**
Upon expelling any student, Charter School shall notify the Charter Schools Division by submitting an expulsion packet to the CSD immediately or as soon as practicable, which shall contain:

- Completed “Notification of Charter School Expulsion” [form available from the CSD website or office], including attachments as required on the form
- Documentation of the expulsion proceeding, including statement of specific facts supporting the expulsion and documentation that Charter School’s policies and procedures were followed
- Copy of parental notice of expulsion hearing
- Copy of expulsion notice provided to parent stating reason for expulsion, term of expulsion, rehabilitation plan, reinstatement notice with eligibility date and instructions for providing proof of student’s compliance for reinstatement, appeal process, and options for enrollment
- If the student is eligible for Special Education, documentation related to expulsion in compliance with IDEA and the MCD, including the Expulsion Analysis page of the pre-expulsion IEP
- If the student is eligible for Section 504 accommodations, documentation that Charter School conducted a Link Determination meeting to address two questions:
  A. Was the misconduct caused by, or directly and substantially related to the student’s disability?
  B. Was the misconduct a direct result of Charter School’s failure to implement 504 Plan?

Notwithstanding the documentation sent to the Charter Schools Division as indicated above, if the student is a resident of a school district other than LAUSD, Charter School must notify the superintendent of the student’s district of residence within 30 days of the expulsion. Additionally, upon request of the receiving school district, Charter School shall forward student records no later than 10 school days from the date of the request as stated in Education Code section 49068 (a) and (b).

**OUTCOME DATA**

Charter School shall gather and maintain all data related to placement, tracking, and monitoring of student suspensions, expulsions, and reinstatements, and make such outcome data readily available to the District upon request.

**REHABILITATION PLANS**

Pupils who are expelled from Charter School shall be given a rehabilitation plan upon expulsion as developed by Charter School’s governing board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. Terms of expulsion should be reasonable and fair with the weight of the expelling offense taken into consideration when determining the length of expulsion. Therefore, the rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the pupil may apply to Charter School for readmission. Charter School shall inform parents in writing of its processes for reinstatement and applying for expungement of the expulsion record.

**READMISSION**
Charter School’s governing board shall adopt rules establishing a procedure for the filing and processing of requests for readmission and the process for the required review of all expelled pupils for readmission. Upon completion of the readmission process, Charter School’s governing board shall readmit the pupil, unless Charter School’s governing board makes a finding that the pupil has not met the conditions of the rehabilitation plan or continues to pose a danger to campus safety. A description of the procedure shall be made available to the pupil and the pupil’s parent or guardian at the time the expulsion order is entered and the decision of the governing board, including any related findings, must be provided to the pupil and the pupil’s parent/guardian within a reasonable time.

REINSTATEMENT

Charter School’s governing board shall adopt rules establishing a procedure for processing reinstatements, including the review of documents regarding the rehabilitation plan. Charter School is responsible for reinstating the student upon the conclusion of the expulsion period in a timely manner.

GUN-FREE SCHOOLS ACT

Charter School shall comply with the federal Gun-Free Schools Act.

School Climate and Student Discipline System

This Pupil Suspension and Expulsion Policy, which constitutes the entire policy, has been established in order to promote learning and protect the safety and well being of all students at the Charter School. In creating this policy, the Charter School has reviewed Education Code Section 48900 et seq., which describes the non charter schools’ list of offenses and procedures to establish its list of offenses and procedures for suspensions and expulsions. The language that follows closely mirrors the language of Education Code Section 48900 et seq. The Charter School is committed to annual review of policies and procedures surrounding suspensions and expulsions and, as necessary, modification of the lists of offenses for which students are subject to suspension or expulsion.

When the Policy is violated, it may be necessary to suspend or expel a student from regular classroom instruction. This policy shall serve as the Charter School’s policy and procedures for student suspension and expulsion and it may be amended from time to time so long as the amendments comport with legal requirements. Charter School staff shall enforce disciplinary rules and procedures fairly and consistently among all students. This Policy and its Procedures will be printed and distributed as part of the Student Handbook and will clearly describe discipline expectations.

The Charter School administration shall ensure that students and their parents/guardians are notified in writing upon enrollment of all discipline policies and procedures. The notice shall also state that this Policy and Procedures are available on request at the School Leader’s office. KSOL will make ensure this policy is distributed through student handbook and is consistent with the one available at the School Leader’s office.
Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 (“IDEIA”) or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 (“Section 504”) is subject to the same grounds for suspension and expulsion and is accorded the same due process procedures applicable to general education students except when federal and state law mandates additional or different procedures. The Charter School will follow all applicable federal and state laws including but not limited to the California Education Code, when imposing any form of discipline on a student identified as an individual with disabilities or for whom the Charter School has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

**Discipline Foundation Policy**
Throughout the country, KIPP schools have been extremely successful in teaching and overseeing appropriate student behavior. From initially setting expectations for behavior (such as through the Commitment to Excellence) to consistently discussing and reinforcing what good behavior looks like, KIPP students are constantly acculturated to The Charter School’s values and expectations. The Charter School has created a school environment in which good behavior is rewarded and inappropriate behavior is recognized by teachers, parents, and students as harmful to the interests of all and, therefore, not acceptable.

In addition to the expectations for KIPP students that are included in the school’s orientation materials, The Charter School has set forth a code of conduct in its Student and Parent Handbook. This code provides a detailed outline of expectations and prohibited conduct that could result in suspension or expulsion. The Charter School will make sure that the contents in the contents in the handbooks are not inconsistent with provisions in the petitions.

Through the consistent discussion of the KIPP character traits and the Charter School values, The Charter School’s students will know when they are meeting behavior expectations and will receive praise for doing so, when appropriate. By acknowledging positive behavior in the classroom and encouraging students to do the same with their peers, The Charter School’s teachers will teach each student the importance of modeling and embodying good behavior. Similarly, The Charter School’s students will be able to identify and explain times when they are not meeting behavior expectations. This allows for self-correction and reflection. Each classroom at The Charter School will employ a multi-step disciplinary system, which clearly conveys to students the consequences of misbehavior.
and provides opportunities for improvement. The consistency of this system across classrooms and grade-levels will ensure uniformity of expectations for all students.

By utilizing a range of progressive disciplinary options, The Charter School will curtail misconduct before there is a need for more serious sanctions. The Charter School is dedicated to working with students and families to address behavior challenges effectively. Potential actions include (but are not limited to):

- Additional assignments to be completed at home and/or at school, overseen by teachers and/or grade level leaders;
- Parent meetings with teachers and/or grade level leader;
- Mandatory study hall during and/or after school (with notification to parent(s)/guardian and overseen by grade level leader);
- Loss of incentives or privileges;
- Calling plans (requiring the student to call teachers to notify them of homework completion);
- Daily conduct log (in which a student is required to get teacher acknowledgement of appropriate behavior after each class);
- In-school suspension plans, providing opportunity for the teachers or School Leader to meet with an individual student to discuss misconduct and to determine appropriate consequences;
- Written apology for misconduct;
- A behavior reflection sheet which documents, in real time, student decisions in relation to the values of the school so that problematic choices can quickly be identified and addressed;
- Disciplinary probation with notice to parents and explanation of required improvement;
- Study teams, resource panel teams, or other assessment-related teams;
- Peer presentations of personal improvement plan;
- Referral to school counselor, psychologist, child welfare attendance personnel, or other school support service staff.

Based upon the specific facts and/or issues involved in a situation with a student, intervention from a child welfare attendance specialist may need to be involved. The school shall use this resource to serve the best interest of students when necessary.

Corporal punishment will not, under any circumstances, be used as a disciplinary measure with any student. (Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.) This commitment by The Charter School does not limit the rights of The Charter School employee to use force that is reasonable and necessary to protect the employee, student(s), staff or other persons, or to prevent damage to school property.
The School Leader or a designee (A designee can include anyone on the Charter School’s administrative staff) will handle all discipline referrals; and based on the severity of the action, will handle each referral on a case by case basis in the best interest of students. The facts of every discipline case are always different. The policy shall be implemented uniformly and administration will take the individual facts of each case into consideration while determining the best course of action for students. The School Leader or the designee will document on the disciplinary referral how the action was handled. The discipline referral will be sent home to be signed by the student’s parent or guardian and must be returned the following day. A copy of the referral will be given to the classroom teacher and one will be kept on file with the School Leader or designee.

The Charter School will engage in professional development, as possible, to ensure that we are implementing the most effective disciplinary policy and actions possible. This may include development on new disciplinary tools from experts, sharing best practices in discipline and prevention from other KIPP schools, or refining or reinforcing existing policies and techniques. The Charter School’s School Leader will arrange for this professional development as it arises. KSOL’s leadership team receives comprehensive training and they relay training to their individual school staffs as the need arises.

**Suspension and Expulsion Policy**

The Charter School's Student Suspension and Expulsion Policy promotes learning and protects the safety and well being of all students. Staff shall enforce disciplinary rules and procedures fairly and consistently among all students. The Charter School’s administrators will ensure that students and their parents or guardians are notified in writing upon enrollment of all discipline policies and procedures. The policy and procedures will be set forth in the Student and Parent Handbook.

**Grounds for Suspension and Expulsion**

A student may be suspended or expelled for prohibited misconduct if the act is related to school activity or school attendance occurring anytime but not limited to: a) while on school grounds; b) while going to or coming from school; c) during the lunch period, whether on or off the school campus; or d) during, going to, or returning from a school-sponsored activity.

**Categories for Suspension and Expulsion**

Category 1 Offenses – Student Offenses with NO School Leader Discretion (except as otherwise precluded by law)

**Category 1 offenses require that the School Leader shall immediately suspend and recommend expulsion when the following occur at school or at a school activity off campus. E.C. 48915(c):**

1. Possessing, selling, or furnishing a firearm. EC 48915(c)(1); 48900(b)
2. Brandishing a knife at another person. EC 48915(c)(2); 48900(a)(1) and 48900(b)
3. Unlawfully selling a controlled substance. EC 48915(c)(3); 48900(c)
4. Committing or attempt to commit a sexual assault or committing a sexual battery (as defined in 48900(n); EC 48915(c)(4); 48900(n)
5. Possession of an explosive EC 48915(c)(5); 48900(b)

Category 2 Offenses – Student Offenses with LIMITED School Leader Discretion

*Category 2 offenses require that the School Leader suspend and must recommend expulsion when the following occur at school or at a school activity off campus unless the School Leader determines that the expulsion is inappropriate. EC 48915(a).*

1. Causing serious physical injury to another person, except in self-defense. EC 48915(a)(1); 48900(a)(1)
2. Possession of any knife, explosive, or other dangerous object of no reasonable use to the pupil. EC 48915(a)(2); 48900(b)
3. Unlawful possession of any controlled substance (except for the first offense of no more than an ounce of marijuana, and over-the-counter and prescribed medication) EC 48915(a)(3); 48900(c)
4. Robbery or extortion EC 48915(a)(4); 48900(e)
5. Assault or battery (or attempt thereof) upon any school employee EC 48915(a)(5); 48900(a)(1); 48900(a)(2)

Category 3 Offenses – Student Offenses with BROAD School Leader Discretion

*School Leader may suspend and recommend expulsion when the following occur at any time, including but not limited to, while on school grounds, while going to or coming from school, during the lunch period, whether on or off the campus; or while going to or coming from, a school sponsored activity. EC 48915(b) and (e)*

1. Caused, attempted to cause, or threatened to cause physical injury to another person. (Unless, in the case of “caused,” the injury is serious. [See II.1]) E.C. 48900(a)(1); 48915(b)
2. Unlawful possession of any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code.
3. Sold, furnished, or offered a substitute substance represented as a controlled substance. E.C. 48900(d); 48915(b)
4. Caused or attempted to cause damage to school or private property. E.C. 48900(f); 48915(e)
5. Stole or attempted to steal school or private property. E.C. 48900(g); 48915(e)
6. Possessed or used tobacco. E.C. 48900(h); 48915(e)
7. Committed an obscene act or engaged in habitual profanity or vulgarity. E.C. 48900(i); 48915(e)
8. Possessed, offered, arranged, or negotiated to sell any drug paraphernalia. E.C. 48900(j); 48915(e)
9. )
10. Knowingly received stolen school or private property. E.C. 48900(l); 48915(e)
11. Possessed an imitation firearm. E.C. 48900(m); 48915(e)
12. Engaged in harassment, threats, or intimidation against a pupil or group of pupils or school district personnel. E.C. 48900.4; 48915(e) (Grades 4 through 12 inclusive)
13. Engaged in sexual harassment. E.C. 48900.2; 48915(e) (Grades 4 through 12 inclusive)
14. Caused, attempted to cause, threatened to cause, or participated in an act of hate violence. E.C. 48900.3; 48915(e) (Grades 4 through 12 inclusive)
15. Made terrorist threats against school officials or school property, or both. E.C. 48900.7; 48915(e)
16. Willfully used force or violence upon the person of another, except in self-defense. E.C. 48900(a)(2); 48915(b)
17. Harassed, threatened, or intimidated a pupil who is a complaining witness or witness in a disciplinary action. E.C. 48900(o); 48915(e)
18. Any behavior listed in Category I or II that is related to school activity or school attendance but that did not occur on campus or at a school activity off campus. E.C. 48915(b)
19. Unlawfully offered, arranged to sell, negotiated to sell, or sold the prescription drug Soma. E.C. 48900(p); 48915(e)
20. Engaged in, or attempted to engage in, hazing, as defined in Section 32050. E.C. 48900(q); 48915(e)
21. Engaged in an act of bullying, including, but not limited to, bullying committed by means of electronic act directed specifically toward a pupil or school personnel. E.C. 48900(r); 48915(e)
22. Aided or abetted the infliction of physical injury to another person (suspension only). E.C. 48900(t); 48915(e)

For Categories 2 and 3, the school must provide evidence of one or both of the following additional findings: (1) Other means of correction are not feasible or have repeatedly failed to bring about proper conduct, (2) Due to the nature of the act, the student’s presence causes a continuing danger to the physical safety of the pupil or others.

Potential Disciplinary Actions
In general, a suspension may be imposed only when other means of correction fail to bring about the proper conduct. However, with respect to the violations set forth in Ed. Code 48900 sub-sections (a) – (e), i.e., under category 3 offenses, the first five enumerated above, an out-of-school suspension may be authorized for a first offense. (Additionally, a suspension for any of the above-listed violations is permissible if a student’s presence
causes a danger to persons or property or threatens to disrupt the instructional process.) Ed. Code 48900.5. Expulsion for a violation of subsections (a) – (e) is permitted based upon the recommendation of the School Leader and a finding by the KIPP LA board (or a designated committee thereof) that the student committed the offense and that either: (a) other means are not feasible or have repeatedly failed to correct the behavior; or (b) due to the nature of the act, the student’s presence would cause a continuing danger to personal safety. Ed. Code 48915(b)

With respect to the remaining violations set forth above, except as otherwise noted (with respect to acts triggering mandatory expulsion consideration), a suspension is permitted only when other corrective actions have failed to bring about the proper conduct. However, prior corrective action is not a prerequisite if a student’s presence would cause a danger to persons or property, Ed. Code 48900.5. Expulsion for these offenses are limited to situations in which the Executive Director or School Leader/designee has made a recommendation based on a finding that one of these enumerated offenses was committed, and the Board has found (or a designated committee thereof) that either: (a) other means of disciplining are not feasible or have repeatedly failed to correct the behavior; or (b) due to the nature of the act, the presence of the student would cause a continuing danger to someone’s personal safety. Ed. Code 915(e). An appeal of this finding may go to the full Board of Directors.

The Charter School provides an in-school suspension program to avoid any loss of instructional time. A student suspended from a school for any of the enumerated offenses may be assigned, by the principal or the principal’s designee, to a supervised suspension classroom for the entire period of suspension if the student poses no imminent danger or threat to the campus, pupils, or staff, or if an action to expel the pupil has not been initiated. The Charter School follows the same notice and conference requirements for in-school suspension as for out of school suspension. In-school suspension is supervised by a credentialed teacher responsible for gathering assignments from the student’s teachers of record and providing a small group environment with close supervision and assistance in completing the work. The credentialed teacher remains in the room to monitor on-task behavior and provide tutoring when needed. The in-school suspension program includes a physical education component. On the rare occasion of a student with an IEP participating in the in-school suspension program, an itinerant RSP teacher visits the individual student to provide the assigned daily minutes prescribed in the IEP, and the student goes to all other DIS services as scheduled.

**Student Conduct Requiring Recommendation for Expulsion**

Category 1 Offenses – Student Offenses with NO School Leader Discretion (except as otherwise precluded by law)

*Category 1 offenses require that the School Leader shall immediately suspend and recommend expulsion when the following occur at school or at a school activity off campus. E.C. 48915(c). The Charter School intends to comply with the aforementioned Ed Code section:*
1. Possessing, selling, or furnishing a firearm. EC 48915(c)(1); 48900(b)

2. Brandishing a knife at another person. EC 48915(c)(2); 48900(a)(1) and 48900(b)

3. Unlawfully selling a controlled substance. EC 48915(c)(3); 48900(c)

4. Committing or attempt to commit a sexual assault or committing a sexual battery (as defined in 48900(n); EC 48915(c)(4); 48900(n)

5. Possession of an explosive EC 48915(c)(5); 48900(b)

Category 2 Offenses – Student Offenses with LIMITED School Leader Discretion

Category 2 offenses require that the School Leader suspend and must recommend expulsion when the following occur at school or at a school activity off campus unless the School Leader determines that the expulsion is inappropriate. EC 48915(a). The Charter School intends to comply with the aforementioned Ed Code section:

1. Causing serious physical injury to another person, except in self-defense. EC 48915(a)(1); 48900(a)(1)

2. Possession of any knife, explosive, or other dangerous object of no reasonable use to the pupil. EC 48915(a)(2); 48900(b)

3. Unlawful possession of any controlled substance (except for the first offense of no more than an ounce of marijuana, and over-the-counter and prescribed medication) EC 48915(a)(3); 48900(c)

4. Robbery or extortion EC 48915(a)(4); 48900(e)

5. Assault or battery (or attempt thereof) upon any school employee EC 48915(a)(5); 48900(a)(1); 48900(a)(2)

If there is a recommendation for expulsion based on a violation of the offenses identified in Ed. Code 48915(a)(1)-(5), designated committee of the Board may – but is not required to – expel based on a finding that the student committed the offense and either: (a) other means of disciplining are not feasible or have repeatedly failed to correct the behavior; or (b) due to the nature of the act, the presence of the student would cause a continuing danger to personal safety. See, Ed. Code 48915(b). The administrative panel shall decide within three school days of the hearing whether or not to approve the recommendation to expel to the designated committee of the Board. An appeal can go to the full Board of Directors.
Suspension Procedures
(Ed Code § 47605(b)(5)(J))
The policies and procedures for suspension and expulsion will be periodically reviewed and the list of offenses for which students are subject to suspension and expulsion will be modified as necessary. Such modifications will be in compliance with the law and submitted to the District for approval. The Charter School will account for suspended or expelled students in its average daily attendance accounting as provided by law.

Authority
The School Leader, or a designee, determines if a suspension is to be imposed and, if so, the appropriate length.

Informal Conference
Suspension shall be preceded by an informal conference conducted by the School Leader, or designee, with the student and parent/guardian and, whenever practicable, the teacher, supervisor or school employee who referred the student to the School Leader. At the conference, the student shall be informed of the reason for the disciplinary action and the evidence against him/her; the student shall be given the opportunity to present his/her version and evidence in support of his/her defense. (Ed Code 48911(b)).

This conference may be omitted if the School Leader, or designee, determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of the conference. The conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such case, the conference shall be held as soon as the student is physically able to return to school. (Ed Code 48911).

Notice to Parents/Guardians
At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension. (Ed Code 48911)
This notice shall state the specific offense committed by the student. (Ed Code 48900.8)
In addition, the notice will state the date and time when the student may return to school. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may add that state law requires the parent/guardian to respond to such requests without delay.

Parent/Guardian Conference
Whenever a student is suspended, school officials may meet with the parent/guardian to discuss the causes and duration of the suspension, the school policy involved, and any other pertinent matters. (Ed Code 48914)
While the parent/guardian is required to respond without delay to a request for a conference about a student’s behavior, no penalties may be imposed on the student for the failure of the parent/guardian to attend such conference. Reinstatement of the suspended student shall not be contingent upon attendance by the student’s parent or guardian at the conference. (Ed Code 48911).

**Time Limits**

Absent a recommendation for expulsion, a student’s single suspension period (whether in or out of school) shall not exceed five (5) school days. As addressed in Ed Code 48903(a), the total number of days for which a pupil may be suspended from school shall not exceed twenty (20) school days in any school year. Upon a recommendation of expulsion by the School Leader/designee or Executive Director, the pupil and the pupil’s guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. This determination will be made by the School Leader/designee or Executive Director upon either of the following: 1) the pupil’s presence will be; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil’s suspension will be extended pending the results of an expulsion hearing. The student will have the opportunity, to complete instructional activities missed due to his or her suspension and will be able to communicate with designated school staff for any questions and for evaluation of work.

**Suspension Appeals**

Within 10 days of receiving the notice of suspension, the parent/guardian may submit a written appeal to KIPP LA Student Discipline Committee The Student Discipline Committee will conduct the suspension appeal review. The Student Discipline Committee decision is final. If the parent/guardian objects to the panel’s decision, the parent/guardian may submit a written objection which shall be included in the student’s discipline records if the parent so requests.

**Access to Educational Materials**

During the period of the suspension, The Charter School will ensure that the student has access to the necessary educational materials by ensuring that classwork, homework, and other resources are made available to the student on a daily basis. The School Leader, and/or designee, will oversee the process in which these materials are distributed to students during suspension.

**Expulsion Procedures**

**Definition**

Expulsion is the involuntary removal of a student from all schools and programs of KIPP LA for an extended period of time for acts of specified misconduct. Except for single acts of a grave nature and mandatory grounds for
expulsion, expulsion is used only when the School Leader determines that, all other behavior supports, plans, and interventions, have failed to bring about proper conduct, and/or the student’s presence causes a continuing danger to other students.

Authority
The KIPP LA Schools Executive Director, , and/or School Leader/Designee, have the authority to make expulsion recommendations. Final action is only taken by vote after the hearing of the Student Discipline committee of the KIPP LA Schools Board of Directors.

Notice of Hearing
In the event that the Executive Director, the Chief Academic Officer and/or the School Leader recommend a student for expulsion from The Charter School, the School shall promptly provide written notice to the student and parents/guardians at least 10 calendar days before the date of the expulsion hearing. The notification shall include:

- A statement of facts, charges and offence(s) upon which the proposed expulsion is based;
- The date, time and location of the expulsion hearing;
- A copy of the school’s disciplinary rules which relate to the alleged violation;
- Guidance around the opportunity for the student or the student’s parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
- Notice of the student’s right to obtain and inspect all copies of documents to be used at the hearing, and confront and question all witnesses who testify at the hearing, and question all evidence presented and to present oral and documentary evidence on the student’s behalf including witnesses; and
- Notice of the obligation to provide information about the student’s status at the Charter School to any other school district or school to which the student seeks enrollment, if expelled.

Hearing
The expulsion hearing must occur within thirty days of the offense, unless the student and parent or guardian requests a postponement. Likewise, the hearing shall not be held fewer than ten days following the written notification of due process rights unless the student and family/guardian waive their rights to ten days’ notice. (Ed. Code 48918).

Once determined that a student has committed an expellable offense, an expulsion hearing is held, in closed session, before an administrative panel of KIPP LA Schools. In connection with such a hearing and to effectuate an unbiased process, no School Leader or other school personnel who were involved in the underlying disciplinary action shall participate in any vote by the administrative panel. KIPP LA School’s administrative panel shall consist
of three members. The members will include either, school administrators, school support team members, and/or school operations personnel within the KIPP LA Schools region. The administrative panel is different than Student Discipline Committee. The committee receives evidence and information from the administrative panel and makes decision on expulsion.

. (The student’s advocate can be any person (attorney or non-attorney) of the student’s choice who is willing and able to represent the student at the expulsion hearing.) The student and his/her advocate may present their evidence and arguments, question witnesses, call witnesses, and present materials to the board for consideration. A record of the hearing will be made and, if necessary, a translator will be present at the hearing. The student’s parent or guardian will be given access to this record.

Record of Hearing
Pursuant to Ed Code 48918, a record of the hearing shall be made either by electronic recording and/or stenography. All documents and/or evidence presented at the hearing shall be maintained at the Charter School and school support office. Upon request, records may be released to the student, student’s advocate, or parent/guardian(s) within a reasonable time frame. Said records shall also be provided to the KIPP LA Schools board in the event of an appeal proceeding.

Procedures for Expulsion Hearing Involving Sexual Assault and Battery Offenses

In certain expulsion cases, The Charter School may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm. Upon this determination, only The Charter School or the hearing officer may present the testimony of the witness at the hearing in the form of sworn declarations that shall be examined. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil. The following outlines the procedures to be followed for all cases involving sexual assault and/or battery:

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five days notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.

2. KIPP Sol must also provide the victim a room separate from the hearing room for the complaining witness’ use prior to and during breaks in testimony.
3. At the discretion of the administrative panel, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room. The administrative panel is different than Student Discipline Committee. The members will include either, school administrators, school support team members, and/or school operations personnel within the KIPP LA Schools region.

4. The administrative panel may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.

5. The administrative panel may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.

6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the person presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The administrative panel may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.

7. If one or both of the support persons is also a witness, KIPP Sol must present evidence that the witness’ presence is both desired by the witness and will be helpful to KIPP Sol. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way. Nothing shall preclude the presiding officer from exercising his or her discretion to remove a person from the hearing whom he or she believes is prompting, swaying, or influencing the witness.

8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the room during that testimony.

9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session, when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.
Evidence of specific instances of a complaining witness’ prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the person conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstance can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

Presentation of Evidence
While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. If, due to a written request by the expelled student, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

Post Hearing Procedures
Within three school days after the hearing, the administrative panel shall submit their findings to the KIPP LA Board-designated Student Discipline Committee discipline. The committee shall consist of members of the KIPP LA School’s board that volunteer to serve on said committee. The Student Discipline Committee on school discipline shall decide whether or not to approve the recommendation to expel. In connection with such a decision, no School Leader or other school personnel who were involved in the underlying disciplinary action shall participate in any vote by the designated committee on school discipline thereof. Any decision, made by the Student Discipline Committee, to accept the recommendation to expel must be based upon a finding of facts derived from the evidence presented to the administrative panel. Any decision made by the Student Discipline Committee, to expel must be based upon substantial evidence relevant to the charges adduced at the expulsion hearing.

The designated Student Discipline Committee of the KIPP LA Schools board, upon voting to expel a pupil, may suspend the enforcement of the expulsion order for a period of not more than one calendar year and may, as a condition of the suspension of enforcement, assign the pupil to another school or class for the rehabilitation of the pupil. The rehabilitation program to which the pupil is assigned may provide for the involvement of the pupil’s parent or guardian in his or her child’s education in ways that are specified in the rehabilitation program. A parent or guardian’s refusal to participate in the rehabilitation program shall not be considered in the KIPP LA board’s determination as to whether the pupil has satisfactorily completed the rehabilitation program. (Ed. Code 48917)
Notification to Parent(s)/Guardian(s)
Upon the school discipline committee’s issuance of a decision, the Executive Director or designee, will make contact with the parent(s)/guardian(s) via telephone and certified mail via USPS advising them of the committee’s decision. Any decision to expel shall include the term of the expulsion as well as details of a rehabilitation plan and will be provided in a formal notice to parent(s)/guardian(s). The notice shall advise the parent(s)/guardian(s) of their right to appeal and access to records of the proceedings.

Notification to the District
The School Leader or designee shall send a copy of the written notice of the decision to expel to the District. This notice shall include the following: (a) The student’s name; and (b) The specific expellable offense committed by the student.

Right to Appeal
Parents and/or guardians have the right to appeal expulsions to the full board of KIPP LA Schools. A parent must submit a written appeal within 10 calendar days of being informed of the expulsion decision by the board’s committee on school discipline. The appeal must include a statement briefly describing the reason in which the Student Discipline Committee’s decision should be reversed. The appeal must be hand delivered or sent USPS certified mail to the School Leader and/or Chief Academic Officer.

KIPP LA Schools board review is limited to the record of proceeding held before the administrative panel and recommendations presented to the designated committee on school discipline. This review takes place within seven calendar days. Unless evidence was improperly excluded or, in the exercise of reasonable diligence, could not be produced at the time of the expulsion hearing, no evidence other than that contained in the record of proceeding may be heard. The full board of KIPP LA Schools shall review the expulsion record and make a determination as to whether the expulsion should be sustained. The decision of the full board is final. KIPP LA Schools Chief of Employee Solutions & Legal Affairs, will notify the parent(s)/guardian(s) of the date, time, and location of the appeal hearing in writing. The notice shall include language advising the parent(s)/guardian(s) that failure to appear at the hearing may be deemed an abandonment of the appeal by the board. Unless otherwise excused by the KIPP LA Schools board, failure of the appellant or parent/guardian to appear at the scheduled hearings or to pursue the appeal with diligence within the time frames established above, may be deemed an abandonment of the appeal and the KIPP LA Schools board may dismiss the appeal.
ELEMENT 11: EMPLOYEE RETIREMENT SYSTEMS

“The manner by which staff members of the charter schools will be covered by the State Teachers’ Retirement System, the Public Employees’ Retirement System, or federal social security.” (Ed. Code § 47605(b)(5)(K).)

Charter School shall comply in a timely manner with all applicable federal and state laws and regulations, as they may change from time to time, including but not limited to Internal Revenue Code section 414(d) and related regulations, governing Charter School’s participation in, and/or coverage of its staff members by, the State Teachers’ Retirement System (CalSTRS), the Public Employees’ Retirement System (CalPERS), and/or federal social security.

If Charter School participates in, or otherwise covers its staff members by enrolling or continuing their enrollment in, a “government plan” governed by section 414(d) (e.g. CalPERS), upon dissolution or final liquidation of Charter School, and/or its nonprofit public benefit corporation, notwithstanding any provision in Element 15 to the contrary, Charter School shall distribute its net assets in accordance with section 414(d), related regulations, and the government plan’s requirements.

If Charter School participates in CalSTRS and/or CalPERS, Charter School shall continue such participation for the duration of Charter School’s existence under the same CDS code, per applicable legal and retirement plan requirements.

All KIPP Sol Academy staff will participate in Social Security and will have the option join a 401(k) plan.

KIPP Sol Academy will not participate in the State Teachers’ Retirement System or the Public Employees’ Retirement System. KIPP LA Schools Chief of Employee Solutions and Legal Affairs will be responsible for ensuring that appropriate and timely arrangements for coverage under the 401(k) have been made.

**Certificated Staff Members**

In addition to Social Security, full-time certificated teaching can participate in the 401(k). KIPP LA will provide a match to employee’s 401(k) contributions over the following schedule:

1. Up to 2% of the employee’s salary in the first fiscal year of employment;
2. Up to 3% of the employee’s salary in the second fiscal year of employment;
3. Up to 4% of the employee’s salary in the third fiscal year of employment;
4. Up to 6% of the employee’s salary in the fourth fiscal year of employment and beyond.

**Non-certificated Staff Members**

In addition to Social Security, full-time non-certificated positions can participate in the 401(k) and receive matching contributions according to the schedule identified above.

**Other Staff Members**

All other staff members will participate in Social Security only.
ELEMENT 12: ATTENDANCE ALTERNATIVES

“The public school attendance alternatives for pupils residing within the school district who choose not to attend charter schools.” (Ed. Code § 47605(b)(5)(L).)

Pupils of Charter School do not have or gain any right to admission in a particular school of any school district, or program of any school district, as a consequence of applying to or enrolling in Charter School, except to the extent that such a right is extended by the school district.

A pupil who chooses not to attend Charter School may attend a public school within the pupil’s school district of residence in accordance with applicable law and that school district’s policies and procedures. The pupil alternatively may seek to enroll in another charter school in accordance with applicable law and the terms of the school’s charter. If LAUSD is the pupil’s school district of residence, an eligible pupil may pursue an inter-district transfer, if available, in accordance with the admission, enrollment, and transfer policies and procedures of the District, as they may change from time to time.

KIPP Sol Academy is a school of choice. As such, no student shall be required to attend the Charter School.

KIPP Sol Academy will inform parents and students of their public school attendance alternatives by publicizing the District’s open enrollment period. KIPP Sol will support families interested in learning about their enrollment options by guiding them to nearby schools using resources such as LAUSD’s Resident School Finder and connecting them to the Local District Operations for placement.
**Element 13: Employee Rights**

“The rights of an employee of the school district upon leaving the employment of the school district to work in a charter school, and of any rights of return to the school district after employment at a charter school.” (Ed. Code § 47605(b)(5)(M).)

Employees of the District who choose to leave the employment of the District to work at Charter School shall have no automatic rights of return to the District after employment at Charter School unless specifically granted by the District through a leave of absence or other agreement or policy of the District as aligned with the collective bargaining agreements of the District. Leave and return rights for District union-represented employees and former employees who accept employment with Charter School will be administered in accordance with applicable collective bargaining agreements and any applicable judicial rulings.
ELEMENT 14: MANDATORY DISPUTE RESOLUTION

“The procedures to be followed by the charter school and the entity granting the charter to resolve disputes relating to provisions of the charter.” (Ed. Code § 47605(b)(5)(N).)

The staff and governing board members of Charter School agree to resolve any claim, controversy or dispute arising out of or relating to the Charter agreement between the District and Charter School, except any controversy or claim that is in any way related to revocation of this Charter (“Dispute”), pursuant to the terms of this Element 14.

Any Dispute between the District and Charter School shall be resolved in accordance with the procedures set forth below:

1) Any Dispute shall be communicated in writing (“Written Notification”). The Written Notification must identify the nature of the Dispute and any supporting facts. The Written Notification shall be tendered to the other party by personal delivery, by facsimile, or by certified mail. The Written Notification shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile, upon electronic confirmation of receipt; or (c) if by mail, two (2) business days after deposit in the U.S. Mail.

All Written Notifications to the District and Charter School shall be addressed respectively as follows:

Director
Charter Schools Division
Los Angeles Unified School District
333 South Beaudry Avenue, 20th Floor
Los Angeles, California 90017

Rachelle Minix
KIPP Sol Academy
3601 E First Street, Los Angeles, CA 90063

(See Element 14)

2) A written response (“Written Response”) shall be tendered to the other party within twenty (20) business days from the date of receipt of the Written Notification. The parties agree to schedule a conference to discuss the Dispute identified in the Written Notice (“Issue Conference”). The Issue Conference shall take place within fifteen (15) business days from the date the Written Response is received by the other party. The Written Response may be tendered by personal delivery, by facsimile, or by certified mail. The Written Response shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00p.m., or otherwise on the business day following personal delivery; (b) if by facsimile, upon electronic confirmation of receipt; or (c) if by mail, two (2) business days after deposit in the U.S. Mail.

3) If the Dispute cannot be resolved by mutual agreement at the Issue Conference, either party may then request that the Dispute be resolved by mediation. Each party shall bear its own attorneys’ fees, costs and expenses
associated with the mediation. The mediator’s fees and the administrative fees of the mediation shall be shared equally among the parties. Mediation proceedings shall commence within 120 days from the date of either party’s request for mediation following the Issue Conference. The parties shall mutually agree upon the selection of a mediator to resolve the Dispute. The mediator may be selected from the approved list of mediators prepared by the American Arbitration Association. Unless the parties mutually agree otherwise, mediation proceedings shall be administered in accordance with the commercial mediation procedures of the American Arbitration Association.

4) If the mediation is not successful, then the parties agree to resolve the Dispute by binding arbitration conducted by a single arbitrator. Unless the parties mutually agree otherwise, arbitration proceedings shall be administered in accordance with the commercial arbitration rules of the American Arbitration Association. The arbitrator must be an active member of the State Bar of California or a retired judge of the state or federal judiciary of California. Each party shall bear its own attorney’s fees, costs and expenses associated with the arbitration. The arbitrator’s fees and the administrative fees of the arbitration shall be shared equally among the parties. However, any party who fails or refuses to submit to arbitration as set forth herein shall bear all attorney’s fees, costs and expenses incurred by such other party in compelling arbitration of any controversy or claim.
Element 15: School Closure Procedures

“The procedures to be used if the charter school closes. The procedures shall ensure a final audit of the charter school to determine the disposition of all assets and liabilities of the charter school, including plans for disposing of any net assets and for the maintenance and transfer of pupil records.” (Ed. Code § 47605(b)(5)(O).)

Revocation of the Charter

The District may revoke the Charter if Charter School commits a breach of any provision set forth in a policy related to charter schools adopted by the District Board of Education and/or any provisions set forth in the Charter Schools Act of 1992. The District may revoke the charter of Charter School if the District finds, through a showing of substantial evidence, that Charter School did any of the following:

- Charter School committed a material violation of any of the conditions, standards, or procedures set forth in the Charter.
- Charter School failed to meet or pursue any of the pupil outcomes identified in the Charter.
- Charter School failed to meet generally accepted accounting principles, or engaged in fiscal mismanagement.
- Charter School violated any provision of law.

Prior to revocation, and in accordance with Education Code section 47607(d) and state regulations, the LAUSD Board of Education will notify Charter School in writing of the specific violation, and give Charter School a reasonable opportunity to cure the violation, unless the LAUSD Board of Education determines, in writing, that the violation constitutes a severe and imminent threat to the health or safety of the pupils. Revocation proceedings are not subject to the dispute resolution provisions set forth in this Charter.

Pursuant to AB 97, charter schools may be identified for assistance based on state evaluation rubrics and be subject to revocation pursuant to Education Code section 47607.3.

Closure Action

The decision to close Charter School, either by the governing board of Charter School or by the LAUSD Board of Education, must be documented in a “Closure Action”. A Closure Action shall be deemed to have been automatically taken when any of the following occur: the Charter is revoked (subject to the provisions of Education Code section 47607(j)) or non-renewed by the LAUSD Board of Education; the governing board of Charter School votes to close Charter School; or the Charter lapses.

Closure Procedures

The procedures for charter school closure set forth below are guided by Education Code sections 47604.32, 47605, and 47607 as well as California Code of Regulations, title 5, sections 11962 and 11962.1, and are based on “Charter
School Closure Requirements and Recommendations (Revised 08/2009)” posted on the California Department of Education website. All references to “Charter School” apply to Charter School, including its nonprofit corporation and governing board.

**Designation of Responsible Person(s) and Funding of Closure**

Prior to or at the time of the taking of a Closure Action by either the governing board of Charter School or the LAUSD Board of Education, the governing board of Charter School shall designate a person or persons responsible for conducting and overseeing all closure-related procedures and activities, and allocate sufficient funding for, or otherwise determine how Charter School will fund, these activities.

**Notification of Closure Action**

Upon the taking of a Closure Action, Charter School shall send written notice of its closure to:

1. The LAUSD Charter Schools Division (CSD). Charter School shall provide the CSD with written notice of (1) the person(s) designated to be responsible for conducting and overseeing all closure activities, and (2) the source, location, and management of the funding for such activities. If the Closure Action is an act of Charter School, Charter School shall provide the CSD with a copy of the governing board resolution or minutes that documents its Closure Action.

2. Parents/guardians of all students, and all majority age and emancipated minor students, currently enrolled in Charter School within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written parent notification to the CSD.

3. Los Angeles County Office of Education (LACOE). Charter School shall send written notification of the Closure Action to LACOE by registered mail within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.

4. The Special Education Local Plan Area (SELPA) in which Charter School participates. Charter School shall send written notification of the Closure Action to the SELPA in which Charter School participates by registered mail within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.

5. The retirement systems in which Charter School’s employees participate. Within fourteen (14) calendar days of the Closure Action, Charter School shall notify, as applicable, the State Teachers Retirement System (STRS), Public Employees Retirement System (PERS), the Social Security Administration, and the Los Angeles County Office of Education of the Closure Action, and follow their respective procedures for dissolving contracts and reporting. Charter School shall provide a copy of these notifications and correspondence to the CSD.

6. The California Department of Education (CDE). Charter School shall send written notification of the Closure Action to the CDE by registered mail within 72 hours of the Closure Action. Charter School shall provide a copy of this notification to the CSD.

7. Any school district that may be responsible for providing education services to the former students of Charter School. Charter School shall send written notification of the Closure Action within 72 hours of the
Closure Action. This notice must include a list of potentially returning students and their home schools based on student residence. Charter School shall provide a copy of these notifications, if any, to the CSD.

8. All Charter School employees and vendors within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written employee and vendor notification, with any attachments, to the CSD.

Notification of all the parties above, with the exception of employees and vendors, must include but is not limited to the following information:

1. The effective date of the closure of Charter School
2. The name(s) and contact information for the person(s) handling inquiries regarding the closure
3. The students’ school districts of residence
4. How parents/guardians of all students, and all majority age and emancipated minor students, may obtain copies of student records and transcripts, including specific information on completed courses and credits that meet graduation requirements

In addition to the four required items above, notification of the CDE shall also include:

1. A description of the circumstances of the closure
2. The location of student and personnel records

In addition to the four required items above, notification of parents/guardians of all students, and all majority age and emancipated minor students, shall also include:

1. Information on how to enroll or transfer the student to an appropriate school
2. A certified packet of student information that includes closure notice, a copy of the student’s cumulative record and other records, including but not limited to grade reports, discipline records, immunization records, completed coursework, credits that meet graduation requirements, a transcript, and state testing results
3. Information on student completion of college entrance requirements, for all high school students affected by the closure

Notification of employees and vendors shall include:

1. The effective date of the closure of Charter School
2. The name(s) and contact information for the person(s) handling inquiries regarding the closure
3. The date and manner, which shall be no later than 30 days from the effective date of the closure of Charter School, by which Charter School shall provide employees with written verification of employment within 30 days of the effective date of closure, Charter School shall provide all employees with written verification of employment. Charter School shall send copies of all such employee verification letters to the CSD.

Records Retention and Transfer
Charter School shall comply with all applicable laws as well as District policies and procedures, as they may change from time to time, regarding the transfer and maintenance of Charter School records, including student records. These requirements include:

1. Charter School shall provide the District with all original student cumulative files and behavior records, pursuant to District policy and applicable District handbook(s) regarding cumulative records for secondary and elementary schools, for all students, both active and inactive, of Charter School. Transfer of the complete and organized original student records to the District, in accordance with District procedures applicable at the time of closure, shall occur within seven (7) calendar days of the effective date of closure.

2. Charter School’s process for transferring copies of student records to receiving schools shall be in accordance with applicable law and LAUSD procedures for students moving from one school to another.

3. Charter School shall prepare and provide an electronic master list of all students to the Charter Schools Division in accordance with the District procedures applicable at the time of closure. This list shall include the student’s identification number, Statewide Student Identifier (SSID), birthdate, grade, full name, address, home school/school district, enrollment date, exit code, exit date, parent/guardian name(s), and phone number(s). If the Charter School closure occurs before the end of the school year, the list also shall indicate the name of the school to which each student is transferring, if known. This electronic master list shall be delivered to the CSD in the form of a CD or otherwise in accordance with District procedures.

4. Charter School must organize the original cumulative files for delivery to the District in two categories: active students and inactive students. Charter School will coordinate with the CSD for the delivery and/or pickup of student records.

5. Charter School must update all student records in the California Longitudinal Pupil Achievement Data System (CALPADS) prior to closing.

6. Charter School must provide to the CSD a copy of student attendance records, teacher gradebooks, Charter School payroll records, and Title I records (if applicable).

7. Charter School must provide to the CSD the name, title, and contact information of the person designated to maintain all Charter School personnel records after the closure. Personnel records to be transferred to and maintained by the designee must include any and all employee records, including but not limited to, records related to performance and grievance. Charter School must provide to the CSD and the designee a list of all active and inactive employees and their periods of service. Both Charter School and the designee,
individually and separately, shall inform the CSD immediately upon the transfer of Charter School’s employee records to the designee.

8. Charter School shall ensure that all records are boxed and clearly labeled by classification of documents and the required duration of storage in accordance with District procedures.

9. Charter School shall provide to the responsible person(s) designated by the governing board of Charter School to conduct all closure-related activities a list of students in each grade level and, for each student, a list of classes completed and the student’s district of residence.

Financial Close-Out

After receiving notification of closure, the California Department of Education (CDE) will notify Charter School and the authorizing entity of any liabilities Charter School owes the state, which may include overpayment of apportionments, unpaid revolving fund loans or grants, and/or similar liabilities. The CDE may ask the county office of education to conduct an audit of the charter school if it has reason to believe that the school received state funding for which it was not eligible.

Charter School shall ensure completion of an independent final audit within six months after the closure of Charter School that includes:

1. An accounting of all financial assets. These may include cash and accounts receivable and an inventory of property, equipment, and other items of material value.

2. An accounting of all liabilities. These may include accounts payable or reduction in apportionments due to loans, unpaid staff compensation, audit findings, or other investigations.

3. An assessment of the disposition of any restricted funds received by or due to Charter School.

This audit may serve as Charter School’s annual audit if it meets all of the requirements of the annual audit.

Charter School shall pay for the financial closeout audit of Charter School. This audit will be conducted by a neutral, independent licensed CPA who will employ generally accepted accounting principles. Any liability or debt incurred by Charter School will be the responsibility of Charter School and not LAUSD. Charter School understands and acknowledges that Charter School will cover the outstanding debts or liabilities of Charter School. Any unused monies at the time of the audit will be returned to the appropriate funding source. Charter School understands and acknowledges that only unrestricted funds will be used to pay creditors. Any unused AB 602 funds will be returned to the District SELPA or the SELPA in which Charter School participates, and other categorical funds will be returned to the source of funds.

Charter School shall ensure the completion and filing of any annual reports required. These reports include but are not necessarily limited to:

1. Preliminary budgets
2. Interim financial reports
3. Second interim financial reports
4. Final unaudited reports

These reports must be submitted to the CDE and the authorizing entity in the form required. These reports should be submitted as soon as possible after the Closure Action, but no later than the required deadline for reporting for the fiscal year.

For apportionment of categorical programs, the CDE will count the prior year average daily attendance (ADA) or enrollment data of the closed Charter School with the data of the authorizing entity. This practice will occur in the first year after the closure and will continue until CDE data collection processes reflect ADA or enrollment adjustments for all affected LEAs due to the charter closure.

**Disposition of Liabilities and Assets**

The closeout audit must identify the disposition of all liabilities of Charter School. Charter School closure procedures must also ensure appropriate disposal, in accordance with the District Required Language provisions in Element 11 of this Charter, Charter School’s governing board bylaws, fiscal procedures, and any other applicable laws and regulations, of any net assets remaining after all liabilities of Charter School have been paid or otherwise addressed. Such disposal includes, but is not limited to:

1. Charter School, at its cost and expense, shall return to the District any and all property, furniture, equipment, supplies, and other assets provided to Charter School by or on behalf of the District. The District discloses that the California Education Code sets forth the requirements for the disposition of the District’s personal property and Charter School shall bear responsibility and liability for any disposition in violation of statutory requirements.

2. The return of any donated materials and property in accordance with any terms and conditions set when the donations were accepted.

3. The return of any grant and restricted categorical funds to their sources according to the terms of the grant or state and federal law.

4. The submission of final expenditure reports for any entitlement grants and the filing of Final Expenditure Reports and Final Performance Reports, as appropriate.

If Charter School is operated by a nonprofit corporation, and if the corporation does not have any functions other than operation of Charter School, the corporation shall be dissolved according to its bylaws.

Charter School shall retain sufficient staff, as deemed appropriate by the Charter School governing board to complete all necessary tasks and procedures required to close the school and transfer records in accordance with these closure procedures.

Charter School’s governing board shall adopt a plan for wind-up of Charter School and, if necessary, the corporation, in accordance with the requirements of the Corporations Code.
Charter School shall provide LAUSD within fourteen (14) calendar days of the Closure Action with written notice of any outstanding payments due to staff and the time frame and method by which Charter School will make the payments.

Prior to final close-out, Charter School shall complete all actions required by applicable law, including but not limited to the following:

a. File all final federal, state, and local employer payroll tax returns and issue final W-2s and Form 1099s by the statutory deadlines.

b. Make final federal tax payments (employee taxes, etc.)

c. Complete and submit all required federal and state filings and notices to the State of California, the Internal Revenue Service, and the Department of the Treasury, including but not limited to final tax returns and forms (e.g., Form 990 and related Schedules).

This Element 15 shall survive the revocation, expiration, termination, cancellation of this Charter, or any other act or event that would end Charter School’s authorization to operate as a charter school or cause Charter School to cease operation. Charter School agrees that, due to the nature of the property and activities that are the subject of this Charter, the District and public shall suffer irreparable harm should Charter School breach any obligation under this Element 15. The District therefore reserves the right to seek equitable relief to enforce any right arising under this Element 15 or any provision of this Element 15 or to prevent or cure any breach of any obligation undertaken, without in any way prejudicing any other legal remedy available to the District. Such legal relief shall include, without limitation, the seeking of a temporary or permanent injunction, restraining order, or order for specific performance, and may be sought in any appropriate court.
Additional Provisions

**FACILITIES**

**District-Owned Facilities**
If Charter School is using District facilities as of the date of the submittal of this charter petition or takes occupancy of District facilities prior to the approval of this charter petition, Charter School shall execute an agreement provided by the District for the use of the District facilities as a condition of the approval of the charter petition. If at any time after the approval of this charter petition Charter School will occupy and use any District facilities, Charter School shall execute an agreement provided by the District for the use of the District facilities prior to occupancy and commencing use. Charter School shall implement and otherwise comply with the terms of any and all applicable facilities use agreements between Charter School and the District.

Notwithstanding any provision of any existing agreement for the use of District facilities, no renewal, extension of the term, material revision, or amendment, of a charter petition shall automatically renew or extend the term of any agreement for the use of District facilities, including but not limited to Proposition 39 agreements. The circumstances of Charter School’s occupancy of District facilities may change over time such as, but not limited to, enrollment, programs, and the conditions of facilities, and the District has a vested interest in having an agreement that is appropriate for the situation. Proposition 39 Single Year Co-Location Use Agreements shall be limited to one (1) school year and expire on the date stated in said instrument.

For a Sole Occupant Agreement or any other use agreement that is not a Proposition 39 Single Year Co-location Use Agreement or a lease issued through the Notice of Intent and bid process, the term shall not exceed five (5) years or shall be co-terminous with the approved Charter, whichever is shorter. Charter School and the District shall negotiate any modifications of the agreement with the goal of such amendment or new agreement being considered by the LAUSD Board of Education with the renewal of the charter petition. If Charter School and the District cannot execute an agreement in time for such to be considered by the Board of Education with the renewal of the charter petition, the approval of the renewal of the charter petition shall be conditioned upon Charter School and the District executing an amendment to the existing use agreement or a new agreement no later than May 1st or within nine (9) months of the date of the Board of Education’s approval of the renewal of the charter petition. During such time period Charter School shall be permitted to remain in occupancy of the District facilities under the terms and conditions of the immediately preceding, executed use agreement; provided, that if Charter School and the District cannot agree upon and execute an amendment or new use agreement by said deadline, Charter School shall vacate the District facilities on or before June 30th of said school year.

Charter School acknowledges and agrees that occupancy and use of District facilities shall be in compliance with applicable laws and District policies for the operation and maintenance of District facilities and furnishings and equipment. Charter School shall comply with all District health, safety, and emergency procedures and requirements and shall be subject to inspection by the District’s Facilities Services Division, OEHS, and other District offices in the same manner as other LAUSD campuses. All District facilities (i.e., schools) will remain subject to those laws applicable to public schools.

In the event of an emergency, all District facilities (i.e., schools) are available for use by the American Red Cross and public agencies as emergency locations, which may disrupt or prevent Charter School from conducting its educational
programs. If Charter School will share the use of District facilities with other District user groups, Charter School agrees that it will participate in and observe all District safety policies (e.g., emergency chain of information and participation in safety drills).

The use agreements provided by the District for District facilities shall contain terms and conditions addressing issues such as, but not limited to, the following:

• **Use:** Charter School will be restricted to using the District facilities for the operation of a public school providing educational instruction to public school students consistent with the terms of the Charter and incidental related uses. Separate and apart from its right as authorizer to observe and inspect any part of the charter school at any time pursuant to Education Code 47607(a)(1), the District shall have and reserves the right to inspect District facilities upon reasonable notice to Charter School.

• **Furnishings and Equipment:** The District shall retain ownership of any furnishings and equipment, including technology, ("F&E") that it provides to Charter School for use. Charter School, at its sole cost and expense, shall provide maintenance and other services for the good and safe operation of the F&E.

• **Leasing; Licensing:** Use of the District facilities by any person or entity other than Charter School shall be administered by the District. The parties may agree to an alternative arrangement in the use agreement.

• **Programs, Services, and Activities Outside Instructional Program; Third Party Vendors**
  (i) Any program, service, or activity provided outside the instructional program shall be subject to the terms and provisions of the use agreement, and, additionally, may require a license, permit, or additional agreement issued by the District. The term “instructional program” is defined, per Education Code section 47612 and 5 CCR section 11960, as those required educational activities that generate funding based on “average daily attendance” and includes those extracurricular programs, services, and/or activities that students are required to participate in and do not require the payment of any consideration or fee.

  (ii) Any program, service, or activity requiring the payment of any consideration or fee or provided by a third party vendor (defined as any person or entity other than Charter School), whether paid or volunteer and regardless of whether such may be within the instructional program, shall be subject to the terms and provisions of the use agreement and such third party vendor shall be required to obtain a license, permit, or additional agreement from the District.

• **Minimum Payments or Charges to be Paid to District Arising From the Facilities:**
  (i) **Pro Rata Share:** The District shall collect and Charter School shall pay a Pro Rata Share for facilities costs as provided in the Charter Schools Act of 1992 and its regulations. The parties may agree to an alternative arrangement regarding facilities costs in the use agreement; and

  (ii) **Taxes; Assessments:** Generally, Charter School shall pay any assessment or fee imposed upon or levied on the LAUSD facilities that it is occupying or Charter School’s legal or equitable interest created by the use agreement.
• **Maintenance & Operations Services:** In the event the District agrees to allow Charter School to perform any of the operation and maintenance services, the District shall have the right to inspect the District facilities, and the costs incurred in such inspection shall be paid by Charter School.

  (i) **Co-Location:** If Charter School is co-locating or sharing the District facilities with another user, the District shall provide the operations and maintenance services for the District facilities and Charter School shall pay the Pro Rata Share. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such in the use agreement.

  (ii) **Sole Occupant:** If Charter School is a sole occupant of District facilities, the District shall allow Charter School, at its sole cost and expense, to provide some operations and maintenance services for the District facilities in accordance with applicable laws and LAUSD’s policies on operations and maintenance services for facilities and F&E. NOTWITHSTANDING THE FOREGOING, the District shall provide all services for regulatory inspections which as the owner of the real property it is required to submit, and deferred maintenance, and Charter School shall pay LAUSD for the cost and expense of providing those services. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such services in the use agreement.

• **Real Property Insurance:** Prior to occupancy, Charter School shall satisfy requirements to participate in LAUSD’s property insurance or, if Charter School is the sole occupant of LAUSD facilities, obtain and maintain separate property insurance for the LAUSD facilities. Charter School shall **not** have the option of obtaining and maintaining separate property insurance for the LAUSD facility IF Charter School is co-locating or sharing the LAUSD facility with another user.

**Non-District-Owned Facilities**

**Occupancy and Use of the Site:** Prior to occupancy or use of any school site or facility, Charter School shall provide the CSD with a current Certificate of Occupancy or equivalent document issued by the applicable permitting agency that allows Charter School to use and occupy the site as a charter school. Charter School shall not exceed the operating capacity of the site and shall operate within any limitations or requirements provided by the Certificate of Occupancy and any applicable permit. Charter School may not open or operate without providing a copy of an appropriate Certificate of Occupancy to the CSD. If Charter School intends to move or expand to another facility during the term of this Charter, Charter School shall adhere to any and all District policies and procedures regarding charter material revision and non-material amendment. Prior to occupancy or use of any such additional or changed school site, Charter School shall provide an appropriate Certificate of Occupancy to the CSD for such facility. Notwithstanding any language to the contrary in this Charter, the interpretation, application, and enforcement of this provision are not subject to the Dispute Resolution Process outlined in Element 14.

**Facility Compliance:** Prior to occupancy or use of any school site or facility, Charter School shall provide adequate documentation to the CSD that the facility complies with all applicable building codes, standards and regulations adopted by the city and/or county agencies responsible for building and safety standards for the city in which Charter School is to be located, federal and state accessibility requirements (including the Americans with
Disabilities Act (ADA) and Section 504), and all other applicable fire, health, and structural safety and access requirements. This requirement shall also apply to the construction, reconstruction, alteration of or addition to the facility. Charter School shall resolve in a timely manner any and all corrective actions, orders to comply, or notices issued by the authorized building and safety agency or the District. Charter School cannot exempt itself from applicable building and zoning codes, ordinances, and ADA/Section 504 requirements. Charter School shall maintain on file readily accessible records that document facilities compliance and provide such documentation to the CSD upon request.

**Pest Management:** Charter School shall comply with the Healthy Schools Act, Education Code section 17608, which details pest management requirements for schools.

**Asbestos Management:** Charter School shall comply with the asbestos requirement as cited in the Asbestos Hazard Emergency Response Act (AHERA), 40 C.F.R. part 763. AHERA requires that any building leased or acquired that is to be used as a school or administrative building shall maintain an asbestos management plan.

**Insurance**

**Insurance Requirements**

No coverage shall be provided to Charter School by the District under any of the District’s self-insured programs or commercial insurance policies. Charter School shall secure and maintain, at a minimum, insurance as set forth below with insurance companies acceptable to the District [A.M. Best A-, VII or better] to protect Charter School from claims which may arise from its operations. Each Charter School location shall meet the below insurance requirements individually.

It shall be Charter School’s responsibility, not the District’s, to monitor its vendors, contractors, partners, and/or sponsors for compliance with the insurance requirements.

The following insurance policies are required:

1. **Commercial General Liability,** including Fire Legal Liability, coverage of $5,000,000 per Occurrence and in the Aggregate. The policy shall be endorsed to name the Los Angeles Unified School District and the Board of Education of the City of Los Angeles (“Board of Education”) as named additional insureds and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and Charter School’s insurance shall be primary despite any conflicting provisions in Charter School’s policy. Coverage shall be maintained with no Self-Insured Retention above $15,000 without the prior written approval of the Division of Risk Management and Insurance Services for the LAUSD.

2. **Workers’ Compensation Insurance** in accordance with provisions of the California Labor Code adequate to protect Charter School from claims that may arise from its operations pursuant to the Workers’ Compensation Act (Statutory Coverage). The Workers’ Compensation Insurance coverage must also include Employers Liability coverage with limits of $1,000,000/$1,000,000/$1,000,000.
3. Commercial Auto Liability, including Owned, Leased, Hired, and Non-owned, coverage with limits of $1,000,000 Combined Single Limit per Occurrence if Charter School does not operate a student transportation service. If Charter School provides student transportation services, the required coverage limit is $5,000,000 Combined Single Limit per Occurrence.

4. Crime Insurance or Fidelity Bond coverage shall be maintained by Charter School to cover all Charter School employees who handle, process or otherwise have responsibility for Charter School funds, supplies, equipment or other assets. Minimum amount of coverage shall be $500,000 per occurrence and $500,000 general aggregate, with no self-insured retention.

5. Cyber liability insurance coverage with minimum limits of $500,000 per occurrence and $500,000 general aggregate.

6. Professional Educators Errors and Omissions liability coverage with minimum limits of $3,000,000 per occurrence and $3,000,000 general aggregate.

7. Sexual Molestation and Abuse coverage with minimum limits of $3,000,000 per occurrence and $3,000,000 general aggregate. Coverage may be held as a separate policy or included by endorsement in the Commercial General Liability or the Errors and Omissions Policy.

8. Employment Practices Legal Liability coverage with limits of $3,000,000 per occurrence and $3,000,000 general aggregate.

9. Excess/umbrella insurance with limits of not less than $10,000,000 is required of all high schools and any other school that participates in competitive interscholastic or intramural sports programs.

Coverages and limits of insurance may be accomplished through individual primary policies or through a combination of primary and excess policies. The policy shall be endorsed to name the Los Angeles Unified School District and its Board of Education as named additional insureds and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and Charter School’s insurance shall be primary despite any conflicting provisions in Charter School’s policy.

Evidence of Insurance
Charter School shall furnish to the District’s Division of Risk Management and Insurance Services located at 333 S. Beaudry Ave, 28th Floor, Los Angeles CA 90017 within 30 days of all new policies inceptions, renewals or changes, certificates or such insurance signed by authorized representatives of the insurance carrier. Certificates shall be endorsed as follows:

“Charter school shall be required to provide LAUSD with 30 days prior written notice by certified mail, return receipt requested, if the insurance afforded by this policy shall be suspended, cancelled, reduced in coverage limits or non-renewed.”
Facsimile or reproduced signatures may be acceptable upon review by the Division of Risk Management and Insurance Services. However, the District reserves the right to require certified copies of any required insurance policies.

Should Charter School deem it prudent and/or desirable to have insurance coverage for damage or theft to Charter School, employee or student property, for student accident, or any other type of insurance coverage not listed above, such insurance shall not be provided by the District and its purchase shall be the responsibility of Charter School.

Hold Harmless/Indemnification Provision
To the fullest extent permitted by law, Charter School does hereby agree, at its own expense, to indemnify, defend and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys’ fees, brought by any person or entity whatsoever, arising out of, or relating to, this Charter agreement. Charter School further agrees to the fullest extent permitted by law, at its own expense, to indemnify, defend, and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys’ fees, brought by any person or entity whatsoever for claims, damages, losses and expenses arising from or relating to acts or omission of acts committed by Charter School and/or its officers, directors, employees or volunteers. Moreover, Charter School agrees to indemnify, defend and hold harmless “the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers, for any contractual liability resulting from third party contracts with Charter School’s vendors, contractors, partners or sponsors.

FISCAL MATTERS

District Oversight Costs
The District may charge for the actual costs of oversight of Charter School not to exceed 1% of Charter School’s revenue, or the District may charge for the actual costs of oversight of Charter School not to exceed 3% if Charter School is able to obtain substantially rent free facilities from the District. Notwithstanding the foregoing, the District may charge the maximum oversight fee allowed under the law as it may change from time to time. The oversight fee provided herein is separate and distinct from the charges arising under charter school facilities use agreements.

Cash Reserves
Charter School acknowledges that the recommended cash reserve is 5% of expenditures, as provided in section 15450, title 5 of the California Code of Regulations.

Third Party Contracts
Charter School shall ensure that all third party contracts, whether oral or written, for supplies, equipment, goods and/or services, for the direct or indirect benefit of, or otherwise related to the operation of, Charter School, require compliance with and otherwise conform to all applicable local, state, and federal policies, regulations, laws, and guidelines, including but not limited to licensing and permit requirements as well as requirements related to protection of health and safety.
Special Education Revenue Adjustment/Payment for Services
In the event that Charter School owes funds to the District for the provision of agreed upon or fee for service or special education services or as a result of the State’s adjustment to allocation of special education revenues from Charter School, Charter School authorizes the District to deduct any and all of the in lieu property taxes that Charter School otherwise would be eligible to receive under section 47635 of the Education Code to cover such owed amounts. Charter School further understands and agrees that the District shall make appropriate deductions from the in lieu property tax amounts otherwise owed to Charter School. Should this revenue stream be insufficient in any fiscal year to cover any such costs, Charter School agrees that it will reimburse the District for the additional costs within forty-five (45) business days of being notified of the amounts owed.

Student Body Funds
Charter School shall supervise and manage any and all student body funds in a manner consistent with the provisions of Education Code sections 48930-48938. Charter School shall include and address student body funds in its financial reports, and ensure that such funds are included and addressed in Charter School’s annual audit as a stand-alone item.

Audit and Inspection of Records
Charter School agrees to observe and abide by the following terms and conditions as a requirement for receiving and maintaining its charter authorization:

- Charter School is subject to District oversight.
- The District’s statutory oversight responsibility continues throughout the life of the Charter and requires that the District, among other things, monitors the fiscal condition of Charter School.
- The District is authorized to revoke this Charter for, among other reasons, the failure of Charter School to meet generally accepted accounting principles or if Charter School engages in fiscal mismanagement.

Accordingly, the District hereby reserves the right, pursuant to its oversight responsibility, to audit Charter School books, records, data, processes and procedures through the District Office of the Inspector General or other means. The audit may include, but is not limited to, the following areas:

- Compliance with terms and conditions prescribed in the Charter agreement,
- Internal controls, both financial and operational in nature,
- The accuracy, recording and/or reporting of Charter School’s financial information,
- Charter School’s debt structure,
- Governance policies, procedures and history,
- The recording and reporting of attendance data,
- Charter School’s enrollment process,
- Compliance with safety plans and procedures, and
- Compliance with applicable grant requirements.
Charter School shall cooperate fully with such audits and shall make available any and all records necessary for the performance of the audit upon 30 days notice to Charter School. When 30 days notice may defeat the purpose of the audit, the District may conduct the audit upon 24- hours notice.

**Internal Fiscal Controls**
Charter School shall develop and maintain sound internal fiscal control policies governing all financial activities.

**Apportionment Eligibility for Students Over 19 Years of Age**
Charter School acknowledges that, in order for a pupil over nineteen (19) years of age to remain eligible for generating charter school apportionment, the pupil shall be continuously enrolled in public school and make satisfactory progress toward award of a high school diploma. (Ed. Code § 47612(b).)

**Local Control and Accountability Plan**
In accordance with California Education Code sections 47604.33 and 47606.5, Charter School shall include in its annual update a “listing and description of the expenditures for the fiscal year implementing the specific actions included in the charter as a result of the reviews and assessment required by paragraph (1)” of section 47606.5(a). These expenditures shall be “classified using the California School Accounting Manual pursuant to Section 41010.” (Ed. Code § 47606.5(b).)
ASSURANCES, AFFIRMATIONS, AND DECLARATIONS

KIPP Sol Acaddemy (also referred to herein as “KIPP Sol” and “Charter School”) shall:

- Be nonsectarian in its programs, admission policies, employment practices, and all other operations. (California Education Code (hereinafter “Ed. Code”) § 47605(d)(1).)

- Not charge tuition. (Ed. Code § 47605(d)(1).)

- Not discriminate against any pupil on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code. (Ed. Code § 47605(d)(1).)

- Except as provided in Education Code section 47605(d)(2), admission to a charter school shall not be determined according to the place of residence of the pupil, or of his or her parent or legal guardian, within this state, except that an existing public school converting partially or entirely to a charter school under this part shall adopt and maintain a policy giving admission preference to pupils who reside within the former attendance area of that school. (Ed. Code § 47605(d)(1).)

- Admit all pupils who wish to attend Charter School. (Ed. Code § 47605(d)(2)(A).)

- Except for existing pupils of Charter School, determine attendance by a public random drawing if the number of pupils who wish to attend Charter School exceeds Charter School’s capacity. Preference shall be extended to pupils currently attending Charter School and pupils who reside in the Los Angeles Unified School District (also referred to herein as “LAUSD” and “District”). (Ed. Code § 47605(d)(2)(B).)

- If a pupil is expelled or leaves Charter School without graduating or completing the school year for any reason, Charter School shall notify the superintendent of the school district of the pupil’s last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, including a transcript of grades or report card, and health information. (Ed. Code § 47605(d)(3).)

- Meet all statewide standards and conduct the pupil assessments required pursuant to Education Code sections 60605 and 60851 and any other statewide standards authorized in statute or pupil assessments applicable to pupils in non-charter public schools. (Ed. Code § 47605(c)(1).)
• Consult, on a regular basis, with Charter School’s parents, legal guardians, and teachers regarding the school’s educational programs. (Ed. Code § 47605(c)(2).)

Charter School hereby declares that Charter School, operated by or as its nonprofit public benefit corporation, is and shall be the exclusive public school employer of Charter School’s employees for the purposes of the Educational Employment Relations Act (EERA), Chapter 10.7 (commencing with Section 3540) of Division 4 of Title I of the Government Code. Charter School shall comply with all provisions of the EERA and shall act independently from LAUSD for collective bargaining purposes. In accordance with the EERA, employees may join and be represented by an organization of their choice for collective bargaining purposes.

NOTE: This Charter contains specific “District Required Language” (DRL), including the Assurances, Affirmations, and Declarations above. The DRL should be highlighted in gray within each Charter element or section. The final section of the Charter provides a consolidated addendum of the DRL. This intentional redundancy facilitates efficient charter petition review while ensuring ready access to the DRL for any given section of the Charter. To the extent that any inconsistency may exist between any provision contained within the body of the Charter and the DRL contained in the addendum, the provisions of the DRL addendum shall control.

**ELEMENT 1 – THE EDUCATIONAL PROGRAM**

“The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an “educated person” in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners.” (Ed. Code § 47605(b)(5)(A)(i).)

“The annual goals for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals.” (Ed. Code § 47605(b)(5)(A)(ii).)

“If the proposed charter school will serve high school pupils, a description of the manner in which the charter school will inform parents about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable and courses approved by the University of California or the California State University as creditable under the ‘A’ to ‘G’ admissions criteria may be considered to meet college entrance requirements.” (Ed. Code § 47605(b)(5)(A)(iii).)

**LOCAL CONTROL FUNDING FORMULA (LCFF) AND LOCAL CONTROL AND ACCOUNTABILITY PLAN (LCAP)**
Charter School acknowledges and agrees that it must comply with all applicable laws and regulations related to AB 97 (Local Control Funding Formula), as they may be amended from time to time, which include the requirement that Charter School shall annually submit a Local Control and Accountability Plan (LCAP)/annual update to the Los Angeles County Superintendent of Schools and the Charter Schools Division (CSD) on or before July 1. In accordance with Education Code sections 47604.33 and 47606.5, Charter School shall annually update its goals and annual actions to achieve those goals identified in the charter pursuant to Education Code section 47605(b)(5)(A)(ii), using the Local Control and Accountability Plan template adopted by the State Board of Education, as it may be changed from time to time. Charter School shall comply with all requirements of Education Code section 47606.5, including but not limited to the requirement that Charter School “shall consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the annual update.” (Ed. Code § 47606.5(e).)

**ACADEMIC CALENDAR AND SCHEDULES**

Charter School shall offer, at a minimum, the number of minutes of instruction set forth in Education Code section 47612.5, and the number of school days required by California Code of Regulations, title 5, section 11960.

**MATHEMATICS PLACEMENT**

Charter School shall comply with all applicable requirements of the California Mathematics Placement Act of 2015.

**TRANSITIONAL KINDERGARTEN**

Charter School shall comply with all applicable requirements regarding transitional kindergarten. For purposes of admission to Charter School, transitional kindergarten shall be considered a part of kindergarten, and therefore students enrolled in transitional kindergarten at Charter School shall be considered existing students of Charter School for purposes of Charter School’s admissions, enrollment, and lottery.

**HIGH SCHOOL EXIT EXAMINATION**

Charter School shall comply with the requirements of Education Code sections 60851.5 and 60851.6.

**WASC ACCREDITATION**
If Charter School serves students in grades 9-12, before Charter School graduates its first class of students, Charter School shall obtain, and thereafter maintain, Western Association of Schools and Colleges (WASC) accreditation.

**ENGLISH LEARNERS**

Charter School shall identify potential English Learners (ELs) in a timely manner in accordance with all applicable legal requirements. Charter School must provide all English Learners with an effective English language acquisition program that also affords meaningful and equitable access to Charter School’s academic core curriculum. Instructional plans for English Learners must be (1) based on sound educational theory; (2) adequately supported with trained teachers and appropriate materials and resources; and (3) periodically evaluated to make sure the program is successful and modified when the program is not successful.

On an annual basis (on or about October 1), Charter School shall submit a certification to the LAUSD Charter Schools Division (CSD) that certifies that Charter School has adopted and is implementing either the LAUSD English Learner Master Plan or Charter School’s own English Learner Master Plan. If Charter School chooses to implement its own EL plan, the plan shall include, but is not limited to, the following:

- How English Learners’ needs will be identified
- What services will be offered
- How, where, and by whom the services will be provided
- How Charter School will evaluate its EL program each year, and how the results of this evaluation will be used to improve the program, including the provision of EL services

Each year, Charter School shall provide to the CSD a report on its annual evaluation of the effectiveness of its EL program. Upon request, Charter School shall provide a copy of its current EL Master Plan to the CSD.

Charter School shall administer the CELDT/ELPAC annually in accordance with federal and state requirements.

Charter School shall reclassify English Learners in accordance with federal and state requirements.

Charter School shall provide parent outreach services and meaningfully inform parents with limited English proficiency of important information regarding Charter School matters to the same extent as other parents.

**STUDENTS WITH DISABILITIES**
Federal Law Compliance
Charter School shall adhere to all provisions of federal law related to students with disabilities including, but not limited to, section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, and the Individuals with Disabilities Education Improvement Act of 2004.

Special Education Program
Charter School shall ensure that no student otherwise eligible to enroll in Charter School shall be denied, directly or indirectly, admission due to a disability or to Charter School’s inability to provide necessary services. Charter School acknowledges that policies and procedures are in place to ensure the recruitment, enrollment, service, and retention of students with disabilities at LAUSD-authorized charter schools, including Charter School.

Prior to LAUSD Board of Education approval, Charter School shall execute a Memorandum of Understanding ("MOU") by and between LAUSD and Charter School regarding the provision and funding of special education services consistent with the requirements of the LAUSD Special Education Local Plan Area ("SELPA") Local Plan for Special Education.

SELPA Reorganization
The Los Angeles Unified School District is approved to operate as a single-District SELPA under the provisions of Education Code section 56195.1(a). As a single-District SELPA, the District has created two charter school sections (District-operated Programs and Charter-operated Programs) under the administration of one single Administrative Unit pursuant to a reorganization plan approved by the Board of Education on January 4, 2011 (149/10-11). Full implementation of the reorganized LAUSD SELPA commenced in the 2013-2014 school year requiring all District-authorized charter schools to elect one of the three options available under the LAUSD SELPA. Prior to an option election, all District-authorized charter schools were required to participate as a school of the District under the District-Operated Programs Unit. Prior to the beginning of the 2013-2014 school year, all District-authorized charter schools, other than those that had previously executed an Option 3 Memorandum of Understanding (“MOU”), were required to execute a new MOU setting forth the LAUSD SELPA option election for the remainder of the charter petition term. The Charter-operated Program schools do not have LEA status for the purposes of special education but will function in a similar role in that each charter school will be responsible for all special education requirements, including but not limited to services, placement, due process, related services, special education classes, and special education supports. Charter schools that have elected to participate in a District-operated programs option may apply for membership in the Charter-operated Program section of the SELPA. Charter schools accepted for participation in the Charter-operated Programs section receive support from a Special Education Director for the Charter-operated Programs.

Modified Consent Decree Requirements
All charter schools approved by the LAUSD Board of Education are bound by and must adhere to the terms, conditions and requirements of the Chanda Smith Modified Consent Decree ("MCD") and other court orders imposed upon the District pertaining to special education. The MCD is a consent decree entered in a federal court class action lawsuit initially brought on behalf of students with disabilities in LAUSD. It is an agreement of the parties approved by the federal court and monitored by a court-appointed independent monitor. The MCD includes nineteen statistically measurable outcomes and facilities obligations that the District has to achieve to disengage from the MCD and federal court oversight. All charter schools are required to use the District’s Special Education Policies and Procedures Manual and Welligent, the District-wide web-based software
system used for online Individualized Education Programs (“IEPs”) and tracking of related services provided to students during the course of their education.

As part of fulfilling the District’s obligations under the MCD, student level data requests from District-operated and Charter-operated charter schools are made on a regular basis. The requested data must be submitted in the Office of the Independent Monitor’s (“OIM”) required format in accordance with the OIM’s required timelines and as follows:

- **End of Year Suspension**
  
  District ID, CSIS ID, last name, first name, date of birth, gender, grade, date of suspension, number of days suspended, and reason for suspension.

- **Statewide Assessment Data**
  
  The standard file including District ID.

- **Norm day**
  
  District ID, CSIS ID, last name, first name, date of birth, gender, grade, location code, school name and local district for all students enrolled on norm day.

- **CBEDS**

- **All Students enrolled as of December 1 of each school year**
  
  District ID, CSIS ID, last name, first name, date of birth, gender, grade, location code, school name and local district for all students enrolled on norm day.

- **Dropout**
  
  District ID, CSIS ID, last name, first name, middle name, date of birth, grade, last location, school name and local district

- **Monthly SESAC and Suspension data**

- **Graduation roster from all charter schools with 12th grade students with disabilities**

The MCD requires charter schools to implement the District’s integrated student information system, which is currently referred to as My Integrated Student Information System (MiSiS). MiSiS is a suite of applications which is designed to capture all District student data. All charter schools are required to utilize MiSiS directly or interface with MiSiS via a web based Application Programming Interface (API) in compliance with the requirements of the MCD and applicable timelines. Upon charter school full utilization of MiSiS either directly or via a web based API, the list of required data above will automatically be captured within MiSiS.
ELEMENT 2 – MEASURABLE PUPIL OUTCOMES AND MEASURING PROGRESS TOWARD THEM

“...measurable pupil outcomes identified for use by the charter school. “Pupil outcomes,” for purposes of this part, means the extent to which all pupils of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school's educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both schoolwide and for all groups of pupils served by the charter school, as that term is defined in subparagraph (B) of paragraph (3) of subdivision (a) of Section 47607. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, or the nature of the program operated, by the charter school.” (Ed. Code § 47605(b)(5)(B).)

“...method by which pupil progress in meeting those pupil outcomes is to be measured. To the extent practicable, the method for measuring pupil outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card.” (Ed. Code § 47605(b)(5)(C).)

MEASURABLE GOALS OF THE EDUCATIONAL PROGRAM

Charter School shall meet all statewide content and performance standards and targets. (Ed. Code §§ 47605(c)(1), 60605.)

Charter School shall comply with all applicable laws and regulations related to AB 97 (Local Control Funding Formula) and AB 484, as they may be amended from time to time, including all requirements pertaining to pupil outcomes.

STANDARDIZED TESTING

Charter School agrees to comply with and adhere to state requirements for participation and administration of all state-mandated tests, including computer-based assessments. Charter School shall submit and maintain up-to-date and accurate California Longitudinal Pupil Achievement Data System (CALPADS) data in accordance with the requirements of California Code of Regulations, title 5, section 861. Charter School hereby grants authority to the State of California to provide a copy of all test results directly to the District as well as Charter School. Upon request, Charter School shall submit, in the requested format (e.g., CD), a copy of the results of all state-mandated tests to the District.

ELEMENT 4 – GOVERNANCE

“The governance structure of the charter school, including, but not limited to, the process to be followed by the charter school to ensure parental involvement.” (Ed. Code § 47605(b)(5)(D).)
**GENERAL PROVISIONS**

As an independent charter school, Charter School, operated as or by its nonprofit public benefit corporation, is a separate legal entity and shall be solely responsible for the debts and obligations of Charter School.

Charter School shall ensure that, at all times throughout the term of the Charter, the bylaws of its governing board and/or nonprofit corporation are and remain consistent with the provisions of this Charter. In the event that the governing board and/or nonprofit corporation operating Charter School amends the bylaws, Charter School shall provide a copy of the amended bylaws to CSD within 30 days of adoption.

Charter School shall send to the CSD copies of all governing board meeting agendas at the same time that they are posted in accordance with the Brown Act. Charter School shall also send to the CSD copies of all board meeting minutes within one week of governing board approval of the minutes. Timely posting of agendas and minutes on Charter School’s website will satisfy this requirement.

The District reserves the right to appoint a single representative to the Charter School governing board pursuant to Education Code section 47604(b).

**LEGAL AND POLICY COMPLIANCE**

Charter School shall comply with all applicable federal, state, and local laws and regulations, and District policy as it relates to charter schools, as they may be amended from time to time.

Charter School shall comply with all applicable federal and state reporting requirements, including but not limited to the requirements of CBEDS, CALPADS, the Public Schools Accountability Act of 1999, and Education Code section 47604.33.

Charter School shall comply with the Brown Act and the Public Records Act.

Charter School and all employees and representatives of Charter School, including members of Charter School’s governing board, members of Charter School or governing board committees and councils, Charter School administrators, and managers, shall comply with federal and state laws, nonprofit integrity standards, and LAUSD charter school policy, regarding ethics and conflicts of interest, and shall otherwise enter into all transactions and conduct business with all persons and entities, including related parties, at arm’s length.

Charter School shall notify parents, guardians, and teachers in writing within 72 hours of the issuance of a Notice of Violation, Notice of Intent to Revoke, Final Decision to Revoke, Notice of Non-Renewal, or equivalent notice, by the LAUSD Board of Education.
**Title IX, Section 504, and Uniform Complaint Procedures**

Charter School shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under Title IX of the Education Amendments of 1972 (Title IX) and section 504 of the Rehabilitation Act of 1973 (“Section 504”), including any investigation of any complaint filed with Charter School alleging its noncompliance with these laws or alleging any actions which would be prohibited by these laws. Charter School shall notify all its students and employees of the name, office address, and telephone number of the designated employee or employees.

Charter School shall adopt and publish complaint procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX or Section 504.

Charter School shall adopt and implement specific and continuing procedures for notifying applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with Charter School, that Charter School does not discriminate on the basis of sex or mental or physical disability in the educational programs or activities which it operates, and that it is required by Title IX and Section 504 not to discriminate on any such basis.

Charter School shall establish and provide a uniform complaint procedure in accordance with applicable federal and state laws and regulations, including but not limited to all applicable requirements of *California Code of Regulations*, title 5, section 4600 et seq.

Charter School shall adhere to all applicable federal and state laws and regulations regarding pupil fees, including Education Code sections 49010 - 49013, and extend its uniform complaint procedure to complaints filed pursuant to Education Code section 49013.

Charter School shall extend its uniform complaint procedure to complaints filed pursuant to the Local Control Funding Formula legislation provisions set forth in Education Code section 52075.

**Responding to Inquiries**

Charter School, including its nonprofit corporation shall promptly respond to all inquiries, including but not limited to inquiries regarding financial records from the District, and shall cooperate with the District regarding any inquiries. Charter School acknowledges that Charter School, including but not limited to its nonprofit corporation, is subject to audit by LAUSD, including, without limitation, audit by the District Office of the Inspector General.
Charter School shall provide the District with current and accurate contact information for Charter School, Charter School administrators, and Board members.

If an allegation or other evidence of waste, fraud, abuse, or other material violation of law related to Charter School’s operations, or breach of the Charter, is received or discovered by the District, Charter School, including but not limited to its nonprofit corporation, employees, and representatives, shall cooperate with any resulting inquiry and/or investigation undertaken by the District and/or the Office of the Inspector General Investigations Unit.

Charter School acknowledges and agrees that persons and entities that directly exercise control over the expenditure of Charter School’s public funds shall be subject to all necessary and appropriate District charter school oversight.

**NOTIFICATION OF THE DISTRICT**

Charter School shall notify the Charter Schools Division (CSD) in writing of any citations or notices of workplace hazards, investigations by outside regulatory or investigative agencies, lawsuits, changes in corporate or legal status (e.g., loss of IRS 501(c)(3) status), or other formal complaints or notices, within one week of receipt of such notices by Charter School. Unless prohibited by law, Charter School shall notify the CSD in writing of any internal investigations within one week of commencing investigation. Charter School shall notify the CSD within 24 hours of any dire emergency or serious threat to the health and safety of students or staff.

**STUDENT RECORDS**

Upon receipt of a student records request from a receiving school/school district, Charter School shall transfer a copy of the student’s complete cumulative record within ten (10) school days in accordance with Education Code section 49068. Charter School shall comply with the requirements of California Code of Regulations, title 5, section 3024, regarding the transfer of student special education records. In the event Charter School closes, Charter School shall comply with the student records transfer provisions in Element 15. Charter School shall comply with the requirements of Education Code section 49060 et seq., which include provisions regarding rights to access student records and transfer of records for youth in foster care.

**PARENT ENGAGEMENT**

Charter School shall not require a parent or legal guardian of a prospective or enrolled student to perform volunteer service hours, or make payment of fees or other monies, goods, or services in lieu of performing volunteer service, as a condition of his/her child’s admission, continued enrollment, attendance, or participation in the school’s educational
activities, or otherwise discriminate against a student in any manner because his/her parent cannot, has not, or will not provide volunteer service to Charter School.

**FEDERAL PROGRAM COMPLIANCE**

As a recipient of federal funds, Charter School has agreed to meet all applicable programmatic, fiscal and other regulatory requirements of the Elementary and Secondary Education Act (ESEA, also known as Every Student Succeeds Act (ESSA)) and other applicable federal programs. Charter School understands that it is a local educational agency (LEA) for purposes of federal compliance and reporting purposes. Charter School agrees that it will keep and make available to the District any documentation necessary to demonstrate compliance with the requirements of ESEA and other applicable federal programs. Charter School also acknowledges that, as part of its oversight of Charter School, the District may conduct program review for federal as well as state compliance.

**ELEMENT 5 – EMPLOYEE QUALIFICATIONS**

“The qualifications to be met by individuals to be employed by the charter school.” (Ed. Code § 47605(b)(5)(E).)

**EQUAL EMPLOYMENT OPPORTUNITY**

Charter School acknowledges and agrees that all persons are entitled to equal employment opportunity. Charter School shall not discriminate against applicants or employees on the basis of race, color, religion, sex, gender, gender expression, gender identity, sexual orientation, pregnancy, national origin, ancestry, citizenship, age, marital status, physical disability, mental disability, medical condition, genetic information, military and veteran status, or any other characteristic protected by California or federal law. Equal employment opportunity shall be extended to all aspects of the employer-employee relationship, including but not limited to recruitment, selection, hiring, upgrading, training, promotion, transfer, discipline, layoff, recall, and dismissal from employment.

**ESEA/ESSA AND CREDENTIALING REQUIREMENTS**

Charter School shall adhere to all requirements of the Elementary and Secondary Education Act (ESEA, also known as Every Student Succeeds Act (ESSA)) that are applicable to teachers and paraprofessional employees. Charter School shall ensure that all teachers are appropriately assigned and fully credentialed in accordance with applicable state requirements for certificated employment, including but not limited to the provisions of Education Code section 47605(l). Charter School shall maintain current copies of all teacher credentials and make them readily available for inspection.
ELEMENT 6 – HEALTH AND SAFETY PROCEDURES

“The procedures that the charter school will follow to ensure the health and safety of pupils and staff. These procedures shall include the requirement that each employee of the charter school furnish it with a criminal record summary as described in Section 44237.” (Ed. Code § 47605(b)(5)(F).)

HEALTH, SAFETY AND EMERGENCY PREPAREDNESS PLAN

Charter School shall comply with all applicable federal, state, and local requirements related to school and student health, safety, and emergency preparedness.

If Charter School occupies and/or operates on a District facility, Charter School shall comply with all District health, safety, and emergency procedures and requirements applicable to District facilities and related operations, and shall be subject to inspection by the District’s Facilities Services Division, OEHS, and other District offices in the same manner as other LAUSD campuses.

Charter School shall adopt, implement, and maintain at all times a current, comprehensive, and site-specific Health, Safety, and Emergency Preparedness Plan, which must include but is not limited to provisions for building and site emergency evacuation and the acquisition and maintenance of adequate onsite emergency supplies. Charter School shall ensure that all staff members receive annual training on Charter School's health, safety, and emergency procedures, including but not limited to training on bloodborne pathogens, and shall maintain a calendar for, and conduct, emergency response drills for students and staff.

Charter School shall provide all employees, and other persons working on behalf of Charter School who are mandated reporters, with annual training on child abuse detection and reporting, which shall occur within the first six weeks of each school year, or within the first six weeks of a person’s employment if employed after the beginning of the school year, in accordance with the requirements of AB 1432 (2014).

Charter School shall stock and maintain the required number and type of emergency epinephrine auto-injectors onsite and provide training to employee volunteers in the storage and use of the epinephrine auto-injector as required by Education Code section 49414 and section 4119.2 of the Business and Professions Code, as they may be amended from time to time.

Charter School shall comply with the requirements of Education Code section 49475, with respect to any athletic program (as defined in Education Code § 49475) offered by or on behalf of Charter School.
Charter School shall periodically review, and update and/or modify as necessary, its Health, Safety, and Emergency Preparedness Plan, and keep it readily available for on-site use. Charter School shall provide a copy of the Health, Safety, and Emergency Preparedness Plan for review upon CSD request.

**FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

Charter School, including its employees and officers, shall comply with the Family Educational Rights and Privacy Act (FERPA) and Education Code section 49060 et seq. at all times.

**CRIMINAL BACKGROUND CLEARANCES AND FINGERPRINTING**

Charter School shall comply with all requirements of Education Code sections 44237 and 45125.1. Charter School shall designate and maintain at all times at least one Custodian of Records duly authorized by the California Department of Justice.

Charter School shall maintain on file and available for inspection evidence that (1) Charter School has performed criminal background checks and cleared for employment all employees prior to employment; (2) Charter School has obtained certification from each of its contracting entities/independent contractors that the entity/contractor has conducted required criminal background clearances for its employees prior to provision of schoolsite services and/or any contact with students and has requested subsequent arrest notification service; and (3) Charter School has performed criminal background checks and cleared for service all volunteers not directly supervised by staff and who may have contact with students. Charter School shall also ensure that it requests and receives subsequent arrest notifications from the California Department of Justice for all employees and volunteers not directly supervised by staff. Upon request, Charter School shall provide a copy of Department of Justice confirmation of Custodian of Records status for each Custodian of Records. Charter School, including its administrators and officers, shall comply with the requirements of Education Code section 44030.5.

**IMMUNIZATION AND HEALTH SCREENING REQUIREMENTS**

Charter School shall require all employees, and any volunteer or vendor/contracting entity employee who may have frequent or prolonged contact with students, to undergo a risk assessment and/or be examined and determined to be free of active tuberculosis (TB) within the period of 60 days prior to employment/service, or otherwise meet the requirements of Education Code section 49406. Charter School shall maintain TB clearance records and certificates on file.

Charter School shall comply with all federal and state legal requirements, including but not limited to the requirements of SB 277 (2015), related to student immunization, health
examination, and health screening, including but not limited to screening for vision, hearing, and scoliosis, to the same extent as would be required if the students were attending a non-charter public school. Charter School shall maintain student immunization, health examination, and health screening records on file.

**SAFE PLACE TO LEARN ACT**

Charter School shall comply with all applicable requirements of the Safe Place to Learn Act, Education Code section 234 et seq.

**ELEMENT 7 — MEANS TO ACHIEVE RACIAL AND ETHNIC BALANCE**

“The means by which the school will achieve a racial and ethnic balance among its pupils that is reflective of the general population residing within the territorial jurisdiction of the school district to which the charter petition is submitted.” (Ed. Code § 47605(b)(5)(G).)

**COURT-ORDERED INTEGRATION**

Charter School shall comply with all requirements of the *Crawford v. Board of Education, City of Los Angeles* court order and the LAUSD Integration Policy adopted and maintained, pursuant to the Crawford court order, by the District's Student Integration Services (collectively the “Court-ordered Integration Program”). The Court-ordered Integration Program applies to all schools within or chartered through LAUSD.

Charter School has set forth below its initial plan for achieving and maintaining the LAUSD’s Racial and Ethnic Balance goal of a 70:30 or 60:40 ratio. *(Ratio represents the percentage of Predominantly Hispanic Black Asian Other (PHBAO) compared to Other White (OW)).* The written plan lists specific dates and locations of recruitment activities that Charter School will undertake in order to achieve the District’s Racial and Ethnic Balance goal. Charter School shall monitor the implementation and outcomes of the initial plan, and modify it as necessary throughout the term of the Charter to achieve the District’s goal. Upon request, Charter School shall provide the District with a copy of its current written plan.

The District receives neither average daily attendance allocations nor Court-ordered Integration Program cost reimbursements for charter school students. The District may receive the Targeted Instructional Improvement Block Grant (TIIBG) for its Court-ordered Integration Program. The District retains sole discretion over the allocation of TIIBG funding, where available, and cannot guarantee the availability of this funding.
ELEMENT 8 – ADMISSION REQUIREMENTS

“Admission requirements, if applicable.” (Ed. Code § 47605(b)(5)(H).)

DOCUMENTATION OF ADMISSIONS AND ENROLLMENT PROCESSES

Charter School shall maintain complete and accurate records of its annual admissions and enrollment processes, including but not limited to documentation of implementation of lottery and waitlist criteria and procedures in accordance with the terms of the Charter. These records shall be made available to the District upon request.

HOMELESS AND FOSTER YOUTH

Charter School shall adhere to the provisions of the federal McKinney-Vento Homeless Assistance Act and ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youths. Charter School shall provide specific information, in its outreach materials, websites, at community meetings, open forums, and regional center meetings, that notifies parents that Charter School is open to enroll and provide services for all students, and provides a standard District contact number for access to additional information regarding enrollment.

Charter School shall comply with all applicable state law regarding homeless and foster youth, including but not limited to the provisions of AB 379 (2015) and Chapter 5.5 (commencing with Section 48850) of Part 27 of Division 4 of Title 2 of the Education Code, as amended from time to time. Charter School shall extend its uniform complaint procedure to complaints filed pursuant to the applicable provisions of AB 379.

NON-DISCRIMINATION

Charter School shall not require a parent/legal guardian/student to provide information regarding a student’s disability, gender, gender identity, gender expression, nationality, legal or economic status, primary language or English Learner status, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code, or any other information that would violate federal or state law, prior to admission, participation in any admissions or attendance lottery, or pre-enrollment event or process, or as a condition of admission or enrollment. Charter School may request, at the time of, and as part of, conducting its lottery process, the provision of information necessary to apply specific admissions preferences set forth in this Charter.

Charter School shall not request or require submission of a student’s IEP, 504 Plan, or any other record or related information prior to admission, participation in any admissions or
attendance lottery, or pre-enrollment event or process, or as a condition of admission or enrollment.

**ELEMENT 9 – ANNUAL FINANCIAL AUDITS**

“The manner in which annual, independent financial audits shall be conducted, which shall employ generally accepted accounting principles, and the manner in which audit exceptions and deficiencies shall be resolved to the satisfaction of the chartering authority.” (Ed. Code § 47605(b)(5)(I).)

Charter School shall provide for an annual audit that shall be conducted in compliance with applicable state and federal laws, including but not limited to the requirements of Education Code sections 47605(b)(5)(I) and 41020 as they may be amended from time to time. Charter School shall ensure compliance with the requirements of section 41020(f)(2), which makes it unlawful, absent an Education Audits Appeal Panel waiver, for a public accounting firm to provide audit services to a local educational agency if the lead audit partner, or coordinating audit partner, having primary responsibility for the audit, or the audit partner responsible for reviewing the audit, has performed audit services for that local educational agency in each of the six previous years.

The following reports will be submitted to LAUSD, in the required format and within timelines to be specified by LAUSD, each year:

- **j.** Provisional Budget – Spring prior to operating fiscal year
- **k.** Final Budget – July of the budget fiscal year
- **l.** First Interim Projections – November of operating fiscal year
- **m.** Second Interim Projections – February of operating fiscal year
- **n.** Unaudited Actuals – July following the end of the fiscal year
- **o.** Audited Actuals – December 15 following the end of the fiscal year
- **p.** Classification Report – monthly according to Charter School’s Calendar
- **q.** Statistical Report – monthly according to Charter School’s Calendar of Reports

In addition:

- **P1**, first week of January
- **P2**, first week of April

- **r.** Instructional Calendar – annually five weeks prior to first day of instruction

- **s.** Other reports as requested by the District
ELEMENT 10 – SUSPENSION AND EXPULSION PROCEDURES

“The procedures by which pupils can be suspended or expelled.” (Ed. Code § 47605(b)(5)(J).)

GENERAL PROVISIONS

Charter School shall provide due process for all students, including adequate and timely notice to parents/guardians and students of the grounds for all suspension and expulsion recommendations and decisions and their due process rights regarding suspension and expulsion, including rights of appeal.

Charter School shall ensure that its policies and procedures regarding suspension and expulsion will be periodically reviewed, and modified as necessary, in order to conform to changes in state law.

Charter School shall ensure that its staff is knowledgeable about and complies with the District’s Discipline Foundation Policy and/or current equivalent policy, as required by the Modified Consent Decree. Charter School shall comply with the terms of the School Discipline Policy and School Climate Bill of Rights resolution adopted by the LAUSD Board of Education on May 6, 2013.

Charter School shall be responsible for the appropriate interim placement of students during and pending the completion of Charter School’s student expulsion process and shall facilitate the post-expulsion placement of expelled students.

Charter School shall document and implement the alternatives to suspension and expulsion that Charter School utilizes in response to attendance-related concerns, e.g. truancy or excessive tardiness.

STUDENTS WITH DISABILITIES

Charter School shall establish and implement policies and procedures to ensure full compliance with federal and state laws and regulations regarding the discipline of students with disabilities. If a student is recommended for expulsion and the student receives or is eligible for special education, Charter School shall identify and provide special education programs and services at an appropriate interim educational placement, pending the completion of the expulsion process, to be coordinated with the LAUSD Special Education Service Center.

In the case of a student who has an Individualized Education Program (“IEP”), or a student who has a 504 Plan, Charter School shall ensure that it follows correct disciplinary procedures to comply with the mandates of state and federal laws, including IDEA and Section 504 of the Rehabilitation Plan of 1973. As set forth in the MOU regarding special education between the District and Charter School, an IEP team will meet to conduct a
manifestation determination and to discuss alternative placement utilizing the District’s Special Education Policies and Procedures Manual. Prior to recommending expulsion for a student with a 504 Plan, Charter School’s administrator will convene a Link Determination meeting to ask the following two questions:

C. Was the misconduct caused by, or directly and substantially related to the student’s disability?
D. Was the misconduct a direct result of the Charter School’s failure to implement 504?

**NOTIFICATION OF THE DISTRICT**

Upon expelling any student, Charter School shall notify the Charter Schools Division by submitting an expulsion packet to the CSD immediately or as soon as practicable, which shall contain:

- Completed “Notification of Charter School Expulsion” [form available from the CSD website or office], including attachments as required on the form
- Documentation of the expulsion proceeding, including statement of specific facts supporting the expulsion and documentation that Charter School’s policies and procedures were followed
- Copy of parental notice of expulsion hearing
- Copy of expulsion notice provided to parent stating reason for expulsion, term of expulsion, rehabilitation plan, reinstatement notice with eligibility date and instructions for providing proof of student’s compliance for reinstatement, appeal process, and options for enrollment
- If the student is eligible for Special Education, documentation related to expulsion in compliance with IDEA and the MCD, including the Expulsion Analysis page of the pre-expulsion IEP
- If the student is eligible for Section 504 accommodations, documentation that Charter School conducted a Link Determination meeting to address two questions:
  C. Was the misconduct caused by, or directly and substantially related to the student’s disability?
  D. Was the misconduct a direct result of Charter School’s failure to implement 504 Plan?

Notwithstanding the documentation sent to the Charter Schools Division as indicated above, if the student is a resident of a school district other than LAUSD, Charter School must notify the superintendent of the student’s district of residence within 30 days of the expulsion. Additionally, upon request of the receiving school district, Charter School shall forward student records no later than 10 school days from the date of the request as stated in Education Code section 49068 (a) and (b).

**OUTCOME DATA**

Charter School shall gather and maintain all data related to placement, tracking, and monitoring of student suspensions, expulsions, and reinstatements, and make such outcome data readily available to the District upon request.
**REHABILITATION PLANS**

Pupils who are expelled from Charter School shall be given a rehabilitation plan upon expulsion as developed by Charter School’s governing board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. Terms of expulsion should be reasonable and fair with the weight of the expelling offense taken into consideration when determining the length of expulsion. Therefore, the rehabilitation plan should include a date not later than one (1) year from the date of expulsion when the pupil may apply to Charter School for readmission. Charter School shall inform parents in writing of its processes for reinstatement and applying for expungement of the expulsion record.

**READMISSION**

Charter School’s governing board shall adopt rules establishing a procedure for the filing and processing of requests for readmission and the process for the required review of all expelled pupils for readmission. Upon completion of the readmission process, Charter School’s governing board shall readmit the pupil, unless Charter School’s governing board makes a finding that the pupil has not met the conditions of the rehabilitation plan or continues to pose a danger to campus safety. A description of the procedure shall be made available to the pupil and the pupil's parent or guardian at the time the expulsion order is entered and the decision of the governing board, including any related findings, must be provided to the pupil and the pupil’s parent/guardian within a reasonable time.

**REINSTATEMENT**

Charter School’s governing board shall adopt rules establishing a procedure for processing reinstatements, including the review of documents regarding the rehabilitation plan. Charter School is responsible for reinstating the student upon the conclusion of the expulsion period in a timely manner.

**GUN-FREE SCHOOLS ACT**

Charter School shall comply with the federal Gun-Free Schools Act.

**ELEMENT 11 – EMPLOYEE RETIREMENT SYSTEMS**

“The manner by which staff members of the charter schools will be covered by the State Teachers’ Retirement System, the Public Employees’ Retirement System, or federal social security.” (Ed. Code § 47605(b)(5)(K).)
Charter School shall comply in a timely manner with all applicable federal and state laws and regulations, as they may change from time to time, including but not limited to Internal Revenue Code section 414(d) and related regulations, governing Charter School’s participation in, and/or coverage of its staff members by, the State Teachers’ Retirement System (CalSTRS), the Public Employees’ Retirement System (CalPERS), and/or federal social security.

If Charter School participates in, or otherwise covers its staff members by enrolling or continuing their enrollment in, a “government plan” governed by section 414(d) (e.g. CalPERS), upon dissolution or final liquidation of Charter School, and/or its nonprofit public benefit corporation, notwithstanding any provision in Element 15 to the contrary, Charter School shall distribute its net assets in accordance with section 414(d), related regulations, and the government plan’s requirements.

If Charter School participates in CalSTRS and/or CalPERS, Charter School shall continue such participation for the duration of Charter School’s existence under the same CDS code, per applicable legal and retirement plan requirements.

**ELEMENT 12 – PUBLIC SCHOOL ATTENDANCE ALTERNATIVES**

“The public school attendance alternatives for pupils residing within the school district who choose not to attend charter schools.” (Ed. Code § 47605(b)(5)(L).)

Pupils of Charter School do not have or gain any right to admission in a particular school of any school district, or program of any school district, as a consequence of applying to or enrolling in Charter School, except to the extent that such a right is extended by the school district.

A pupil who chooses not to attend Charter School may attend a public school within the pupil’s school district of residence in accordance with applicable law and that school district’s policies and procedures. The pupil alternatively may seek to enroll in another charter school in accordance with applicable law and the terms of the school’s charter. If LAUSD is the pupil’s school district of residence, an eligible pupil may pursue an inter-district transfer, if available, in accordance with the admission, enrollment, and transfer policies and procedures of the District, as they may change from time to time.

**ELEMENT 13 – RIGHTS OF DISTRICT EMPLOYEES**
“The rights of an employee of the school district upon leaving the employment of the school district to work in a charter school, and of any rights of return to the school district after employment at a charter school.” (Ed. Code § 47605(b)(5)(M).)

Employees of the District who choose to leave the employment of the District to work at Charter School shall have no automatic rights of return to the District after employment at Charter School unless specifically granted by the District through a leave of absence or other agreement or policy of the District as aligned with the collective bargaining agreements of the District. Leave and return rights for District union-represented employees and former employees who accept employment with Charter School will be administered in accordance with applicable collective bargaining agreements and any applicable judicial rulings.

**ELEMENT 14 – MANDATORY DISPUTE RESOLUTION**

“The procedures to be followed by the charter school and the entity granting the charter to resolve disputes relating to provisions of the charter.” (Ed. Code § 47605(b)(5)(N).)

The staff and governing board members of Charter School agree to resolve any claim, controversy or dispute arising out of or relating to the Charter agreement between the District and Charter School, except any controversy or claim that is in any way related to revocation of this Charter (“Dispute”), pursuant to the terms of this Element 14.

Any Dispute between the District and Charter School shall be resolved in accordance with the procedures set forth below:

5) Any Dispute shall be communicated in writing (“Written Notification”). The Written Notification must identify the nature of the Dispute and any supporting facts. The Written Notification shall be tendered to the other party by personal delivery, by facsimile, or by certified mail. The Written Notification shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00 p.m., or otherwise on the business day following personal delivery; (b) if by facsimile, upon electronic confirmation of receipt; or (c) if by mail, two (2) business days after deposit in the U.S. Mail.

All Written Notifications to the District and Charter School shall be addressed respectively as follows:

Director
Charter Schools Division
Los Angeles Unified School District
333 South Beaudry Avenue, 20th Floor
Los Angeles, California 90017
6) A written response ("Written Response") shall be tendered to the other party within twenty (20) business days from the date of receipt of the Written Notification. The parties agree to schedule a conference to discuss the Dispute identified in the Written Notice ("Issue Conference"). The Issue Conference shall take place within fifteen (15) business days from the date the Written Response is received by the other party. The Written Response may be tendered by personal delivery, by facsimile, or by certified mail. The Written Response shall be deemed received (a) if personally delivered, upon date of delivery to the address of the person to receive such notice if delivered by 5:00p.m., or otherwise on the business day following personal delivery; (b) if by facsimile, upon electronic confirmation of receipt; or (c) if by mail, two (2) business days after deposit in the U.S. Mail.

7) If the Dispute cannot be resolved by mutual agreement at the Issue Conference, either party may then request that the Dispute be resolved by mediation. Each party shall bear its own attorneys’ fees, costs and expenses associated with the mediation. The mediator’s fees and the administrative fees of the mediation shall be shared equally among the parties. Mediation proceedings shall commence within 120 days from the date of either party’s request for mediation following the Issue Conference. The parties shall mutually agree upon the selection of a mediator to resolve the Dispute. The mediator may be selected from the approved list of mediators prepared by the American Arbitration Association. Unless the parties mutually agree otherwise, mediation proceedings shall be administered in accordance with the commercial mediation procedures of the American Arbitration Association.

8) If the mediation is not successful, then the parties agree to resolve the Dispute by binding arbitration conducted by a single arbitrator. Unless the parties mutually agree otherwise, arbitration proceedings shall be administered in accordance with the commercial arbitration rules of the American Arbitration Association. The arbitrator must be an active member of the State Bar of California or a retired judge of the state or federal judiciary of California. Each party shall bear its own attorney’s fees, costs and expenses associated with the arbitration. The arbitrator’s fees and the administrative fees of the arbitration shall be shared equally among the parties. However, any party who fails or refuses to submit to arbitration as set forth herein shall bear all attorney’s fees, costs and expenses incurred by such other party in compelling arbitration of any controversy or claim.

ELEMENT 15 – CHARTER SCHOOL CLOSURE PROCEDURES

“The procedures to be used if the charter school closes. The procedures shall ensure a final audit of the charter school to determine the disposition of all assets and liabilities of the charter school, including plans for disposing of any net assets and for the maintenance and transfer of pupil records.” (Ed. Code § 47605(b)(5)(O).)
REVOCATION OF THE CHARTER

The District may revoke the Charter if Charter School commits a breach of any provision set forth in a policy related to charter schools adopted by the District Board of Education and/or any provisions set forth in the Charter Schools Act of 1992. The District may revoke the charter of Charter School if the District finds, through a showing of substantial evidence, that Charter School did any of the following:

- Charter School committed a material violation of any of the conditions, standards, or procedures set forth in the Charter.
- Charter School failed to meet or pursue any of the pupil outcomes identified in the Charter.
- Charter School failed to meet generally accepted accounting principles, or engaged in fiscal mismanagement.
- Charter School violated any provision of law.

Prior to revocation, and in accordance with Education Code section 47607(d) and state regulations, the LAUSD Board of Education will notify Charter School in writing of the specific violation, and give Charter School a reasonable opportunity to cure the violation, unless the LAUSD Board of Education determines, in writing, that the violation constitutes a severe and imminent threat to the health or safety of the pupils. Revocation proceedings are not subject to the dispute resolution provisions set forth in this Charter.

Pursuant to AB 97, charter schools may be identified for assistance based on state evaluation rubrics and be subject to revocation pursuant to Education Code section 47607.3.

CLOSURE ACTION

The decision to close Charter School, either by the governing board of Charter School or by the LAUSD Board of Education, must be documented in a “Closure Action”. A Closure Action shall be deemed to have been automatically taken when any of the following occur: the Charter is revoked (subject to the provisions of Education Code section 47607(i)) or non-renewed by the LAUSD Board of Education; the governing board of Charter School votes to close Charter School; or the Charter lapses.

CLOSURE PROCEDURES

The procedures for charter school closure set forth below are guided by Education Code sections 47604.32, 47605, and 47607 as well as California Code of Regulations, title 5, sections 11962 and 11962.1, and are based on “Charter School Closure Requirements and Recommendations (Revised 08/2009)” posted on the California Department of
Education website. All references to “Charter School” apply to Charter School, including its nonprofit corporation and governing board.

**Designation of Responsible Person(s) and Funding of Closure**
Prior to or at the time of the taking of a Closure Action by either the governing board of Charter School or the LAUSD Board of Education, the governing board of Charter School shall designate a person or persons responsible for conducting and overseeing all closure-related procedures and activities, and allocate sufficient funding for, or otherwise determine how Charter School will fund, these activities.

**Notification of Closure Action**
Upon the taking of a Closure Action, Charter School shall send written notice of its closure to:

9. The LAUSD Charter Schools Division (CSD). Charter School shall provide the CSD with written notice of (1) the person(s) designated to be responsible for conducting and overseeing all closure activities, and (2) the source, location, and management of the funding for such activities. If the Closure Action is an act of Charter School, Charter School shall provide the CSD with a copy of the governing board resolution or minutes that documents its Closure Action.

10. Parents/guardians of all students, and all majority age and emancipated minor students, currently enrolled in Charter School within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written parent notification to the CSD.

11. Los Angeles County Office of Education (LACOE). Charter School shall send written notification of the Closure Action to LACOE by registered mail within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.

12. The Special Education Local Plan Area (SELPA) in which Charter School participates. Charter School shall send written notification of the Closure Action to the SELPA in which Charter School participates by registered mail within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of this notification to the CSD.

13. The retirement systems in which Charter School’s employees participate. Within fourteen (14) calendar days of the Closure Action, Charter School shall notify, as applicable, the State Teachers Retirement System (STRS), Public Employees Retirement System (PERS), the Social Security Administration, and the Los Angeles County Office of Education of the Closure Action, and follow their respective procedures for dissolving contracts and reporting. Charter School shall provide a copy of these notifications and correspondence to the CSD.

14. The California Department of Education (CDE). Charter School shall send written notification of the Closure Action to the CDE by registered mail within 72 hours of the Closure Action. Charter School shall provide a copy of this notification to the CSD.
15. Any school district that may be responsible for providing education services to the former students of Charter School. Charter School shall send written notification of the Closure Action within 72 hours of the Closure Action. This notice must include a list of potentially returning students and their home schools based on student residence. Charter School shall provide a copy of these notifications, if any, to the CSD.

16. All Charter School employees and vendors within 72 hours of the Closure Action. Charter School shall simultaneously provide a copy of the written employee and vendor notification, with any attachments, to the CSD.

Notification of all the parties above, with the exception of employees and vendors, must include but is not limited to the following information:

5. The effective date of the closure of Charter School

6. The name(s) and contact information for the person(s) handling inquiries regarding the closure

7. The students’ school districts of residence

8. How parents/guardians of all students, and all majority age and emancipated minor students, may obtain copies of student records and transcripts, including specific information on completed courses and credits that meet graduation requirements

In addition to the four required items above, notification of the CDE shall also include:

3. A description of the circumstances of the closure

4. The location of student and personnel records

In addition to the four required items above, notification of parents/guardians of all students, and all majority age and emancipated minor students, shall also include:

4. Information on how to enroll or transfer the student to an appropriate school

5. A certified packet of student information that includes closure notice, a copy of the student's cumulative record and other records, including but not limited to grade reports, discipline records, immunization records, completed coursework, credits that meet graduation requirements, a transcript, and state testing results

6. Information on student completion of college entrance requirements, for all high school students affected by the closure

Notification of employees and vendors shall include:

4. The effective date of the closure of Charter School
5. The name(s) and contact information for the person(s) handling inquiries regarding the closure

6. The date and manner, which shall be no later than 30 days from the effective date of the closure of Charter School, by which Charter School shall provide employees with written verification of employment

Within 30 days of the effective date of closure, Charter School shall provide all employees with written verification of employment. Charter School shall send copies of all such employee verification letters to the CSD.

**Records Retention and Transfer**
Charter School shall comply with all applicable laws as well as District policies and procedures, as they may change from time to time, regarding the transfer and maintenance of Charter School records, including student records. These requirements include:

10. Charter School shall provide the District with all original student cumulative files and behavior records, pursuant to District policy and applicable District handbook(s) regarding cumulative records for secondary and elementary schools, for all students, both active and inactive, of Charter School. Transfer of the complete and organized original student records to the District, in accordance with District procedures applicable at the time of closure, shall occur within seven (7) calendar days of the effective date of closure.

11. Charter School’s process for transferring copies of student records to receiving schools shall be in accordance with applicable law and LAUSD procedures for students moving from one school to another.

12. Charter School shall prepare and provide an electronic master list of all students to the Charter Schools Division in accordance with the District procedures applicable at the time of closure. This list shall include the student’s identification number, Statewide Student Identifier (SSID), birthdate, grade, full name, address, home school/school district, enrollment date, exit code, exit date, parent/guardian name(s), and phone number(s). If the Charter School closure occurs before the end of the school year, the list also shall indicate the name of the school to which each student is transferring, if known. This electronic master list shall be delivered to the CSD in the form of a CD or otherwise in accordance with District procedures.

13. Charter School must organize the original cumulative files for delivery to the District in two categories: active students and inactive students. Charter School will coordinate with the CSD for the delivery and/or pickup of student records.

14. Charter School must update all student records in the California Longitudinal Pupil Achievement Data System (CALPADS) prior to closing.
15. Charter School must provide to the CSD a copy of student attendance records, teacher gradebooks, Charter School payroll records, and Title I records (if applicable).

16. Charter School must provide to the CSD the name, title, and contact information of the person designated to maintain all Charter School personnel records after the closure. Personnel records to be transferred to and maintained by the designee must include any and all employee records, including but not limited to, records related to performance and grievance. Charter School must provide to the CSD and the designee a list of all active and inactive employees and their periods of service. Both Charter School and the designee, individually and separately, shall inform the CSD immediately upon the transfer of Charter School’s employee records to the designee.

17. Charter School shall ensure that all records are boxed and clearly labeled by classification of documents and the required duration of storage in accordance with District procedures.

18. Charter School shall provide to the responsible person(s) designated by the governing board of Charter School to conduct all closure-related activities a list of students in each grade level and, for each student, a list of classes completed and the student’s district of residence.

Financial Close-Out
After receiving notification of closure, the California Department of Education (CDE) will notify Charter School and the authorizing entity of any liabilities Charter School owes the state, which may include overpayment of apportionments, unpaid revolving fund loans or grants, and/or similar liabilities. The CDE may ask the county office of education to conduct an audit of the charter school if it has reason to believe that the school received state funding for which it was not eligible.

Charter School shall ensure completion of an independent final audit within six months after the closure of Charter School that includes:

4. An accounting of all financial assets. These may include cash and accounts receivable and an inventory of property, equipment, and other items of material value.

5. An accounting of all liabilities. These may include accounts payable or reduction in apportionments due to loans, unpaid staff compensation, audit findings, or other investigations.

6. An assessment of the disposition of any restricted funds received by or due to Charter School.

This audit may serve as Charter School’s annual audit if it meets all of the requirements of the annual audit.

Charter School shall pay for the financial closeout audit of Charter School. This audit will be conducted by a neutral, independent licensed CPA who will employ generally accepted accounting principles. Any liability or debt incurred by Charter School will be the responsibility of Charter School and not LAUSD. Charter School understands and acknowledges that Charter School will
cover the outstanding debts or liabilities of Charter School. Any unused monies at the time of the audit will be returned to the appropriate funding source. Charter School understands and acknowledges that only unrestricted funds will be used to pay creditors. Any unused AB 602 funds will be returned to the District SELPA or the SELPA in which Charter School participates, and other categorical funds will be returned to the source of funds.

Charter School shall ensure the completion and filing of any annual reports required. These reports include but are not necessarily limited to:

5. Preliminary budgets
6. Interim financial reports
7. Second interim financial reports
8. Final unaudited reports

These reports must be submitted to the CDE and the authorizing entity in the form required. These reports should be submitted as soon as possible after the Closure Action, but no later than the required deadline for reporting for the fiscal year.

For apportionment of categorical programs, the CDE will count the prior year average daily attendance (ADA) or enrollment data of the closed Charter School with the data of the authorizing entity. This practice will occur in the first year after the closure and will continue until CDE data collection processes reflect ADA or enrollment adjustments for all affected LEAs due to the charter closure.

Disposition of Liabilities and Assets
The closeout audit must identify the disposition of all liabilities of Charter School. Charter School closure procedures must also ensure appropriate disposal, in accordance with the District Required Language provisions in Element 11 of this Charter, Charter School’s governing board bylaws, fiscal procedures, and any other applicable laws and regulations, of any net assets remaining after all liabilities of Charter School have been paid or otherwise addressed. Such disposal includes, but is not limited to:

5. Charter School, at its cost and expense, shall return to the District any and all property, furniture, equipment, supplies, and other assets provided to Charter School by or on behalf of the District. The District discloses that the California Education Code sets forth the requirements for the disposition of the District’s personal property and Charter School shall bear responsibility and liability for any disposition in violation of statutory requirements.

6. The return of any donated materials and property in accordance with any terms and conditions set when the donations were accepted.

7. The return of any grant and restricted categorical funds to their sources according to the terms of the grant or state and federal law.

8. The submission of final expenditure reports for any entitlement grants and the filing of Final Expenditure Reports and Final Performance Reports, as appropriate.
If Charter School is operated by a nonprofit corporation, and if the corporation does not have any functions other than operation of Charter School, the corporation shall be dissolved according to its bylaws.

Charter School shall retain sufficient staff, as deemed appropriate by the Charter School governing board to complete all necessary tasks and procedures required to close the school and transfer records in accordance with these closure procedures.

Charter School’s governing board shall adopt a plan for wind-up of Charter School and, if necessary, the corporation, in accordance with the requirements of the Corporations Code.

Charter School shall provide LAUSD within fourteen (14) calendar days of the Closure Action with written notice of any outstanding payments due to staff and the time frame and method by which Charter School will make the payments.

Prior to final close-out, Charter School shall complete all actions required by applicable law, including but not limited to the following:

- d. File all final federal, state, and local employer payroll tax returns and issue final W-2s and Form 1099s by the statutory deadlines.
- e. Make final federal tax payments (employee taxes, etc.)
- f. Complete and submit all required federal and state filings and notices to the State of California, the Internal Revenue Service, and the Department of the Treasury, including but not limited to final tax returns and forms (e.g., Form 990 and related Schedules).

This Element 15 shall survive the revocation, expiration, termination, cancellation of this Charter, or any other act or event that would end Charter School’s authorization to operate as a charter school or cause Charter School to cease operation. Charter School agrees that, due to the nature of the property and activities that are the subject of this Charter, the District and public shall suffer irreparable harm should Charter School breach any obligation under this Element 15. The District therefore reserves the right to seek equitable relief to enforce any right arising under this Element 15 or any provision of this Element 15 or to prevent or cure any breach of any obligation undertaken, without in any way prejudicing any other legal remedy available to the District. Such legal relief shall include, without limitation, the seeking of a temporary or permanent injunction, restraining order, or order for specific performance, and may be sought in any appropriate court.

**ADDITIONAL PROVISIONS**
**FACILITIES**

**District-Owned Facilities**
If Charter School is using District facilities as of the date of the submittal of this charter petition or takes occupancy of District facilities prior to the approval of this charter petition, Charter School shall execute an agreement provided by the District for the use of the District facilities as a condition of the approval of the charter petition. If at any time after the approval of this charter petition Charter School will occupy and use any District facilities, Charter School shall execute an agreement provided by the District for the use of the District facilities prior to occupancy and commencing use. Charter School shall implement and otherwise comply with the terms of any and all applicable facilities use agreements between Charter School and the District.

Notwithstanding any provision of any existing agreement for the use of District facilities, no renewal, extension of the term, material revision, or amendment, of a charter petition shall automatically renew or extend the term of any agreement for the use of District facilities, including but not limited to Proposition 39 agreements. The circumstances of Charter School’s occupancy of District facilities may change over time such as, but not limited to, enrollment, programs, and the conditions of facilities, and the District has a vested interest in having an agreement that is appropriate for the situation. Proposition 39 Single Year Co-Location Use Agreements shall be limited to one (1) school year and expire on the date stated in said instrument.

For a Sole Occupant Agreement or any other use agreement that is not a Proposition 39 Single Year Co-location Use Agreement or a lease issued through the Notice of Intent and bid process, the term shall not exceed five (5) years or shall be co-terminous with the approved Charter, whichever is shorter. Charter School and the District shall negotiate any modifications of the agreement with the goal of such amendment or new agreement being considered by the LAUSD Board of Education with the renewal of the charter petition. If Charter School and the District cannot execute an agreement in time for such to be considered by the Board of Education with the renewal of the charter petition, the approval of the renewal of the charter petition shall be conditioned upon Charter School and the District executing an amendment to the existing use agreement or a new agreement no later than May 1st or within nine (9) months of the date of the Board of Education’s approval of the renewal of the charter petition. During such time period Charter School shall be permitted to remain in occupancy of the District facilities under the terms and conditions of the immediately preceding, executed use agreement; provided, that if Charter School and the District cannot agree upon and execute an amendment or new use agreement by said deadline, Charter School shall vacate the District facilities on or before June 30th of said school year.

Charter School acknowledges and agrees that occupancy and use of District facilities shall be in compliance with applicable laws and District policies for the operation and maintenance of District facilities and furnishings and equipment. Charter School shall comply with all District health, safety, and emergency procedures and requirements and shall be subject to inspection
by the District's Facilities Services Division, OEHS, and other District offices in the same manner as other LAUSD campuses. All District facilities (i.e., schools) will remain subject to those laws applicable to public schools.

In the event of an emergency, all District facilities (i.e., schools) are available for use by the American Red Cross and public agencies as emergency locations, which may disrupt or prevent Charter School from conducting its educational programs. If Charter School will share the use of District facilities with other District user groups, Charter School agrees that it will participate in and observe all District safety policies (e.g., emergency chain of information and participation in safety drills).

The use agreements provided by the District for District facilities shall contain terms and conditions addressing issues such as, but not limited to, the following:

- **Use:** Charter School will be restricted to using the District facilities for the operation of a public school providing educational instruction to public school students consistent with the terms of the Charter and incidental related uses. Separate and apart from its right as authorizer to observe and inspect any part of the charter school at any time pursuant to Education Code 47607(a)(1), the District shall have and reserves the right to inspect District facilities upon reasonable notice to Charter School.

- **Furnishings and Equipment:** The District shall retain ownership of any furnishings and equipment, including technology, (“F&E”) that it provides to Charter School for use. Charter School, at its sole cost and expense, shall provide maintenance and other services for the good and safe operation of the F&E.

- **Leasing; Licensing:** Use of the District facilities by any person or entity other than Charter School shall be administered by the District. The parties may agree to an alternative arrangement in the use agreement.

- **Programs, Services, and Activities Outside Instructional Program; Third Party Vendors**
  
  (i) Any program, service, or activity provided outside the instructional program shall be subject to the terms and provisions of the use agreement, and, additionally, may require a license, permit, or additional agreement issued by the District. The term “instructional program” is defined, per Education Code section 47612 and 5 CCR section 11960, as those required educational activities that generate funding based on “average daily attendance” and includes those extracurricular programs, services, and/or activities that students are required to participate in and do not require the payment of any consideration or fee.

  (ii) Any program, service, or activity requiring the payment of any consideration or fee or provided by a third party vendor (defined as any person or entity other than Charter School), whether paid or volunteer and regardless of whether such may be within the instructional program, shall be subject to the terms and provisions of the
use agreement and such third party vendor shall be required to obtain a license, permit, or additional agreement from the District.

- **Minimum Payments or Charges to be Paid to District Arising From the Facilities:**
  
  (iii) **Pro Rata Share:** The District shall collect and Charter School shall pay a Pro Rata Share for facilities costs as provided in the Charter Schools Act of 1992 and its regulations. The parties may agree to an alternative arrangement regarding facilities costs in the use agreement; and
  
  (iv) **Taxes; Assessments:** Generally, Charter School shall pay any assessment or fee imposed upon or levied on the LAUSD facilities that it is occupying or Charter School’s legal or equitable interest created by the use agreement.

- **Maintenance & Operations Services:** In the event the District agrees to allow Charter School to perform any of the operation and maintenance services, the District shall have the right to inspect the District facilities, and the costs incurred in such inspection shall be paid by Charter School.

  (iii) **Co-Location:** If Charter School is co-locating or sharing the District facilities with another user, the District shall provide the operations and maintenance services for the District facilities and Charter School shall pay the Pro Rata Share. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such in the use agreement.

  (iv) **Sole Occupant:** If Charter School is a sole occupant of District facilities, the District shall allow Charter School, at its sole cost and expense, to provide some operations and maintenance services for the District facilities in accordance with applicable laws and LAUSD’s policies on operations and maintenance services for facilities and F&E. NOTWITHSTANDING THE FOREGOING, the District shall provide all services for regulatory inspections which as the owner of the real property it is required to submit, and deferred maintenance, and Charter School shall pay LAUSD for the cost and expense of providing those services. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such services in the use agreement.

- **Real Property Insurance:** Prior to occupancy, Charter School shall satisfy requirements to participate in LAUSD’s property insurance or, if Charter School is the sole occupant of LAUSD facilities, obtain and maintain separate property insurance for the LAUSD facilities. Charter School shall not have the option of obtaining and maintaining separate property insurance for the LAUSD facility IF Charter School is co-locating or sharing the LAUSD facility with another user.

**Non-District-Owned Facilities**
**Occupancy and Use of the Site:** Prior to occupancy or use of any school site or facility, Charter School shall provide the CSD with a current Certificate of Occupancy or equivalent document issued by the applicable permitting agency that allows Charter School to use and occupy the site as a charter school. Charter School shall not exceed the operating capacity of the site and shall operate within any limitations or requirements provided by the Certificate of Occupancy and any applicable permit. Charter School may not open or operate without providing a copy of an appropriate Certificate of Occupancy to the CSD. If Charter School intends to move or expand to another facility during the term of this Charter, Charter School shall adhere to any and all District policies and procedures regarding charter material revision and non-material amendment. Prior to occupancy or use of any such additional or changed school site, Charter School shall provide an appropriate Certificate of Occupancy to the CSD for such facility. Notwithstanding any language to the contrary in this Charter, the interpretation, application, and enforcement of this provision are not subject to the Dispute Resolution Process outlined in Element 14.

**Facility Compliance:** Prior to occupancy or use of any school site or facility, Charter School shall provide adequate documentation to the CSD that the facility complies with all applicable building codes, standards and regulations adopted by the city and/or county agencies responsible for building and safety standards for the city in which Charter School is to be located, federal and state accessibility requirements (including the Americans with Disabilities Act (ADA) and Section 504), and all other applicable fire, health, and structural safety and access requirements. This requirement shall also apply to the construction, reconstruction, alteration of or addition to the facility. Charter School shall resolve in a timely manner any and all corrective actions, orders to comply, or notices issued by the authorized building and safety agency or the District. Charter School cannot exempt itself from applicable building and zoning codes, ordinances, and ADA/Section 504 requirements. Charter School shall maintain on file readily accessible records that document facilities compliance and provide such documentation to the CSD upon request.

**Pest Management:** Charter School shall comply with the Healthy Schools Act, Education Code section 17608, which details pest management requirements for schools.

**Asbestos Management:** Charter School shall comply with the asbestos requirement as cited in the Asbestos Hazard Emergency Response Act (AHERA), 40 C.F.R. part 763. AHERA requires that any building leased or acquired that is to be used as a school or administrative building shall maintain an asbestos management plan.

**INSURANCE**

**Insurance Requirements**
No coverage shall be provided to Charter School by the District under any of the District’s self-insured programs or commercial insurance policies. Charter School shall secure and maintain, at a minimum, insurance as set forth below with insurance companies acceptable
to the District [A.M. Best A-, VII or better] to protect Charter School from claims which may arise from its operations. Each Charter School location shall meet the below insurance requirements individually.

It shall be Charter School’s responsibility, not the District’s, to monitor its vendors, contractors, partners, and/or sponsors for compliance with the insurance requirements.

The following insurance policies are required:

5. Commercial General Liability, including Fire Legal Liability, coverage of $5,000,000 per Occurrence and in the Aggregate. The policy shall be endorsed to name the Los Angeles Unified School District and the Board of Education of the City of Los Angeles (“Board of Education”) as named additional insureds and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and Charter School’s insurance shall be primary despite any conflicting provisions in Charter School’s policy. Coverage shall be maintained with no Self-Insured Retention above $15,000 without the prior written approval of the Division of Risk Management and Insurance Services for the LAUSD.

6. Workers’ Compensation Insurance in accordance with provisions of the California Labor Code adequate to protect Charter School from claims that may arise from its operations pursuant to the Workers’ Compensation Act (Statutory Coverage). The Workers’ Compensation Insurance coverage must also include Employers Liability coverage with limits of $1,000,000/$1,000,000/$1,000,000.

7. Commercial Auto Liability, including Owned, Leased, Hired, and Non-owned, coverage with limits of $1,000,000 Combined Single Limit per Occurrence if Charter School does not operate a student transportation service. If Charter School provides student transportation services, the required coverage limit is $5,000,000 Combined Single Limit per Occurrence.

8. Crime Insurance or Fidelity Bond coverage shall be maintained by Charter School to cover all Charter School employees who handle, process or otherwise have responsibility for Charter School funds, supplies, equipment or other assets. Minimum amount of coverage shall be $500,000 per occurrence and $500,000 general aggregate, with no self-insured retention.

10. Cyber liability insurance coverage with minimum limits of $500,000 per occurrence and $500,000 general aggregate.

11. Professional Educators Errors and Omissions liability coverage with minimum limits of $3,000,000 per occurrence and $3,000,000 general aggregate.
12. Sexual Molestation and Abuse coverage with minimum limits of $3,000,000 per occurrence and $3,000,000 general aggregate. Coverage may be held as a separate policy or included by endorsement in the Commercial General Liability or the Errors and Omissions Policy.

13. Employment Practices Legal Liability coverage with limits of $3,000,000 per occurrence and $3,000,000 general aggregate.

14. Excess/umbrella insurance with limits of not less than $10,000,000 is required of all high schools and any other school that participates in competitive interscholastic or intramural sports programs.

Coverages and limits of insurance may be accomplished through individual primary policies or through a combination of primary and excess policies. The policy shall be endorsed to name the Los Angeles Unified School District and Its Board of Education as named additional insureds and shall provide specifically that any insurance carried by the District which may be applicable to any claims or loss shall be deemed excess and Charter School’s insurance shall be primary despite any conflicting provisions in Charter School’s policy.

Evidence of Insurance
Charter School shall furnish to the District’s Division of Risk Management and Insurance Services located at 333 S. Beaudry Ave, 28th Floor, Los Angeles CA 90017 within 30 days of all new policies inceptions, renewals or changes, certificates or such insurance signed by authorized representatives of the insurance carrier. Certificates shall be endorsed as follows:

“Charter school shall be required to provide LAUSD with 30 days prior written notice by certified mail, return receipt requested, if the insurance afforded by this policy shall be suspended, cancelled, reduced in coverage limits or non-renewed.”

Facsimile or reproduced signatures may be acceptable upon review by the Division of Risk Management and Insurance Services. However, the District reserves the right to require certified copies of any required insurance policies.

Should Charter School deem it prudent and/or desirable to have insurance coverage for damage or theft to Charter School, employee or student property, for student accident, or any other type of insurance coverage not listed above, such insurance shall not be provided by the District and its purchase shall be the responsibility of Charter School.

Hold Harmless/Indemnification Provision
To the fullest extent permitted by law, Charter School does hereby agree, at its own expense, to indemnify, defend and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to
attorneys’ fees, brought by any person or entity whatsoever, arising out of, or relating to, this Charter agreement. Charter School further agrees to the fullest extent permitted by law, at its own expense, to indemnify, defend, and hold harmless the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers from and against any and all claims, damages, losses and expenses including but not limited to attorneys’ fees, brought by any person or entity whatsoever for claims, damages, losses and expenses arising from or relating to acts or omission of acts committed by Charter School and/or its officers, directors, employees or volunteers. Moreover, Charter School agrees to indemnify, defend and hold harmless “the LAUSD and the Board of Education and their members, officers, directors, agents, representatives, employees and volunteers, for any contractual liability resulting from third party contracts with Charter School’s vendors, contractors, partners or sponsors.

**FISCAL MATTERS**

**District Oversight Costs**
The District may charge for the actual costs of oversight of Charter School not to exceed 1% of Charter School's revenue, or the District may charge for the actual costs of oversight of Charter School not to exceed 3% if Charter School is able to obtain substantially rent free facilities from the District. Notwithstanding the foregoing, the District may charge the maximum oversight fee allowed under the law as it may change from time to time. The oversight fee provided herein is separate and distinct from the charges arising under charter school facilities use agreements.

**Cash Reserves**
Charter School acknowledges that the recommended cash reserve is 5% of expenditures, as provided in section 15450, title 5 of the California Code of Regulations.

**Third Party Contracts**
Charter School shall ensure that all third party contracts, whether oral or written, for supplies, equipment, goods and/or services, for the direct or indirect benefit of, or otherwise related to the operation of, Charter School, require compliance with and otherwise conform to all applicable local, state, and federal policies, regulations, laws, and guidelines, including but not limited to licensing and permit requirements as well as requirements related to protection of health and safety.

**Special Education Revenue Adjustment/Payment for Services**
In the event that Charter School owes funds to the District for the provision of agreed upon or fee for service or special education services or as a result of the State’s adjustment to allocation of special education revenues from Charter School, Charter School authorizes the District to deduct any and all of the in lieu property taxes that Charter School otherwise would be eligible to receive under section 47635 of the Education Code to cover such owed amounts. Charter School further understands and agrees that the District shall make appropriate deductions from the in lieu property
tax amounts otherwise owed to Charter School. Should this revenue stream be insufficient in any fiscal year to cover any such costs, Charter School agrees that it will reimburse the District for the additional costs within forty-five (45) business days of being notified of the amounts owed.

**Student Body Funds**
Charter School shall supervise and manage any and all student body funds in a manner consistent with the provisions of Education Code sections 48930-48938. Charter School shall include and address student body funds in its financial reports, and ensure that such funds are included and addressed in Charter School’s annual audit as a stand-alone item.

**Audit and Inspection of Records**
Charter School agrees to observe and abide by the following terms and conditions as a requirement for receiving and maintaining its charter authorization:

- Charter School is subject to District oversight.
- The District’s statutory oversight responsibility continues throughout the life of the Charter and requires that the District, among other things, monitors the fiscal condition of Charter School.
- The District is authorized to revoke this Charter for, among other reasons, the failure of Charter School to meet generally accepted accounting principles or if Charter School engages in fiscal mismanagement.

Accordingly, the District hereby reserves the right, pursuant to its oversight responsibility, to audit Charter School books, records, data, processes and procedures through the District Office of the Inspector General or other means. The audit may include, but is not limited to, the following areas:

- Compliance with terms and conditions prescribed in the Charter agreement,
- Internal controls, both financial and operational in nature,
- The accuracy, recording and/or reporting of Charter School’s financial information,
- Charter School’s debt structure,
- Governance policies, procedures and history,
- The recording and reporting of attendance data,
- Charter School’s enrollment process,
- Compliance with safety plans and procedures, and
- Compliance with applicable grant requirements.

Charter School shall cooperate fully with such audits and shall make available any and all records necessary for the performance of the audit upon 30 days notice to Charter School. When 30 days notice may defeat the purpose of the audit, the District may conduct the audit upon 24-hour notice.
**Internal Fiscal Controls**
Charter School shall develop and maintain sound internal fiscal control policies governing all financial activities.

**Apportionment Eligibility for Students Over 19 Years of Age**
Charter School acknowledges that, in order for a pupil over nineteen (19) years of age to remain eligible for generating charter school apportionment, the pupil shall be continuously enrolled in public school and make satisfactory progress toward award of a high school diploma. (Ed. Code § 47612(b).)

**Local Control and Accountability Plan**
In accordance with California Education Code sections 47604.33 and 47606.5, Charter School shall include in its annual update a “listing and description of the expenditures for the fiscal year implementing the specific actions included in the charter as a result of the reviews and assessment required by paragraph (1) of section 47606.5(a). These expenditures shall be “classified using the California School Accounting Manual pursuant to Section 41010.” (Ed. Code § 47606.5(b).)
