- Add \$6,000 to base pay for National Board Certification

SALARY SCALE GLOSSARY

TERM	KIPP LA SALARY SCALE DEFINITION
Year(s) of teaching experience	<p>A year of teaching is defined as an academic year of teaching as the teacher of record. To count as a year, a teacher must have begun teaching on or before January 15. Years in school leadership and administration count towards this, but years teaching as a student teacher, teacher apprentice, or instructional assistant do not count.</p> <p>Types of teaching that count as teaching experience include but are not limited to:</p> <ul style="list-style-type: none"> • Lead teaching at public, charter, and private schools • Lead teaching at international schools • Lead teaching at montessori schools <p>Time spent as instructional assistants, tutors, or in college-level courses does not count as teaching experience on the KIPP LA Salary Scale.</p>
Years at KIPP LA	<p>A year of teaching at KIPP LA is defined as an academic year of teaching as the teacher of record. To count as a year, a teacher must have begun teaching on or before January 15. Years teaching as an Apprentice Teacher at KIPP LA count as full years as do years in school leadership at KIPP LA, but years teaching as a student teacher or instructional assistant at KIPP LA do not count.</p>
Credentialed Lead Teacher	<p>A credentialed teacher is a teacher that holds a current California state Preliminary, California Clear credential, National Board Certification, or an Out-Of-State Professional License.</p> <ul style="list-style-type: none"> • California State Preliminary Credential - A Preliminary or Level I Credential is a teaching or service credential that is valid for five years. The preliminary/level I credential cannot be renewed. Preliminary/Level I credentials require the holder to complete additional specific requirements based on the preparation pathway and documentation submitted with the initial application for certification. Additional academic requirements must be completed to qualify for and upgrade to the Clear or Level II credential. • California State Clear Credential - The term “Clear” or “Level II” credential signifies that all education and program requirements for the credential have been met. Clear or Level II credentials are not held for professional growth requirements. • National Board Certification - National Board Certification (NBC) is a voluntary, advanced teaching credential that goes beyond state licensure. NBC has national standards for what accomplished teachers should know and be able to do. The National Board certifies teachers who successfully complete its rigorous certification process. • Out-Of-State Professional License – A professional teaching License or Credential from another state. Note that this license must be transferred to a California State Teaching Credential to ensure the holder stays on the Credentialed Teacher Scale.
Alternative Credential	<p>An alternative credential generally represents a credential that is not permanent and may represent a credential that is currently in process (<i>e.g., intern, emergency, teaching permit, alternative, provisional, or transitional license</i>).</p>
Resource Specialist Teacher	<p>A Resource Specialist Teacher is an alternatively credentialed teacher or credential teacher with a SPED Autism Authorization.</p>
Salary Differential	<p>A salary differential is a dollar amount that is added to your annual base pay for having a particular qualification, and this addition persists every year (<i>i.e., it is not one-time</i>).</p> <p>KIPP LA Teacher Salary Scale differentials are additive and one of each type (<i>post-BA degree, autism authorization, dual SpEd qualifications, and National Board</i>) can be added. For example, you can have both a Master’s and a SpEd autism authorization differential, but not a Master’s and a PhD differential.</p>
Master’s Degree	<p>A master’s degree is a type of graduate degree from an accredited institution earned after completion of an undergraduate degree like a Bachelor of Arts or Bachelor of Science. Typically the master’s degree requires about 30 credits of coursework and takes 2 years of full-time study beyond the bachelor’s degree to complete</p>
PhD	<p>A Doctor of Philosophy is the highest academic degree awarded by an accredited institution in most countries. PhDs are awarded for programs across the breadth of academic fields.</p>
National Board Certification	<p>The National Board Standards represent a consensus among educators about what accomplished teachers should know and be able to do and they lead to National Board certification. The certification process requires that teachers demonstrate standards-based evidence of the positive effect they have on student learning in alignment with Five Core Propositions. National Board Certification Teachers with National Board Certification have shown to have great impact on their students academic achievement. The process to become National Board certified is also rigorous and meaningful.</p>
